2. If such owner or custodian fails to comply with such order the state veterinary surgeon or a deputy may forthwith seize such animal or animals and enforce the order at the cost of such owner or custodian. If such owner or custodian dispute the existence of such disease or any slaughterable disease, he shall serve a written notice of protest on the state veterinary surgeon or deputy (serving original notice) and shall fix in such notice of protest a time and place (the former not later than 136 hours after the service of said original notice) when and where he will kill such animal or animals. Such notice of protest shall be served in season to enable the state veterinary surgeon or deputy to attend the killing. And thereupon the state veterinary surgeon or a deputy shall attend the killing and hold an autopsy on such animal or animals in the presence of the owner, or custodian or any other person by him selected to be present. If on such autopsy, no pathological lesion of a disease requiring slaughter can be found, the animal or animals shall be paid for as in the case of animals of the second class. But if found part of the tissue of each animal showing such lesion shall at the time be delivered to such owner, custodian or representative, the receipt of the latter taken therefor, and another part of said tissue and said receipt sent to the state veterinary surgeon, who shall retain them until the claim is finally disposed of. On any killing after notice of protest, a right of action shall arise in favor of the owner or custodian, against said sanitary board; but recovery in such action shall not be had unless the non-existence of such lesion at the time of the killing be affirmatively

proven. And judgment recovered by any plaintiff in such action shall be paid out of the stock indemnity fund, created by this Act. In all cases where animals of the first class are killed without notice, autopsy shall be held, and a certificate of the discovery or non-discovery of lesion, together with part of tissue forwarded the state veterinary surgeon as above, save when the animal or animals to be slaughtered show unmistakable symptoms of disease requiring slaughter, in which event a certificate stating said fact shall be forwarded the veterinary surgeon.

3. When no lesion is found and the value of the meat for human consumption has not been affected, the veterinary surgeon holding autopsy shall issue a permit of sale and the carcass may be sold for food, after inspection and proper certification of such fact is made by the state veterinary surgeon or deputy. [*Act approved March 7, 1907, § 7.*] (10th Sess. Chap. 152.)

1891. *Payment for animals slaughtered.*—Whenever animals are to be paid for under the provisions of this Act, they shall be paid for out of the stock indemnity fund, by this Act created, upon an order of said Board, after the valuation thereof has been to it certified. Said valuation must be made by the veterinary surgeon or deputy veterinary surgeon ordering the slaughter or killing of the animals on holding the autopsy or in case of animals of the second class killed by order of veterinary surgeon or deputy veterinary surgeon or by the state veterinary surgeon on information to him furnished by said deputy, he must truly estimate the actual cash value at the time of killing, but in no instance shall his valuation exceed the following: In the case of cattle; for common bloods, not exceeding \$35.00 per head for any male animal, four years old and upwards, and for any female animal four years old and upwards, not exceeding \$25.00 per head and proportionately less for lesser ages. For graded stock, not exceeding \$40.00 per head for any male animal four years old and upwards, and for any female animal four years old and upwards not exceeding \$35.00 per head and proportionately less for lesser ages. And for all full bloods, for any male animal four years old and upwards not exceeding \$100.00 per head, and for any female animal four years old and upwards not exceeding \$75.00 per head and proportionately less for lesser ages. In the case of horses, for common bloods, not exceeding \$25.00 per head for each animal four years old and upwards and proportionately less for lesser ages. For graded stock, for each animal four years old and upwards not exceeding \$50.00 per head and proportionately less for lesser ages. And for full bloods for any animal four years old and upwards, not exceeding \$125.00 per head and proportionately less for lesser ages. In the case of goats and swine, not exceeding their market value for meat by weight. A slaughterable disease shall be deemed any

disease contagious or infectious that is incurable and dangerous or communicable to mankind, such as glanders among horses, asses, and mules, or tuberculosis, rabies and anthrax among all animals. *Provided* that in tuberculosis of cattle, the sanitary board may direct the state veterinary surgeon to detain such cattle in quarantine subject to eradication by the so-called Bang System or other improved system approved by said Board. [*Act approved March 7, 1907, § 8.*] (10th Sess. Chap. 152.)

1892. *Expenses for treatment of animals.*—The owner or custodian shall be alike liable for expense incurred in the treatment, dipping, handling, of any live stock under the provisions of this Act, and whenever such owner or custodian is so liable for any such expense, the said sanitary board may have a lien on such live stock and any other live stock owned by the person liable, which lien shall be a first lien and superior to any other lien, claim or demand against said property. The sanitary board may also maintain a civil action for the amount of such expense against the person liable therefor. [*Act approved March 7, 1907, § 9.*] (10th Sess. Chap. 162.)

1893. *Duty of state and local boards of health.*—It is hereby made the duty of the State and several local Boards of Health of any county, city, town or village in the state, to co-operate with and assist the said sanitary board in all matters, relating to the execution of its sanitary powers as to live stock under this Act, in such manner as may be by said sanitary board prescribed, either by general regulation or direct order. [*Act approved March 7, 1907, § 10.*] (10th Sess. Chap. 152.)

[*Act approved March 7, 1907, § 11.*] (10th Sess. Chap. 152.)

1895. *Board to have authority to administer oaths.*—Whenever in the exercise of their powers or the discharge of their duties, it shall become necessary or proper, for any member of said sanitary board, or the state veterinary surgeon, or any of his deputies, to investigate facts and conditions, he is hereby authorized to administer oaths, take affidavits and compel the attendance and testimony of witnesses being given for such purpose all the powers of a Notary Public. [*Act approved March 7, 1907, § 12.*] (10th Sess. Chap. 152.)

1896. *Definition of words and phrases.*—The phrase “dangerous, contagious, infectious, enzootic and epizootic,” as used in this Act, shall be deemed to include glanders, farcy, tuberculosis, anthrax, rinderpest, rabies, foot and mouth disease, pleuro-pneu-

monia, cholera, swine plague, variola or pox, contagious abortion, contagious ophthalmia, mal du coit, coital exanthema, scab or scabies, or any other contagious skin disease, blackleg, malignant catarrh, and any other disease of live stock that may be controlled or eradicated by sanitary measures or regulations. 1905. *Claimant shall exhibit skin.*—Any person killing any of the aforesaid animals, except mountain lions, to obtain bounty thereon, shall, within sixty days of the date of the killing, except the skin or skins of the said animal or animals including the tail and the skin from the entire head, including the ears thereof, to the Bounty Inspector nearest to the locality in which the animal or animals were killed; and shall at the same time, file with the Bounty Inspector, as hereinafter provided, an affidavit setting forth that he killed the animal or animals from which the skin or skins were taken; that the same was killed nearer to, or if more than one hide is presented, that the greater number were killed nearer, to the residence of the said Bounty Inspector to which the same was presented, than to any other Bounty Inspector, and also state the county or counties in which said animals were killed, and every Bounty Inspector appointed

under the provisions of this Act shall be empowered to administer oaths to any and all persons making any affidavit as aforesaid; *Provided, however*, that any person killing any mountain lion to obtain bounty thereon, shall present the same to a Bounty Inspector as provided in this Section for wolves and coyotes, except that in addition to the requirements of this Section the skins of mountain lions shall also contain the entire skin of the lower jaw which shall be severed by the Bounty Inspector and thereafter treated in the same manner as scalps of wolves and coyotes herein provided. [*Act approved March 1, 1905, § 2.*] (*9th Sess. Chap. 49.*)

1906. *Bounty Inspectors.*—It shall be the duty of the Judge of the District Court presiding over any of the counties within the state to forthwith appoint three representative stock growers, whose duty it shall be to appoint, not to exceed ten Bounty Inspectors within any of the Counties of the State, whose duty shall be to receive and examine all skins or pelts presented for bounty within their respective localities; the said Bounty Inspectors shall receive ten cents for each skin examined, said amount to be paid by the owner of said skin; and each shall take the oath of office provided in case of county officers, said oath to be filed with the County Clerk of the County wherein he shall be appointed; each Bounty Inspector shall to prevent fraud, minutely examine each skin presented, and should such examination disclose that the scalp and ears, with the skin from the entire head of each animal or animals, has not been severed, punched, patched or in any manner marked, he shall there in the presence of the persons presenting such skin, mark each skin by severing the skin from the head, including the ears, and then redeliver the skin or skins to the person presenting the same, and shall require the affidavit of one resident taxpayer residing in the vicinity in which said animal or animals were killed, setting forth that he is a resident taxpayer, and taxpayer on live stock in said county, giving his postoffice address and stating that he is personally acquainted with the person presenting the skin or skins, and to his knowledge, information and belief, said person did kill or cause to be killed the animals from which the skin or skins were taken, within sixty days preceding the offering of such skins for bounty, in the locality nearest to where said Bounty Inspector resides, and at the same time make out and deliver to said person, a certificate addressed to the County Clerk of his County, and immediately mail to said County Clerk a duplicate thereof, showing the date, number and kind of skins so marked by such severing, and the name of the person presenting the fact of the filing of the affidavit herein provided for, and the examination made as required; and said certificate shall be duly signed by him in his official capacity; *Provided*, that

when any doubt shall exist as to the kind of skin or skins presented, whether wolf or coyote, the certificate shall be issued for the lesser bounty, and each Bounty Inspector shall keep a record in a bound book of all the skins so marked and served, showing the date, number and kinds, the names of the persons presenting the same, which book shall be a book of official record, and the Bounty Inspector shall immediately string upon a wire all of the said scalps, including the ears thereof as severed by him, and securely seal ends of said wire with a lead seal by means of a punch, both to be furnished by the State Board of Stock Commissioners, each punch to contain a letter of the alphabet and no two punches in the same County to contain the same letter, and numbering seal with a number corresponding with the number of Bounty Certificate issued for the skin or skins contained thereon together with his letter; all wolf, coyote, pup wolf, and pup coyote heads to be strung on separate wires, respectively, and so noted on said certificate the number of the heads on said wire. The Bounty Inspector is not authorized to examine any skin or issue any certificate except on the first three days of each month, and any examination made by him or certificate issued on any other day is void. The Bounty Inspector shall, not later than the 15th of each month, render to the County Clerk and Recorder of the County in which he resides a report setting forth the names of the persons presenting the skins, with the number of the certificate, the kind and number of the skins so presented, as to each and every certificate which he has issued during said month. The County Clerk shall upon the receipt of each said certificate file the same in the order in which they are received, and safely keep them until the arrival of the skin or skins mentioned in such certificate, properly sealed as hereinbefore provided, and upon the receipt of said skin or skins so sealed, he shall call to his assistance either the County Treasurer, or in his absence, the Clerk of the District Court, who being present, shall both, in order to prevent fraud, minutely examine each scalp strung upon each wire, and should such examination disclose the scalps as heretofore specified, of such animal or animals, agree with the number and kind of scalps or lower jaw of mountain lion mentioned in these said certificates, the County Clerk shall thereupon, in the presence of said Treasurer or Clerk of District Court, destroy said scalps without removing same from said wire, by fire; and said County Clerk shall then make out and deliver to the person named in said certificate, a second certificate showing the same statement of facts, as contained in the certificate of the Bounty Inspector with the additional statement of the examination so made by him; and that he found said scalps to agree with the number and kind mentioned in the certificate of said Bounty Inspector, and so

stated therein in said certificate. In no case should a bounty certificate be issued by the Clerk and Recorder for more scalps than are actually received and counted by him, and the County Clerk and Recorder shall receive for each scalp or mountain lion lower jaw accounted for by him, the sum of five cents each to be paid quarterly by the Treasurer out of the Bounty Fund. The County Clerk shall keep a record in a bound book of all certificates so received and issued, showing the date, and description of the number and kind of hides, and the names of the person presenting the same, which book shall be an official record. [*Act approved March 1, 1905, § 3.*] (9th Sess. Chap. 49.)

State v. Newman, 34 Mont. 436; 87 Pac. 462. A person appointed to act as bounty inspector, and who, while acting as such, was charged with forgery of bounty certificates, is a de facto officer and cannot raise the question of the invalidity of the act under which he was appointed.

1907. *Proof of killing.*—Should any Clerk or Bounty Inspector have reason to believe that any person presenting the skin or skins as above provided, has evaded the provisions of this Act to obtain the bounty unlawfully, he shall require satisfactory evidence of the time, place and manner of the killing of said animal or animals. [*Act approved March 6th, 1903, § 5.*] (8th Sess. Chap. 94.)

1908. (§ 3074.) *Warrants for bounties.*—It shall be the duty of the state auditor, upon the written order of the state board of examiners, to give the person presenting said order a warrant upon the state fund hereafter provided for, for the amount required to compensate, at the bounty prices by this act provided and awarded, for the number of animals mentioned in the order, taking the receipt on the back of the order of the person presenting for the full amount received; and the state auditor and the state treasurer shall keep an account of all warrants so issued and paid and list them in their annual report to the governor. [*Act approved Feby. 26, 1895.*]

1909. (§ 3075.) *State bounty fund.*—For the purpose of providing for the payment of the aforesaid warrants there is hereby created a fund to be known as the state bounty fund, and in addition to the twenty-five per cent.* of all licenses now provided by law to be paid into the state treasury, by the respective county treasurers, there shall be paid into the said state treasury a further five per cent, of all said licenses, making a total of thirty per cent. thereof, payable into the state treasury, and seventy per cent. thereof to be retained by the respective counties collecting the same; and it is provided that the extra five per cent. of the said licenses thereby provided for to be paid into the state treasury shall, as received by the state treasurer from time to time, be covered into and passed by him to the credit of said state bounty fund, and the said treasurer shall

Note.—See Revised Codes, § 2756.

likewise cause to be deposited to the credit of said fund from time to time, as he shall receive the same, of all proceeds of the tax levy next herein provided for. [*Act approved Feby. 26, 1895.*]

State v. Camp Sing, 18 Mont. 129; 44 Pac. 516.

1910. (§ 3077.) *Application of surplus funds.*—If at the end of any fiscal year there shall be a surplus of said bounty fund, it shall be the duty of the state treasurer, and he is hereby authorized to apply such surplus on the payment of warrants on outstanding bounty certificates, on the order of the state board of examiners. [*Act approved Feby. 26, 1895.*]

1911. (§ 3078.) *Perjury. Forgery. Penalty.*—Any person who shall falsely make, alter, forge or counterfeit, any of said certificates or orders shall be deemed guilty of a forgery, and any person who shall swear falsely to any affidavit provided for by this act, or procure the same to be done by another, with the intent of obtaining any one of said certificates or orders, shall be deemed guilty of perjury, and any person convicted of any of the offenses declared in this section shall be punished by imprisonment in the state's prison for a term of not less than one year nor more than ten years. [*Act approved Feby. 26, 1895.*]

In re Tergett, 34 Mont. 331. 86 Pac. 267. This section is not invalid because the penalties are not set forth in the title. The offense of forgery charged to have been committed by a county inspector or is committed by making the certificate,

when certain conditions precedent to its issuance, with the fulfillment of which he is charged, have not been performed. The crime of forgery herein charged is purely statutory.

1912. *Fraud. Penalty.*—Any person or persons who shall patch up any skin or scalp, or who shall present any punched or patched skin or scalp, or who shall bring in any skin or skins from other States or Territory, with intent to obtain the bounty on same fraudulently, or any officer who shall sign any certificate herein provided for without first counting the skins and examining same to determine the kind of skins, and to see that the skin from the scalp or head is properly severed and preserved as hereinbefore provided, or shall evade any of the provisions of this Act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine not exceeding one thousand dollars, or by imprisonment in the county jail not exceeding one year, or by both such fine and imprisonment, and that two-thirds of the fine, if the same is collected, or can be collected, to be given to the informer, and the balance be covered into the State Bounty Fund. [*Act approved February 27th, 1899, § 5.*] (6th Sess. 102.)

In re Terrett, 34 Mont. 332; 86 Pac. 267.

1913. *Certificate of bounty claim; how made.*—That, hereafter, any applicant for bounty claimed for the killing of any stock destroying animal, under the laws of the state, shall, in his own hand writing, fill up all blanks in the affidavit by law

required to be made by such claimant of bounty, and, in stating in such affidavit the number of any kind of such animals upon which bounty is claimed, the said applicant shall state the number by writing the same in letters and, also, in parenthesis, in the figures; but, in the event that such applicant for bounty shall be unable to write, the blanks in such affidavit may be written and filled in for him by any other person, save and except the officer before whom such application for bounty is made. The person so writing for any bounty claimant, who is unable to write and fill in the blanks of his own affidavit, shall write his name below the name of the claimant upon such affidavit. [*Act approved March 5, 1907, § 1.*] (*10th Sess. Chap. 93.*)

1914. *Witness to bounty certificate.*—Any taxpayer upon livestock becoming a witness in support of any bounty claim shall, in his own hand writing, fill in all blanks in the affidavit to be by him subscribed, and at the same time, the number of the several animals whose hides are exhibited to the said witness at the time of applying for such bounty, and shall write such numbers in the said affidavit both in letters and figures; but, in the event that any such person acting as witness is unable to write, then such affidavit may be filled out in the manner prescribed in Section I of this Act. [*Act approved March 5, 1907, § 2.*] (*10th Sess. Chap. 93.*)

1915. *Erasures or obliteration of writing on bounty certificates.*—No officer shall hereafter, at any time, issue any bounty certificate or duplicate bounty certificate which has therein any erasure or obliteration of any ink writing upon the same, and the making upon the same, or any affidavit in support of any bounty certificate shall render such certificate null and void. 1916. *Repeal. Construction.*—Article VIII., chapter V., of title VII., of part III. of the Political Code and all bounty laws, are hereby repealed, it being the purpose of this act that hereafter no bounty shall be paid upon any animals save those mentioned in § 1940 (3070) hereof. But nothing in this act shall be construed to affect the liability of the state or any county thereof for bounties earned in pursuance of existing laws. [*Act approved Feby. 26, 1895.*]

2077. (§ 3233.) *Elect officers, make by-laws, exempt firemen.*—Every such fire company must choose or elect a foreman, who is the presiding officer, and a secretary and treasurer, and may establish and adopt by-laws and regulations, and impose penalties, not exceeding five dollars, or expulsion for each offense. The officers and members of unpaid fire companies regularly organized and exempt firemen, are entitled to the following privileges and exemptions, viz: Exemption from payment of poll tax, road tax, and head tax of every description; exemption from jury duty; exemption from military duty, except in case of war, invasion or insurrection. Every fireman who has served five years in an organized company in this state is an “exempt fireman,” and must receive from the chief engineer of the department to which he belonged a certificate to that effect. Every active fireman must have a certificate of that fact, signed by the chief of the fire department or the foreman of the company to which he belongs; such certificates must be countersigned by the secretary, and over the seal of the company, if one is provided. Each certificate entitles the holder to exemption from military and jury duty.

2078. (§ 3234.) *County clerk may issue exempt certificates.*—In lieu of issuing certificates to exempt firemen by the chief of the fire department, as provided in the last section, on the certificate of the foreman and secretary of any fire company, or the chief of the department, provision being made therefor in the by-laws of the company, “exempt certificates” may be issued by the clerk of the county, over his official seal and signature, which entitles the holder to like exemption from military and jury duty.

2079. (§ 3235.) *Seal and record of membership.*—Every fire department regularly organized may adopt a department seal, the name of the particular fire department to which it belongs, which must be under the control of and for the use of the secretary, and be by him affixed to exempt certificates, certificates of active membership, and such other documents as the by-laws may provide. The secretary of every department having a seal must take the constitutional oath of office and give such bond as the by-laws provide for the faithful performance of his duties. The secretary of the fire department, or fire company, must keep a record of all certificates of exemption or active membership, the date thereof, and to whom issued; and when no seal is provided, similar entries of certificates issued to obtain county clerk’s certificates. Every such Certificate is prima facie evidence of the facts therein stated.

2080. (§ 3236.) *Duties of chief.*—The chief of every fire department must inquire into the cause of every fire occurring in the town of which he is the chief, and keep a record thereof; he must aid in the enforcement of all fire ordinances duly enacted, examine buildings in process of erection, report violations of ordinances relating to prevention or extinguishment of fires, and, when

directed by the proper authorities, institute prosecutions therefor, and perform such other duties as may be by proper authority imposed upon him. His compensation, if any, must be fixed and paid by the city or town authorities. He must attend all fires, with his badge of office conspicuously displayed; must prevent injury to, take charge of, and preserve all property rescued from fires, and return the same to the owner thereof on the payment of the expenses incurred in saving and keep the same, the amount thereof, when not agreed to, to be fixed by any justice of the peace.

2081. (§ 3237.) The board of county commissioners are authorized to establish the fire limits in any unincorporated town or village, and at the time of the annual levy of taxes may levy a special tax upon all the property within such limits for the purpose of buying apparatus and maintaining the fire department of any such town or village, and such tax must be collected as are other taxes.

All fences constructed of at least one strong pole, rail or board, and three of either wires, or strong poles, rails, or boards, or both, so that there be three altogether thereunder, which lower three, whether all wires, or poles, rails or boards and wires, may be arranged at the pleasure of the builder; but all must be fastened firmly, as nearly equidistant as possible to substantial posts firmly set in the ground, not more than twenty feet apart, or set to well-supported, substantial leaning posts not more than twenty feet apart. But the lower pole, rail, board or wire, must not be more than one foot and a half above the ground.

2. All fences constructed of at least four horizontal wires

each, if cabled, to consist of not less than two wires, of at least number twelve gauge; or, if plain, of not less than a number nine gauge, the lowest of which must not be more than one foot and a half above the ground, securely fastened, as nearly equidistant as possible to substantial posts, firmly set in the ground, or to well supported substantial leaning posts, not exceeding thirty-two feet apart, with pickets of wood or wire interwoven in or fastened to said wires, between each two of said posts, in such manner that there must not be more than five and one-half feet space between such pickets and posts or nearest pickets; the pickets, if of wire, to be of not less than number eight gauge.

5. All fences constructed of any standard woven wire field fencing, not less than four-feet-four-inches in height, securely fastened to substantial posts, set at a distant not exceeding thirty-five feet apart. [Act approved February 27, 1905.] (9th Sess. Chap. 37.)

2083. (§ 3251.) *Penalty for violation.* Any person constructing or maintaining any fence of any kind not described in the next preceding section, is liable in a civil action for all damages caused by reason of injury to stock resulting from such defective fence.

2084. (§ 3252.) *Barbed wire fences to be kept in repair.*—The owners of barbed wire fences must keep the same in repair, and any person receiving notice in writing, that his barbed wire fence or any part thereof is down, or in such condition as to be likely to injure any livestock, and fails or refuses to repair such fence, is liable to pay damages in an amount equal to the value of any cattle, horse, mule or other domestic animal which may be injured by coming into contact with the fence.

2085. (§ 3253.) *Partition fences.*—The occupants of adjoining lands enclosed with fences must build and maintain partition fences between their own and the next adjoining enclosure in equal shares, so long as both continue to enclose the same; and such partition fence must be kept in good repair throughout the year, unless the occupants otherwise mutually agree.

2086. (§ 3254.) *Partition fences to be maintained at joint expense.*—If any occupant of land adjoining the enclosure of another enclose the same, upon the enclosure of such other person, he must, within three months thereafter, build his proportion of such partition fence, or refund to the owner thereof an equal proportion of the value, at that time, of any partition fence of such adjoining occupant.

2087. (§ 3255.) *Fence when joint occupancy ceases.*—Whenever any lands belonging to different persons in severalty, have been enclosed and occupied in common, or without a partition fence between them, and one of such occupants desires to occupy his part in severalty, the other occupant must, within six months after being notified in writing, build and maintain his proportion of such partition fence as may be necessary for that purpose and in case of neglect or refusal so to do, the person giving such notice may build such fence at the expense of the person so neglecting or refusing, the amount expended to be recovered in an action, together with all damages he may sustain on account of such neglect or refusal.

2088. (§ 3256.) *When partition fence removed.*—If the occupants of adjoining lands have heretofore built or hereafter build their respective portions of a partition fence, and either of them at any time desires to suffer the land occupied by him to lie open, he may, after having given to the occupants of the adjoining land at least six months' notice of his intention so to do, remove his proportion of the partition fence, unless such adjoining occupant pay or tenders to him the value thereof; and if such fence be removed without notice, or after payment or tender of the value as aforesaid, the person removing the same is liable to the person injured for all damages he may sustain thereby.

2089. (§ 3257.) *Repairs of partition fences.*—In case any person neglects or refuses to repair or rebuild any partition fence which by law he ought to build or maintain, the occupant of the adjoining land may, after giving sixty days' notice that a new fence should be erected, or five days' notice in writing that the repairing of such fence is necessary, build or repair such fence at the expense of the party so neglecting or refusing, the amount so expended to be recovered from him; and the party so neglecting or refusing, after receipt by him of the notice above provided, is liable to the party injured for all damages he may sustain thereby.

2090. This section must not be construed so as to re-

quire a legal fence in order to maintain an action for injury done by animals running at large contrary to law.

Monroe v. Cannon, 24 Mont. 320; 61 Pac. 864. This statute applies to trespasses committed by animals running at large without the knowledge of the owner, and not to a case where one knowingly appropriates the use of the land of another.

Beinhorn v. Griswold, 27 Mont. 88; 69 Pac. 558. The landowner is not charged with the duty to keep cattle lawfully at large from coming on his land, or make their entry thereon lawful, so as to make

him liable for injuries to such animals caused by the existence of dangerous liquids used in mining operations on the land.

Clemmons v. Gillette, 33 Mont. 328; 83 Pac. 881. A person who unlawfully fences a portion of the public domain cannot maintain an action against another for depasturing such land, and cannot have an injunction to restrain the latter.

2091. (§ 3259.) *Stock trespassing may be retained.*—If any such animal breaks into an enclosure surrounded by a legal fence, or is wrongfully upon the premises of another, the owner or occupant of the enclosure or premises may take into his possession the animal trespassing, and keep the same until all damages, together with reasonable charges for keeping and feeding. Any person who takes or rescues any such animal from the possession of the person in whose custody the same may be, without his consent, is liable to a penalty of not less than five nor more than twenty-five dollars for each of the animals so rescued, which may be recovered by such occupant or owner in any court of competent jurisdiction. Within twenty-four hours after taking such animal into his possession, the owner or occupant must give notice to the claimant of the animal, that he has taken up the animal, if known, or if unknown, he must post a like notice at some public place near the premises.

2139. (§ 3441.) *Must be constructed in a substantial manner.*—No person must construct or cause to be constructed a dam or reservoir for accumulating water except in a thorough, secure and substantial manner.

2140. (§ 3442.) *Complaint, and persons appointed to examine dams and reservoirs.*—Upon complaint on oath, made by any person and filed in the district court, that a person is filling or proposing or threatening to fill with water a reservoir, or has filled or gathered water in a reservoir, and that life and property are endangered, the judge must appoint three persons of the county in which such reservoir is situated, one of whom must be a mining or civil engineer, if possible, each of whom must take an oath that he will examine the dam and reservoir to determine as to its security, to the best of his ability.

allowed to flow therein until the owner thereof has filed in the office of the county clerk a certificate, signed by a majority of the persons so appointed, to the effect that such dam or reservoir is constructed in a proper manner and is safe and secure.

2149. (§ 3451.) *Compensation of experts.*—The persons acting as experts are entitled to a reasonable compensation for their services, to be allowed by the board and paid by the owners of the dam or reservoir.

 lands, in default of sale, may be leased
 under the direction of the state land
 commission for terms not exceeding five
 State v. Rice, 33 Mont. 393; 83 Pac.
 878.

2153. (§ 3471.) *Duties.*—It is the duty of the board to provide for the selection, leasing, sale, or other disposition of all lands heretofore or which may hereafter be granted to the state of Montana by the United States or otherwise, under such regulations as may be prescribed by law, and in such manner as may secure the maximum possible amount provided therefor. No land heretofore granted the state must be sold for less than ten dollars per acre, but where land is not worth such sum, it may be leased for a term not exceeding five years, and at a rental to be determined by the board.

2154. (§ 3472.) *Same.*—The governor is president of the board, and the superintendent of public instruction is the secretary, and the meetings of the board may be regulated by such rules as the board adopts. The board must keep a record of its proceedings in a book kept for that purpose, and must preserve all papers and documents submitted to it. The board must designate what lands selected by the state shall be assigned to each specific fund, designated in grants made by the United States, and keep all maps, plats, books, records, documents and papers pertaining to the office, subject at all times to inspection by the public. The board must be furnished by the state with all necessary blanks, books and stationery, and all the necessary expenses

attending the examination, survey, location and sale of state lands must be paid on the warrants of the auditor issued on vouchers certified by the state board after being allowed by the board of examiners.

2155. (§ 3473.) *Must provide maps and plats, and classify lands.*—The board must provide as complete a set of plats for field use as may be necessary of the surveyed lands of the state together with such blanks as may be necessary for the examination of said lands; must ascertain what part of the unappropriated government lands in the state are capable of irrigation, and the sources and reliability of the supply of water for the same; and must select what lands may be suitable under the various grants made by the United States to the state, and must classify the lands upon the maps and plats so prepared, according to the classification made by the constitution of the state of Montana, to-wit:

1. Grazing lands.
2. Timber lands.
3. Agricultural lands.
4. Lands lying within the limits of any town or city, or within three miles of such limits, and the board must as often as once in five years, re-classify the lands, so that at no time must any of the lands be sold under a different classification from that to which they belong.

2156. (§ 3474.) *Lands and funds to be marked on map.*—The maps and plats prepared by the board, as above provided, must also contain a classification of the lands according to the respective funds or state institutions to which said lands belong, and must be marked upon maps and plats with the name of the fund to which they belong; and it is the duty of the board to select or cause to be selected, lands in lieu of those settled upon, and disposed of by the United States in sections 16 and 36; the lands selected to be as contiguous as possible to the section in lieu of which the same is taken, and such selections so made of lieu lands must be certified to the register and receiver of the proper United States land office by the board.

2157. *Reappraisement every five years.*—The Board may if in its judgment it is necessary cause all land held in trust by the State, to be reappraised by the State Land Agent or his assistants once every five years and whenever complaint shall be made to the State Board of Land Commissioners by at least ten householders of any school district, in which State lands are situated, that such lands or any portion thereof are appraised too high or too low, the Board shall, by an order entered upon their minutes, direct the State Land Agent to reappraise such lands, and if upon such reappraisement, the Board is satisfied that such lands are appraised too high or too low the Board may value the same at their real

value and enter the same in their books of record. *Provided, however,* that said Board may at any time of their own motion by an order entered of record, direct the State Land Agent to re-appraise any part or portion of the State Lands in any county in the State. *Provided* that such reappraisement shall not take effect until the lands affected thereby are regularly advertised and offered for sale or lease as hereinafter directed; and *Provided, further* that whenever any lot or tract of land has been put up for sale or lease and no bids have been received for same and no application be made for the purchase or leasing within a reasonable time, the Board may, if in its opinion the appraisal was too high reduce the same, but such reduction must not exceed ten per cent in any one year. [Act approved March 1, 1899.] (6th Sess. 87-8.)

2158. *Selection by legal subdivisions. Limit to selections.*—All selections of land must be made in legal subdivisions, and when the selection has been made and approved by the board, the Governor must take the necessary steps to procure the approval of the Secretary of the Interior, and the issuance of patents for the same by the United States to the State of Montana; *Provided*, that not more than 200,000 acres shall be selected in any one county of the State, unless it shall satisfactorily appear to the State Board of Land Commissioners that no lands can be selected in those counties of the state wherein a less quantity than 200,000 acres have been selected. [Act approved March 6th, 1897.] (5th Sess. 193.)

Note.—Section not mentioned in title of act.

2159. *Limit of selection of state lands.*—That no further selections of any indemnity school land or of any land for any of the state institutions of learning, or for public buildings, shall be made in any county in which the state has already selected one hundred thousand (100,000) acres, or more, of land in the aggregate for such purposes. [Act February 27, 1907.] (10th Sess. Chap. 50.)

2160. (§ 3477.) *Books to be made showing character of land.*—When the lands have been selected for the respective purposes mentioned in the act of congress approved February 22, 1889, granting lands to the state of Montana, and the title of the same assured to the state, the board must cause to be prepared a complete set of maps and plats, which must be of a permanent character, and must also prepare a set of books showing the character of the soil, grass, timber, water, the source and supply of water for irrigation, the presence of stone, lime, or any useful mineral production, and in general all facts that may affect the value of the lands, and showing on the plats which lands have been selected under each specific grant of the United States, and for what particular purpose the same are selected, and also

whether the lands belong to subdivisions 1, 2, 3, or 4, of § 1, of article XVII., of the constitution of the state, and when any re-classification of said lands is made the plats and books must be changed to show the re-classification.

2161. *Sale of lands.*—The Board may from time to time direct that the lands belonging to the State be offered for sale and lease at public auction to the highest bidder, such sale and leasing to be conducted by the Register of the State Land Office, and held at the Court House of the county wherein such land is situated. Each quarter section or such portion thereof as belongs to the State shall be offered for sale separately. Smaller lots only must be sold when it is impossible to sell as above described or when thereby a larger price will be obtained, but not more than one hundred and sixty acres shall be sold to one person, *Providing* that in grazing lands more than one hundred and sixty acres may be sold if the sale of only one hundred and sixty acres would, in the judgment of the State Land Register, work an injury to the other portion of the section or lessen it in value, and no lands shall be sold for less than ten dollars per acre nor for less than its appraised value, and the amount of the purchase money to be paid at the time of the sale shall be not less than thirty per cent of the whole amount. Except that in the case of timber lands the whole of said amount shall be paid. [*Act approved March 1, 1899.*] (6th Sess. 88.)

[*Act approved March 1, 1899.*] (6th Sess. 88.)

2163. *Payment of purchase price or rental.*—Within twenty-four hours after such sale, the purchaser of each lot or tract shall pay to the Register of the State Land Office the amount of the first payment, and shall execute a bond conditioned for the payment of the balance of the purchase money to the State of Montana in fourteen equal annual payments, with interest at the rate of five per cent. per annum. And each lessee shall, within a like period, pay to the Register the first year's rental, and shall deliver to him a good and sufficient bond, executed by said lessee and two

sureties, the amount of whose taxable property shall be certified by the county clerk and recorder of the county wherein their property is situated, the condition of which bond shall be that each lessee will keep and perform all covenants and agreements contained in his lease, and the Register shall, upon such payment and the delivery of such bond, execute and deliver to such purchaser or lessee a certificate of purchase or lease, as the case may be. If any purchaser or lessee refuses or neglects to make such payment or deliver his bond as above provided, he shall forfeit the sum of one hundred dollars with costs of suit, and the Attorney General shall institute a suit for the recovery thereof in the name of the State of Montana. [*Act approved February 25th, 1903.*] (8th Sess. Chap. 28.)

2264. *Rights of contractor.*—The builder of any such canal or other irrigation works, shall have the right to so construct or to subsequently enlarge or make such changes in the same as will permit the water to be used for power purposes; and to use any

surplus water carried therein for such purpose; such construction, enlargement, change or use to be done without cost to, or interference with, any purchaser or owner of perpetual water right from such canal. All income from the use of such water for power shall belong to said builder, his heirs or assigns; but the use for power development shall be subordinate to the irrigation and domestic use of the water and shall not interfere in any way with perpetual rights. [*Act approved March 8, 1905, § 10.*] (*9th Sess. Chap. 105.*)

2265. *Same.*—Any person or company entering into a contract to construct canals or other irrigation works and to sell water rights to settlers under this Act, may maintain and operate the same until perpetual water rights appurtenant to ninety per cent of the lands, to reclaim which such works were constructed, have been sold and paid for, when such works shall be turned over to the settlers and others owning rights to take water from such canals, who shall have the right thereafter to maintain and operate it. The contractor, so long as he maintains and operates the irrigation works, shall have the right to collect from settlers on such lands not to exceed one dollar per acre, per year, for each acre of land to which his or her water right is appurtenant, said charge to include the cost of maintenance, operation and delivery of water to said land. [*Act approved March 8, 1905, § 11.*] (*9th Sess. Chap. 105.*)

2266. *Co-operative reclamation projects.*—It shall be the duty of the Carey Land Act Board to aid co-operative reclamation projects as follows: Parties desiring such aid shall incorporate as a Co-operative Irrigation Association for the purpose of reclamation by their own labor of arid lands open to reservation under the said Acts of Congress and of the settlement upon said lands. Each member shall subscribe to one share of the stock for each forty acre tract of land to be filed upon and reclaimed by him, and the total number of shares issued by such Association shall be limited to one for each forty acres of land filed upon. After the articles of incorporation are filed with the Secretary of State, the fee for which shall be five dollars, the Association may apply to the Carey Land Act Board for aid and it shall be the duty of the State Engineer, or his assistant, under such rules and regulations as the Board may adopt, to investigate the proposed project and if found feasible, to prepare the maps and data required for reserving the land under the Carey Act and subsequently to furnish the Association with the engineering plans necessary for reclamation and to exercise a general supervisory control over their execution. Thereupon the said Board shall, if in the judgment of the State Engineer the reclamation of such land is feasible and practicable, cause the same to be reserved and contract with the United States subject to the same limitations as here-

inbefore provided, for the reclamation of the same. The Association shall pay the United States Land Office fees for the reservation of the lands and immediately after contract shall have been entered into with the United States shall pay to the Carey Land Act Board twenty-five cents (25) per acre filing fee for each acre reserved. When all or any part of said land has been reclaimed the Board shall apply for patent for same, *provided*, that all cash outlay required for obtaining patent shall be paid to the Board by the Association immediately. After water has been available for irrigation of said lands for four seasons, the Association shall not later than Nov. 1st of said fourth season, pay to the Carey Land Act Board such additional amount not exceeding One Dollar (\$1.00) per acre as may have been agreed upon between said Board and such Association before the reservation was made, for all said land patented to the State and thereupon deeds shall be issued by the State to each of the stockholders of said Association having settled upon any of said lands, for so many acres as their stock may entitle them to respectively. After the State has obtained patent it may issue deeds at any time when the land is paid for, in tracts of not less than 40 acres nor more than 160 acres to any stockholder designated by the Association, being a settler upon any of said lands. Water rights for said lands shall be appurtenant to and inseparable from the legal subdivision for which it was appropriated. [*Act approved March 8, 1905, § 12.*] (*9th Sess. Chap. 105.*)

2267. *Default of construction.*—Upon the failure of any parties having contracts with the State for the construction of irrigation works, to begin the same within the time specified by the contract or to complete the same within the time or in accordance with the specifications of the contract with the State or on a cessation of work under the contract for a period of six months after the second year, it shall be the duty of the Board to give such parties written notice of such failure, and if, after a period of sixty days from the receipt of such notice they shall have failed to proceed with the work or to conform to the specifications of their contract with the State the penal bond securing performance of such contract shall at once be and be declared forfeited to the State and the contract, in so far as it relates to any of said land not settled or reclaimed, shall immediately thereafter be void. On the application of the said Board the Attorney General shall be required to institute or defend any suits or actions in which may, in any manner be brought in question the rights of the State in any lands in which the State has acquired any interest under any of the said Acts of Congress, and the said Board is hereby authorized and empowered in the name of the State, to execute any conveyances of any property, the title to which is in the name of the State by reason of any Acts of the said Board or its predecessor the Arid Land Grant Commission.

a conveyance of which is necessary to, or made a condition of, the relief asked for by the State in any such action. [*Act approved March 8, 1907, § 13.*] (9th Sess. Chap. 105.)

2268. *Classification of lands.*—The Board shall cause to be classified all lands reserved under this Act, the expenses for which shall be paid by the State out of the funds in the Carey Land Act Fund if any; if none, then out of funds not otherwise appropriated, upon vouchers duly approved by the Board. The Board shall sell or lease any or all of the lands acquired by the State under provisions of this Act in quantity not to exceed one hundred and sixty acres to one individual, the price and terms of such sale or lease to be fixed by the Board according to said classification, provided, the selling price be not less than fifty cents per acre nor more than two dollars and fifty cents per acre. [*Act approved March 8, 1905, § 14.*] (9th Sess. Chap. 105.)

2269. *Applications to settle lands reclaimed.*—Any citizen of the United States, or any person having declared his intention to become a citizen of the United States, over the age of twenty-one years, may make application, under oath, to the Board, to enter any of said land at any time after the same has been classified, in any amount not to exceed one hundred and sixty acres for any one person; and such application shall set forth that the person desiring to make such entry does so for the purpose of settlement in accordance with the Act of Congress and the laws of this State relating thereto, and that the applicant has never received the benefit of the provisions of this Act, to an amount greater than one hundred and sixty acres, including the number of acres specified in the application under consideration. Such application must be accompanied by a certified copy of a contract for a perpetual water right, made and entered into by the party making application with the person, company or association who have been authorized by the Board to furnish water for the reclamation of said lands; and if said applicant has at any previous time entered land under the provisions of this Act, he shall so state in his applications, together with description, date of entry and location of said land. The Board shall thereupon file in its office the application and papers relating thereto, and, if allowed, issue a certificate of location to the applicant. All applications of entry shall be accompanied by a payment of twenty-five cents per acre, which shall be paid as partial payment on the land if the application is allowed; and all certificates when issued shall be recorded in a book to be kept for that purpose. If the application is not allowed the twenty-five cents per acre accompanying it shall be returned to applicant; *provided*, that where the construction company fails to furnish water to any settler under the provisions of its contract with the State, the State shall

refund to such settler all payments that he shall have made to the State. [*Act approved March 8, 1905, § 15.*] (*9th Sess. Chap. 105.*)

2270. *Rights of claimants.*—The Claimant first settling upon any such lands shall have the prior right to enter the same; *provided, however*, that if any claimant shall fail within sixty days after his settlement upon any such lands, if the same have been classified, or within sixty days after the classification thereof, if the same was not made at the time of settlement, shall file his application to enter the same with the said Board and make the payment required therewith; otherwise, claim is forfeited and the tract shall be awarded to the next settler in the order of time, on the same tract of land, who has filed his application, made payment and otherwise complied with the conditions of the law. [*Act approved March 8, 1905, § 16.*] (*9th Sess. Chap. 105.*)

2271. *Execution of deeds.*—After the State has received a patent for any such land reclaimed, and a purchaser has paid in full for any part of it, said Board shall, in the name of the State, execute and deliver to him a deed for the same. [*Act approved March 8, 1905, § 17.*] (*9th Sess. Chap. 105.*)

2272. *Failure of claimants to comply with contract.*—If any claimant having filed on any such land shall fail for a period of one year after water is available for his land, and after notice thereof is given to him by said Board, by letter mailed to the post office nearest such land, to make payment of any sums remaining due on account of the purchase price for such land, then, after notice shall have been published once a week for four successive weeks in a newspaper of general circulation in the County where the land is located, his or her rights to any, and all such land and any water right appurtenant to the same and all payments made, shall be forfeited. [*Act approved March 8, 1905, § 18.*] (*9th Sess. Chap. 105.*)

2273. *Water-rights. Foreclosure of lien for deferred payments.*—The water rights to all lands acquired under the provisions of this Act shall attach to and become appurtenant to the land as soon as title passes from the United States to the State. Any person, company or association, furnishing water for any tract of land shall have a first and prior lien on said water right and land upon which said water is used, for all deferred payments for said water rights; said lien to be in all respects prior to any and all other liens created or attempted to be created by the owner or possessor of said lands. Upon default in any of the deferred payments secured by any lien under the provisions of this Act, the person, company or persons, association or incorporated company holding or owning said lien, may foreclose the same, in the same manner as mortgages or real property are foreclosed. All sales shall be advertised in a newspaper of gen-

eral circulation, published in the County where said land or some part thereof is situate, for six consecutive weeks, and the same shall be sold to the highest bidder at the front door of the court house of the County, of such place as may be agreed upon by the terms of the aforesaid contract. The sheriff of said County shall in all such cases give all notices of sale and shall sell all such land and water rights and shall make and execute a certificate of sale to the purchaser thereof, and at such sale no person, company of persons, association or incorporated company, owning and holding any lien shall bid in or purchase any land, or water right at a greater price than the amount due on deferred payment for said water right and land, and the cost incurred in making the sale of said land and water right. At any time within twelve months after the foreclosure sale by the sheriff of the land and water right as aforesaid, the original owner against whom the lien has been foreclosed, may apply to the person, company of persons, association or incorporated company purchasing at such sale, to redeem said land and water rights, and the purchaser shall assign the certificate of sale to such land and water rights to such original owner upon the payment by him within such twelve months, of the amount of the lien for which the same was sold at such foreclosure sale, together with the interest at ten per cent per annum, costs and charges thereon. When the lien holder becomes the purchaser at such foreclosure sale, and such lands and water rights are not redeemed by the original owner within twelve months, then at any time within three months thereafter any person desiring to settle and use such lands and water rights may apply to the purchaser at such foreclosure sale to redeem such land and water rights, and such purchaser shall assign the certificate of sale of such land and water rights to the person desiring to redeem the same, upon the payment by him, of the amount of the lien for which the same was sold at such foreclosure sale, together with the interest, costs and charges thereon. Upon issuing any certificate of sale, it shall be the duty of the sheriff to file for record in the office of the County Clerk of the County where such land is situated a certified copy of such certificate of sale assigned to him by the purchaser as aforesaid, upon his redemption of such land and water rights. In case the land and water rights shall be redeemed by any person other than the original owner, the sheriff shall, upon presentation of such certificate, issue a deed for such land and water rights to the person redeeming the same. If the land and water rights shall not be redeemed by any person within the time and in the manner hereinbefore provided, it shall be the duty of the sheriff, upon presentation of certificate of sale by the original purchaser, to issue a deed such purchaser. Where such land and water rights are not purchased by the lien holder at such foreclosure sale,

it shall be the duty of the sheriff to first pay the lien holder out of the proceeds of such sale the amount of the lien together with all interest, costs and charges thereon, and to pay any balance remaining to the person against whom such lien has been foreclosed, and for his services in such cases the sheriff shall receive the same fees as are provided by law in civil cases. Under no circumstances shall a lien be foreclosed against land belonging to the state and not filed on by an individual. In case the claimant whose rights to any such land and water shall have been divested by any deed issued, as in this Section provided, shall not have paid to the State sums due or to become due to it on account of such land; any person desiring to settle upon the same shall acquire the right so to do upon payment to the grantee under such sheriff's deed of the amount which would have affected a redemption at the time with ten per cent additional; *provided* that the holder under the deed shall have the right to remove any crops which may be growing upon such land at the time such intending settler offers to pay such sum. [Act approved March 8, 1905, § 19.] (9th Sess. Chap. 105.)

2274. *Rights of way.*—The map in the office of the Board, of the lands selected under the provisions of this Act, shall show the location of the canals or other irrigation works approved in contract with the Board, and all lands filed upon shall be subject to the right of way of such canals or irrigation works. Said right of way to embrace the entire width of the canal and such additional width as may be required for its proper construction, operation and maintenance, the width of the right of way to be specified in the contracts provided for in this Act. [Act approved March 8, 1905, § 20.] (9th Sess. Chap. 105.)

2275. *Board may exercise right of eminent domain.*—The right of eminent domain may be exercised in the manner prescribed by the Code of Civil Procedure by any person, association or corporation, foreign or domestic entering into any contract with the said Board to reclaim any lands in order to condemn any property subject to condemnation as therein provided, for right of way for the construction of which may be provided for by any such contract, or for the erection or construction of any works to be used in connection therewith. [Act approved March 8, 1905, § 21.] (9th Sess. Chap. 105.)

2276. *Right of board to appropriate water.*—The said Board or any person, association or corporation contracting with it for the reclamation of any such lands shall have the right to appropriate any unappropriated waters of the State necessary to the carrying out of any contracts into by them or either of them in relation to the same, in the same manner as appropriations are required to be made in behalf of individuals. [Act approved March 8, 1905, § 22.] (9th Sess. Chap. 105.)

2277. *Scal. Fees.*—The Board shall prescribe the duties of all its employes, shall use a seal and shall collect the following fees: For filing each application, one dollar; for filing each final proof, one dollar; for issuing each patent, one dollar; for making certified copies of records or papers, the same fees as provided to be charged by the Secretary of State for like services. The money collected for fees shall be paid to the State Treasurer on the last day of each month, and by him credited to the Carey Land Act Fund. The filing fees, when paid for land reserved but not patented to the State, shall be kept in a separate fund, called Carey Land Filing Fund and can be paid out only for refunds in the event that the land is not reclaimed within the contract period; said refund to be made upon orders from the Board to the State Auditor, specifying the lands filed on and by whom; but after any of these lands are patented the filing fees paid for the same shall be transferred from the said fund to the Carey Land Act Fund upon an order from the Board to the State Auditor specifying the legal subdivisions of land and total acreage. [Act approved March 8, 1905, § 23.] (9th Sess. Chap. 105.)

2278. *Board may permit limited settlements.*—For the purpose of expediting the settlement of any lands for the reclamation of which the said Board may make contracts, it may on such terms as may by the said Board be prescribed by rule or contract permit any such lands to be improved and occupied and cultivated for limited periods; *provided, however*, that such occupancy shall not preclude any person desiring to settle upon such lands from doing so at any time. [Act approved March 8, 1905, § 24.] (9th Sess. Chap. 105.)

2279. *Disposition of proceeds of sale or lease of lands.*—All moneys received by the Board from the sale or lease of lands reclaimed under the provisions of this Act shall be deposited, upon the last day of each month, with the State Treasurer, to the credit of the Carey Land Act Fund and such sums as may be necessary shall be used—

(1) For the payment of the current expenses of the Board and of the State Engineer's office hereafter incurred in carrying out the provisions of this Act, said Engineer's expenses to include a charge for actual cost of time devoted to Board matters.

(2) To reimburse the State General Fund for expenses of the Board, Two Thousand Dollars, and of the State Engineer Two Thousand Dollars heretofore incurred and paid out of the General Fund.

(3) To reimburse the State for expenses of the State Arid Land Grant Commission, Five Thousand Seven Hundred and Seven Dollars and sixty-five cents (\$5,707.65) heretofore paid out of the General Fund: *Provided*, that the reimbursements thus

made shall be paid into the State Engineer's Expense Fund, which is hereby created and shall be used under the direction of the State Board of Land Commissioners and the State Engineer in carrying out the provisions of paragraphs two, three, and four, of Section seven (*2244 Ante*), Chapter CXIV, Acts 1903. Claims against said expense fund to be passed upon and paid in same manner as other claims against State funds.

(4) After paying the current expenses and reimbursements above designated, if there be a balance in said fund, there shall be estimated, by the Board, the sum that in its judgment will suffice for its next two years expenses, and whenever the remainder in said fund, less said estimate, shall equal two thousand dollars, the same shall be applied pro rata to the payment of warrants issued by the State Arid Land Grant Commission for expenses incurred by it against Districts Nos. 1, 2, and 4, and open accounts which are credited on the ledger of said Commission to sundry persons for supplies furnished, the aggregate of said warrants and accounts being, without interest, \$18,697.45; and any balance remaining shall constitute a Trust Fund in the hands of the State Treasurer, the same to be used only for the reclamation of other arid lands. [*Act approved March 8, 1905, § 25.*] (*9th Sess. Chap. 105.*)

2280. *Expenses.*—That the expenses actually incurred in connection with each district, or project to be reclaimed under this Act may be determined, it shall be the duty of the State Engineer to report to the Board his expenses and the time he spends in connection with each. The office and clerical expenses of the Board shall be by it apportioned at the end of each fiscal year among various districts and projects, and correct charges of these and the Engineer's salary and expenses made against the different districts and projects. [*Act approved March 8, 1905, § 26.*] (*9th Sess. Chap. 105.*)

2281. *Boards shall issue biennial reports.*—The Board shall issue a biennial report showing the status of various districts and projects, the receipts and expenses, lands reclaimed and patented to the State, if any, and other results of its works. If requested by the Governor a report shall be made at any time. [*Act approved March 8, 1905, § 27.*] (*9th Sess. Chap. 105.*)

2282. *Appropriations.*—There is hereby appropriated out of the funds of the State, not otherwise appropriated, the following sums, or as much thereof as may be necessary, from which shall be paid the Secretary, the office and traveling expenses of the Carey Land Act Board viz: One thousand dollars for the fiscal year ending Nov. 30, 1905, and one thousand dollars for the fiscal year ending Nov. 30, 1906; *Provided*, if funds are received from sale of lands reclaimed under the Carey Act, that besides the two thousand dollars above appropriated, there is hereby appropriated

from the Carey Land Act Fund for use at the discretion of the Board in carrying out the provisions of this Act, an additional sum of two thousand dollars. [Act. approved March 8, 1905, § 28.] (9th Sess. Chap. 105.)

2283. *Discovery; notice; marking boundaries; sinking shaft.*—Any person who discovers upon the public domain of the United States, within the State of Montana, a vein, lode or ledge of rock in place, bearing gold, silver, cinnabar, lead, tin, copper, or other valuable deposits, or a placer deposit of gold, or other deposit of minerals having a commercial value which is subject to entry and patent under the mining laws of the United States, may, if qualified by the laws of the United States, locate a mining claim upon such vein, lode, ledge or deposit, in the following manner, viz:

I. He shall post, conspicuously, at the point of discovery a written or printed notice of location, containing the name of the claim, the name of the locator, (or locators, if there be more than one,) the date of the location, which shall be the date of posting such notice, and the approximate dimensions of area of the claim intended to be appropriated.

II. Within thirty days after posting the notice of location, he shall distinctly mark the location on the ground so that its

boundaries can be readily traced. It shall be *prima facie* evidence that the location is properly marked if the boundaries are defined by a monument at each corner or angle of the claim, consisting of any one of the following kinds: (1) A tree at least eight inches in diameter, and blazed on four sides. (2) A post at least four inches square by four feet six inches in length, set one foot in the ground, unless solid rock should occur at a less depth, in which case the post should be set upon such rock, and surrounded in all cases by a mound of earth or stone at least four feet in diameter by two feet in height. A squared stump, of the requisite size, surrounded by such mound, shall be deemed the equivalent of a post and mound. (3) A Stone at least six inches square by eighteen inches in length, set two-thirds of its length in the ground, with a mound of earth or stone alongside at least four feet in diameter by two feet in height, or (4) a boulder at least three feet above the natural surface of the ground on the upper side. Where other monuments, or monuments of lesser dimensions than those above described, are used, it shall be a question for the jury, or for the court where the action is tried without a jury, as to whether the location has been marked upon the ground so that its boundaries can be readily traced. Whatever monument is used, it must be marked with the name of the claim and the designation of the corner, either by number or cardinal point.

III. Within sixty days after posting such notice, he shall sink a shaft upon the vein, lode or deposit, at or near the point of discovery, to be known as the discovery shaft. Such shaft shall be sunk to the depth of at least ten feet, vertically, below the lowest part of the rim of such shaft at the surface, or deeper if necessary to disclose the vein or deposit located, and the cubical contents of such shaft shall be not less than one hundred and fifty cubic feet; *provided*, that any cut or tunnel which discloses the vein, lode or deposit located at a vertical depth of at least ten feet below the natural surface of the ground and which constitutes at least one hundred and fifty cubic feet of excavation, shall be deemed the equivalent of such shaft, and, provided also, that, where the vein, lode or deposit located is disclosed at a less vertical depth than ten feet, any deficiency in the depth of the discovery shaft, cut or tunnel may be compensated for by any horizontal extension of such working, or by any excavation done elsewhere upon the claim, equalling, in cubical contents, the cubical extent of such deficiency; but in every case at least 75 cubic feet of excavation shall be made at the point of discovery. [Act approved February 18, 1907, § 1.] (10th Sess. Chap. 16.)

Butte C. M. Co. v. Barker, 35 Mont. 337; 89 Pac. 302.

2284. *Record of certificate of location.*—Within sixty days after posting the notice of location and for the purpose of constituting constructive notice of the location, the locator shall record his location in the office of the county clerk of the county in which such mining claim is situated. Such record shall consist of a certificate of location containing:

I. The name of the lode or claim.

II. The name of the locator or locators, if there be more than one.

III. The date of location, and such description of said claim, with reference to some natural object or permanent monument, as will identify the claim.

IV. In the case of a lode claim, the direction and distance claimed along the course of the vein each way from the discovery shaft, cut or tunnel, with the width claimed on each side of the center of the vein.

V. In the case of a placer claim, the dimensions or area of the claim, and the location thereon on the discovery shaft, cut or tunnel.

VI. The locator and claimant, at his option, may also set forth, in such certificate of location, a description of the discovery work, the corner monuments and the markings thereon, and any other facts showing a compliance with the provisions of this law. Such certificate of location must be verified, before some officer authorized to administer oaths, by the locator, or one of the locators, if there be more than one, or by authorized Agent. In the case of a corporation, the verification may be made by any officer thereof, or by an authorized agent. When the verification is made by an Agent, the fact of the agency shall be stated in the affidavit. A certificate of location so verified, or a certified copy thereof, is *prima facie* evidence of all facts properly recited therein. [Act approved February 18, 1907, § 2.] (10th Sess. Chap. 16.)

2285. *Mill sites.*—Millsite claims may be located and recorded in the same manner as other claims, except that no discovery or discovery work is required. Where a millsite claim is appurtenant to a mining claim, the certificate of location of such millsite claim shall describe, by appropriate reference, the mining claim to which it is appurtenant. [Act approved February 18, 1907, § 3.] (10th Sess. Chap. 16.)

2286. *Relocation of abandoned claim.*—The re-locator of an abandoned or forfeited mining claim may adopt as his discovery any shaft or other working, existing upon such claim at the date

of the relocation, in which the vein, lode or deposit is disclosed, but, in such shaft or other working, he shall perform the same discovery work as is required in the case of an original location. [*Act approved February 18, 1907, § 4.*] (*10th Sess. Chap. 16.*)

2287. *Rights of relocater.*—The rights of a re-locator of any abandoned or forfeited mining claim, hereafter re-located, shall date from the posting of his notice of location thereon, and, while he is duly performing the acts required by law to perfect his location, his rights shall not be affected by any re-entry or resumption of work by the former locator or claimant. [*Act approved February 18, 1907, § 5.*] (*10th Sess. Chap. 16.*)

2288. *Amended location.*—A locator or claimant may, at any time, amend his location and make any change in the boundaries which does not involve a change in the point of discovery as shown by the discovery shaft by marking the location as amended upon the ground, and filing an amended certificate of location conforming to the requirements of an original certificate of location. A defect in a recorded certificate of location may be cured by filing an amended certificate. [*Act approved February 18, 1907, § 6.*] (*10th Sess. Chap. 16.*)

2289. *Relocation by owner.*—A locator or claimant may, at any time, re-locate his own claim for any purpose, except to avoid the performance of annual labor thereof, and, by such re-location, may change the boundaries of his claim, or the point of discovery, or both, but such relocation must comply, in all respects, with the requirements of this law as to an original location. [*Act approved February 18, 1907, § 7.*] (*10th Sess. Chap. 16.*)

2290. *Amendment or relocation not a waiver of acquired rights.*—Where a locator or claimant amends or re-locates his own claim, such amendment or relocation shall not be construed as a waiver of any right or title acquired by him by virtue of the previous location or record thereof, except as to such portions of the previous location as may be omitted from the boundaries of the claim as amended or re-located. As to the portion of ground included both in the original location and the location as amended or relocated, he may rely either upon the original location or the location as amended or re-located, or upon both. *Provided*, that nothing herein contained shall be construed as permitting the locator or claimant to hold a tract which does not include a valid discovery. [*Act approved February 18, 1907, § 8.*] (*10th Sess. Chap. 16.*)

2291. *Rights of third persons not affected.*—No amendment or re-location of a mining claim by the locator or claimant thereof shall interfere with the right of any third person existing at the time of such amendment or re-location. [*Act approved February 18, 1907, § 9.*] (*10th Sess. Chap. 16.*)

2292. *Validating locations heretofore made.*—All mining locations, made and recorded under the laws of this state, heretofore

in force, that in any respect have failed to conform to the requirements of such laws, shall, nevertheless, in the absence of the rights of third persons accruing prior to the passage of this Act, be valid if the making and recording of such locations conform to the requirements of this Act. [*Act approved February 18, 1907, § 10.*] (*10th Sess. Chap. 16.*)

2293. *Defective locations good against persons with notice.*—The period of time, prescribed by this law for the performance of any act, shall not be deemed mandatory where the act is performed before the rights of third persons have intervened, and no defect in the posted notice or recorded certificate shall be deemed material, except as against one who has located the same ground, or some portion thereof, in good faith and without notice. Notice to an agent, who makes a location in behalf of another, shall be deemed notice to his principal, and notice to one of several co-claimants shall be deemed notice to all. [*Act approved February 18, 1907, § 11.*] (*10th Sess. Chap. 16.*)

2294. *Effect of patent.*—The issuance of a United States Patent for a mining claim shall be deemed conclusive that the requirements of the laws of this state, relative to the location and record of such mining claim, have been duly complied with; *provided, however*, that where questions of priority are involved the date of the location shall be an issuable fact where it is claimed to have been prior to the date of the record of the location. [*Act approved February 18, 1907, § 12.*] (*10th Sess. Chap. 16.*)

2295. *Amended locations.*—If at any time the locator of any mining claim heretofore or hereafter located, or his successors or assigns, shall apprehend that his original declaratory statement was defective or erroneous, or that the requirements of law had not been complied with, or shall be desirous of changing his boundaries, or taking in any part of an overlapping claim which has been abandoned, or in case his original declaratory statement was filed prior to the passage of this law and he shall be desirous of securing the benefit of this act, such locator, or his successors or assigns, may file an additional or amended declaratory statement subject to the provisions of this act; *provided*, that such re-location or filing of the amended or additional declaratory statement, shall not interfere with the existing rights of others at the time of such re-location or filing of the amended or additional declaratory statement, and no such re-location or amended or additional declaratory statement, or other record thereof, shall preclude the claimant or claimants from proving any such title as he or they may have held under the previous location and notice thereof. [*Act approved March 15th, 1901.*] (*7th Sess. 56-7.*)

Wilson v. Freeman, 29 Mont. 471; 75 Pac. 84. A locator, who misdescribed his claim as running easterly and westerly, was entitled to file an amended

declaratory statement that the claim ran in a northerly and southerly direction, to correspond to the staking of the claim on the ground.

Butte C. M. C. v. Barker, 35 Mont. 337; 89 Pac. 302. An amended declaratory statement for the purpose of curing defects in the original relates back to the date of the original location. The name of a quartz lode mining claim in the original declaratory statement was "Annex." After the trial in an adverse

suit to the claim had commenced, an amended statement was filed consisting of the addition of the word "Plumber" to the first name. The affixing of the word "Plumber" to the name of the original claim did not invalidate the amended statement.

2296. *Effect of amended or declaratory statement.*—Any amended or additional declaratory statement which may have heretofore been filed by a locator, or his successors or assigns, shall have the same force and effect and be subject to the same terms and conditions as though the same had been filed under the provisions of Section one of this Act. [Act approved March 15th, 1901.] (7th Sess. 57.)

RIGHTS OF WAY.

- Section 2297. Owners of mines have right of way.*

 " 2299. *Proceedings to obtain right of way.*
 " 2300. *Proceedings before the court.*
 " 2301. *Commissioners to be appointed.*

 " 2308. *Final appeal may be taken to supreme court.*

2297. (§ 3630.) *Owners of mines have right of way.*—The owner of a mining claim held under the laws of the United States by patent or otherwise, or under the local laws and customs of the state, has a right of way over and across the land or mining claim, patented or otherwise, of another, as prescribed in this chapter.

M. O. P. Co. v. B. & M. Co., 25 Mont. 429; 65 Pac. 421.

2298. (§ 3631.) *Right of way for road or ditch.*—Whenever a mine or mining claim is so situated that it cannot be conveniently worked without a road thereto, or a ditch to convey water thereto, or a ditch or a cut to convey the water therefrom, or without a flume to carry water and tailings therefrom, or without a shaft or tunnel thereto, which road, ditch, cut, flume, shaft, or tunnel must necessarily pass over, under, through, or across any lands or mining claims owned or occupied by another, such owner is entitled to a right of way for said road, ditch, cut, flume, shaft or tunnel over, under, through and across the lands

or mining claims belonging to another, upon compliance with the provisions of this chapter.

2299. (§ 3632.) *Proceedings to obtain right of way.*—Whenever such owner desires to work a mine or mining claim, and it is necessary to enable him to do so successfully and conveniently, that he should have a right of way for any of the purposes mentioned in the foregoing sections; and, if such right of way has not been acquired by agreement between him and the owner of the land or claims, over, under, across, and upon which he seeks to establish such right of way, it is lawful for him to present to the judge of the district court a complaint asking that such right of way be awarded to him. The complaint must be verified and contain a particular description of the character and extent of the right sought, a description of the mine or mining claim of the owner, and the mining claim or claims and the lands to be affected by such right of way, with the names of the occupants or owners thereof, and may also set forth any tender or offer hereinafter mentioned.

2300. (§ 3633.) *Proceedings before the court.*—Upon the receipt of the complaint, and filing thereof with the clerk of the court, the judge must direct a summons to issue to the defendants named in the complaint, requiring them to appear before the judge on a day therein named, which must not be less than ten days from the service thereof, and show cause why such right of way should not be allowed; the summons may be served on each of the parties in the manner prescribed by law for serving summons in other actions.

2301. (§ 3634.) *Commissioners to be appointed.*—Upon the return of the summons, or upon any day to which the hearing is adjourned, the defendants may demur or answer, and issue must be joined, and the judge must hear the allegations and proofs of the respective parties, and, if upon such hearing, he is satisfied that the claims of the plaintiff can only be conveniently worked by means of the privilege asked for, he must make an order, adjudging and awarding to the plaintiff such right of way, and must appoint three commissioners, disinterested persons and residents of the county, to assess the damages to the lands or claims affected by such order.

2302. (§ 3635.) *Damage to be assessed by commissioners.*—The commissioners must be sworn to faithfully and impartially discharge their duties, and must without delay examine the property, lands and claims, and assess the damages resulting from such right of way, and report the amount to the judge, and if such right of way affects the property of more than one person, such report must contain an assessment of damages to each person.

2303. (§ 3636.) *Report of commissioners may be set aside.*—For good cause shown the judge may set aside the report of the commissioners and appoint three other commissioners.

2304. (§ 3637.) *Right of way may be upon payment of damages assessed.*—Upon the payment of the sum assessed as damages, and all costs, to the persons to whom it is awarded, or the payment of the same to the clerk for the use of such person, plaintiff is entitled to the right of way, and may immediately proceed to occupy the same and to erect thereon such works and structures and make therein such excavations as may be necessary to the use and enjoyment of the right of way so awarded.

2305. (§ 3638.) *Appeal from the assessment of damages, how taken.*—An appeal from the assessment of damages made by the commissioners may be taken to the district court by any party interested at any time within ten days after the filing of the report of the commissioners. A written notice of appeal must be filed with the clerk and served upon the opposite party.

2306. (§ 3639.) *Trial on appeal.*—On appeal the question of the amount of damages may be tried by the court or jury as in other cases. If the appellant recovers damages exceeding the amount awarded by the commissioners, the opposite party must pay the costs of appeal, otherwise the appellant.

2307. (§ 3640.) *Costs, how paid.*—All costs and expenses of the proceedings under the provisions of this chapter, except as provided in the next preceding section, must be paid by the plaintiff or party making the application. The judge may, if the right of way asked for is denied, allow the opposite party a reasonable counsel fee.

2308. (§ 3641.) *Final appeal may be taken to supreme court.*—An appeal to the supreme court may be taken by either party, as in other cases.

Said equalized assessment roll or rolls shall be sufficient evidence of title for the purposes of this act. [*Act approved March 4, 1907, § 1.*] (*10th Sess. Chap. 70.*)

2310. *Petition for organization.*—In order to propose the organization of an irrigation district, a petition shall be presented to the board of county commissioners of the county in which the lands within the proposed district, or the greater portion thereof are situated, signed by the required number of holders of title, or evidence of title, to lands within such proposed district, and representing the requisite majority in acreage of said lands, which petition shall set forth the boundaries of the proposed district, and shall state generally the source from which said lands are proposed to be irrigated, and the character of the works proposed to be acquired or constructed for irrigation purposes, and shall pray that the territory embraced within the boundaries of the proposed district may be organized as an irrigation district under the provisions of this act. Said petition shall be published for at least two weeks before the time at which the same is to be presented, in some newspaper of general circulation printed and published in the

county where said petition is presented, together with a notice stating the time of the meeting at which the same will be presented; and if any portion of the lands within said proposed district lie within another county or counties, then said petition and notice shall be published, as above provided, in a newspaper published in each of said counties. When such petition is presented, said board of county commissioners shall hear the same and may in their discretion adjourn such hearing from time to time, not exceeding four weeks in all. And on the final hearing said board shall make such changes in the proposed boundaries as may be deemed advisable, and shall define and establish such boundaries. But said board shall not modify said boundaries so as to exclude from such proposed district any territory which is susceptible of irrigation from a common source and by the same system of works applicable to the other lands in such proposed district; nor shall any lands which will not, in the judgment of said board, be benefitted by irrigation, by means of said system of works, be included within such proposed district. Any person whose lands are susceptible of irrigation from the same source and system of works, may, upon his application, in the discretion of said board, have such lands included within said proposed district. Lands of the district need not be contiguous, and any particular tract or tracts, irrespective of location in the district may be excluded, lands being accurately described in the final order made by said board. [*Act approved March 4, 1907, § 2.*] (*10th Sess. Chap. 70.*)

2311. *Hearing of application and order creating district.*—Upon such hearing of said petition the board of county Commissioners shall determine whether or not said petition complies with the requirements of §§ 2309 (1) and 2310 (2) of this act, and for that purpose must hear all competent and relevant testimony offered in support or in opposition thereto. If it is found by the board that such petition does not substantially comply with the requirements herein, or that the facts therein stated are not sustained by the evidence, then said board shall disallow said petition and shall make and enter an order to that effect; but if it is found that said petition substantially complies with the requirements of this act and that the facts therein stated are sustained by the evidence at such final hearing, then said board of county commissioners shall make and enter an order that an election shall be held in said district for the purpose of determining whether or not the same shall be organized under the provisions of this act and for the election of three directors as hereinafter provided. Said final order of the board allowing said petition shall contain an accurate description of each tract of land included within said district and no other boundaries of said district need be made. Said board shall also, in said

order allowing said petition, divide said district into three divisions as hereinafter provided. [*Act approved March 4, 1907, § 3.*] (*10th Sess. Chap. 70.*)

2312. *Appeal from Board of County Commissioners.*—The right of appeal from said order to the district court of the district where said petition is heard is hereby given to any persons interested or whose rights or property is affected by the action of said board of county commissioners. Such appeal shall be taken within ten days after the entry of such order upon the minutes of the board of county commissioners. The appeal shall be taken and heard in the same manner as appeals from justice courts to the district court, except as herein otherwise provided. Upon the appeal, the district court shall make and enter its judgment affirming, modifying, or reversing the order appealed from. Within ten days thereafter the district court must cause its remittitur to issue to said board of county commissioners, and if said order of the board of county commissioners is modified or reversed the judgment of the district court in its remittitur shall direct the board of county commissioners what order it shall enter. Such remittitur shall be filed by the clerk of the board of county commissioners and at the first meeting of the board, which must be held not later than ten days thereafter, it shall cause to be entered in its minutes the order as directed by said district court. The appeal herein provided for shall be heard within thirty days from the time of filing in the district court and the same shall be determined without delay. [*Act approved March 4, 1907, § 4.*] (*10th Sess. Chap. 70.*)

[*Act approved March 4, 1907, § 5.*] (*10th Sess. Chap. 70.*)

2314. *Election of directors.*—Said board of county commissioners shall then give notice of an election to be held in such proposed district, for the purpose of determining whether or not the same shall be organized under the provisions of this act, and for the election of three directors. Such notice shall not be published for at least ten days after the making of such original order by the board allowing said petition, and if any appeal is taken within said ten days, said notice shall not be published until the final determination of said cause on appeal when said board of county commissioners shall then fix the day

of election and cause the publication of such notice. Such notice shall designate a name for the proposed district, and said notice shall be published for at least three weeks previous to such election, in a newspaper published within the county in which the petition for the organization of the proposed district was presented; and if any portion of such proposed district is within another county or counties, then such notice shall be published for the same length of time in a newspaper published in each of said counties. The board of county commissioners shall furnish ballots on which shall be printed the words "Irrigation District—Yes," and "Irrigation District—No" or words equivalent thereto, and also the names of persons to be voted for at said election. For the purpose of said election the board of county commissioners must establish a convenient number of election precincts in said proposed district, and define the boundaries of the same. Such election shall be conducted as nearly as practicable in accordance with the general election laws of the state and judges and clerks shall receive the same compensation allowed by law in regular elections. [*Act approved March 4, 1907, § 6.*] (*10th Sess. Chap. 70.*)

2315. *Board of Directors.*—At such election there shall be elected a board of three directors. One director to be elected in each division of the district. [*Act approved March 4, 1907, § 7.*] (*10th Sess. Chap. 70.*)

2316. *Qualified voters.*—Any taxpayer holding title or evidence of title, or any duly authorized and qualified guardian, executor or administrator of an estate, or the duly authorized agent of any corporation or company owning land within any irrigation district, shall be deemed qualified to sign any document or petition, or to vote at any election authorized under this act if not otherwise disqualified under the laws or constitution of the state. [*Act approved March 4, 1907, § 8.*] (*10th Sess. Chap. 70.*)

2317. *Designation of polling places; ballots; expenses.*—The board of county commissioners shall designate the polling places and appoint three judges of election in each precinct. The board shall also provide printed ballots and arrange all other details of said election. All expenses shall be paid in the same manner as the expenses in regular county and state elections, but for all such expenditures the county shall be reimbursed by the district as hereinafter provided. [*Act approved March 4, 1907, § 9*] (*10th Sess. Chap. 70.*)

2318. *Candidates for directors; how nominated; balloting.*—All candidates for the office of director shall be nominated by petition filed with the county clerk at least ten days prior to any election and signed by not less than ten free holders of the district, and the names of all candidates for each division of the

district shall be printed on the same ballot. In voting, the ballots shall be marked in the same manner as in regular county and state elections, and each elector shall be permitted to cast one vote for each forty acres of irrigable land or major fraction thereof owned by such elector in the division where his ballot is cast, but any elector owning less than twenty acres shall be entitled to cast one vote. [*Act approved March 4, 1907, § 10.*] (*10th Sess. Chap. 70.*)

2319. *Duties of officers of election.*—The officers of election shall be sworn as in regular elections and shall certify the result of the election to the Board of County Commissioners. They shall keep a correct list of the names of all who vote with the number of votes cast by such person and this list together with the ballots shall be sealed and delivered to the County Clerk and Recorder of the County where the petition is filed, who shall keep the same like other election returns. [*Act approved March 4, 1907, § 11.*] (*10th Sess. Chap. 70.*)

2320. *Elections in districts lying within more than one county.*—Where the lands of a district lie within more than one county all petitions, papers, documents or other instruments except evidence of title or proceedings, as hereinafter provided, shall be filed, or proceedings had, in the county containing the greater portion of said district, and all the work of establishing the district, arranging the details of election and other duties prescribed by this act shall be performed by the county officials of the county wherein the greater portion of the lands of the district lie. [*Act approved March 4, 1907, § 12.*] (*10th Sess. Chap. 70.*)

2321. *Expenses of election must be repaid by district.*—The County Commissioners shall keep a correct account of all expenses incident to said election and the same shall become a tax upon the district to be apportioned among the lands of the district and collected with other taxes as hereinafter provided, and after the collection of said taxes the amount expended by the Board of Commissioners in conducting any such district elections shall be repaid to the county from the funds belonging to such district. [*Act approved March 4, 1907, § 13.*] (*10th Sess. Chap. 70.*)

2322. *Canvass of votes. Declaration of result.*—The board of county commissioners shall meet on the second Monday succeeding such election, and shall proceed to canvass the votes cast thereat, and if upon such canvass it appears that at least two thirds of all the votes cast are "Irrigation District—Yes," said board shall, by an order entered on its minutes declare the territory duly organized as an irrigation district, under the name theretofore designated, and shall declare the persons receiving respectively the highest number of votes at said election to be duly elected. Said order shall accurately set forth the boundaries

of said district as heretofore defined, and a description of the lands composing the same. [*Act approved March 4, 1907, § 14.*] (*10th Sess. Chap. 70.*)

2323. *Record of order creating district.*—Said board shall then cause a copy of such order, duly certified, to be immediately filed for record in the office of the county clerk and recorder of any county in which any portion of the lands embraced in such district are situated, and must also immediately forward a copy thereof to the clerk of the Board of County Commissioners of each of said last-mentioned counties, and no Board of County Commissioners of any county in which any portion of the lands embraced in such district shall, after the date of the organization thereof, allow another district to be formed including any portion of said lands, without the consent of the board of directors of the district in which they are situated. From and after such filing the organization of such district shall be complete. [*Act approved March 4, 1907, § 15.*] (*10th Sess. Chap. 70.*)

2324. *Contest of election.*—Such election, or organization, may be contested by any person owning property within the proposed district liable to assessment. The directors elected at such election shall be made parties defendant. Such contest shall be brought in the district court of the county where the petition for organization is filed; *provided*, that if more than one contest be pending they shall be consolidated and tried together. The court having jurisdiction shall speedily try such contest, and determine, upon the hearing, whether the election was fairly conducted and in substantial compliance with the requirements of this act, and enter its judgment accordingly. Such contest must be brought within twenty days after the canvass of the vote and declaration of the result by the Board of County Commissioners. The right of appeal is hereby given to either party to the record withing thirty days from entry of judgment. The appeal must be speedily heard and determined by the supreme court. [*Act approved March 4, 1907, § 16.*] (*10th Sess. Chap. 70.*)

2325. *Term of office.*—The officers elected at the election hereinbefore provided for shall immediately enter upon their duties as such, upon qualifying in the manner for such officers herein provided. Said officers shall hold office for one year or until their successors are elected and qualified. [*Act approved March 4, 1907, § 17.*] (*10th Sess. Chap. 70.*)

2326. *Bond of directors.*—The directors shall qualify in the same manner as justices of the peace and each shall give a bond in the sum of two thousand dollars for the faithful performance of his duties, said bond to be payable to the state for the benefit of the district. The board and its agents and employes shall have the right to enter upon any land to make surveys, and may locate the necessary irrigation works and the line for any canal or canals, and the necessary branches for the same, on any lands which may be deemed best for such location. Said board shall also have the right to appropriate water in the name of the district and to acquire, either by purchase or condemnation, or other legal means, all lands, and waters, and water rights, and other property necessary for the construction, use, supply, maintenance, repair, and improvements of said canal or canals, and works, including canals and works constructed and being constructed by private owners, lands for reservoirs for the storage of needful waters, and all necessary appurtenances. For such purpose he shall have the right to enter upon any such lands traversed by the route of the proposed drain, or otherwise connected, with the purpose of the proceeding. In locating such drain the county drain commissioner shall not be limited or confined to the precise starting point, route or terminus set forth in the application. The record or minutes of the survey shall show the line and route of the drain, the points where the line of the drain crosses the boundary lines of each owner's land and the length thereof upon his land, and the width of surface excavation that will be required in its construction and shall also show, by words, or letters and figures, the width of ground that will be required for the deposition of earth, and every release or right of way shall be deemed to include the extreme width thus shown. [Act approved March 7, 1905, Art. II, § 1.] (9th Sess. Chap. 106.)

2414. *Owners may construct drain.*—If at any time after the county drain commissioner has issued his first order of determination, establishing such drain as provided in the preceding Section, and before the letting of any contract for constructing the same, all the owners of the lands through which, or for the benefit of which such drain is located, shall, by themselves, their agents or attorneys, pay to the county drain commissioner all the costs and expenses thus far incurred by him, and shall severally or jointly enter into a contract, with good and sufficient sureties and in such sum as the county drain commissioner may require, to construct so much of such drain, and on such route, and of such dimensions as the said commissioner may, in such contract determine, and to pay all expenses necessary to be incurred in the construction of the same, then the county drain commissioner may so contract with such owner or owners, and such drain, when so finished and accepted shall be certified by the county drain commissioner as a drain lawfully constructed in pursuance of the provisions of this act, and shall be recorded in the same manner as other drains. If any such contracts are

not fulfilled by the time limited therein, the county drain commissioner shall contract with other parties for the completion of the work, and the parties so in default, and their sureties, shall be liable for all costs and expenses attending such default. [*Act approved March 7, 1905, Art. II. § 3.*] (9th Sess. Chap. 106.)

2415. *Application for assessment of damages for right of way.*—If within twenty days after the making of such order of determination, all the persons through whose lands the proposed drain is to pass shall not have executed a release of the right of way, and all damages on account thereof, the county drain commissioner shall, as soon as practicable, make application to the district court of the county in which such lands are situated, for the appointment of three disinterested special commissioners, who shall be resident freeholders of the county, but not of the district or districts traversed by such drain, to determine the necessity therefor, and for the taking of private property for the use and benefit of the public, for the purposes thereof, and the just compensation to be made therefor. Such application shall be in writing and shall set forth:

First, The fact that an application for a drain was made, and when, filing with said court a certified copy of such application, also giving the route, survey and specifications of said drain as set forth in the first order of determination;

Second, That an order determining the necessity for such drain was made by the county drain commissioner, giving the time when such order was made, in accordance with such route, survey and specifications as above set forth;

Third. (1) The several descriptions of tracts of land with the names of the owner or owners of every such tract who have refused or neglected to execute a release of right of way and damages in any way arising or incident to the opening or maintaining the said proposed drain: (2) The several descriptions or tracts of land owned by any minor, incompetent person, unknown persons or non-residents of the county or counties, the execution of a release of right of way and damages for which have been neglected or refused: (3) It shall not be necessary to set forth in said application to the district court the names of the several owners nor the descriptions of the several tracts or parcels of lands liable to an assessment for benefits, in case the drain applied for should be located and established, except those who have not released the right of way and through whose land the drain passes; nor shall the same be included in the citation issued from the district court. [*Act approved March 7, 1905, Art. II, § 4.*] (9th Sess. Chap. 106.)

2416. *Hearing of application.*—The court to whom such application is made shall make an examination at the time of such

application of all the proceedings of the county drain commissioner so far as had, and if such proceedings be found to be in accordance with the statute, such court shall at once appoint a time and place of hearing upon the application, which time shall be fixed not less than fifteen nor more than forty days thereafter and the court shall issue a citation to all persons whose lands are traversed by such drain, who have not released the right of way, and all damages on account thereof, to appear at the time and place designated in said citation, and be heard with respect to such application, if they so desire, and show cause, if any there be, why said application should not be granted, and any error or errors that may have been made in any of the proceedings thus far had shall be raised and taken advantage of at such time and before such court, and if not so raised and taken advantage of at such time and before such court shall be deemed to have been waived by all persons cited to appear under this notice. If any person on whom such service is to be made is a minor, under the age of fourteen years, or an incompetent person and resides in this State, such service shall be made as herein provided on his guardian, or if none, then on the person who may for such purpose be appointed special guardian and also on the person who has the care of, or with whom such minor or incompetent person resides. In case any person whose lands are traversed by said drain is a minor or an incompetent person, and has no guardian, the said court or the judge of said court, shall appoint a special guardian, to appear for and attend to the interests of such minor or incompetent person and all notices to be served in the progress of the proceedings shall be served on such special guardian. [*Act approved March 7, 1905, Art. II, § 5.*] (*9th Sess. Chap. 106.*)

2417. *Citation.*—The citation shall recite so much of the premises as will show jurisdiction, giving a description of the land traversed by such drain, and in the case of resident owners who reside upon the premises traversed by said drain shall be addressed to such owners by name; in the case of non-resident owner or owners not residing upon the lands traversed, it shall be addressed to the non-resident owner or owners but it shall not be necessary to name such owner or owners. It shall describe the drain by its commencement, terminus and general course, and shall set forth that land owned by the persons to whom it is addressed will be crossed by such drain and may be subject to assessment for its construction, and that a description and survey of such drain is on file with the court issuing such citation, and describe the land to be taken. Such citation shall be personally served by the county drain commissioner or some other competent person, upon every person whose lands are traversed

by the said drain, who has not released the right of way and all damages on account thereof, and who resides on any land to be traversed by said drain by delivering to him or her a copy thereof or by leaving the same at his or her residence with some person of suitable age and discretion, who shall be informed of its contents. In all cases of personal service at least ten days shall intervene between the day of service and the day of hearing, and the court issuing such citation shall require proof of such service by affidavit showing the time, place and manner of such service. Citations shall be served upon cities and incorporated towns by leaving a copy thereof with the mayor and street commissioner, if there be one; upon the State by leaving or mailing a copy thereof to the State Land Commissioner and the prosecuting attorney of the county in which such lands are situated; upon railroad companies by leaving a copy thereof with the agent of any ticket or freight office of the company operating such railroads, and upon other corporations by serving the same upon the officer or person designated by law in cases of serving civil process. If any lands involved are owned by non-residents of the county or counties, or by residents who do not reside upon the premises traversed by said drain, a copy of the citation so far as it affects such lands shall be published in some newspaper published and circulated in the county in which such lands are located for at least two weeks previous to the day of hearing, which publication shall be deemed to be sufficient notice to all such parties, and it shall not be necessary to name such owner or owners in said publication. The first publication of such notice shall be at least fourteen full days before the day of hearing, and proof of its publication shall be made as above provided in the case of personal service. [*Act approved March 7, 1905, Art. II, § 6.*] (*9th Sess. Chap. 106.*)

2418. *Proceedings at hearing.*—The court to whom such application is made shall at the time and place fixed in the citation, or at any time in which it may adjourn, and upon proof of service and publication when required, proceed to hear all persons whose lands are traversed by said proposed drain, and all such persons may show cause against the prayer set forth in the application, and may disprove any of the facts alleged therein, except the necessity of the drain, and may raise any and all objections to any errors or irregularities made in the proceedings had thus far, if any, and the said court shall hear the proofs and allegations of the parties, and the objections so made to the proceedings, if any there be, and if no sufficient cause is shown against granting the prayer set forth in said application, the said court shall make an order appointing three disinterested and competent resident freeholders of said county not residents of the district

traversed or benefitted by the drain, as special commissioners to ascertain and determine the damages or compensation to be allowed to the owners or parties interested in the real estate proposed to be taken for the right of way for such drain. Such court shall immediately upon the appointment of such commissioners, and with the concurrence of the county drain commissioner, appoint a time and place, such time to be not less than five nor more than fifteen days thereafter, at which time such special commissioners shall meet the county drain commissioner and other parties, who have not released the right of way, to consider the matters and things with respect to which they have been appointed, and the said court shall make public announcement thereof, and thereupon the proceedings shall be deemed a continuing proceeding, and no further notice of the time and place of hearing shall be required, and such appointment and announcement shall be made a part of the record in the case; *Provided*, That if it shall appear at such hearing that all parties have not been duly notified, the court may adjourn such hearing for a period sufficiently long to enable the county drain commissioner to duly notify such parties in the manner heretofore provided and it shall not be necessary to again notify the parties who have received legal notice in the first instance. The district court shall, if necessary, allow the county drain commissioner to amend his application at any time before the appointment of special commissioners and in case there is shown to be error in the proceedings of the county drain commissioner the district court shall adjourn the hearing for sufficient time to allow the said commissioner to correct such error or errors; *Provided*, That application to establish the drain is shown to be sufficient under the statute; *Provided, further*, That any person whose premises are traversed by the proposed drain may in writing demand and have from such court at the time of hearing of said application a jury of twelve freeholders of said county, not residents of the districts traversed by or benefitted by such drain, to ascertain and determine the necessity for taking or using such lands, and to appraise and determine the damages and compensation to be allowed therefor. The demand of any one of the parties who have not released the right of way, for a jury, shall be deemed to be a demand for all, and if no jury be demanded on the part of any person who has not released the right of way before the appointment of special commissioners shall be made by such court, his or her right to the same shall be deemed to have been waived. Whenever such demand for such jury shall have been made, the court shall proceed in the same manner as is provided by law in case commissioners are appointed in condemnation suits, and all further proceedings had in the matter by such court and jury shall be in conformity with the provisions of law, as afore-

said, so far as the same shall apply: *Provided*, That when such jury shall have made their report, and the same shall have been confirmed by such court, a certified copy of such order of confirmation shall be furnished by the court to the county drain commissioner. [Act approved March 7, 1905, Art. II, § 7.] (9th Sess. Chap. 106.)

2419. *Appointment of commissioners.*—If no demand for a jury shall be made, and the court shall have granted the prayer set forth in the application, such court shall proceed to deliver to the county drain commissioner a copy of the order appointing the special commissioners, and the county drain commissioner shall notify such special commissioners of their appointment and the time and place they are required to meet with him and the other parties, who have not released the right of way for said proposed drain. In case such special commissioners neglect or refuse to meet at such time and place with said county drain commissioner, the said county drain commissioner shall adjourn such day of meeting for a period not to exceed thirty days, and he shall give public notice by proclamation of the date, time and place of such adjourned meeting, and he shall, as soon as practicable, make application to the judge of the district court who shall appoint other special commissioners without further notice or citations. They shall be sworn to faithfully discharge the duties of special commissioners in the matter in which they are called to act, and to well and truly determine the necessity for such drain, and the taking of private property for the use and benefit of the public for the purpose thereof and the just compensation to be paid therefor. The said special commissioners, with the county drain commissioner and the other parties in interest who may be present, who have not released the right of way for said proposed drain, shall meet at the time and place ordered by said court and proceed at that time, or at any time to which they may adjourn, to view such premises, and for such purpose they shall have the right to enter upon any lands traversed by the route of the proposed drain. [Act approved March 7, 1905, Art. II, § 8.] (9th Sess. Chap. 106.)

2420. *Duties of Commissioners.*—The said jury or special commissioners shall hear the proofs and allegations of the several parties in interest, and shall ascertain and determine the necessity for such drain, and for the taking of such private property for the use and benefit of the public the purpose thereof, and the just compensation to be made therefor in each case, which compensation shall be determined without reference to any benefits that may accrue to the land in consequence of the construction of such proposed drain. There shall be produced by the county drain commissioner at such hearing, the original application for

the laying out of such drain, and the minutes of his action thereon, so far as had, also the first order of determination and application to the district court, with the citation annexed and a copy of all proceedings in the district court, the original minutes of the survey, signed by the surveyor and the order appointing the jury or special commissioners as the case may be. The jury or special commissioners may adjourn such hearing from day to day, for any cause, not exceeding in all ten days, announcement of which adjournment shall be then and there publicly made. [*Act approved March 7, 1905, Art. II, § 9.*] (9th Sess. Chap. 106.)

2421. *Return of Commissioners.*—The said jury or special commissioners shall within fifteen days from the date of their first meeting make a return in writing of their hearing, determination and of their several awards. The special commissioners shall file said return with the county drain commissioner who shall examine the same, and if he shall find such return not to be in substantial conformity with the statute, he shall return the same to the special commissioners for correction, with his objections in writing. The special commissioners shall thereupon proceed to correct their return, and file the same with the county drain commissioner within five days. When the county drain commissioner shall find such return to be without material error, he shall file the same with the other papers in his possession pertaining to such drain. In case of a jury they shall file and return to the judge of the district court who shall examine the same, and if he shall find such return not to be in substantial conformity with the statute, he shall return the same to the jury for correction, with his objections in writing. The jury shall thereupon proceed to correct their return, and file the same with the court within five days, and when such shall have been confirmed by such court, a certified copy of such order of confirmation shall be furnished by the court to the county drain commissioner. Such return by such jury or special commissioners shall be deemed sufficient conveyance to vest the fee of the lands necessary to be taken for such drain and upon which damages are awarded in the county in which they are situated, in trust to and for the uses and purposes of drainage, and for no other use or purpose whatever; *Provided*, that the amount of compensation that they have been awarded therefor shall have been paid or deposited in court for the person or persons entitled thereto; and *provided further*, that final order of condemnation be made and entered in the case. [*Act approved March 7, 1907.*] (10th Sess. Chap. 155.)

2422. *When drain unnecessary proceedings to be dismissed.*—In case the special commissioners of jury shall decide such drain to be unnecessary they shall so state in their return, and

the county drain commissioners shall thereupon dismiss the proceedings at the cost of the applicants, and no further application for the same shall be entertained within one year thereafter. *Act approved March 7, 1905, Art. II, § 11.* (9th Sess. Chap. 106.)

2423. *Release for right of way.*—If at any time before the appointment of special commissioners or jury provided for in this act or at any time before the filing of their return and award of damages, all of the parties through whose lands the proposed drain is to pass shall execute a release for right of way, and all damages on account thereof, then all proceedings for the appointment of special commissioners or jury and all actions taken by them after their appointment, shall be discontinued and void, and the county drain commissioner shall proceed as if no application for special commissioner or jury had been made. [*Act approved March 7, 1905, Art. II, § 12.*] (9th Sess. Chap. 106.)

2424. *Payment of assessment for damages.*—The county drain commissioner shall deduct the award of damages from the assessment of benefits, when made, on the tract which includes the right of way of said drain. In case the award of damages shall exceed the assessment of benefits, the county commissioners shall draw orders on the county treasurer, for the amounts awarded in the return of the special commissioners or jury in excess of assessments for benefits, describing in each order the lands in payment whereof it is drawn, and before such drain shall be constructed such order shall be tendered by the county drain commissioner to the party entitled thereto: *Provided*, That if the owner of any lands upon which damages have been awarded in excess of apportionment of benefits be a non-resident of the district or districts traversed by said drain, or be unknown, or in case of a minor or otherwise incompetent person, such order shall be deposited with the county clerk, payable to the owner of such description of land upon which such damages were awarded. Such order shall be held by such clerk and be delivered by him to the owner of such lands when called for or otherwise legally demanded, and the same shall thereby be deemed to have been lawfully tendered to the owner of such lands. It shall be the duty of such county treasurer at any time upon presentation to him of any such drain order drawn for the payment of such right of way or damages to pay the same out of any moneys in his hands belonging to the general fund of such county and refund such amount out of the first moneys collected by him on account of such drain. [*Act approved March 7, 1905, Art. II, § 13.*] (9th Sess. Chap. 106.)

2425. *Tender of payment.*—If the owner of any lands upon which such damages have been awarded in excess of apportionment for benefits shall, upon the tender of such order to him,

refuse to accept the same, the county drain commissioner shall make such tender in lawful money, and for that purpose he shall be authorized to endorse such order and present the same to the county treasurer for payment, and it shall be the duty of such treasurer to pay such order as hereinbefore provided. If, however, there shall be no money in the general fund of such county treasury, the county drain commissioner shall be authorized to have such order discounted, wherever he may be enabled to do so: *Provided*, Such discount shall not be more than at the rate of eight per cent. per annum, and he shall charge the amount of such discount to the expense and cost of such drain, and the county commissioners shall draw an order therefor. The county drain commissioner shall thereupon make to such owner a tender in lawful money of the amount awarded to him in excess of the apportionment of benefits, and if he shall refuse to accept such money, the county drain commissioner shall deposit the same with the county treasurer, taking duplicate receipts therefor, one of which he may retain, and the other he shall file with the county clerk. Such money shall be held by such treasurer and be delivered by him to such owner when called for or otherwise legally demanded. [Act approved March 7, 1905, Art. II, § 14.] (9th Sess. Chap. 106.)

2426. *Construction of drain along railroad right of way.*—Drains may be laid along the line of any railroad within its right of way: *Provided*, Such drain shall not be to the injury of the roadbed. Whenever it is proposed to construct a drain along the line, and within the right of way of any railroad, and the company owning or operating such road shall refuse or neglect to permit such drain to be constructed or release the right of way therefor within the time prescribed in this act such release shall be obtained in the same manner as is provided in this act for obtaining private lands: *Provided*, That no drain shall be constructed along the line of any railroad without the consent of the company owning or operating such road, if it shall appear to the special commissioners or jury that such drain can be equally well laid on private lands. [Act approved March 7, 1905, Art. II, § 15.] (9th Sess. Chap. 106.)

2427. *Construction of drain across railroad right of way.*—Whenever it is necessary to run a drain across the right of way or road bed of any railroad, the same proceedings shall be had throughout in all respects as in cases provided in this act for obtaining private lands for the construction of drains, except as hereinafter provided. It shall be the duty of the railroad company when notified by the county drain commissioner so to do, to make and maintain the necessary opening through said road bed, and to build and maintain a suitable culvert. Notice in writing to make such opening, and to construct such culvert, shall

be served upon such company by leaving a copy thereof with the ticket or freight agent or general officer of such railroad company, at least thirty days before such railroad company shall become liable. [*Act approved March 7, 1905, Art. II, § 16.*] (*9th Sess. Chap. 106.*)

2428. *Refusal of railroad company to construct culvert.*—In case such railroad company shall refuse or neglect to comply with the provisions of the preceding section, it shall be liable to a penalty of ten dollars for each day's refusal or neglect to make such opening and construct such culvert. The county attorney of the county in which such railroad company shall have refused or neglected to comply with the provisions of the preceding section shall, upon complaint being made by the county drain commissioner, bring suit to collect such penalty or fines, and it shall be his duty to prosecute the same to a final determination in any court having competent jurisdiction. [*Act approved March 7, 1905, Art. II, § 17.*] (*9th Sess. Chap. 106.*)

2429. *Construction of drain along highway.*—Drains may be laid along and within the limits of or across any public highway: *Provided*, That when it is proposed to construct a drain in whole or in part along a public highway, the owners of the land abutting on the side of the highway along which such drain is proposed to be laid, shall be considered as still owning the fee of such land, and it shall be necessary for the county drain commissioner to obtain from them severally a release of their rights to so much of said highway as is necessary and proposed to be taken for the right of way of said drain, and for all damages on account thereof. In case such release is not executed within the time prescribed in this act, such release shall be obtained in the same manner as is provided in this act for obtaining private lands. [*Act approved March 7, 1905, Art. II, § 18.*] (*9th Sess. Chap. 106.*)

2430. *Construction of drain across highway.*—When any drain crosses a highway, the cost of constructing the necessary bridge or culvert shall be charged in first instance as part of the cost of construction of such drain, after which such bridge or culvert shall be maintained as part of the highway. When a drain passes along a highway, there shall be constructed at least one bridge or passageway across such drain connecting the highway with each enclosed field and with each farm house entrance, which bridge or passageway shall be charged in the first instance as a part of the construction of such drain, after which such bridge or passageway shall be maintained by the owner of the land. [*Act approved March 7, 1905, Art. II, § 19.*] (*9th Sess. Chap. 106.*)

2431. *Construction of blind drains.*—The county commissioner may order the construction of blind drains by the use of

drain tiles or sewer pipe, when the nature of the ground will admit thereof. When any such blind drain is to be constructed across any land, so that the surface of the land can be restored, the special commissioners in making their award of damages shall take that fact in account. Any person through whose land an open drain has been constructed, may make a written request to the county drain commissioner to be permitted to tile and cover with the earth the whole, or any part thereof, that may traverse his land, and the county drain commissioner may grant such request, but in doing so he shall prescribe the size of the tile to be used. When blind drains are constructed the entrance thereto shall be substantially protected from drift wood and debris. [*Act approved March 7, 1905, Art. II, § 20.*] (9th Sess. Chap. 106.)

2432. *Drains may be laid into lakes or other bodies of water.*
—Drains may be laid or extended into or along or from any lake or other body of water surrounded wholly or in part by a swamp, marsh or other low lands for the general purpose of drainage contemplated by this act but not so as to impair the navigation of any navigable water. [*Act approved March 7, 1905, Art. II, § 21.*] (9th Sess. Chap. 106.)

CHAPTER III.

CONSTRUCTION OF DRAINS.

Section 2433. Order for construction. Contracts.

“ 2434. *Determination of whether assessment of taxes shall be made in installments.*

“ 2435. *Awarding contracts.*

“ 2436. *Power of commissioner with reference to performance of contract.*

2433. *Order for construction. Contracts.*—Upon the release of right of way and damages or upon the determination and return of the special commissioners, or order of the district court, as the case may be, the county drain commissioner shall make his final order of determination, establishing the drain, a certified copy of which order or determination shall be filed with the county clerk within five days after such order is made. He shall include in such order a description of the several tracts or parcels of land to be assessed for benefits in the construction of such drain, which said tracts or parcels shall constitute the special assessment district for that purpose, to be known and designated in such order by the same name as the drain. He shall thereupon, without delay, proceed to divide the route thereof into convenient sections for the letting of the work, and shall mark the depth of cutting on each gradestake, from stake to stake, along the whole length of such drain. He shall also mark on

each section stake the number of each section of division from the lower end of said drain, and the length in feet or rods which each section contains and shall make a diagram corresponding with the divisions so made, and shall file the same with the other papers in his office pertaining to said drain. He shall give not less than ten days notice of the time and place of letting contracts by serving personal notice on every person whose lands are affected by such assessment and who resides in the district traversed or benefitted by said drain, which notice shall be served in the same manner as provided in this act for the personal service of citations, and by posting said notice, in five public places in the district traversed or benefitted by said drain, and by causing a notice thereof to be published, not less than two insertions, in one or more weekly newspapers published and of general circulation in the county. Such notice shall contain a description of the several tracts or parcels of lands constituting the special assessment district of such drain, as above provided, and it shall also state that at the time and place of such letting or at such other time and place thereafter to which the county drain commissioner may adjourn the same, the assessments for benefits and the lands comprised within the special assessment district shall be subject to review for at least one day; such review shall be held open from nine o'clock in the forenoon until five o'clock in the afternoon. At such review the county drain commissioner shall hear the proofs and allegations of all parties in interest, and shall carefully reconsider and review the descriptions of land within the special assessment district the several descriptions assessed and his assessments of benefits, and define and equalize the same as may seem just and equitable. [*Act approved March 7, 1905, Art. III, § 1.*] (9th Sess. Chap. 106.)

2434. *Determination of whether assessment of taxes shall be made in installments.*—At the time and place of letting contracts and before receiving any bids, the county drain commissioner shall have the right, and it shall be his duty to determine whether the whole of the per cent of taxes to be spread for benefits to lands in the construction of such drain shall be assessed and collected in that same year, or whether the same shall be divided into two or more equal installments, one installment to be collected in that same year, and the other installment or installments within five years next following. Such determination, however, shall be made then and there, and shall be publicly announced for the information of bidders; and the county drain commissioner shall also then and there announce for the information of bidders the per cent of tax to be assessed against any district at large and whether in his opinion it will be necessary to divide the amount thereof into installments as

hereinafter directed. [*Act approved March 7, 1905, Art. III, § 2.*] (*9th Sess. Chap. 106.*)

2435. *Awarding contracts.*—The county drain commissioner shall thereupon proceed to receive bids and let contracts for the construction of the sections, and make contracts with the lowest responsible bidder giving adequate security for the performance of the work. Such security shall cover the completion of the job in the manner and within the time fixed in the contract, and shall be in a sum to be fixed and determined by the county drain commissioner. He shall first let the section at the outlet of the drain, and shall let each remaining section in its order up stream. The county drain commissioner shall reserve the right to reject any and all bids, and may adjourn such letting in the whole or in part, from time to time to such other time or place, to be by him at the time of such adjournment publicly announced, as shall to him seem proper, but not in all more than forty days from and after the time of letting first advertised. The parties who are assessed a tax for benefits in the construction of such drain, and who may be bidders for the contracts thereon, shall, if equal bidders with other parties, be preferred in awarding such contracts. And it shall be the duty of the said drain commissioner after completion of said drain, to examine the same. If the county drain commissioner is satisfied with the manner in which said work is done he shall certify in writing that the drain is completed in accordance with the original grade and specifications, which certificate shall be filed with the county clerk and become a part of the records of said drain. It shall not be lawful for the county commissioners to issue orders on the fund of any drain exceeding two-thirds of the amount earned on any contract, until after acceptance of said work by the county drain commissioner, and the said certificate of the drain commissioner is filed. In case of any open drain the dirt excavated therefrom shall be placed as near as may be equal on each side and not less than three feet from the edges of said drain and shall not be left in piles more than four feet high except where the drain runs along a highway. *Provided*, that the owner of said lands may by written consent allow the dirt taken from said drain to be otherwise disposed of. [*Act approved March 7, 1905, Art. III, § 3.*] (*9th Sess. Chap. 106.*)

2436. *Power of commissioner with reference to performance of contract.*—The commissioner shall have the power to grant a reasonable extension of time for the completion of any contract. When any contract shall not be finished within the time specified or to which it may be extended, the county drain commissioner shall declare such contract forfeited, and shall within a reasonable time thereafter, relet the unfinished portion thereof to the

lowest responsible bidder, by public letting after not less than five days, notice thereof, by posting only, as provided for the letting in the first instance, or by private letting when such can be done at a price per rod for the uncompleted portion thereof not exceeding the price per rod at which the job was first let; and he shall make contract and take security in each case as hereinbefore provided. The cost of completing such part over and above the contract price, if any, and the expense of notice and reletting shall be collected by the county drain commissioner of the parties first contracting or of their bondsman, which moneys, when so collected, shall be deposited with the county treasurer, and placed to the credit of such drain: *Provided, That in no case shall the county drain commissioner declare any such contract forfeited without first giving five days' notice thereof to the contractor, if he can be found, and if not found then by a written notice left at his last place of residence, with some person of suitable age and discretion, who shall be informed of its contents; if such contractor have a known residence within the county.* [Act approved March 7, 1905, Art. III, § 4.] (9th Sess. Chap. 106.)

- " 2445. *Refusal of persons appointed to act as boards of review.*

2437. *Commissioner shall apportion and assess benefits.*—The county drain commissioner shall apportion the per cent of the cost of construction of any drain which any township traversed or benefitted thereby shall be liable to pay by reason of the benefit to agricultural land and the public health, convenience or welfare, or as the means of improving any highway, and he shall also apportion the per cent of benefits to accrue to any piece or parcel of land by reason of the construction of such drain, over and above the per cent assessed against such district as aforesaid, which per cent of benefits shall be apportioned upon and assessed against the lands benefitted according to such assessment of benefits and which apportionments he shall an-

nounce at the time and place of letting, as provided in chapter four. Such assessment of per cent for benefits shall thereupon be subject to review and correction, and may be appealed from in the manner hereinafter provided. [*Act approved March 7, 1905, Art. IV, § 1.*] (*9th Sess. Chap. 106.*)

2438. *Appeal from assessment.*—The owner of any land assessed a per cent for any benefit for the construction of any drain, who may conceive himself aggrieved by the assessment made by the county drain commissioner, may, within ten days after the day of review provided for in the preceding section, appeal therefrom and for such purpose make an application to the district court of the proper county for the appointment of a board of review as hereinafter provided, by serving upon the drain commissioner and by filing with said district court a notice to that effect, and by filing also a bond with such court in the sum of two hundred dollars with one or more sureties to be approved by the judge of said district court, conditioned upon the payment of all costs in case the assessment made by the county drain commissioner shall be sustained. Any county or counties assessed a per cent for benefits for the construction of any drain that may conceive itself or themselves aggrieved by the assessment made by the county drain commissioner, may, within ten days after the date of review provided for in the preceding section, appeal therefrom as herein provided. Only one application for a board of review shall be entertained by such district court for any one drain. [*Act approved March 7, 1905, Art. IV, § 2.*] (*9th Sess. Chap. 106.*)

2439. *Appointment of board of review.*—The district court upon receipt of any such application, as hereinbefore provided for, shall forthwith notify the county drain commissioner in writing of such appeal and shall thereupon make an order appointing three disinterested and competent freeholders of such county, not residents of the district or districts affected by said drain, as members of a board of review. The persons so appointed, shall constitute the board of review. The court shall thereupon, with the concurrence of the county drain commissioner immediately fix a time and place when and where said board of review shall meet to review said assessments, which time shall not be less than ten nor more than fifteen days from the date of such appointment. The county drain commissioner shall thereupon give notice to the persons so appointed of their appointment, and of the time and place of meeting, and shall give notice of such meeting by posting notices in at least five public places in each district affected by such assessment, and shall serve a like notice upon the appellant if he be a resident of any district affected and upon the county attorney of the county in all cases where the State or county is an interested party. Such service shall be made not

less than five days before the day of hearing and may be made either by personal service or by causing a copy thereof to be left at their several places of residence. Proof of service of notice of such meeting shall be made by the person serving said notice and shall be filed in the office of the clerk of the district court. At such hearing the board of review shall have the right and it shall be its duty to review all assessments made by the county drain commissioner on such drain. The persons so appointed shall be sworn by the county drain commissioner to faithfully discharge the duties of such board of review: *Provided*, That the proceedings in establishing any drain shall be subject to review upon certiorari, as herein provided. Notice of such certiorari shall be served upon the county drain commissioner within ten days after the copy of the final order of determination of such commissioners in establishing any drain has been filed with the county clerk as provided herein in the same manner as notice is required to be given of certiorari for reviewing judgments rendered by justices of the peace, and the writ shall be issued and served, and bond given and approved and the subject matter brought to issue in the same time and manner, as near as may be, as in such cases provided, except that such certiorari may be heard by the court during term, or at chambers, upon five days' notice given to the opposite party; and the district court of the county shall hear and determine the same without unnecessary delay, and if any material defect be found in the proceedings for establishing the drain such proceedings shall be set aside. If the proceedings be sustained, the party bringing the certiorari shall be liable for the costs thereof, and if they be not sustained, the parties making application for the drain shall be liable for the costs. If no certiorari be brought within the time herein prescribed, the drain shall be deemed to have been legally established, and its legality shall not thereafter be questioned in any suit at law or equity: *Provided*, No court shall allow any certiorari questioning the legality of any drain by any person unless notice has been given to the county drain commissioner in accordance with the provisions of this section: *Provided further*, That when such proceedings are brought, the county drain commissioner shall postpone the letting of contracts and all other proceedings until after the determination of the court. And if any error be found in the proceedings, the court shall direct the county drain commissioner to correct such error or errors and then proceed the same as though no error had been made. [*Act approved March 7, 1905, Art. IV, § 3.*] (9th Sess. Chap. 106.)

2440. *Powers of boards of review.*—The board of review shall proceed at the time and place specified in the notice to hear the proofs and allegations of all the parties in respect to the matter of appeal and shall thereupon proceed to view the lands benefited

by such drain and review all the assessments made by the county drain commissioner on such drain, and if in its judgment there be manifest error or inequality in such assessments, it shall order and make such changes therein as it may deem just and equitable. Should the board of review find upon personal examination that there are lands liable to be assessed for the construction of said drain that are not included in the assessing district made by the drain commissioner, it shall add such lands to the assessing district of said drain and shall adjourn such review to such other time or place to be by it at the time of such adjournment, publicly announced, as shall to it seem proper, but not in all more than twenty days from and after the time of review first advertised and shall serve a notice on all such owners of lands lying in the district; such notice shall give the time and place of said review, also the description of lands added to said district and shall be served at least ten days before the adjourned day of review. Should such owners of land liable to an assessment be non-residents of said district there shall be a personal notice served on said owners as required above, or a notice shall be published in some weekly newspaper published in said county in at least two issues thereof giving the description or descriptions of lands added to said assessment district; also giving the time and place where said board of review shall meet. The action and decision of said board shall be final. The action and decision shall be reduced to writing and signed by a majority of the board making the same, and shall be delivered to the county drain commissioner together with all other papers relating thereto. [*Act approved March 7, 1905, Art. IV, § 4.*] (*9th Sess. Chap. 106.*)

2441. *Costs.*—In case the assessment of the county drain commissioner shall be sustained by such board of review, the appellant shall pay the whole costs and expenses of such appeal. Such cost and expenses shall be ascertained and determined by the judge of the district court, and if not paid the appellant shall be liable on his bond for the full amount of such costs in an action at law, to be brought by the county drain commissioner, on the bond, before any court having competent jurisdiction. [*Act approved March 7, 1905, Art. IV, § 4.*] (*9th Sess. Chap. 106.*)

2442. *Basis of assessments.*—All assessments of benefits under the provisions of this act shall be upon the principle of benefits derived. All descriptions of land under the provisions of this act shall be made by giving the legal subdivisions thereof, whenever practicable, and when the tract of land which is to be benefitted or affected by such drain is less than such legal subdivision it may be described by designation of the lot or other boundaries, or in some way by which it may be known. [*Act approved March 7, 1905, Art. IV, § 6.*] (*9th Sess. Chap. 106.*)

2443. *Assessment of school and state lands.*—School and state lands shall be assessed their per cent apportioned for benefits, and the collection thereof shall be enforced as State and county taxes against lands are collected and enforced. School and State lands shall be included in all assessments for benefits the same as other lands, but the sum of all such drain taxes that may be assessed against any tract of school or state lands shall not aggregate a sum greater than fifty per cent of the price at which said lands are held by the State. Any amount apportioned and assessed upon school or state lands shall be reported by the county commissioners to the Registrar of the State Land Office within ten days after the delivery of the assesment roll to the county treasurer. Said registrar of the State Land Office shall enter on the books of his office, against each description of such State lands, the amount of drain taxes assessed thereon, and shall certify the same to the Auditor who shall draw his warrant on the State Treasurer therefor, to be paid out of any funds in his hands not otherwise appropriated. Such amount shall be forwarded by the Registrar of the State Land Office to the County Commissioners on or before the fifteenth day of January next, and shall by him be applied in payment of such taxes. No deed shall issue for such lands until all such drain taxes are paid with interest at seven per cent. [*Act approved March 7, 1905, Art. IV, § 7.*] (9th Sess. Chap. 106.)

2444. *Right to make additional assessments.*—Whenever the amount assessed for the construction of any drain shall not be sufficient to complete the same, and to pay all the costs and incidental expenses, a further assessment shall be made to meet the deficit or additional expense. Such further assessment shall be apportioned, assessed, levied and collected as provided in the first instance, and on the same percentage, and shall be collected in one year, but there shall be no review of, nor appeal from such further assessment. [*Act approved March 7, 1905, Art. IV, § 8.*] (9th Sess. Chap. 106.)

2445. *Refusal of persons appointed to act as boards of review.*—Should any or all the persons so appointed as a board of review neglect or refuse to serve or be unable to act, the county drain commissioner shall adjourn the hearing for a sufficient length of time not exceeding in all ten days, to enable him to apply to the district court for the appointment of other persons to act on such board of review and shall make public announcement of the time and place of such adjournment. The review shall thereupon be deemed a continuous proceeding and no further notice shall be required. The district court shall, upon the showing being made, either that any or all the persons appointed as aforesaid have neglected, refused or were unable to act as the case may be and of the adjourned day of meeting, at once, by order appoint such other person or persons

of like qualifications as before to fill such vacancy. And the county drain commissioner shall notify the person or persons so appointed to fill such vacancy of his appointment and of the adjourned day of meeting. The person so appointed shall have the same power and perform the same duties as are herein provided for the board of review in the first instance. The persons acting as such board of review shall receive the sum of Three (\$3.00) Dollars per day for each day actually and necessarily spent in the discharge of their duties as members of such board of review. In case the assessment made by the county drain commissioner is sustained the district or districts appealing shall be severally liable for all costs incurred by such appeal, and the same proceedings shall be had throughout in all respect in said appeal to said district court, as to the benefits and liabilities in case of an appeal to the district court from an individual assessment: *Provided*, That in case two or more districts appeal from the same assessment, only one board of review shall be appointed to review the assessment against the several districts: *Provided further*, That the board of review herein provided for may adjourn any hearing before it from time to time, as justice may require, not exceeding in all twenty days from the date of their first meeting. [Act approved March 7, 1905, Art. IV, § 9.] (9th Sess. Chap. 106.)

[Act approved March 5, 1907, Art. V, § 1.] (10th Sess. Chap. 102.)

2447. *Commissioners shall prepare special assessment roll.*—The county drain commissioner shall thereupon make a special assessment roll for such drain for each district or districts and city, affected thereby, which roll shall be designated "(giving the name) drain special assessment roll," and he shall enter therein a correct description of the tracts, parcels or subdivisions of land benefited by such drain, as provided herein and place opposite each description the amount of the per cent heretofore determined upon by him or by the board of review, as the case may be. [Act approved March 7, 1905, Art. V., § 2.] (9th Sess. Chap. 106.)

2448. *County clerk shall deliver assessment to county commissioners.*—The county clerk shall, on or before the first day of September of each year, make and deliver to the county commission-

ers of his county a certified statement of the several amounts of drain taxes to be assessed upon such counties at large, for the ensuing year, and shall specify therein the several amounts to be raised for each particular drain, and also a certified statement of all the descriptions of land assessed for benefits for each drain, and the amount to be assessed upon each description for such years as determined by the county drain commissioner in his special assessment rolls. He shall also spread upon said roll, separately and immediately following the other descriptions, all tracts or parcels of land specified by the county drain commissioner to be assessed for benefits, and shall place opposite each description in a column marked "drain taxes," the amount of taxes apportioned thereon, as certified to him by the drain commissioner. [*Act approved March 7, 1905, Art. V, § 4.*] (*9th Sess. Chap. 106.*)

2450. *County clerk shall furnish treasurer itemized statement of drain taxes.*—The county clerk shall, at the time of the delivery of his assessment roll to the county treasurer, also furnish him with an itemized statement of the several amounts assessed upon the district or districts at large for each particular drain, naming the drain. [*Act approved March 7, 1905, Art. V, § 5.*] (*9th Sess. Chap. 106.*)

2451. *Collection and penalties.*—All drain taxes assessed under the provisions of this act shall be subject to the same interest and charges, and shall be collected in the same manner as State and other general taxes are collected, and collecting officers are hereby vested with the same power and authority in the collection of such taxes as are or may be conferred by law for col-

lecting general taxes. In all cases where suit is brought against the county treasurer arising out of the collection of any drain tax, the county shall defend such officer in the same manner that he has now the right to be defended in the collection of general taxes. No suit shall be instituted to recover any drain tax or money paid or property sold therefor, or for damages on account thereof, unless brought within thirty days from the time of payment of such money to or sale of such property by, the collecting officer; and if such tax shall be paid under protest the reasons therefor shall be specified, and the same procedure observed as is or may be required by the general tax law. All taxes levied under the provisions of this act, with all lawful costs, interest and charges, shall be and remain a perpetual lien upon the lands upon which they are assessed, and a personal claim against the owner or owners of such lands until they are paid. [*Act approved March 7, 1905, Art. V, § 6.*] (9th Sess. Chap. 106.)

2452 *Delinquent taxes.*—If the taxes levied for the construction, cleaning out, widening, deepening or extending of any drain are not collected by the county treasurer, they shall by him be returned, together with the lands upon which they were levied, to the county commissioners in the same return, at the same time, and in the same manner, in every respect as lands are returned for State, county and city taxes, and such taxes shall follow such lands, the same as all such other taxes, and all the general provisions of law now existing or that may be hereafter enacted for enforcing the payment of city, county and state taxes, shall apply to such drain taxes, and to the lands returned delinquent therefor, in the same manner and with like effect. [*Act approved March 7, 1905, Art. V, § 7.*] (9th Sess. Chap. 106.)

2453. *Orders for payment of contract.*—All orders for the payment for services rendered and work performed shall be drawn by the county commissioners upon the drain fund of each particular drain. All orders for the payments for lands for right of way shall be paid on presentation out of the county treasury and for all other services rendered and expenses incurred, except contracts for construction, shall be paid out of the first year's taxes, and the balance of such first year's taxes, if any, shall be applied pro rata among the several contractors in the payment of the contracts for the construction of such drain. For the balance due upon such contracts the county commissioners shall draw orders payable out of the one or other succeeding year's assessment; *Providing*, that no orders shall be drawn payable in any one year for a larger amount than said year's assessment. All drain orders shall be drawn payable on the fifteenth day of December of the year in which the drain taxes for the payment thereof are required to be paid. 2454. *County Treasurer to receive and disburse drain taxes.*—Drain taxes, when collected, shall be returned to the county treasurer to be disbursed by him. The drain orders issued for each particular drain shall be received for drain taxes for benefits levied for the construction of such drain, by the county treasurer. [*Act approved March 7, 1905, Art. V, § 9.*] (9th Sess. Chap. 106.)

2455. *Injunction against collection of taxes prohibited.*—After any taxes have been assessed for the construction, location or establishment of any drain, no injunction shall issue to restrain the collection thereof, nor shall the same be in any manner stayed, unless the amount of such assessment shall first be paid into the county treasurer to be applied upon such tax, in case the court in which the suit upon which such injunction is tried shall so order. [*Act approved March 7, 1905, Art. V, § 10.*] (9th Sess. Chap. 106.)

2456. *Curing defects in assessments.*—The collection of no tax levied or ordered to be levied for the payment of the location or construction of any drain laid out under this act shall be perpetually enjoined or declared absolutely void in consequence of any error or informality of any officer in the location and establishment thereof, nor by reason of any error or informality appearing in the record of the proceedings by which any drain shall have been located and established, nor on account of any irregularity or informality in the condemnation of right of way nor for want of any record thereof; but the court in which any action may be brought to recover any tax or assessment paid or to declare void the proceedings to locate and establish any drain, or to enjoin any tax or assessment levied or ordered to be levied for the payment of the labor and expense thereof, shall, if there be manifest error in the proceedings, allow the plaintiff in action to show that he has been injured thereby. The court may on application of either party, appoint a competent person or persons, to examine the premises, or to survey the same, or both, as may be deemed necessary. [*Act approved March 7, 1905, Art. V, § 11.*] (9th Sess. Chap. 106.)

2457. *Same.*—The court in which such proceedings are begun shall allow proof that the drain was necessary and conducive to the public health, convenience or welfare, and that all the steps required by law have been substantially complied with, notwithstanding the record required to be kept by the county drain commissioner. In case no substantial error is found, the court may

correct any gross injustice in the award of damages, or assessment of benefits, as may appear after hearing the proofs and allegations on both sides and shall make such order in the premises as shall be just and equitable, and may order that such tax or assessment remain on the tax roll for collection or order the same to be relieved, or may perpetually enjoin the same, or any part thereof, or if the same has been paid under protest, may order the whole, or such part thereof as is just and equitable to be refunded. The costs of such proceedings, if error or injustice be shown, if error or injustice be shown, shall be apportioned among the parties, or if manifest error or injustice be shown, such costs shall be collected of the party bringing the action. [*Act approved March 7, 1905, Art. V, § 12.*] (9th Sess. Chap. 106.)

2458. *Commissioner may reassess.*—Whenever any drain has been located and established and the work of construction completed or partly completed, and payment or provisions for payment for the same has not been legally made, the county drain commissioner shall, on application being made to him by any person or persons interested in the construction and maintenance of the said drain and the assessment of taxes therefor and for the payment of the same, without unnecessary delay proceed to relay and complete such drain under the provisions of this act, and re-assess upon such lands benefited by said drain and the original cost thereof, together with the expense of relaying and completing, and continue so to do until said drain has been legally established and constructed: *Provided*, That on such relay or completion of drain proceedings it shall not be necessary to readvertise a day of letting, but he shall advertise a day of review for benefits, which review may be held in the office of the county drain commissioner: *Provided further*, That any person who has paid the tax for benefits assessed against him for such drain shall be allowed the amount so paid and the county treasurer or other officer authorized to receive payment for taxes assessed in any county or city shall accept the receipt heretofore issued or the certificate of the county treasurer that such taxes were paid, for the payment of such drain taxes as cash and the same to be applied on such renewed assessment. The receipt so received by the county treasurer or other officer shall be credited to him and allowed as money. [*Act approved March 7, 1905, Art. V, § 13.*] (9th Sess. Chap. 106.)

2459. *County commissioners may correct assessment roll.*—In case any drain tax assessed, shall be set aside except for causes that would deprive the county drain commissioner of jurisdiction to construct the drain, the commissioner may begin proceedings anew at the stage where they shall be correct. In case a drain tax can or may be set aside for error in description or other defects in the county drain commissioner's or county treasurer's

roll, the county drain commissioner shall report same to the board of county commissioners at their next regular session who shall order the same reassessed upon the proper description. Such report may be made at any time before the sale of the land for such tax. [Act approved March 7, 1905, Art. V, § 14.] (9th Sess. Chap. 106.)

2460. *Drain commissioner a party to actions.*—In any suit brought to set aside any drain tax, in any way attacking the legality of any drain proceedings, the county drain commissioner shall be made a party to said suit, and it shall be the duty of the prosecuting attorney of the county where said drain is situated to defend said drain proceedings. [Act approved March 7, 1905, Art. V, § 15.] (9th Sess. Chap. 106.)

CHAPTER VI.

DRAINS TRAVERSING MORE THAN ONE COUNTY.

Section 2461. Application may be made to drain commissioner of either county.

“ 2462. *Commissioners of other counties affected must be notified of application.*

“ 2463. *Appointment of commissioners.*

“ 2464. *Proceedings of commissioners.*

“ 2465. *Apportionment of benefits between counties.*

“ 2466. *Records.*

“ 2467. *Drains in adjoining states.*

“ 2468. *Maintenance of drains passing through several counties.*

2461. *Application may be made to drain commissioner of either county.*—Whenever it may be desired to construct a drain traversing more than one county or affecting lands lying in more than one county, application therefor shall be made to the county drain commissioner of either county traversed by the proposed drain. Such application shall be subject to the same conditions and the applicants to the same obligations and liabilities as in other drains under this act. [Act approved March 7, 1905, Art. VI, § 1.] (9th Sess. Chap. 106.)

2462. *Commissioners of other counties affected must be notified of application.*—If, upon examination, the county drain commissioner shall deem the same to be necessary and for the good of the public health, convenience or welfare, he shall, as soon as practicable thereafter, fix a time and place of meeting, and notify the county drain commissioner or commissioners of such other county or counties to that effect, and furnish him or each of them with a certified copy of such application. Such county drain commissioner or commissioners shall, at the time and place as fixed above, meet with the county drain commissioner having the original application, and they shall thereupon and thereafter

jointly take all steps, and perform all acts, and sign all papers, as county drain commissioners are required to do singly in the case of other drains, including the application to the district court. [*Act approved March 7, 1905, Art. VI, § 2.*] (9th Sess. Chap. 106.)

2463. *Appointment of commissioners.*—In case all the persons whose lands are traversed by such drain, as proposed in this article, shall not within twenty days after the issue of the first order of determination as provided in this act, have voluntarily released the right of way therefor and all damages on account thereof, the county drain commissioners shall apply to the judge of each judicial district in which any such unreleased lands may be situated for the appointment of three special commissioners. When such application shall be made and when all papers shall have been found to be in conformity with the provisions of this act the court to whom such application has been made shall appoint such special commissioners and shall deliver to each commissioner a certified copy of the order of the appointment of such special commissioners. Such special commissioners shall be resident freeholders of the county and not residents of the district or districts to be traversed by the proposed drain in which they are appointed. All proceedings had in the appointment of special commissioners, under the provisions of this article shall be similar to those provided herein for the appointment of other special commissioners. [*Act approved March 7, 1905, Art. VI, § 3.*] (9th Sess. Chap. 106.)

2464. *Proceedings of commissioners.*—When such special drain commissioners shall have been notified of their appointment in the manner as provided herein, they shall at the time and place fixed by the district court, meet with the county drain commissioners of the respective counties in which such proposed drain is applied for, and view the whole line of such drain, or such portion thereof as shall be deemed sufficient, and shall, under the same oath and condition, perform their services in the same manner and with like effect as hereinbefore provided in this act for other special commissioners. Before any contract for the construction of any part of such drain shall be let, the county drain commissioners shall agree and determine upon the just per cent of the whole cost of construction which each county shall bear, which determination shall be in writing and signed by them, and a copy thereof made for each county drain commissioner whose county is affected by said drain: *Provided*, If said county drain commissioners cannot agree and determine the just per cent of the cost of construction that each county should bear, then it shall be their duty to select a county drain commissioner from some adjoining county, not affected by such drain, who shall have the power to determine said per cent for them, and said county drain commissioner's decision of the just per cent shall

be final, and they shall make copies of said determination as above provided. The costs and expenses of said other county drain commissioner shall be paid the same as those of the county drain commissioners of the counties affected by such drain. [*Act approved March 7, 1905, Art. VI, § 4.*] (9th Sess. Chap. 106.)

2465. *Apportionment of benefits between counties.*—Each commissioner shall thereupon assess within his own jurisdiction such amount, as may have been determined upon and shall assess against the counties such per cent thereof as may be justly charged against them severally by reason of benefits to the public health, convenience or welfare, or as a means of improving any highway, and the balance he shall apportion against the lands in proportion as they will be benefited thereby. Each county drain commissioner shall furnish such several assessments to the clerk of his own county, in which the lands affected thereby may be situated, and such assessments shall be computed, divided, spread, collected and returned in the same manner, in every respect, as provided in the case of other drains constructed under this act. Such assessments shall be subject to the same right of appeal and under the same conditions as hereinbefore provided. The taxes for such drains, shall be collected by the county treasurer of their respective counties to be disbursed by him. [*Act approved March 7, 1905, Art. VI, § 5.*] (9th Sess. Chap. 106.)

Drains may be cleaned out, deepened, widened, extended or straightened and for any or all such improvements only one application and proceedings will be necessary. It shall not be necessary for the applicants in such proceedings to further describe the drain or drains involved, than by referring to the recorded name or names thereof but a reference to a drain, describing it by its commencement, terminus and general direction shall be sufficient without giving the name of the drain. In cases where a natural water course shall need cleaning out, straightening, deepening or widening, where no valid proceedings have been had to previously establish such water course, it shall be immaterial whether the first proceedings shall be to clean out, lay out, straighten, deepen or widen; but the county drain commissioner shall take such steps as may be necessary to obtain a right of way, as heretofore provided and go on with his proceedings in the manner provided by law. The work of cleaning out such drain shall be advertised and let, and the contracts therefor awarded and accepted and paid for as provided for in the first instance: *Provided*, That if there is a surplus in any drain fund the county drain commissioner may, in his discre-

tion, without application or advertisement, pay out of the same reasonable compensation for cleaning out any obstruction that may accumulate in the particular drain for which the fund was raised. [*Act approved March 7, 1905, Art. VII, § 2.*] (9th Sess. Chap. 106.)

2473. *Vacation of drains.*—The county drain commissioner may, upon proper application as required in this act, and upon giving five days notice thereof by posting only, as provided for the letting in the first instance, declare any drain vacated and abandoned if in his judgment the same has ceased to be of public utility; *Provided*, That private rights of persons acquired by reason of the location and establishment of such drain shall not be interfered with, or in any way impaired thereby. The party so applying shall pay all expenses of such vacating and abandonment. [*Act approved March 7, 1905, Art. VII, § 5.*] (9th Sess. Chap. 106.)

2474. *Drains may be relaid.*—Drains for which application has been made or which have been constructed, under the provisions of any law heretofore enacted, may be laid, constructed, completed, relaid, cleaned out, widened, deepened or extended, as the case may be, under the provisions of this act. This provision as to obstruction of any drain shall not apply where the obstruction was caused by natural causes, but the owner of stock who shall permit his horses, cattle, pigs and other stock to obstruct any drain by tramping in it or otherwise, shall be deemed to be the party causing such obstruction. Nothing contained in this section shall in any way impede or bar the right of any person to make criminal complaint under any existing law for any obstruction of a drain. CHAPTER II.

DEFINITIONS.

2501. (§ 3680.) *Definition of terms.*—Whenever the terms mentioned in this section are employed in this title, they are employed in the sense hereafter affixed to them.

First—The term “property” includes moneys, credits, bonds, stocks, franchises and all other matters and things, real, personal, and mixed, capable of private ownership; but this must not be construed so as to authorize the taxation of the stocks of any company or corporation when the property of such company or corporation represented by such stocks is within the state and has been taxed.

Second—The term “real estate” includes:

1. The possession of, claim to, ownership of, or right to, the possession of land.

2. All mines, minerals and quarries in and under the land, subject to the provisions of § 2500 (3672), of this title; all timber belonging to individuals or corporations growing or being on the lands of the United States, and all rights and privileges appertaining thereto.

3. Improvements.

Third—The term “improvements” includes:

All buildings, structures, fixtures, fences and improvements erected upon or affixed to the land, whether title has been acquired to said land or not.

Fourth—The term “personal property” includes everything which is the subject of ownership, not included within the meaning of the term “real estate” and “improvements.”

Fifth—The terms “value” and “full cash value” mean the amount at which the property would be taken in payment of a just debt due from a solvent debtor.

Sixth—The term “credit” means those solvent debts, secured or unsecured, owing to a person.

The term “debts” means those secured or unsecured liabilities, owing by a person.

In making up the amount of credits which any person is required to list, he will be entitled to deduct from the gross amount the amount of all bona fide debts owing by him, but no acknowledgment of indebtedness not founded on actual consideration, and no such acknowledgment made for the purpose of being so deducted must be considered a debt within the intent of this section; and no person is entitled to a deduction on account of an obligation of any kind given to an insurance company for the premium of insurance, nor on account of any unpaid subscription to any institution or society, nor on account of a subscription to or installment payable on the capital stock of any company or corporation; and no liability of any person or persons as surety for another must be deducted; and no deduction must be made in any case unless the party claiming such deduction discloses to the assessor, under oath, the name or names of the persons to whom such party is indebted, and the amount of such indebtedness to each, and also that such indebtedness is not barred by the statute of limitations.

First N. Bank v. Province, 20 Mont. 374; 51 Pac. 821. Personal property owned by a national bank is not subject to taxation under state laws.

Courtney v. Missoula Co., 21 Mont. 594; 55 Pac. 360. For the purposes of taxation, “property” includes “real estate” and within the definition of “real estate” is the possession of, claim to, ownership of, or right to the possession of land. State lands after sale, but before the price is fully paid, are subject to tax-

ation as the property of the purchaser.

Daly Bank v. Board, 33 Mont. 106; 81 Pac. 952. Stocks of a state bank or trust company fall within the definition of the term “property” as given in subdivisions 1 and 4 of this section.

Clark v. Maher, 34 Mont. 400; 87 Pac. 274. Moneys due from other banks and bankers are credits within the definition of this section.

2502. (§ 3690.) *Property assessed at cash value.*—All taxable property must be assessed at its full cash value. Land and the improvements thereon must be separately assessed.

 Mont. 374; 51 Pac. 821. Danforth v. Livingston, 23 Mont. 562;
 State v. Fortune, 24 Mont. 157; 60 59 Pac. 917.
 Pac. 1087. Crocker v. Scott, 149 Cal. 585; 87
 Daly Bank v. Board, 33 Mont. 106; Pac. 102.

2503. (§ 3691.) *Stock in banking corporations, how assessed.*—The stockholders in every bank or banking association organized under the authority of this state or the United States, must be assessed and taxed on the value of their shares of stock therein, in the county, town, city or district where such bank or banking association is located, and not elsewhere, whether such stockholders reside in such place or not. To aid the assessor in determining the value of such shares of stock, the cashier or other accounting officer of every such bank must furnish a verified statement to the assessor, showing the amount and number of shares of the capital stock of each bank, the amount of its sur-

plus or reserve fund, the amount of investments in real estate, which real estate must be assessed and taxed as other real estate.

Daly Bank v. Board, 33 Mont. 106; 81 Pac. 952.

First N. Bank v. Province, 20 Mont. 376; 51 Pac. 822.

2504. (§ 3692.) *What deductions made.*—In the assessment of the shares of stock mentioned in the next preceding section, each stockholder must be allowed all the deductions and exemptions allowed by law in assessing the value of other taxable personal property owned by individual citizens of this state, and the assessment and taxation must not be at a greater rate than is made or assessed upon other moneyed capital in the hands of individual citizens of this state.

Daly Bank v. Board, 33 Mont. 103; 81 Pac. 950.

2505. (§ 3693.) *How made.*—In making such assessment, there must also be deducted from the value of such shares, such sum as is in the same proportion to such value as the assessed value of the real estate of such bank or banking association in which such shares are held, bears to the whole amount of the capital stock of such bank or banking association.

Daly Bank v. Board, 33 Mont. 106; 81 Pac. 951.

First N. Bank v. Province, 20 Mont. 377; 51 Pac. 822.

2506. (§ 3694.) *National banks out of state.*—The shares of the capital stock of banks organized under the laws of the United States, not located in this state, owned by residents of this state, are not subject to taxation.

Daly Bank v. Board, 33 Mont. 103; 81 Pac. 950.

First N. Bank v. Province, 20 Mont. 377; 51 Pac. 822.

2507. *Taxation of private bankers and brokers.*—Every Private Banker, Broker or Dealer in Stocks must make out and deliver to the assessor, when required to list personal property, a verified statement containing:

First: The amount of money on hand, or in transit.

Second: The amount of funds in the hands of other banks, brokers or others subject to draft.

Third: The amount of checks or cash items, the amount thereof not being included in either of the preceding items.

Fourth: The amount of bonds and stocks of every kind, (except United States bonds) and shares of capital stock of joint or other companies or corporations held as an investment, or in any way representing assets.

Fifth: All other property appertaining to said business other than real estate, which real estate must be listed and assessed as other real estate is listed and assessed under this Title.

Sixth: The amount of all deposits made by other persons in his custody.

Seventh: The amount of all accounts payable other than current deposit accounts.

Eighth: The amount of capital invested in said company.

Ninth: The amount of surplus or undivided profits.

In making up the tax list of the property of such Private Banker, Broker or Dealer in Stocks for taxation, such property to be taxed shall be the amount of capital invested either in real estate or cash, the amount of surplus, and undivided profits. [Act approved February 21, 1905.] (9th Sess. Chap. 25.)

Clark v. Maher, 34 Mont. 399; 87 Pac. 273.

2508. (§ 3696.) *Railroads, how assessed.*—The franchise, roadway, roadbed, rails and rolling stock of all railroads operated in more than one county in this state, must be assessed by the state board of equalization, as hereinafter provided. Other franchises, if granted by the authorities of a county or city, must be assessed in the county or city within which they were granted; if granted by any other authority they must be assessed in the county in which the corporations, firms or persons owning or holding them have their principal place of business.

2509. (§ 3697.) *Land, how assessed. Mortgages, how assessed.*—All other taxable property must be assessed in the county, city or district in which it is situated. Land must be assessed in parcels or subdivisions not exceeding six hundred and forty acres, and tracts of land containing more than six hundred and forty acres, which have been sectionized by the United States government, must be assessed by sections or fractions of sections.

The assessor must set aside one line in the assessment book for the description of each six hundred and forty acres of land, or less, the number of acres to be entered in one column, the description in another column, value in another column, value of improvements in another column, and the total in the total column. He must also set aside a line in the assessment book for the description of each town or city lot, the description to be entered in one column, the value in another column on the same line, the value of improvements in another column, and the total in the total column; *Provided*, That all of the unimproved lots of the same value, situate in one block, or belonging to the same party, may be described and assessed in one line in the manner above provided for each lot. It is the intention hereby that each parcel and lot show in its own line and opposite the description thereof, the separate value of the same, and the value of the improvements thereon. [Act approved March 14, 1895.]

Flowerree Co. v. L. & C. Co., 33 Mont. 35; 81 Pac. 398.

Coburn C. Co. v. Small, 35 Mont. 293; 88 Pac. 955.

2510. (§ 3700.) *When assessment to be made. Credits must be assessed, how.*—The assessor must, between the first Monday of March and the second Monday of July in each year, ascertain the names of all taxable inhabitants, and all property in his county subject to taxation, except such as is required to be as-

sessed by the state board of equalization, and must assess such property to the persons by whom it was owned or claimed or in whose possession or control it was at twelve o'clock m., of the first Monday of March next preceding; but no mistake in the name of the owner, or supposed owner, of real property, renders the assessment thereof invalid. Credits must be assessed as provided in § 2501 (3680), subdivision 6.

M. C. Co. v. Livingston, 21 Mont. 59; 52 Pac. 780.

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1. The listing of lands for taxation to the wrong person is no ground for restraining the tax sale, but is an irregularity, which, of itself, does not avoid the assessment, nor render the tax illegal.

Danforth v. Livingston, 23 Mont. 558; 59 Pac. 916.

Birney v. Warren, 28 Mont. 68; 72 Pac. 293. Personal property must be assessed to the person by whom it is

owned or claimed, and if the name of an absent owner is unknown it must be assessed to "unknown owners." This section is mandatory, and a misnomer of the owner of personal property assessed as the property of a particular person vitiates the assessment and renders a sale thereunder void. The rule of *caveat emptor* applies to sales of personal property for delinquent taxes.

Flowerree Co. v. L. & C. Co., 33 Mont. 35; 81 Pac. 398.

Coburn C. Co. v. Small, 35 Mont. 293; 88 Pac. 955.

2511. (§ 3701.) *Statement what to contain.*—He must require from each person a statement under oath setting forth specifically all the real and personal property owned by such person, or in his possession, or under his control, at twelve o'clock m. on the first Monday in March. Such statement must be in writing, showing separately.

1. All property belonging to, claimed by, or in the possession or under the control or management of such person.

2. All property belonging to, claimed by, or in the possession or under the control or management of any firm of which such person is a member.

3. All property belonging to, claimed by, or in the possession or under the control or management of any corporation of which such person is president, secretary, cashier or managing agent.

4. The county in which such property is situated, or in which it is liable to taxation, and (if liable to taxation in the county in which the statement is made) also the city, town, school district, road district, or other revenue districts in which it is situated.

5. An exact description of all lands in parcels or subdivisions, not exceeding six hundred and forty acres each, and the sections and fractional sections of all tracts of land containing more than six hundred and forty acres which have been sectionized by the United States government, improvements and personal property, including all vessels, steamers and other water craft, and all taxable, state, county, city or other municipal or public bonds, and the taxable bonds of any person, firm or corporation, and deposits of money, gold dust or other valuables, and the names of the persons with whom such deposits are made, and the places in which they may be found, all mortgages, deeds of trust, contracts and other obligations by which a debt is secured, and the property in the county affected thereby.

6. All solvent credits, secured or unsecured, due or owing to such person or any firm of which he is a member, or due or owing to any corporation of which he is president, secretary, cashier or managing agent, deducting from the sum total of such credits only such debts, secured or unsecured, as may be owing by such person, firm or corporation. No debt is to be so deducted unless the statement shows the amount of such debt, as stated under oath, in the aggregate. In case of banks, the statement is not required to show the debts in detail, or to whom it is owing; but the assessor has the privilege of examining the books of such banks to verify said statement. Whenever one member of a firm, or one of the proper officers of a corporation, has made a statement showing the property of the firm or corporation, another member of the firm, or another officer; need not include such property in the statement made by him; but this statement must show the name of the person or officer who made the statement in which such property is included.

7. All depots, shops, stations, buildings and other structures erected on the space covered by the right of way, and all other property owned by any person, corporation or association of persons owning or operating any railroad within the county.

The fact that such statement is not required, or that a person has not made such statement under oath, or otherwise, does not relieve his property from taxation.

Western Ranches v. Custer Co., 28 Mont. 283; 72 Pac. 661. An increase in an assessment by the assessor in obedience to a void order of the board of equalization cannot be sustained.

Flowerree Co. v. L. & C. Co., 33 Mont. 36; 81 Pac. 398. It was the duty of the county assessor of Lewis and Clark County to require from the agent of the company to be assessed a verified list of its property in his county on the first Monday of March, 1904. This list must have shown the county in which the

property was situated, or in which it was liable to taxation.

Clark v. Maher, 34 Mont. 399; 87 Pac. 274. There is a conflict between this section and that portion of subdivision 8, section 3695, providing for a deduction of deposits (debts), but this section must prevail.

See note to sections 11 and 16, article XII, Constitution.

Daly Bank v. Commissioners, 33 Mont. 107; 81 Pac. 950.

2512. (§ 3702.) *County commissioners to furnish blanks, etc.*—The board of county commissioners must furnish the assessor with blank forms of the statements provided for in the preceding section, affixing thereto an affidavit, which must be substantially as follows: "I, ———, do swear that I am a resident of the county of (naming it), and that my postoffice address is ———; that the above list contains a full and correct statement of all property subject to taxation, which I, or any firm of which I am a member, or any corporation, association or company of which I am president, cashier, secretary or managing agent, owned, claimed, possessed or controlled, at twelve o'clock m., on the first Monday in March last, and which is not already assessed this year; and that I have not in any manner whatsoever transferred or disposed of any property, or placed any property out of said county or my possession for the purpose of avoiding any

assessment upon the same, or of making this statement; and that the debts therein stated as owing by me are justly due and owing to others." The affidavit to the statement on behalf of a firm or corporation must state the principal place of business of the firm or corporation, and in other respects must conform substantially to the preceding form. The time when taxes become delinquent, and the time of the meeting of the county board of equalization, must be stated in such form.

2513. (§ 3703.) *Statement to be filled out and returned to assessor.*—The assessor may fill out the statement at the time he presents it, or he may deliver it to the person and require him, within an appointed time, to return the same to him, properly filled out. The assessor must either in person or by mail deliver to the person making the statement a copy of the same showing any corrections made thereto by such assessor.

2514. (§ 3704.) *General power of assessor.*—Every assessor has power:

1. To require any person found within such assessor's county to make and subscribe an affidavit, giving his name and place of residence, and postoffice address.

2. To subpoena and examine any person in relation to any statement furnished to him, or which discloses property which is assessable in his county; and he may exercise this power in any county where the person whom he desires to examine may be found, but has no power to require such persons to appear before him in any other county than that in which the subpoena is served. Every person who refuses to furnish the statement hereinbefore required, or to make and subscribe such affidavit respecting his name and place of residence, or to appear and testify when requested so to do by the assessor, as above provided, for each and every refusal, and as often as the same is repeated, forfeits to the people of the state the sum of one hundred dollars, to be recovered by action brought in the name of the assessor in any police or justice's court. In case such affidavit shows the residence of the person making the same to be in any county other than that in which it is taken, or the statement discloses property in any county other than that in which it is made, the assessor must, in the respective case, file the affidavit or statement in his office, and transmit a copy of the same, certified by him, to the assessor of the county in which such residence or property is therein shown to be. All moneys recovered by any assessor under the provisions of this section must by him be paid into the treasury of his county.

2515 (§ 3705.) *If statement refused, how assessment made.*—If any person, after demand made by the assessor, neglects or refuses to give, under oath, the statement herein provided for, or to comply with the other requirements of this title, the assessor

must note the refusal on the assessment book opposite his name, and must make an estimate of the value of the property of such person, and the value so fixed by the assessor must not be reduced by the board of county commissioners.

Savings Society v. San Francisco, 131 Cal. 359; 63 Pac. 665.

2516. (§ 3706.) *Assessment of unknown or absent owners.*—If the owner or claimant of any property, not listed by another person, is absent or unknown, the assessor must make an estimate of the value of such property.

Birney v. Warren, 28 Mont. 67; 72 Pac. 293.

2517. (§ 3707.) *Same.*—If the name of the absent owner is known to the assessor, the property must be assessed in his name; if unknown, the property must be assessed to “unknown owners.”

Birney v. Warren, 28 Mont. 67; 72 Pac. 293.

2518. (§ 3708.) *Property situated in another county.*—The assessor, as soon as he receives a statement of any taxable property situated in another county, must make a copy of such statement for each county in which the same is situated, and transmit the same, by mail, to the assessor of the proper county, who must assess the same as other taxable property therein.

Flowerree Co. v. L. & C. Co., 33 Mont. 37; 81 Pac. 398. Property shall be assessed in its home county, and where cattle are driven into Lewis and Clark county to be winter-fed with the intention of

having them returned to Teton county, the headquarters of the owner, a corporation, the home of such livestock for the purposes of taxation is in Teton county.

2519. (§ 3709.) *Consigned property.*—All personal property consigned for sale to any person within this state from any place out of the state must be assessed as other property.

2520. (§ 3710.) *Trustees, guardians, executors, etc.*—When a person is assessed as agent, trustee, bailee, guardian, executor or administrator, his representative designation must be added to his name and the assessment entered on a separate line from his individual assessment.

San Francisco v. Pennie, 93 Cal. 471; 29 Pac. 66.

2521. (§ 3711.) *Property of a firm or corporation, where assessed.*—The property of every firm and corporation must be assessed in the county where the property is situate, and must be assessed in the name of the firm or corporation.

Flowerree Co. v. L. & C. Co., 33 Mont. 35; 81 Pac. 398. This section applies to all kinds of property. *Coburn C. Co. v. Small*, 35 Mont. 293; 88 Pac. 955.

2522. (§ 3712.) *Undistributed property of deceased persons.*—The undistributed or unpartitioned property of deceased persons may be assessed to the heirs, guardians, executors or administrators, and a payment of taxes made by either binds all the parties in interest for their equal proportions.

San Francisco v. Pennie, 93 Cal. 471; 29 Pac. 66.

2523. (§ 3713.) *Capital stock and franchises of corporations, where assessed.*—The capital stock and franchises of corporations and persons, except as otherwise provided, must be listed and taxed in the county, town or district where the principal office or place of business of such corporation or person is

located; if there be no principal office or place of business in the state, then at the place in the state where any such corporation or person transacts business.

2524. (§ 3514.) *Personal property of merchant or manufacturer.*—The personal property belonging to the business of a merchant or of a manufacturer must be listed in the town or district where his business is carried on.

2530. (§ 3720.) *Live stock, where assessed.*—Live stock belonging to a permanent resident of the state must not be listed or assessed while such stock is in transit, nor until it arrives in the county where the person owning the same resides, and must be listed and assessed in such county. If such live stock runs at large in a county other than the one in which such owner resides, it must be listed and assessed in such county.

Flowerree Co. v. L. & C. Co., 33 Mont.
39; 81 Pac. 400. This section has not
been repealed.

Coburn C. Co. v. Small, 35 Mont. 294;
88 Pac. 955.

2531. *Stock brought into the state for grazing.*—All live stock brought into this state by any person or persons whomsoever, for the purpose of being grazed for any length of time whatsoever, shall be taxed for the year in which such live stock shall be brought into the State. [Act approved March 14th, 1901, § 1.] (7th Sess. 57.)

2532. *Certificate to be filed with county clerk.*—It shall be the duty of every person bringing live stock into any county in this state, for grazing purposes as herein before provided, to set out in a certificate under the hand of such person, or his agent, the number of live stock, with the brands, if any, upon the same, and file the said certificate with the county clerk of the county in which said live stock shall be first brought for the above purpose. [Act approved March 14th, 1901, § 2.] (7th Sess. 57.)

2533. *Assessment of stock listed.*—It shall be the duty of the county clerk, upon such certificate being filed as aforesaid, to keep an index of the same in his office for the inspection of all persons, and within ten days after the filing of the same to certify a copy of said certificate under his hand to the assessor of the County. It shall be the duty of the County Assessor to immediately enter an abstract of said certificate upon the tax list for the current year. If such certificate is filed with Assessor prior to the annual levy of taxes by the board of County Commissioners, such assessor shall enter said assessment upon assessment rolls, unless such rolls have already been completed, in which event he shall make a supplemental report, including all assessments of this character. If such assessment is made after the annual levy has been made, the said Assessor shall transmit said copy to the County treasurer of the county, who shall immediately enter an abstract of such certificate upon the tax list for the said year, and shall proceed to collect the sum of money due and payable, from the person so keeping and herding said live stock, or his agent, and in the event that it is necessary for the said treasurer to collect the taxes due upon such live stock by distress and sale of said live stock, and all necessary expenses and costs accruing from such sale shall be deducted in the same manner as is now provided by law for the collection of taxes assessed upon personal property, without any further warrant to him for that purpose. [Act approved March 14th, 1901, § 3.] (7th Sess. 58.)

2534. *Deposit or bond to secure tax.*—Any person named in § 2532 (2) of this Act, or his agent, who shall bring live stock into this state for grazing purposes, prior to the levy of the regular tax by the board of County Commissioners of the county into which the said live stock are brought, shall be required by the assessor of the county wherein the said live stock may be kept and herded to

pay the sum of forty cents on each and every head of cattle, and ten cents on each and every head of sheep, or any other live stock, brought into such county for the purpose of grazing as aforesaid; provided, however, that the said payment of forty cents per head on cattle and ten cents per head upon sheep and other live stock, shall at the end of such year be returned to the said person paying the same, upon a showing that he has paid the regular annual tax in that county for that year, upon all of said property the same as other persons have paid upon like property permanently located in this State; or such portion of said payment shall be returned as may exceed the amount of regular county taxes, for the said year; *provided*, that such rebate shall be paid in a county warrant or certificate of indebtedness, issued by order of the board of county commissioners of said county; and, *provided*, further, that any person so bringing any live stock into any county of this State from any other state or territory, in the manner hereinbefore provided, in lieu of the payment of the said forty cents on each and every head of cattle, and ten cents per head on each and every head of sheep or other live stock, may execute a bond to said county, with two or more sureties, to be approved by the county treasurer, conditional that such person will regularly list the said live stock for taxation in such county for that year, in the manner provided by law, and will punctually pay all taxes which may become due thereon during that year, and in such case the said charge of forty cents per head upon cattle and ten cents per head upon sheep and other live stock, shall not be collected. [*Act approved March 14th, 1901, § 4.*] (7th Sess. 58-9.)

2535. *Penalties.*—Any person named in § 2532 (2) of this Act, or his agent, who shall bring any live stock into this state for grazing purposes, and shall keep and herd the same in any county of the state without first filing said certificate, and without paying the amount of money per head, as hereinbefore provided, or giving the bond named in § 2534 (4) of this Act, shall be fined in a sum of not less than ten dollars nor more than one hundred dollars and shall further forfeit and pay the sum of fifty cents for each and every head thereof, for the use of said county, which said forfeit shall be collected by a civil action in the name of the county in which the said live stock are, or were, so kept and herded. [*Act approved March 14th, 1901, § 5.*] (7th Sess. 59.)

2536. *Action to recover penalties.*—It shall be the duty of the county commissioners of the county in which such live stock shall be kept and herded without having first complied with the provisions of this Act, upon receiving satisfactory information of such fact, to institute such civil action in the name of the county, against the person so keeping or herding such live stock, or his agent. If the owner of such live stock be not known to such commissioners it shall be lawful to make the agent of such person,

or any person having the care and custody of such live stock the defendant in such action, and service of the summons upon such agent, or person having the care and custody of such live stock, shall be considered and held to be personal service upon the owner thereof. [*Act approved March 14th, 1901, § 6.*] (7th Sess. 59-60.)

2537. *Removal with intent to evade payment.*—If any person having the care and custody of such live stock shall, pending an action instituted as provided in the last section, drive or move said live stock out of the county with intent to move the same out of the state, or with intent to evade the payment of the forfeiture hereinbefore named, upon affidavit to that effect being made and filed in an action brought to recover said forfeiture or tax herein provided, writs of attachment may issue as in civil actions and the proceedings therein shall be as in other cases, except that no undertaking on attachment shall be required; and in addition thereto, any person so driving or moving such live stock shall be punished by a fine of not less than ten dollars nor more than one hundred dollars, and by imprisonment in the county jail for not exceeding six months, for each and every offense. [*Act approved March 14th, 1901, § 7.*] (7th Sess. 60.)

2538. *Duty of board of equalization.*—In addition to the other duties prescribed by law, the assessor of each county is hereby required to present to the board of equalization of each county, a statement setting forth such live stock and all other property which has not been assessed, or which has been assessed for less than its correct value, by reason of erroneous reports, and it shall be the duty of said board of equalization to immediately, while sitting as such board, investigate and in the event that the person owning such property has been assessed for a smaller amount of property, or a less valuation than should properly have been given, to correct such assessment in the manner provided for the correction of assessment by the board of equalization. [*Act approved March 14th, 1901, § 8.*] (7th Sess. 60.)

2540. (§ 3721.) *Property and money in litigation.*—Money and property in litigation in possession of a county treasurer, or of a court or a clerk thereof, or receiver, must be assessed to such treasurer, clerk or receiver, and the taxes paid thereon under the direction of the court.

2541. (§ 3722.) *Property, concealed, etc.*—Any property wilfully concealed, removed, transferred or misrepresented by the owner or agent thereof, to evade taxation, upon discovery must be assessed at not exceeding ten times its value, and the assessment so made must not be reduced by the board of county commissioners.

Clunie v. Siebe, 112 Cal. 595; 44 Pac. 1064.

2542. (§ 3723.) *Property not assessed the previous year.*—Any property discovered by the assessor to have escaped assessment may be assessed at any time, if such property is in the ownership or under the control of the same person who owned or controlled it at the time it should have been assessed.

Clunie v. Siebe, 112 Cal. 594; 44 Pac. 1064.

2543. (§ 3724.) *Property, how listed.*—The assessor must prepare an assessment book with appropriate headings, alphabetically arranged, unless otherwise directed by the state board of equalization, in which must be listed all property within the county, and in which must be specified in separate columns, under the appropriate head:

1. The name of the person to whom the property is assessed.
2. Land, by township, range, section, or fractional section; and when such land is not a United States land division or subdivision, by metes and bounds, or other description sufficient to identify it, giving an estimate of the number of acres (not exceeding in each and every tract six hundred and forty acres), locality and the improvements thereon.
3. City and town lots, naming the city or town, and number of the lot and block, according to the system of numbering in such city or town, and improvements thereon.
4. All personal property, showing the number, kind, amount and quality; but a failure to enumerate in detail such personal property does not invalidate the assessment.
5. The cash value of real estate other than city or town lots.
6. The cash value of improvements on such real estate.
7. The cash value of city and town lots.
8. The cash value of improvements on city and town lots.

10. The cash value of all personal property, exclusive of money.
11. The amount of money.
12. Taxable improvements owned by the person, firm, association or corporation located upon land exempt from taxation must, as to the manner of assessment, be assessed as other real estate upon the assessment roll. No value, however, must be assessed against the exempt land, nor under any circumstances must

the land be charged with or become responsible for the assessment made against any taxable improvements located thereon.

13. The school, road and other revenue districts in which each piece of property assessed is situated.

14. The total value of all property.

15. The figure one (1), in separate columns, opposite the name of every person liable to pay a poll tax.

Maurer v. Weatherby, 1 C. App., 245; 81 Pac. 1083.

2545. (§ 3726.) *Assessment, when completed.*—On or before the second Monday in July, in each year, the assessor must complete his assessment book. He must take and subscribe an affidavit in the assessment book, to be substantially as follows: "I, ———, assessor of ——— county, do swear that between the first Monday in March and the second Monday in July, eighteen hundred and ninety ———, I have made diligent inquiry and examination to ascertain all the property within the county, subject to assessment by me, and that the same has been assessed on the assessment book, equally and uniformly, according to the best of my judgment, information and belief, at its full cash value; and that I have faithfully complied with all the duties imposed on the assessor under the revenue laws; and that I have not imposed any unjust or double assessment through malice or ill-will or otherwise, nor allowed any one to escape a just and equal assessment through favor or reward or otherwise." But the failure to take or subscribe such an affidavit, or any affidavit, will not in any manner affect the validity of the assessment.

State v. Weston, 29 Mont. 130; 74 Pac. 417.

Miller v. Kern Co., 137 Cal. 523; 70 Pac. 549.

2546. (§ 3727.) *Map book.*—The assessor must, when directed so to do by the board of commissioners, in a map book make a plat of the various blocks within any incorporated city or town, and mark thereon in each subdivision the name of the person to whom it is assessed.

2547. (§ 3728.) *Assessment and map book delivered to and kept by clerk.*—As soon as completed, the assessment book, together with the map book and statements, must be delivered to the county clerk, who must immediately give notice thereof and of the time the board of commissioners will meet to equalize assessments, by publication in a newspaper, if any is printed in the county; if none, then in such manner as the board may direct; and in the meantime the assessment book must remain in his office for the inspection of all persons interested.

State v. Weston, 29 Mont. 130; 74 Pac. 415.

2548. (§ 3729.) *Statement by assessor to state board of equalization.*—On the second Monday in July in each year the assessor of each county must transmit to the state board of equalization a statement showing:

1. The several kinds of personal property.
2. The average and total value of each kind.
3. The number of live stock, number of bushels of grain, number of pounds or tons of any article sold by the pound or ton.
4. When practicable, the separate value of each class of land specifying the classes and the number of acres in each.

2549. (§ 3730.) *Penalty.*—Every assessor who fails to complete his assessment book, or who fails to transmit the statement

mentioned in the preceding section to the state board of equalization, forfeits the sum of one thousand dollars, to be recovered on his official bond, for the use of the county, or to be deducted from his salary by the board of county commissioners.

2550. (§ 3731.) *Persons claiming ownership of property desiring to be assessed.*—Lands once described on the assessment book need not be described a second time, but any person claiming the same and desiring to be assessed therefor, may have his name inserted with that of the person to whom such land is assessed.

Cavanaugh v. Jackson, 99 Cal. 675; 34 Pac. 509.

2551. (§ 3732.) *Commissioners to furnish assessor maps.*—The board of county commissioners must provide maps for the use of the assessor, showing the private lands owned or claimed in the county, and, if surveyed under authority of the United States, the divisions and subdivisions of the survey. Maps of cities and villages, or school districts, may in like manner be provided. The cost of making such maps is a county charge, and must be paid from the county general fund.

2552. (§ 3733.) *List of lands sold by state to be transmitted by state land agent.*—On or before the first Monday in March in each year, the state land agent must make out and transmit to the assessor of each county where lands or lots lie that may have been sold by the state, for which certificates of purchase, patents or deeds have issued during the year preceding, certified lists of such lands or lots, giving a description thereof by divisions or subdivisions, or lots and blocks, together with the names of the purchasers thereof.

Courtney v. Missoula Co., 21 Mont. 593; 55 Pac. 360. This section was enacted for the sole purpose of advising the county assessors respecting such lands as may have been sold by the state for

which either certificates of purchase or patents have issued, so that such lands might be listed to the vendees and assessed.

2553. (§ 3734.) *Assessors liable for unassessed property.*—The assessor and his sureties are liable on his official bond for all taxes on property within the county which, through his wilful failure or neglect, is unassessed.

2554. (§ 3735.) *County attorney must prosecute.*—The county attorney must, after the assessor completes the assessment book for the year, commence an action on the assessor's bond for the amount of taxes lost from such willful failure or neglect.

2555. (§ 3736.) *Judgment, when entered against assessor.*—On the trial of such action, the value of the property unassessed being shown, judgment for the amount of taxes that should have been collected thereon must be entered.

2556. (§ 3737.) *Assessment of railroads.*—The president, secretary, or managing agent, or such other officer as the state board of equalization may designate, of any corporation, and each person or association of persons owning or operating any rail-

road in more than one county in this state, must, on or before the first Monday in March of each year, furnish the said board a statement signed and sworn to by one of such officers, or by the person or one of the persons forming such association, showing in detail for the year ending on the first Monday in March in each year:

1. The whole number of miles of railroad in the state; and where the line is partly out of the state, the whole number of miles without the state, and the whole number within the state owned or operated by such corporation, person or association.

2. The value of the roadway, roadbed and rails of the whole railroad, and the value of the same within the state.

3. The width of the right of way.

4. The number of each kind of all rolling stock used by such corporation, person or association in operating the entire railroad, including the part without the state.

5. Number, kind and value of rolling stock owned and operated in the state.

6. Number, kind and value of rolling stock used in the state, but not owned by the party making the returns.

7. Number, kind and value of rolling stock owned but used out of the state, either upon divisions of road operated by the party making the returns, or by and upon other railroads.

8. The whole number of side tracks in each county, including the number of miles of track in each railroad yard in the state.

9. The number of each kind of rolling stock used in operating the entire railroad, including the part without the state, which must include a detailed statement of the number and value thereof, of all engines, passenger, mail, express, baggage, freight and other cars, or property owned or leased by such corporation, persons or association.

10. The number of sleeping and dining cars not owned by such corporation, person or association, but used in operating the railroads of such corporation, person or association in the state, or on the line of the road without the state, during each month of the year for which the return is made; also the number of miles each month said cars have been run or operated within and without the state.

11. A description of the road, giving the points of entrance into and the points of exit from each county, with a statement of the number of miles in each county. When a description of the road shall have once been given no other annual description thereof is necessary, unless the road shall have been changed. Whenever the road, or any portion of the road, is advertised to be sold, or is sold, for taxes, either state or county, no other description is necessary than that given by, and the same is conclusive upon, the person, corporation or association giving the descrip-

tion. No assessment is invalid on account of a misdescription of the railroad or the right of way for the same. If such statement is not furnished as above provided, the assessment made by the state board of equalization upon the property of the corporation, person or association failing to furnish the statement is conclusive and final.

12. Also showing in detail for the year preceding the first of January:

First—The gross earnings of the entire road.

Second—The gross earnings of the road within the state, and, where the railroad is let to other operators, how much was derived by the lessor as rental.

Third—The cost of operating the entire road, exclusive of sinking fund, expenses of land department and money paid to the United States.

Fourth—Net income for such year and amount of dividend declared.

Fifth—Capital stock authorized.

Sixth—Capital stock paid in.

Seventh—Funded debt.

Eighth—Number of shares authorized.

Ninth—Number of shares of stock issued.

13. Any other facts the state board of equalization may require.

2557. (§ 3738.) *Assessment, how made.*—The state board of equalization must meet at the state capitol on the third Monday in July, and continue in open session from day to day, Sundays excepted, until the second Monday in August, and later if the business of the board requires it. At such meeting the board must assess the franchise, roadway, roadbed, rails and rolling stock, of all railroads operated in more than one county; but franchises derived from the United States must not be assessed. All rolling stock must be assessed in the name of the person, corporation or association owning, leasing or using the same. Assessment must be made to the corporation, person or association of persons owning or leasing or using the same, and must be made upon the entire railroad within the state, and must include the right of way, bridges and culverts of the railroad. The depots, stations, shops and buildings erected upon the space covered by the right of way, and all other property owned or leased by such person, corporation or association, except as above provided, are assessed by the assessor of the county wherein they are situate. Between the second and third Mondays of August, the board must apportion the total assessment of the franchise, roadway, roadbed, rails and rolling stock of each railroad to the counties in which such

railroad is located, in proportion to the number of miles of railroad laid in such counties.

Hilburn v. St. P. R. Co., 23 Mont.
242; 58 Pac. 555.

San Francisco v. Stockton, 149 Cal.
87; 84 Pac. 771.

2558. (§ 3739.) *State board of equalization must transmit statement to county clerk.*—The state board of equalization must, within the time mentioned in the preceding section, transmit by mail to the county clerk of each county to which such apportionment has been made, a statement showing the length of the main track of such railroad within the county, with a description of the whole of said track within the county, including the right of way, by metes and bounds or other description sufficient for identification, the assessed value per mile of the same as fixed by a pro rata distribution per mile of the assessed value of the whole franchise, roadway, roadbed, rails and rolling stock of such railroad within the state, and the amount apportioned to the county. The county clerk must enter the statement on the assessment roll or book of the county, and enter the amount of the assessment apportioned to the county in the column of the assessment book or roll as aforesaid, which shows the total value of all property for taxation of the county.

2559. (§ 3740.) *County commissioners enter assessment order.*—On the second Monday in September, the board of county commissioners must make, and cause to be entered in the proper record book, an order stating and declaring the length of main track of the railroad assessed by the state board of equalization within the county; the assessed value per mile of such railroad, the number of miles of track and the assessed value of such railroad, lying in each city, town, school and road district or lesser taxing district in the county, through which such railroad runs, as fixed by the state board of equalization, which constitutes the assessment value of said property for taxable purposes in such city, town, school, road or other district; and the county clerk must on application transmit a copy of each order or equalization to the city or town council or trustees, or other legislative body of incorporated cities or towns, the trustees of each school district, and the authorized authorities of other taxation districts through which such railroad runs. All such railroad property is taxable upon said assessment, at the same rates, by the same officers, and for the same purposes, as the property of individuals within such city, town, school, road and lesser taxation districts, respectively; and such taxes must be collected in the same manner and by the same officers as other taxes are collected.

2560. (§ 3741.) *Dissatisfied owners of railroads may apply again.*—If the owner of a railroad assessed by the state board of equalization is dissatisfied with the assessment made by the board, such owner may, at the meeting of the board, under the pro-

vision of § 2584 (3801), between the third Monday in July and the second Monday in August, apply to the board to have the same corrected in any particular, and the board may correct and increase or lower the assessment made by it, so as to equalize the same with the assessment of other property in the state. If the board increases or lowers any assessment previously made by it, it must make a statement to the county clerk affected by the change in the assessment, of the change made, and he must note such change upon the assessment book of the county as directed by the board.

• 2561. (§ 3742.) *Record of assessment and apportionment.*—The state board of equalization must prepare each year a book, to be called “Record of Assessment of Railroads,” in which must be entered each assessment made by the board, either in writing, or by both writing and printing. Each assessment so entered must be signed by the president and secretary. The record of the apportionment of the assessments made by the board to the counties must be made in a separate book, to be called “Record of Apportionment of Railroad Assessments.” In such last described book must be entered the names of the railroads assessed by the board, the names of the corporations to which, or the name of the person or association to whom, each railroad was assessed, the whole number of miles of the railroad in the state, the number of miles in each county, the total assessment of the franchise, roadway, roadbed, rails and rolling stock for purposes of state taxation, and the amount of the apportionment of such total assessment to each county for county taxation.

2562. (§ 3743.) *Basis of taxation.*—The assessment made by the county assessor, and that of the state board of equalization, as apportioned by the boards of county commissioners to each city, town, school, road or other district in their respective counties, is the only basis of taxation for the county, or any subdivision thereof, except in incorporated cities and towns, and may also be taken as such basis in incorporated cities and towns when the proper authorities may so elect. All taxes upon road, school or other local districts must be collected in the same manner as county taxes.

Hilburn v. St. P. R. Co., 23 Mont. 242; 58 Pac. 555.

2569. (§ 3766.) *Right of assessor to examine books, etc.*—The assessor, at any time, has the right to examine the books and accounts of any person, corporation or association engaged in mining, as mentioned in this chapter, in order to verify the statement made by such person, corporation or association, and if from such examination he finds such statement false, he must assess the net proceeds in the same manner as if no statement had been made and delivered.

2570. (§ 3767.) *Improvements, etc., not exempt.*—Nothing in this chapter contained must be construed so as to exempt from taxation the improvements, buildings, erections, structures or machinery placed upon any mining claim, or used in connection therewith, or supplies used either in the mills, reduction works or mines.

(§ 3768.) *Tax, how collected, and tax a lien.*—The tax mentioned in the preceding sections must be collected and the payment thereof enforced as the collection and enforcement of other taxes are provided for, and every such tax is a lien upon the mines or mining claims from which the ores or minerals are

It must continue in session for that purpose from time to time until the business of equalization is disposed of, but not later than the second Monday in August.

Danforth v. Livingston, 23 Mont. 558; Matador L. Co. v. Custer Co., 28 59 Pac. 916. Mont. 287; 72 Pac. 662.

2573. (§ 3781.) *Board empowered to equalize assessments.*—The board has power, after giving notice in such manner as it may, by rule, prescribe, to increase or lower any assessment contained in the assessment book, so as to equalize the assessment of the property contained therein, and make the assessment conform to the true value of such property in money.

M. O. P. Co. v. Maher, 32 Mont. 486; Oakland v. Southern P. Co., 131 Cal. 81 Pac. 14. 228; 63 Pac. 371.

Such abstract must be written under appropriate headings, to embrace all information requisite for the assessor, in a book or books to be furnished by the board of county commissioners upon the requisition of the assessor. If any such list be found to contain any instrument relating to lands situated in more than one county, it is the duty of the assessor to transmit to the state board of equalization all information relating thereto.

Holland v. Commissioners, 15 Mont. 460; 39 Pac. 575. *Oakland v. Southern P. Co.*, 131 Cal. 228; 63 Pac. 371.

2579. (§ 3787.) *Equalization of assessment on mortgages.*—It is the duty of the state board of equalization to attach an apportionment of valuation of such instrument to be assessed in each county, and the board must transmit to the assessor of each county mentioned as affected in said instrument a statement

of valuation of assessment to be levied against said instrument in each county. The valuation so set by said state board is final, and the assessor must accept said valuation and charge said assessment upon said instrument accordingly. If the said list contain any instrument mortgaging or pledging two or more subdivisions of land, or land assessed in two or more subdivisions, in the same county, district, or city, the assessor must apportion the amount of assessment to be deducted from each subdivision on account of assessment against said instrument. When partial payments have been made on a debt, secured by mortgage or deed of trust, the owner is authorized to make the proper deduction, listing only the balance due on the first Monday in March.

2580. (§ 3788.) *County commissioners to use records in equalizing.*—The board of county commissioners must use the abstract and all other information it may gain from the records of the county clerk or elsewhere, in equalizing the assessment of the property of the county, and may require the assessor to enter upon the assessment book any property which has not been assessed; and any assessment made as prescribed in this section has the same force and effect as if made by the assessor before the delivery of the assessment book to the county clerk.

2581. (§ 3789.) *Board may direct assessor to assess in certain instances.*—During the session of the board of county commissioners it may direct the assessor to assess any taxable property that has escaped assessment, or to add to the amount, number or quantity of property when a false or incomplete list has been rendered, and to make and enter new assessments (at the same time canceling previous entries) when any assessment made by him is deemed by the board so incomplete as to render doubtful the collection of the tax; but the clerk must notify all persons interested, by letter deposited in the postoffice, postpaid, and addressed to the person interested, at least ten days before action is taken, of the day fixed when the matter will be investigated.

Cosier v. McMillan, 22 Mont. 490; 56 Pac. 967. Personal property on Indian reservations, in which the Indians are not interested, is subject to taxation by the state. The stock in trade of an Indian post trader is not exempt from county and state taxation. Irregularity of a board of equalization in placing a value on the property of a taxpayer, instead of requiring the assessor to do so, was waived by the tax payer, who, with notice thereof, appeared before the board and claimed that the property was not subject to taxation and made no objection to the irregularity.

Western Ranches v. Custer Co., 28 Mont. 281; 72 Pac. 281. The notice of ten days required by this section is juris-

ditional, and failure to give this notice is not waived by the taxpayer who subsequently appears and secures a reduction of the increased assessment.

Matador Co. v. Custer Co., 28 Mont. 287; 72 Pac. 662. In 1896 the functions of the board of equalization expired on the tenth day of August, and the notice required by this section mailed on the eighth day of August, notifying the taxpayer on the eighth day of September following, was void.

M. O. P. Co. v. Maher, 32 Mont. 486; 81 Pac. 14. This case follows the cases cited under this section. The county treasurer will not be enjoined from selling property to collect a tax, unless the owner pays the tax admitted to be due.

2582. (§ 3790.) *County clerk must keep record of proceedings and make oath.*—The county clerk must record, in a book to be kept for that purpose, all changes, corrections and orders

made by the board, and during its session, or as soon as possible after its adjournment, must enter upon the assessment book all changes and corrections made by the board, and on or before the first Monday of August must affix his affidavit thereto, subscribed by him as follows: "I,, do swear that, as county clerk of. county, I have kept correct minutes of all the acts of the board of county commissioners touching alterations in the assessment book; that all alterations agreed to or directed to be made have been made and entered in the book, and that no changes or alterations have been made therein except those authorized."

Savings Society v. San Francisco, 146 Cal. 677; 80 Pac. 1086.

6. To equalize the assessment of each mortgage, deed of trust, contract or other obligation by which a debt is secured, and which affects property situated in two or more counties, and to apportion the assessment thereof to each of said counties.

7. To transmit to the county clerk of each county its apportionment of the assessments made by such board upon the franchises, roadways, roadbeds, rails and rolling stock of railroads; and also its apportionment of the assessments made by such board upon mortgages, deeds of trust, contracts and other obligations by which debts are secured, in the manner provided for in § 2556 (3737) of this code.

8. To meet at the state capitol on the fourth Monday in July, and remain in session from day to day (Sundays excepted), until the third Monday in August, and later if the business of the board requires.

At such meetings to equalize the valuation of the taxable property of the several counties in this state for the purpose of taxation; and to that end, under such rules of notice to the county clerk of the county affected thereby as it may prescribe, to increase or lower any assessment contained in the assessment book, so as to equalize the assessment of the property contained therein, and make the assessment conform to the true value in money of the property assessed.

10. To visit as a board, or by the individual members thereof, whenever deemed necessary, the several counties of the state, for the purpose of inspecting the property and learning the value thereof.

11. To call before it, or any member thereof, on such visit, any officers of the county, and to require them to produce any public records in their custody.

12. To issue subpoenas for the attendance of witnesses or production of books before the board, or any member thereof; which subpoenas must be signed by a member of the board, and may be served by any person.

13. To report biennially to the legislative assembly a statement showing:

First—The acreage of each county in the state that is assessed.

Second—The amount assessed per acre.

Third—The aggregate value of all town and city lots.

Fourth—The aggregate value of all real estate and mining claims, stating each separately in the state.

Fifth—The kinds of personal property in each county, and the value of each kind.

Eighth—Such further suggestion as it deems proper.

14. To keep a record of all its proceedings.

15. To appoint a clerk, who must assist the secretary of the board and perform such other duties as the board may require, and who holds his office during the pleasure of the board.

Miller v. Kern Co., 137 Cal. 523; 70 Pac. 549.

2585. (§ 3802.) *Equalization of assessment.*—When, after a general investigation by the board, the property is found to be assessed above or below its full cash value, the board may, without notice, so determine, and must add to or deduct from the valuation:

1. The real estate.

2. Improvements upon such real estate.

3. The personal property, except money, such per centum respectively as is sufficient to raise or reduce it to its full cash value.

2586. (§ 3803.) *Statement, when county clerk fails.*—If the county clerk fails to forward to the state board of equalization the statement provided for in § 2605 (3841), the board must obtain the statement, or so much thereof as is necessary, from other reliable sources.

2587. (§ 3804.) *Statement of changes sent to county clerk.*—When the equalization among the several counties is completed, the secretary of the board must transmit to each county clerk a statement of the changes made by the board in the assessment book of the county, or any assessment contained therein, and of the per centum to be added to or deducted from the valuation of such statement, which is prima facie evidence of the regularity of all proceedings of the board, resulting in the action which is the subject matter of the statement.

Davis v. Pacific L. Co., 137 Cal. 251; 70 Pac. 15.

2588. (§ 3805.) *Must notify board of county commissioners.*—Between the first and third Mondays in August of each year, the board must determine the rate of state tax to be levied and collected upon the assessed valuation of the property of the state, which, after allowing twelve per cent. for delinquencies in and costs of collection of taxes, must be sufficient to raise the specific amount of revenues to be raised by the legislative assembly for state purposes. The board must immediately thereafter transmit to the county clerk of each county a statement of such rate, and upon its receipt the county clerk must, in writing, notify the state board of equalization thereof.

2589. (§ 3806.) *Penalty for refusing to obey rules of board.*—Every person served with a subpoena who fails or neglects with-

out just excuse, to obey it, and every officer who refuses to obey the rules and regulations prescribed by the board, or to perform the duties prescribed therein, forfeits to the state five hundred dollars, to be recovered by action in the name of the state, which action may be commenced and tried in any county of the state.

2590. (§ 3807.) *Assessor to be prosecuted, when.*—When ever the state board of equalization is satisfied that the assessor or deputy assessor of any county has knowingly, fraudulently, or corruptly assessed any property below its actual cash value, it must immediately inform the county attorney of such county in writing of that fact, with a request that such assessor or deputy assessor be prosecuted, and the county attorney must at once comply with such request.

2591. (§ 3808.) *Who may administer oaths.*—The clerk or any member of the board may administer and certify oaths.

2592. (§ 3809.) *Expenses to be allowed.*—Each member of the board is entitled to repayment of his actual expenses incurred by him while traveling in the discharge of his duties, and all money paid out for necessary clerical work, stationery and postage stamps, to be audited and allowed by the state board of examiners.

CHAPTER VI.

LEVY OF TAXES.

Section 2593. *The levy.*

“ 2594. *Fiscal year.*

“ 2595. *Official reports, when to be made.*

“ 2596. *Construction of act.*

“ 2597. *Rate of taxation fixed by state board.*

“ 2598. *Rate of county fixed by board of county commissioners.*

“ 2599. *When county commissioners fail to levy.*

“ 2600. *Tax operates as a judgment or lien.*

“ 2601. *Tax on personalty a lien on real.*

“ 2602. *Tax upon real and tax upon personal a lien on both.*

“ 2603. *Tax for school purposes.*

2593. (§ 3820.) *The levy.*—There must be levied at each session of the legislative assembly upon all property in the the state liable to taxation a sufficient sum to realize the amount necessary to meet the appropriations made for the two succeeding fiscal years, and for the payment of deficiencies, if any have occurred in the previous fiscal year or years. Such levy must be made for each fiscal year separately and must not exceed two and one-half mills on each dollar of valuation. The fiscal year commences on the first day of July.

2594. (§ 3821.) *Fiscal year.*—The fiscal year for state and county purposes commences on the first day of December of each year, and ends on the last day of November of each year. [*Act approved March 13, 1895.*]

2595. (§ 3822.) *Official reports, when to be made.*—All state and county officers who are required to make and file reports in accordance with the provisions of the constitution, the general laws of the state and the codes, shall prepare and file such reports on the tenth day of December of each year; which reports shall include the transaction of such board or officer for the fiscal year. [*Act approved March 13, 1895.*]

2596. (§ 3823.) *Construction of act.*—This act should be construed as amendatory to any and all acts heretofore enacted otherwise fixing and designating the commencement of the fiscal year of state and counties, and as well fixing the time for making and filing reports by state and county officers, and all acts and parts of acts in conflict with this act are hereby modified in form with the provisions of this act. [*Act approved March 13, 1895.*]

2597. (§ 3824.) *Rate of taxation fixed by state board.*—The state board of equalization must for state purposes for each fiscal year fix an ad valorem rate of taxation upon each one hundred dollars of taxable property of the state, after allowing twelve per cent. for delinquencies in the taxes and for costs of collection thereof, as will raise a sufficient amount to meet the levy of the legislative assembly for each fiscal year.

2598. (§ 3825.) *Rate of county fixed by board of county commissioners.*—The board of county commissioners of each county must, on the second Monday in August, fix the rate of county taxes and designate the number of mills on each dollar of valuation of property for each fund, and must levy taxes upon the taxable property of the county.

2599. (§ 3826.) *When county commissioners fail to levy.*—The action of the state board of equalization in fixing the rate of taxation for state purposes is, in the absence of action by the board of county commissioners, a valid levy of the rate so fixed, and imposes upon the county commissioners and all other officers charged with the performance of any duties under the revenue law, the same obligations as if the board of county commissioners had made the levy at the proper time.

2600. (§ 3827.) *Tax operates as a judgment or lien.*—Every tax has the effect of a judgment against the person, and every lien created by this title has the force and effect of an execution duly levied against all personal property of the delinquent. The judgment is not satisfied nor the lien removed until the taxes are paid or the property sold for the payment thereof.

State v. Johnson, 16 Mont. 573; 41 Pac. 708. There is no lien on personal property for taxes when the owner does not own real property, and the county treasurer will be enjoined from selling

such personal property in the hands of an innocent purchaser.

People v. C. P. Co., 105 Cal. 595; 38 Pac. 905.

2601. (§ 3828.) *Tax on personalty a lien on real.*—Every tax due upon personal property is a lien upon the real property of the owner thereof, from and after twelve o'clock m., of the first Monday in March in each year.

Walsh v. Croft, 27 Mont. 408; 71 Pac. 409. People v. Smith, 123 Cal. 76; 55 Pac. 765.

2602. (§ 3829.) *Tax upon real and tax upon personal a lien on both.*—Every tax due upon real property is a lien against the property assessed; and every tax due upon improvements upon real estate assessed to others than the owner of the real estate, is a lien upon the land and improvements; which several liens attach as of the first Monday of March in each year.

Walsh v. Croft, 27 Mont. 408; 71 Pac. 409. People v. Smith, 123 Cal. 76; 55 Pac. 765.

2603. *Tax for school purposes.*—There must be levied by the legislative assembly, at the time other state taxes are levied, a tax of such number of cents of each one hundred dollars value of taxable property in the state, as will produce a net sum equal to the amount reported to them by the state auditor, or as may be otherwise ascertained as being necessary to be raised by an ad valorem tax for school purposes; and the assessment and collection of said tax must be performed in the same manner, and at the same time, as other state taxes are assessed and collected.

CHAPTER VII.

DUTY OF COUNTY CLERK IN RELATION TO REVENUE.

Section 2604. *County clerk to enter total valuation.*

“ 2605. *County clerk to prepare duplicate statement.*

“ 2606. *Statement to be transmitted to state auditor and state board of equalization.*

“ 2607. *To follow directions of state board of equalization.*

“ 2608. *To compute and enter taxes and foot up total.*

“ 2609. *Delivery of duplicate assessment book to treasurer.*

“ 2610. *County clerk to keep original.*

“ 2611. *County treasurer charged with taxes levied.*

“ 2612. *County clerk to verify statements made by him.*

“ 2613. *To transfer from one treasurer to another.*

“ 2614. *Penalty for neglect of duty.*

“ 2615. *County commissioners may dispense with duplicate book.*

2604. (§ 3840.) *County clerk to enter total valuation.*—The county clerk, as soon as he receives the book, must proceed to add up the valuations, and enter the total valuation of each kind of

property, and the total valuation of all property, on the assessment book. The column of acres must show the total acreage of the county.

2605. (§ 3841.) *County clerk to prepare duplicate statement.*—The county clerk must, on or before the second Monday in August of each year, prepare from the "Assessment Book" of such year, as corrected by the board of county commissioners, duplicate statements, showing in separate columns:

1. The total value of all property.
2. The value of real estate, including mining claims, stated separately.
3. The value of the improvements thereon.
4. The value of personal property, exclusive of money.
5. The amount of money.
6. The number of acres of land and the number of mining claims stated separately.

State v. Weston, 29 Mont. 130; 74 Pac. 417.

2606. (§ 3842.) *Statement to be transmitted to state auditor and state board of equalization.*—The county clerk must, as soon as such statements are prepared, transmit by mail, one to the state auditor and one to the state board of equalization.

State v. Fortune, 24 Mont. 155; 60 Pac. 1086. State v. Weston, 29 Mont. 130; 74 Pac. 417.

2607. (§ 3843.) *To follow directions of state board of equalization.*—As soon as the county clerk receives from the state board of equalization a statement of the changes made by the board in the assessment book of the county, or in any assessment contained therein, he must make the corresponding changes in the assessment book, by entering the same in a column provided with a proper heading in the assessment book, counting any fractional sum, when more than fifty cents, as one dollar, and omitting it when less than fifty cents, so that the value of any separate assessment shall contain no fractions of a dollar; but he must, in all cases, disregard any action of the board of county commissioners which is prohibited by § 2515 (3705), of this code.

State v. Weston, 29 Mont. 130; 74 Pac. 417. Davis v. Pacific Co., 137 Cal. 252; State v. Weston, 29 Mont. 130; 74 Pac. 15.

2608. (§ 3844.) *To compute and enter taxes and foot up total.*—The county clerk must then compute and enter in a separate money column in the assessment book, the respective sums in dollars and cents, rejecting the fractions of a cent, to be paid as a tax on the property therein enumerated, and foot up the column showing the total amount of such taxes, and the columns of total value of property in the county, as corrected under the direction of the state board of equalization.

Allen v. McKay, 120 Cal. 341; 52 Pac. 828.

2609. (§ 3845.) *Delivery of duplicate assessment book to treasurer.*—On or before the first Monday of October, he must

deliver a copy of the corrected assessment book, to be styled "Duplicate Assessment Book," to the county treasurer with an affidavit attached thereto, and by him subscribed as follows: "I, _____, county clerk of the county of _____, do swear that I received the assessment book of the taxable property of the county from the assessor, with his affidavit thereto affixed, and that I have corrected it and made it conform to the requirements of the county and state board of equalization; that I have reckoned the respective sums due as taxes, and have added up the columns of valuations, taxes and acreage, as required by law, and that the copy to which this affidavit is affixed is a full, true and correct copy thereof, made in the manner prescribed by law."

State v. Weston, 29 Mont. 125; 74 Pac. 415. The affidavit must cover all the facts showing that the county clerk has done his duty in taking the basis

furnished by the assessor in entering the authorized corrections and extensions, and in making the copy furnished by him such as is required by law.

2610. (§ 3846.) *County clerk to keep original.*—The original assessment book must remain in the office of the county clerk.

2611. (§ 3847.) *County treasurer charged with taxes levied.*—On delivering the "Duplicate Assessment Book," to the county treasurer, the county clerk must charge the treasurer with the full amount of taxes levied.

2612. (§ 3848.) *County clerk to verify statements made by him.*—The county clerk must verify, by his affidavit attached thereto, all statements made by him under the provisions of this title.

2613. (§ 3849.) *To transfer from one treasurer to another.*—The county clerk, if the "Duplicate Assessment Book" or the delinquent tax list is transferred from one collector to another, must credit the one and charge the other with the amount then outstanding on the tax book.

2614. (§ 3950.) *Penalty for neglect of duty.*—If the county clerk fails or neglects to perform the duties prescribed by § § 2584 (3801) and 2585 (3802) of this code, he forfeits to the state five hundred dollars, to be recovered by action in the name of the state.

2615. (§ 3851.) *County commissioners may dispense with duplicate book.*—The board of county commissioners of any county may, in its discretion, dispense with the making or use of any duplicate assessment book mentioned in any part of this code; and in all cases where said duplicate assessment book is referred to, it is lawful to use and consider the original assessment book in all the requirements of every part of this code referring to the same, and all affidavits or other statements in reference to said duplicate assessment book must be substantially worded to conform to the use of the original assessment book.

State v. Weston, 29 Mont. 125; 74 Pac. 415. This section has no application to the duplicate prepared for the use of city treasurers. The county commissioners under this section dispensed with

the duplicate assessment book, but this does not prevent the county clerk from furnishing a duplicate for a city, though the original assessment book is to be used by the county treasurer.

(§ 3879.) *Additional sum collected to defray costs.*—The county treasurer must collect, in addition to the taxes due on the delinquent list and ten per centum added thereto, fifty cents on each lot, piece or tract of land separately assessed, and on each assessment of personal property, which must be paid to the county to pay the cost of such publication.

2637. (§ 3881.) *Postponement.*—He may postpone the day of commencing the sale from day to day; but the sale must be completed within three weeks from the day first fixed.

2638. (§ 3882.) *Designations of portions to be sold. Purchase of least quantity or interest. Sale to County.*—The owner or person in possession of any real estate offered for sale for taxes due thereon, may designate, in writing to the county treasurer, prior to the sale, what portion of the property he wishes sold, if less than the whole; but if the owner or possessor does not, then the treasurer may designate it, and the person who will take the least quantity of the land, or in case an undivided interest is assessed, then the portion of the interest, and pay the taxes and costs due, including fifty cents to the treasurer for the duplicate certificate of sale, is the purchaser. But in case there is no purchaser in good faith for the same, as provided in this chapter, on the first day that the property is offered for sale, then when the property is offered thereafter for sale and there is no purchaser in good faith for the same, the whole amount of the property assessed must be struck off to the county as the purchaser, and the duplicate certificate delivered to the county treasurer and filed by him in his office. No charge must be made for the duplicate certificate when the

county is a purchaser; and in such case the county treasurer must make an entry, "Sold to the county," on the duplicate assessment book opposite the tax, and he must be credited with the amount thereof in the settlement.

Such book must be open to public inspection without fee during office hours when not in actual use.

2644. (§ 3888.) *Lien of state when vests in purchaser; how alone divested.*—On filing the certificate with the county clerk, the lien of the state vests in the purchaser, and is only divested by the payment to him or to the county treasurer for his use of the purchase money and one per cent. additional for each month that elapses from the date of the sale until redeemed. [Act approved March 19, 1895.]

Klumpke v. Baker, 131 Cal. 84; 63 Pac. 137.

2645. (§ 3889.) *Time of redemption of property.*—A redemption of the property sold may be made by the owner or any

2646. (§ 3890.) *Redemption, in what money made; crediting amount and paying it over.*—Redemption must be made in lawful money and when paid to the county treasurer, he must credit the amount paid to the person named in the county treasurer's certificate, and pay it on demand to the person or his assignees.

2647. (§ 3891.) *Treasurer's report of persons entitled to redemption and amount due each.*—In each report the treasurer makes to the board of county commissioners he must name the persons entitled to redemption money, and the amount due to each.

2648. (§ 3892.) *Clerk to file and enter certificate of sale.*—On receiving the certificate of sale the county clerk must file it, and make an entry in a book similar to that required of the treasurer.

2649. (§ 3893.) *When property is redeemed, clerk to note it in book.*—On the presentation of the receipt of the person named in the certificate, or of the county treasurer for his use, of the total amount of redemption money, the county clerk must mark the word "Redeemed," the date, and by whom redeemed, on the certificate and in the margin of the book where the entry of the certificate is made.

2650. (§ 3894.) *Treasurer's deed when property is not redeemed in time; charges for making and acknowledgment.*—If the property is not redeemed in the time allowed by law for its redemption, the county treasurer, or his successor in office, must make to the purchaser, or his assignee, a deed of the property, reciting in the deed substantially the matters contained in the certificate, and that no person has redeemed the property during the time allowed for its redemption. The county treasurer is entitled to receive from the purchaser, for the use of the county, three dollars for making such deed. No charge must be made by the county treasurer for the making of any such deed where the county is the purchaser; and the acknowledgment of all such deeds, as provided in § 2639 (3882), must be taken by the county clerk free of charge.

2651. *Notice of application for tax deeds.*—The purchaser of property sold for delinquent taxes or his assignee, must, thirty days previous to the expiration of the time for redemption, or thirty days before he applies for a deed, serve upon the owner of the property purchased, if known, and upon the person occupying the property, if said property is occupied, a written notice, stating that said property, or a portion thereof, has been sold for delinquent taxes, giving the date of sale, the amount of property sold.

the amount for which it was sold, the amount due, and the time when the right of redemption will expire, or when the purchaser will apply for a deed, and the owner of the property has the right of redemption indefinitely until such notice has been given and said deed applied for, upon the payment of fees, percentages, penalties and costs required by law. In case of an unoccupied property, or a mining claim, such notice must be posted in a conspicuous place upon the property, and personally served upon all owners thereof residing in the county where the property is situated, at least thirty days before the expiration of the time for redemption, or thirty days before the purchaser applies for such tax deed. [*Act approved March 3, 1905.*] (9th Sess. Chap. 79.)

2652. (§ 3896.) *No deed to issue under certain circumstances.*—No deed of the property sold at a delinquent tax sale must be issued by the county treasurer, or any other officer, to the purchaser of the property, until after such purchaser shall have filed with the treasurer, or other officer, an affidavit showing that the notice hereinbefore required to be given has been given as herein required, which said affidavit must be filed by the treasurer, as other files, papers and records kept by him in his office. Such purchaser is entitled to receive the sum of three dollars for the service of said notice and the making of said affidavit; which sum of three dollars must be paid by the redemptioner at the same time and in the same manner as other costs, percentages, penalties, and fees are paid.

2653. (§ 3897.) *Recitals in deed, primary evidence of what.*—The matters recited in the certificate of sale must be recited in the deed, and such deed duly acknowledged or proved, is prima facie evidence that:

1. The property was assessed as required by law.
2. The property was equalized as required by law.
3. The taxes were levied in accordance with law.
4. The taxes were not paid.
5. At a proper time and place the property was sold as prescribed by law, and by the proper officer.
6. The property was not redeemed.
7. The person who executed the deed was the proper officer.
8. Where the real estate was sold to pay taxes on personal property, that the real estate belonged to the person liable to pay the tax.

Carpenter v. Shinnars, 108 Cal. 363; 41 Pac. 473.

2654. (§ 3898.) *Deed conclusive evidence of what.*—Such deed, duly acknowledged or proved, is (except as against actual fraud) conclusive evidence of all other proceedings, from the assessment by the assessor, inclusive, up to the execution of the deed.

County Bank v. Jack, 148 Cal. 443; 83 Pac. 705.

2655. (§ 3899.) *Title conveyed by deed.*—The deed conveys to the grantee the absolute title to the lands described therein as of the date of the expiration of the period for redemption, free of all incumbrances, except the lien for taxes which may have attached subsequent to the sale, and except when the land is owned by the United States, or this state, in which case it is prima facie evidence of the right of possession, accrued as of the date of the expiration of such period for redemption.

California Co. v. Weis, 118 Cal. 494; 50 Pac. 697.

2656. (§ 3900.) *Assessment books, delinquent books, etc., prima facie evidence of what.*—The assessment book, duplicate assessment book, or delinquent list, or a copy thereof certified by the county clerk, showing unpaid taxes against any person or property is prima facie evidence of the assessment, the property assessed, the delinquency, the amount of taxes due and unpaid, and that all the forms of the law in relation to the assessment and levy of such taxes have been complied with.

2657. (§ 3901.) *Seizure and sale of personal property for taxes.*—The treasurer may, after the first Monday in February in each year, in each of the counties of this state, collect the taxes due on personal property, except when real estate is liable therefor, by seizure and sale of any personal property owned by the delinquent.

2658. (§ 3902.) *Manner of conducting sale, etc.*—The sale must be at public auction, and of a sufficient amount of the property to pay the taxes, percentage and costs.

2659. (§ 3903.) *Sale must be made after notice.*—The sale must be made after one week's notice of the time and place thereof, given by publication in a newspaper in the county, or by posting in three public places.

2660. (§ 3904.) *Treasurer's charges and mileage for sale or seizure.*—For seizing or selling personal property, the treasurer may charge in each case the sum of three dollars, for the use of the county, and the same mileage as is allowed by law to the sheriff of the county, and reasonable expenses for seizing, handling, keeping or caring for any property so seized or sold. [Act approved March 15, 1895.]

2661. (§ 3905.) *Title to such property vests in purchaser on payment.*—On the payment of the price bid for any property sold the delivery thereof, with a bill of sale, vests the title thereto in the purchaser.

2662. (§ 3906.) *Disposition of excess of proceeds over taxes, percentage and costs.*—All excess over the taxes, per cent., and costs of the proceeds of any such sale must be returned to the owner of the property sold, and until claimed must be deposited

in the county treasury, subject to the order of the owner, heirs, or assigns.

2663. (§ 3907.) *Unsold portion to remain at risk of owner.*—The unsold portion of any property may be left at the place of sale at the risk of the owner.

2664. (§ 3908.) *Comparison of delinquent list with unpaid assessment.*—The county treasurer must annually, on the third Monday of February, attend at the office of the county clerk with the delinquent list, and the county clerk must then carefully compare the lists with the assessments of persons and property not marked "Paid" on the assessment book, and when taxes have been paid he must note the fact in the appropriate column in the assessment book.

2665. (§ 3909.) *Oath administered to treasurer.*—The county clerk must then administer to the county treasurer an oath, to be written and subscribed in the delinquent list, that every person and all property assessed in the delinquent list on which taxes have been paid, has been credited in the list with such payment.

2666. (§ 3910.) *Final settlement of treasurer with clerk.*—The county clerk must then foot up the amount of taxes remaining unpaid, and credit the treasurer with the amount, and have a final settlement with him; and the delinquent list must remain in the county clerk's office.

2667. (§ 3911.) *Treasurer's affidavit indorsed on list.*—At the time mentioned in § 2664 (3908), the treasurer must make an affidavit, indorsed on the list, that the taxes not marked "Paid" have not been paid, and that he has not been able to discover any property belonging to, or in possession of, the persons liable to pay the sum whereof to collect them.

2668. (§ 3912.) *Rate of interest on delinquent taxes.*—Interest at the rate of one per cent. per month must be collected on such delinquent taxes from the time they were first delinquent until paid.

2669. (§ 3913.) *Taxes, etc., illegally collected, to be refunded.*—Any taxes, per centum and costs, paid more than once or erroneously or illegally collected, may, by order of the board of county commissioners, be refunded by the county treasurer, and the state's portion of such tax, percentage and costs, must be refunded to the county, and the state auditor must draw his warrant therefor in favor of the county.

Hayes v. Los Angeles, 99 Cal. 78; 33 Pac. 766.

2670. (§ 3914.) *When land assessed more than once.*—When the treasurer discovers that any property has been assessed more than once for the same year, he must collect only the tax justly due, and make return of the facts, under affidavit, to the county clerk.

2671. (§ 3915.) *Land irregularly assessed, etc., not to be sold.*—If the treasurer discovers before the sale that on account of irregular assessment, or of any other assessment, any land ought not to be sold, he must not offer the land for sale; and the board of county commissioners must cause the assessor to enter the uncollected taxes upon the assessment book of the next succeeding year, to be collected as other taxes entered thereon.

2672. (§ 3916.) *What mistakes do not affect sale of property for taxes.*—When land is sold for taxes correctly imposed as the property of a particular person, no misnomer of the owner, or supposed owner, or other mistake relating to the ownership thereof, affects the sale, or renders it void or voidable.

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1. The listing of lands to the wrong person is no ground for restraining the sale of land for the nonpayment

of taxes.

Birney v. Warren, 28 Mont. 67; 72 Pac. 294. This section does not apply to personal property.

2673. (§ 3917.) *Collection of taxes from persons assessed, but removed to another county.*—If any person removes from one county to another after being assessed on personal property, the treasurer of the county in which he was assessed may sue for and collect the same in the name of the county where the assessment was made.

2674. (§ 3918.) *Evidence on trial of suit for such taxes.*—On the trial a certified copy of the assessment signed by the county clerk of the county where the same was made, with the affidavit of the treasurer thereto attached, that the tax has not been paid, describing it as on the assessment book or delinquent list is prima facie evidence that such tax and the per centum are due, and entitles him to judgment, unless the defendant proves that the tax was paid.

2675. (§ 3919.) *Allowance and payment of expense of such proceeding.*—The treasurer and county clerk must allow the expenses of collecting such tax, and permit a deduction thereof from the amount collected, if they do exceed one-third of the amount of the tax collected.

2676. (§ 3920.) *Protest against sale requisite when assessment void in part, to invalidate sale or grant thereunder.*—When ever property is advertised for sale for the non-payment of delinquent taxes, and the assessment is valid in part and void for the excess, the sale must not for that cause be deemed invalid, nor any grant subsequently made thereunder be held to be insufficient to pass a title to the grantee, unless the owner of the property, or his agent, not less than six days before the time at which the property is advertised to be sold, delivers to the treasurer a protest in writing, signed by the owner or agent, specifying the portion of the tax which he claims to be invalid, and the ground upon which such claim is based.

2677. (§ 3921.) *Duty of treasurer on delivery of such protest.*—In case any owner of property advertised to be sold for delinquent taxes, at least six days before the time advertised for the sale to take place, delivers to the county treasurer his protest in writing against such sale, signed by himself or his agent, claiming that the assessment is void in whole or in part, and if in part only, for what portion, and in either specifying the grounds upon which such claim is founded, it is the duty of the treasurer either:

1. To sell the property assessed for the whole amount appearing upon the duplicate assessment book; or

2. Withdraw the property from sale, and report the case to the board of county commissioners for its direction in the premises; and in such case the board may either direct the foreclosure of the lien of such tax by action, which proceeding is hereby authorized to be had, or direct the treasurer to proceed with the sale.

2678. (§ 3922.) *Assessment of property purchased by county and adjournment of sale thereof.*—In case property assessed for taxes is purchased by the county, pursuant to provisions of § 2638 (3882), of this code, it must be assessed the next year for taxes in the same manner as if it had not been so purchased. But it must not be exposed for sale, and the sale thereof, under such assessment, must be adjourned until the time of redemption, under the previous sale, shall have expired.

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1. The intention of the county treasurer to violate sections 3922 and 3923 of this code and expose for sale for delinquent taxes for 1898 part of

the lands purchased by the county at the tax sales of 1897, and yet unredeemed, does not entitle the owner of the equity of redemption to an injunction.

2679. (§ 3923.) *No sale unless directed by board of county commissioners.*—In case an assessment is made under the provisions of the next preceding section, and the lands are not redeemed from a previous sale had under § 2638 (3882), as provided by law, no sale must be had under the assessment authorized by the next preceding section unless directed by the board.

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1.

2680. (§ 3924.) *Conditions of redemption of property sold to county.*—In case property is sold to the county as purchaser, pursuant to § 2638 (3882), of this code, and is subsequently assessed, pursuant to § 2678 (3922), of this code, no person must be permitted to redeem from such sale, except upon payment also of the amount of such subsequent assessment, costs, fees and interest.

2681. (§ 3925.) *Distribution of such redemption moneys. Accounts, etc.*—Whenever property sold to the county pursuant to the provisions of this chapter is redeemed as herein provided, the moneys received on account of such redemption must be distributed as follows: The original tax and twenty per cent. paid in redemption must be apportioned between the state and county

in the same proportion that the state tax bears to the county tax, and the balance must be paid to the county. The county treasurer must keep an accurate account of all money paid in redemption of property sold to the county, and must on the first Monday of June in each year make a detailed report, verified by his affidavit, of each account, year for year, to the state auditor, in such form as the state auditor may desire. Whenever the county receives from the county treasurer any grant of property so sold for taxes the same shall be recorded, at the request of the county treasurer, free of charge by the county clerk, and shall be immediately reported by the county treasurer to the board of county commissioners.

2682. (§ 3926.) *County commissioners to sell unredeemed property.*—Whenever the county has become the purchaser of any real estate sold for delinquent taxes, and the same has not been redeemed by the person entitled so to do, and time for such redemption has expired, the board of county commissioners may at any time, by an order duly made and entered upon the minutes of its proceedings sell the same at public auction, and the chairman of the board is authorized to execute a deed therefor vesting in the purchaser all the title of the state and the county to the real estate so sold. The money arising from such sale must be paid into the county treasury, and the treasurer must settle for money so received as for other state and county money.

At the time of receiving the Assessor's report, or at any time before November 1st, the Treasurer may collect the taxes by seizure and sale of any personal property owned by the person or persons against whom the tax is assessed. The County Treasurer and his sureties are liable on his official bond for all taxes on personal property within the county which through his wilful failure or neglect is uncollected. 2729. (§ 4011.) *Omissions, in delinquent lists, how corrected.*—When the omission, error or defect has been carried into a delinquent list or any publication, the list or publication may be re-published as amended, or notice of the correction may be given in a supplementary publication.

2731. (§ 4013.) *Abbreviations.*—In the assessment of land, advertisement and sale thereof for taxes, initial letters, abbreviations and figures may be used to designate the township, range, section, or parts of section.

2732. (§ 4014.) *Informality does not make assessment illegal.*—No assessment or act relating to assessment or collection of taxes is illegal on account of informality, nor because the same was not completed within the time required by law.

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1. The listing of lands to the wrong person is no ground for retraining the tax sale. Los Angeles v. Los Angeles, 137 Cal. 700; 70 Pac. 770.

2733. (§ 4015.) *Fines and forfeitures to be paid to county treasurer.*—The fines, forfeitures and penalties incurred by a violation of any of the provisions of this title, must be paid into the treasury for the use of the county where the person against whom the recovery is had, resides.

attorney and county treasurer must annually, on the first Monday of January, make a settlement with the county clerk of all transactions connected with the revenue for the previous year, and every county treasurer, on the expiration of his office, must make such settlement.

2735. (§ 4017.) *Saving clause.*—All taxes assessed before the provisions of this title take effect must be collected under the laws in force at the time the assessment was made, and in the same manner as if this code had not been passed.

the duty of the city treasurer to extend the city taxes on the county tax list.

Cobban v. Hinds, 23 Mont. 350; 59 Pac. 3.

2736. (§ 4018.) *Deputies for assessors.*—The board of county commissioners may allow the assessor such a number of deputies, not exceeding two in counties of the first class to be appointed by him as will, in the judgment of the board, enable the assessor to complete the assessment within the time prescribed by law.

2737. (§ 4019.) *State board may dispense with duplicate.*—The state board of equalization may, by an order entered upon its minutes and certified to the county clerk of any county in the state, dispense with the duplicate assessment book in such county, in which event the original assessment book must perform all the offices, of such duplicate, and must have like force and effect.

(§ 4020.) *Collection of taxes by action.*—The state auditor may, at any time after a delinquent list has been delivered to a county treasurer, direct such treasurer not to proceed in the collection of any tax on said list, amounting to three hundred dollars, further than to offer for sale but once any property upon which such tax is a lien. Upon such direction, the county treasurer, after offering the property for sale once, and there being no purchaser in good faith, must make out and deliver to the state auditor a certified copy of the entries upon the delinquent list relative to such tax; and the treasurer or state auditor, in case the treasurer refuses or neglects for fifteen days after being directed to bring suit for collection by the state auditor, may proceed by civil action in the proper court, and in the name of the state of Montana, to collect such tax and costs.

People v. C. P. R. Co., 83 Cal. 412; 23 Pac. 303.

2739. (§ 4021.) *Complaint in action for taxes.*—In such action a complaint in the following form is sufficient:

(Title of Court.)

The State of Montana, }
vs. }
(Naming the defendant.) }

Plaintiff avers that the defendant is indebted to plaintiff in

the sum of \$——, state and county taxes for the fiscal year 189—, with ten per cent. added for the non-payment of such taxes, and——— dollars, costs of collection to date. Plaintiff demands judgment for said several sums, and prays that a writ of attachment may issue in form as prescribed by law.

(Signed by the county treasurer, or state auditor, or his attorney.)

On the filing of such complaint the clerk must issue a summons and the writ of attachment prayed for, and such proceedings shall be had thereunder as under writs of attachment issued in civil action. If, in such action, the plaintiff recover judgment, there shall be included in such judgment an attorney's fee of ten per cent. on the amount of the tax. In such action the certified copy mentioned in the preceding section made by the treasurer and delivered to the state auditor, is prima facie evidence that the person against whose property the tax was levied is indebted to the state of Montana in the amount of such tax. In case of payment of any such taxes after suit as above mentioned shall have been commenced, or after the recovery of judgment therefor, such payment must be made to the county treasurer of the county in which such taxes are due, whereupon the treasurer, after distributing to the several funds of the county the portions belonging to it and paying to the state auditor, or his attorney, the portion received as attorney's fees and other costs, must pay the remainder to the state treasurer at the times and in the manner prescribed by law for the payment of other state taxes.

2740. (§ 4022.) *Supplemental assessment.*—When any personal property liable to taxation is brought into a county at any time after the second Monday of July, and such property has not been assessed for that year, it must be listed and assessed the same as if it had been in the county at the time of the regular assessment, and the tax must be collected by the assessor, as provided in this title, at any time.

2741. (§ 4023.) *Injunction does not lie.*—No injunction must be granted by any court or judge to restrain the collection of any tax or any part thereof, nor to restrain the sale of any property for the non-payment of taxes, except:

1. Where the tax, or the part thereof sought to be enjoined, is illegal, or is not authorized by law. If the payment of a part of a tax is sought to be enjoined, the other part must be paid before an action can be commenced.

2. Where the property is exempt from taxation.

Barrett v. Shannon, 19 Mont. 400; 48 Pac. 746.

Deloughrey v. Hinds, 23 Mont. 272; 58 Pac. 711.

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1.

Western Ranches v. Custer Co., 28 Mont. 282; 72 Pac. 660.

M. O. P. Co. v. Maher, 32 Mont. 489; 81 Pac. 15. Injunction will lie if the action of the assessor or board of equalization was such that the tax complained

of is manifestly void under any circumstances; but, if the error complained of is only an irregularity on the part of the assessor, board of equalization, or treasurer, or where the tax is not necessarily void under all circumstances, the

remedy of payment under protest and an action to recover back is exclusive, except in the unusual cases mentioned in section 4026 of this code.

Hensley v. Butte, 33 Mont. 211; 83 Pac. 482.

2742. *Taxes may be paid under protest.*—That in all cases of levy of taxes, licenses or other demands for public revenue, which is deemed unlawful by the party whose property is thus taxed, or from whom such tax or license is demanded or enforced, such party may pay under protest such tax or license or any part thereof deemed unlawful, to the officers designated and authorized by law to collect the same; and thereupon the party so praying, or his legal representative, may bring an action in any court of competent jurisdiction against the officer to whom said tax or license was paid or against the county or municipality on whose behalf the same was collected, to recover such tax or license or any portion thereof paid under protest. The tax so paid under protest shall be held by the County Treasurer and no part thereof paid to the State Treasurer until the determination of any action brought for the recovery thereof. [*Act approved March 13, 1905.*] (9th Sess. Chap. 108.)

2743. *Assessor to notify owner of change in sworn statement.*—Whenever any person has delivered to the Assessor a sworn statement of his property subject to taxation as now provided by law, and giving the estimated value of such property, and the Assessor shall increase such estimated value, or add other property to such assessment list, he shall at least ten days prior to the meeting of the County Board of Equalization, give to such person written notice of such change, which notice shall be substantially in the following form:

(Date).....

Mr.....

A change has been made in your assessment list as follows:

Assessor.....County.

Such person may then appear before the County Board of Equalization, ascertain the nature of such change, and contest the same; and if the assessment of any such person has been added to, or changed, either by the Assessor or by the County Board of Equalization, and such person has not been notified thereof and given an opportunity to contest the same before the County Board of Equalization, the tax on such increased value or added property shall, upon such facts being established, be adjudged by the Court to be void, and such facts and all questions relating thereto, when said tax has been paid under protest, may be heard and determined in the action provided for in said Section 2742 (4024) of the Penal Code. When any person has appeared before the County Board of Equalization, and has contested the increase in the estimated value of his property,

or the additions of other property to his assessment list, and is aggrieved at the final action of the Board in making or allowing such increase or addition, he may, in the action provided for in said Section 2742 (4024) of the Political Code, contest and litigate the payment of taxes on such increased valuation or added property list on the same grounds and for the same reasons that he has contested the same before the County Board of Equalization, and for no other reason and on no other ground. *Provided*, that any action instituted for the purpose of recovering any tax paid under protest for any of the reasons mentioned in this Section shall be commenced on or before the 30th day of November, of the year in which such tax was paid. *Provided further*, that when any action is instituted to recover any tax paid under protest on the ground and for the reason that the valuation of the property as increased by the Board of Equalization or assessor, is an over-valuation of such property, the jury in the case shall determine the actual value of such property at the time the same became liable for taxes, and if the value as fixed by the jury is in excess of the amount on which taxes were levied, the plaintiff shall be liable in damages equal to the product obtained by multiplying such excess valuation as found by the jury by the rate per cent at which taxes were levied in the municipality where the property was assessed for the year the protest was made. [Act approved March 13, 1905.] (9th Sess. Chap. 108.)

2744. (§ 4025.) *Illegal tax refunded*.—In case it be determined in such action that said tax or license or any portion thereof so paid under protest was unlawfully collected judgment for recovery thereof and lawful interest thereon together with cost of action shall be entered in favor of the plaintiff; and upon being presented with a duly authenticated copy of such judgment the proper officer or officers of the county or municipality whose officers collected or received such tax shall audit and allow such judgment, and cause a warrant to be drawn on the treasury of that county or municipality for the amount recovered by said judgment in favor of the legal holder thereof; which warrant shall be paid in preference to warrants of any other class drawn on such treasury. [Act approved March 18, 1895.]

Barrett v. Shannon, 19 Mont. 400; 48 Pac. 746.	Mont. 284; 72 Pac. 661.
Cobban v. Hinds, 23 Mont., 350; 59 Pac. 3.	M. O. P. Co. v. Maher, 32 Mont. 490; 81 Pac. 15.
Western Ranches v. Custer Co., 28	Hensley v. Butte, 33 Mont. 210; 83 Pac. 482.

2745. (§ 4026.) *Other remedies superceded*.—The remedy hereby provided shall supercede the remedy of injunction and all other remedies which might be invoked to prevent the collection of taxes or licenses alleged to be irregularly levied or demanded, except in unusual cases where the remedy hereby provided is deemed by the court to be inadequate. [Act approved March 18, 1895.]

Cobban v. Hinds, 23 Mont. 338; 59 Pac. 1. The publication of the notice of a tax sale three weeks, when the statute required four weeks, does not render the taxes illegal, and authorize the enjoining of the collection of such tax.

Western Ranches v. Custer Co., 28 Mont. 282; 72 Pac. 661.

M. O. P. Co. v. Maher, 32 Mont. 490; 81 Pac. 15. The phrase "irregularly levied or demanded," was used by the legislature advisedly and prescribed the

limits wherein the statutory remedy is exclusive, as distinguished from those cases of illegal taxes, the collection of which may be restrained by injunction.

Hensley v. Butte, 33 Mont. 210; 83 Pac. 482. The remedy provided by sections 4024-4026, Political Code, is not exclusive but an injunction can be issued to restrain the collection of a tax, manifestly void under all circumstances, levied by a city for special improvement purposes.

2845. (§ 4151.) *Reports to governor on disagreement of commissioners.*—If the boards of county commissioners do not agree upon and finally approve the survey, each county surveyor

must make a report to the governor, with surveys, maps, notes, and explanations touching disputed points.

(§ 4152.) *Governor to determine boundary thereupon or to order new surveys.*—Upon such reports the governor must finally determine and establish the common boundaries and corners, if he can collate a satisfactory description therefrom. If the reports are insufficient for such purpose, he must cause surveys to be made, and when approved by him the surveys so made establish such common boundaries and corners.

Provision for payment thereof.*—The cost of making such surveys must be apportioned equally among the counties interested and the board of county commissioners must audit the same, and the amounts must be paid out of the general county fund. Petition.*—Whenever the inhabitants of any county of this State desire to remove the county seat of the county from the place where it is fixed by law or otherwise, to another place they may present a petition to the board of county commissioners of their county praying such removal, such place to be named in the petition and that an election be held to determine whether or not such removal must be made. The board must at the next general election submit the question of removal to the electors of the county; provided that the term "tax payers" used in this section shall be deemed to mean "ad valorem tax payers," and that for the purpose of testing the sufficiency of any petition which may be presented to the county

commissioners as provided in this section, the county commissioners shall compare such petition with the poll books in the county clerk's office constituting the returns of the last election held in their county, for the purpose of ascertaining whether such petition bears the names of a majority of the voters listed therein; and they shall make a similar comparison of the names signed to the petition with those appearing upon the listed assessment roll of the county for the purpose of ascertaining whether the petition bears the names of a majority of the ad valorem tax-payers as listed in said assessment roll; and if such petition then shows that it has not been signed by a majority of the legal voters of the county who are ad valorem tax payers thereof, it shall be deemed insufficient, and the question of removal of the county seat shall not be submitted. [*Act approved March 14th, 1901, § 2.*] (*7th Sess. 146.*)

2870. (§ 4190.) *Every county a body corporate.*—Every county is a body politic and corporate, and as such has the power specified in this code, or in special statutes, and such powers as are necessarily implied from those expressed.

State v. Coad, 23 Mont. 137; 57 Pac. 1095.

Ind. P. Co. v. L. & C. Co., 30 Mont. 86; 75 Pac. 861. A county is one of the civil divisions of the state for political

and judicial purposes. It is *quasi* corporate in character, but has only such powers as are expressly provided by law, or are necessarily implied therefrom.

2871. (§ 4191.) *Powers, how exercised.*—Its powers can only be exercised by the board of county commissioners, or by agents, and officers acting under their authority, or authority of law.

2872. (§ 4192.) *Name and designation.*—The name of a county designated in the law creating it is its corporate name, and it must be known and designated thereby in all actions and proceedings touching its corporate rights, property and duties, but this provision does not prevent county officers, when authorized by law, from suing in their name of office for the benefit of the county.

2873. (§ 4193.) *Enumeration of powers.*—It has power:

1. To sue and be sued.
2. To purchase and hold lands within its limits.
3. To make such contracts and purchase and hold such personal property as may be necessary to the exercise of its powers.

Johnston v. Sacramento, 137 Cal. 207; 69 Pac. 962.

2874. (§ 4194.) *Restriction of loaning credit.*—No county must ever give or loan its credit in aid of, or make any donation or grant, by subsidy or otherwise, to any individual, association, or corporation, or become a subscriber to, or a shareholder in any company or corporation, or a joint owner with any person, company or corporation.

2875. (§ 4195.) *Restriction on temporary loans.*—All moneys borrowed by, or on behalf of any county, must be used only for the purpose specified in the law authorizing the loan.

2876. (§ 4196.) *Limit of indebtedness.*—No county must become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding five

per centum of the value of the taxable property therein, to be ascertained by the last assessment for state and county taxes previous to the incurring of such indebtedness, and all bonds or obligations in excess of such amount given by or on behalf of such county are void. No county must incur any indebtedness or liability for any single purpose to an amount exceeding ten thousand dollars without the approval of a majority of the electors thereof voting at an election to be provided by law.

2877. (§ 4197.) *Service of process.*—In all legal proceedings against the county process must be served on the chairman of the board of county commissioners; and whenever an action or proceeding is commenced, it is the duty of the chairman forthwith to notify the county attorney thereof, and to lay before the board of county commissioners, at its next meeting, all the information he may have in regard to such action or proceeding.

2878. (§ 4198.) *Witnesses and jurors, competency of.*—On the trial of an action in which the county is interested, the inhabitants of such county are competent jurors, if otherwise competent and qualified according to law.

2879. (§ 4199.) *No execution to issue.*—When a judgment is rendered against the county, or against any county officer, in an action prosecuted against him in his name of office, when the same is to be paid by the county, no execution must issue upon the judgment; but the same must be paid as other county charges; and when so collected must be paid by the county treasurer to the proper person to whom the same is adjudged, upon the delivery of a proper voucher therefor.

Greeley v. Cascade Co., 22 Mont. 587; 57 Pac. 276.

2880. (§ 4200.) *Money illegally paid recovered.*—Whenever any board of county commissioners, without authority of law, orders any money paid as a salary, fees or for other purposes, and such money has been actually paid, or whenever the county clerk has drawn any warrant or warrants in his own favor, or in favor of any other person, without being authorized thereto by the board of county commissioners, or by the law, and the same has been paid, the county attorney of such county must institute an action in the name of the county, against such person or persons, to recover the money so paid, and twenty per cent. damage for the use thereof, and no order of the board of county commissioners therefor is necessary in order to maintain such action; when the money has not been paid on such orders it is the duty of the county attorney to commence an action in the name of the county for restraining the payment of the same; and no order of the board of county commissioners therefor is necessary to maintain such action.

9. Designate upon every account allowed by the board, the amount allowed and he must deliver to any person who may demand it a certified copy of any record in his office, or any account on file therein.

10. As often as a new township is organized, or the boundaries of any township are altered, to immediately make out and transmit to the secretary of state a certified statement of the names and boundaries, and the boundaries of any township altered.

11. Perform all other duties required by law or any rule or order of the board.

2890. (§ 4219.) *Duties of board.*—The board of county commissioners must cause to be kept:

1. A "Minute Book," in which must be recorded all orders and decisions made by them and the daily proceedings had at all regular and special meetings.

[*Act approved March 6, 1895.*]

Williams v. Commissioners, 28 Mont. 365; 72 Pac. 756.

2892. (§ 4221.) *Other meetings.*—Such other meetings must be held to canvass election returns, equalize taxation, and other purposes as are prescribed in this code or provided by the board.

Stevens v. Ravalli Co., 25 Mont. 311; 64 Pac. 878. The price to be paid for printing, perforating and numbering road tax receipts is the price for ordinary blanks, with additional compensation for perforating and numbering, and not the special rate for county warrants. Such Bonds are redeemable and payable at such times, not longer than twenty years after the date thereof, as the Board determines, and the interest which such bonds bear must be fixed by the Board, not exceeding six per centum per annum, and to be represented by interest coupons, payable semi-annually on the first days of January and July of each year. [*Act approved February 27, 1905, § 1.*] (*9th Sess. Chap. 41.*)

2906. *Form and execution of bond.*—The Board must fix the denomination of each bond, issued under this Article, and prescribe the form thereof; and each bond and all coupons attached thereto must be signed by the Chairman of the Board and the Treasurer of the County; and each bond and coupon must be countersigned by the County Clerk, and each bond sealed by him. *Provided*, a lithographic or engraved fac-simile of the signatures of the Chairman of the Board, Treasurer and County Clerk may be affixed to the coupons, only, when so recited in the bond. [*Act approved February 22nd, 1899, § 1.*] (*6th Sess. 133.*)

2907. (§ 4242.) *Notice of sale to be published.*—When the board issues any bonds authorized by this article it is its duty to sell the same, and give notice by advertisement in some newspaper published in the county, or, if there be no newspaper published in the county, then in any newspaper published in an adjoining county, and also in one or more newspapers published in the city of New York, for a period of not less than thirty days prior to the time said bonds are to be sold; such advertisement

must be for sealed proposals, which must state the amount of such bonds for sale, and the person offering the highest price therefor is entitled to receive the amount of such bonds which he offers to buy; but no bonds must be sold for any price less than the par value thereof.

But the board may at any regular meeting exchange any bonds issued under the provisions of this article for any outstanding county bonds then due, and for any legal county warrants or orders of the county issued prior to a day to be fixed by the board and entered of record in the minutes of their proceedings. The exchange, when made, must be dollar for dollar, with accrued interest thereon. And the board may advertise the privilege to so exchange bonds then due and warrants and orders of the county issued prior to the day so fixed in some newspaper printed and published in the county, or, if there be no newspaper published in the county, then in a newspaper published in an adjoining county, for such period as the board designates.

(§ 4244.) *Redeemed bonds, etc., to be canceled.*—All bonds, coupons, warrants or orders which are called in or redeemed, or paid under the provisions of this article, and in lieu of which coupon bonds are issued must be canceled in the same manner in which county warrants are canceled, and the board must preserve, in a book provided for that purpose, a correct description of such bonds, coupons, warrants, or orders, so canceled, and the amount of the principal and interest paid to redeem the same, and a copy of such record must be transmitted to the county treasurer.

2910. (§ 4245.) *County commissioners to print bonds.*—The board must cause suitable bonds, with coupons attached, to be printed or lithographed, and must pay therefor out of any moneys in the treasury of such county not otherwise appropriated.

sent the same for payment, interest thereon must cease; but the county treasurer must at all times thereafter be ready to redeem the same on presentation.

2912. (§ 4247.) *Bond fund to be provided.*—The board issuing bonds under the provisions of this article must, annually, at the time of levying taxes, levy upon the taxable property, in addition to all other taxes, a sum sufficient to pay the interest on all the bonds issued under the provisions of this article, as the same becomes due, and also a sum sufficient to provide for the redemption of the bonds as the same become due, or are called in for payment, according to the conditions thereof, and such tax when collected must be set apart in a fund known as the “bond fund,” and used for no other purpose than the payment of such bonds and interest accruing thereon.

2913. (§ 4248.) *County treasurer to pay bonds and interest.*—The county treasurer must pay the interest upon the bonds authorized to be issued under the provisions of this article when the same become due, on the presentation to him of the proper coupons therefor; and all bonds and coupons which may be paid by the county treasurer must be returned by the treasurer to the county clerk at his next settlement after such payment; and the county clerk must cancel said bonds and coupons in the manner provided by law for the cancellation of county warrants.

2914. (§ 4249.) *Record to be kept.*—It is the duty of the county treasurer, upon taking up county orders for the purpose in this article mentioned, to keep a record of the same, to cancel said orders and to make a report thereof to the board at each regular meeting of the board and to the county clerk.

2915. *County warrants. Interest.*—All county warrants after having been presented to the County Treasurer and by him endorsed, “Not paid for want of funds in the Treasury,” from and after the date of presentation and endorsement, draw interest at the rate of six (6) per cent per annum. [*Act approved February 20th, 1899, § 1.*] (6th Sess. 99.)

2916. (§ 4251.) *Lost bond or warrant.*—The board is authorized, upon satisfactory proof, that any original bond, warrant or coupon has been lost or destroyed, to issue to the owner or holder of such bond, warrant or coupon, a duplicate thereof, which will take the place in order of registration and payment of such original bond, warrant or coupon, and in all cases supersede and take the place of such original.

2917. (§ 4252.) *Indemnity to be given.*—Before issuing such duplicate bond, warrant or coupon the board must require the person demanding the same to execute and deliver to the treasurer of the county a bond, payable to the county, in double the amount of the bond, warrant or coupon, with at least two good and sufficient sureties, who must be required to justify as in case of at-

tachment, the conditions of such bond being that of the principal and sureties therein will indemnify and save harmless the county from all loss, costs or damages by reason of the issuing of the duplicate, and will pay to any person entitled to receive the same, as the lawful holder of the original bond, warrant or coupon, all moneys received upon such duplicate.

2918. (§ 4253.) *Duplicate bonds, how given.*—The chairman of the board, at the time of issuing any duplicate bond, warrant or coupon, must write across or upon the face thereof the word "Duplicate," in red ink.

2919. (§ 4254.) *What notice imparted.*—The word "Duplicate" upon any bond, warrant or coupon, imparts notice to all persons that the same is issued subject to the provisions of this article.

2920. (§ 4255.) *Duty of county treasurer in reference to lost bonds.*—It is the duty of the county treasurer, upon the production to him of any original bond, warrant or coupon, by the lawful owner or holder thereof, to assign by indorsement and to deliver to him the bond mentioned in § 2917 (4252), and such owner or holder may maintain an action in his own name upon such bond for the recovery of any moneys paid upon such duplicate, but the delivery of such bond does not relieve or exonerate the county from the payment of the amount specified therein upon a demand and refusal of the sureties named in the indemnifying bond to pay the same.

2921. (§ 4256.) *County commissioners to transfer funds.*—The board is authorized to transfer all surplus moneys that may be on hand in any of the several county funds, except the school fund, to such fund or funds as they may deem for the best interest of the county or to appropriate said surplus moneys to the payment of the outstanding indebtedness of the county, but no moneys belonging to the school fund must be taken therefrom except for school purposes.

2922. (§ 4257.) *Contingent fund, how made.*—The board must set aside a sum not less than one nor more than twenty-five per cent. of the county fund, annually, which is known as the "contingent fund," to defray incidental expenses of the county; and if a surplus of such contingent fund so set aside remains it must be paid out on registered warrants as other county funds are, at the expiration of each quarterly settlement.

2923. (§ 4258.) *Surplus of contingent fund.*—If a surplus remains in the contingent fund at the end of the year such surplus must be transferred to the general fund.

And all bonds authorized to be issued under said chapter XL., or any act or acts amendatory thereof, or under said act approved March 4th, 1891, and also duly authorized by an election held pursuant to the provisions of the statutes of the state of Montana and said act approved March 4th, 1891, are hereby authorized to be issued, and are hereby made legal and binding obligations of their respective counties issuing such bonds; *Provided, however*, that this act shall only apply to such issue or issues of the bonds which, at the time of the issuance thereof, together with the existing indebtedness of the respective counties did, and does not, exceed the constitutional limit of the total indebtedness of such county. QUESTIONS OF RAISING MONEY TO BE SUBMITTED TO A VOTE.

Section 2933. Commissioners not to borrow money except as provided in this article.

“ 2934. *Commissioners to determine amount necessary.*

“ 2938. *Form of ballots. Voting.*

2933. (§ 4270.) *Commissioners not to borrow money except as provided in this article.*—The board of county commissioners must not borrow money for any of the purposes mentioned in this title, or for any single purpose to an amount exceeding ten thousand dollars without the approval of a majority of the electors of the county, and without first having submitted the question of a loan to a vote of such electors.

2934. (§ 4271.) *Commissioners to determine amount necessary.*—Whenever it is necessary to submit to a vote of the electors of the county the question of making a loan, the board must first determine the amount necessary to be raised.

2935. (§ 4272.) *Notice of election to be given.*—Notice of the election clearly stating the amount to be raised, and the object

of the loan, must be given, and the election held and conducted, and the returns made in all respects in the manner prescribed by law in regard to the submission of questions to the electors of a locality under the general election law.

Tinkel v. Griffin, 26 Mont. 429; 68 Pac. 860. This section does not refer to the printed form of the ballot, but requires that the provisions of the general election law be followed.

2936. (§ 4273.) *Ballots, what to contain.*—There must be written or printed on the ballots the words “for the loan” and “against the loan,” and in voting the elector must vote for the proposition he prefers by making an X opposite the proposition.

Tinkel v. Griffin, 26 Mont. 429; 68 Pac. 860. In voting on the question whether the county should issue bonds to build a court house, the words “For the Loan” and “Against the Loan”, were printed on the ballots, and these ballots were sufficient without specifying the nature and purpose of the proposed loan.

2937. (§ 4274.) *When loan may be made.*—If a majority of the votes cast are in favor of the loan, then the board may make the loan, issuing bonds, or otherwise, as may seem best for the interests of the county.

2938. *Form of ballots. Voting.*—That hereafter whenever, in due course of law, in the manner and form required by law and according to the provisions and requirements of law, any question or proposition of or relating to bonded indebtedness, or of issuing bonds or of refunding, increasing or creating a bonded indebtedness, is submitted, ordered submitted or to be submitted to the electors of any county, at a general or other election, when, at the same time, candidates for national, state or county office or offices are to be voted upon or for, by the qualified electors of such county, such question or proposition, relating to bonds or bonded indebtedness, shall not be placed or printed upon the official ballots furnished electors at such election for the purpose of voting for candidates for any office or offices and containing the names of candidates for office or offices to be voted for at such election; but the county commissioners shall authorize and the county clerk shall have printed and furnished to election judges and officials, in each voting precinct of such county, separate ballots therefor, equal in number to the official ballots so furnished and containing the names of such candidates for office. Said separate ballots shall be white in color and of convenient size, being only large enough to contain the printing herein required to be done and placed thereon, and shall have printed thereon in fair sized, legible type and black ink, in one line, or more, as required, the words “For” said bonding proposition (stating it and the terms thereof explicitly and at length) and thereunder the words “Against” said bonding proposition (Stating it and the terms thereof explicitly and at length, in like manner, as above); and there shall be before the word “For” and before the word “Against,” each, a square space of sufficient size

to place a plain cross or X therein and such arrangement shall be in this manner:

<input type="checkbox"/>	For (stating propositions.)
<input type="checkbox"/>	Against (stating propositions.)

Such separate ballots shall be kept, stamped, given out, received, counted, returned and disposed of by election judges in like manner as other official ballots herein referred to. Each qualified elector, offering to vote and permitted to vote, shall, at the time he is offered by the election judges an official ballot bearing the names of candidates for office, be handed one of the separate ballots above described and he may then and there, in a booth as provided by law, and not otherwise, vote on such separate ballot for or against said proposition by placing a cross or X before the word "for" or the word "against," in the vacant square provided therefor; and such separate ballot shall be returned to the election judges by the voter, with said other official ballot, if the voter chooses to vote for candidates for office and is entitled to do so. The election judges shall deposit said separate ballot on the bonding proposition, separate from the voter's other official ballot, in the ballot box. (§ 4282.) *Power to require attendance of witnesses.*—The board may, by its chairman or the chairman of any committee, issue subpoenas to compel the attendance of any person and the production of any books or papers relating to the affairs of the county, for the purpose of examination upon any matter within its jurisdiction.

Disobedience to the subpoena, or to an order to attend or to testify, may be enforced by the board, and for that purpose the board has all the powers conferred by, and the witness is subject to all the provisions of chapter II., title III., part IV., of the Code of Civil Procedure.

2943. (§ 4284.) *Officers and witnesses not to be prepaid.*—Neither the officers serving subpoenas, nor the witnesses subpoenaed to testify in relation to matters of public concern before the board of county commissioners are entitled to have their fees prepaid, but officers must serve the subpoenas, and witnesses must attend without their fees being prepaid. The board must allow the witnesses reasonable compensation for their attendance, but in no case to exceed the amount for like services in courts.

2944. (§ 4285.) *County officer not to present certain claims against county.*—No county officer must, except for his own service, present any claim, account or demand for allowance against the county, nor in any way advocate the relief asked on the claim or demand made by another. 2945. (§ 4286.) *All claims must be itemized.*—No account must be allowed by the board unless the same is made out in separate items, the nature of each item stated, and be verified by

affidavit, showing that the account is just and wholly unpaid; and if it is for official services for which no specified fees are fixed by law, the time actually and necessarily devoted to such service must be stated. Every claim against the county must be presented within a year after the last item accrued.

Tinkel v. Griffin, 26 Mont. 429; 68 Pac. 860.

Sears v. Gallatin Co., 20 Mont. 462; 52 Pac. 204. One who serves as a member of the comitatus of a sheriff, in obedience to the law requiring him to do so, cannot recover from the county for

expenses or for services, in the absence of an express or implied provision of law authorizing the payment thereof, and authority for such payment is not given under this section.

Greeley v. Cascade Co., 22 Mont. 587; 57 Pac. 276.

2947. (§ 4288.) *Appeals.*—Whenever a claim against a county is disallowed in whole or in part, or when any taxpayer of the county is not satisfied with any allowance made by the board, the claimant or such taxpayer may appeal from the decision of the board to the district court for the county, by causing a written notice of appeal to be served on the clerk of the board, within thirty days after the making of the decision or allowance, and executing a bond to the county, with surety to be approved by the clerk of the board, conditioned to prosecute such appeal to effect, and to pay all costs that may be adjudged against the appellant.

Greeley v. Cascade Co., 22 Mont. 586; 57 Pac. 276. A claimant against a county has the right to maintain an independent action on the claim, rejected

by the board of commissioners.

2948. (§ 4289.) *Duty of clerk on appeals.*—The clerk of the board, upon an appeal being taken, must immediately give notice thereof to the county attorney, and must make out a return of the proceedings in the matter before the board, with its decision thereon, and file the same, together with the bond and all the papers therein in his possession, with the clerk of the district court; and such appeal must be entered, tried and determined, the same as appeals from justices' courts, and costs are awarded in like manner.

2949. (§ 4290.) *What warrants must specify. How presented and paid.*—Warrants drawn by order of the board on the county treasurer for the current expenses during each year, must specify the liability for which they are drawn, and when they accrued, and must be paid in the order of presentation to the treasurer. Greeley v. Cascade Co., 22 Mont. 587; 57 Pac. 276. An action cannot be main-

tained against a county on a county warrant.

2950. (§ 4291.) *Annual examination of accounts by board.*—The board at its annual March session, or oftener if necessary, must examine the county warrants returned by the county treasurer, by comparing each warrant with the record of warrants issued in the county clerk's office. The board must cause to be entered on said record, opposite to the entry of each warrant issued, the date when the same was canceled; and make a list of the warrants so canceled; specifying the number, date, amount and the person to whom the same was payable, and enter the same on the minutes of the board. The board must cause to be canceled all county warrants that have remained one year or more uncalled for in the county clerk's office, the same to be canceled in the same manner as other county warrants. At the same time the county treasurer must deliver to the board all warrants or vouchers that he may have in his possession, for moneys disbursed by him as treasurer, and the clerk must receipt for the same.

(§ 4292.) *Commissioners not to be interested.*—No member of the board must be interested, directly or indirectly, in any property purchased for the use of the county, nor in any purchase or sale of property belonging to the county, nor in any contract made by the board or other person on behalf of the county, for the erection of public buildings, the opening or improvement of roads, or the building of bridges, or the purchasing of supplies, or for any other purpose.

2952. (§ 4293.) *Claims in favor of county commissioners.*—All claims against the county presented by members of the board for per diem and mileage, or other service rendered by them, must be verified as other claims, and must state that the service has been actually rendered.

1. The indebtedness of the county, funded and floating, the amount of each class of such indebtedness, or any part thereof.
2. The amount of moneys, if any, on hand, as shown by the statement of the previous year.

8. The statement must always show the amount of moneys paid out from the different funds of the counties. The totals of the several amounts of moneys paid out must be deducted from the sums of moneys on hand at the beginning of the previous year, and moneys received during the year by the county treasurer, and a balance must be struck.

9. The statement must also show the assessed valuation of all real and personal property for that year, the rate of taxation, the assessed valuation of real and personal property on which taxes have not been paid, the total delinquent taxes for the year and for each preceding year.

3111. (§ 4590.) *Mileage of all officers.*—That members of the Legislative Assembly, state officers, county officers, township officers, jurors, witnesses and other persons who may be entitled to mileage shall be entitled to collect mileage at the rate of ten cents per mile for the distance actually traveled and no more. [Act approved March 7, 1895.]

Wade v. Lewis and Clark Co., 24 Mont. 336; 61 Pac. 879. A county surveyor is not entitled to mileage. The phrase "who may be entitled to mileage" not only limits the phrase "other persons" but also qualifies the phrase "county officers".

3112. (§ 4591.) *Fees received by county officers to be paid into the county treasury.*—The salaries of all county officers are as prescribed in this chapter. No county officer, except as provided in this chapter, must receive for his own use any fees, penalties or emoluments, for any official service rendered by him, but all fees, penalties and emoluments of every kind, must be collected by him for the sole use of the county, and are public moneys belonging to the county, and must be accounted for and paid into the county treasury, as provided in this chapter, and the county treasurer must place all of such fees in the contingent fund of the county.

3113. (§ 4592.) *What officers to receive fees for their own use.*—The county surveyor, coroner, public administrator, justice of the peace, and constable may collect and receive for their own use, respectively, for official services, the fees and emoluments prescribed in this chapter. All other county officers receive salaries.

Scharrenbroich v. L. & C. Co., 33 Mont. 257; 83 Pac. 483. The last sentence is unnecessarily put into this section.

3114. *Justices not to practice law.*—No justice of the peace shall practice law, draw contracts, conveyances, or other legal instruments or documents, nor shall they take any claim or bill for collection, nor act as a collection agent in any sense whatever, nor shall they perform any legal duties other than those prescribed by law as their official duties in the conduct of cases and proceedings in their courts. Any justice of the peace violating any of the provisions in this section shall be deemed guilty of a malfeasance in office, and shall forthwith be removed from his office of justice of the peace, and shall thereafter be disqualified from holding such office. [Act approved March 22nd, 1901, § 3.] (7th Sess. 92.)

CHAPTER V.

OTHER COUNTY CHARGES.

Section 3198. *County charges to be audited.*

“ 3199. *Enumeration of county charges.*

“ 3200. *Costs on removal of criminal actions.*

“ 3201. *Proceedings in collection of such costs.*

3198. (§ 4680.) *County charges to be audited.*—Accounts for county charges of every description must be presented to the board of county commissioners to be audited, as prescribed in article III., chapter II., title II., part IV., of this code.

3199. (§ 4681.) *Enumeration of county charges.*—The following are county charges.

1. Charges incurred against the county by virtue of any provision of this title.

2. One-half of the salary of the county attorney, and all expenses necessarily incurred by him in criminal cases arising within the county.

3. The salary and actual expenses for traveling when on official duty and for the board of prisoners allowed by law to sheriffs, and the compensation allowed by law to constables for executing process on persons charged with criminal offenses.

4. The sums required by law to be paid to grand and trial jurors and witnesses in criminal cases.

5. The accounts of the coroner of the county for such services as are provided by law.

6. All charges and accounts for services rendered by any justice of the peace for services in the examination or trial of persons charged with crime as provided for by law.

7. The necessary expenses incurred in the support of county hospitals and poor farms, and the indigent sick and the otherwise dependent poor whose support is chargeable to the county.

8. The contingent expenses necessarily incurred for the use and benefit of the county.

9. Every other sum directed by law to be raised for any county purpose under the direction of the board of county commissioners, or declared to be a county charge.

Sears v. Gallatin Co., 20 Mont. 464; 52 Pac. 204.

Wade v. L. & C. Co., 24 Mont. 338; 61 Pac. 880. Expenses, not imposed by law, are not a charge against a county.

Ind. P. Co. v. L. & C. Co., 30 Mont. 85; 75 Pac. 861. All expenses necessarily incurred by a county attorney in prosecutions for public offenses arising in the county are a county charge.

3200. (§ 4682.) *Costs on removal of criminal actions.*—When a criminal action is removed before trial, the costs accruing upon such removal and trial must be a charge against the county in which the indictment was found on information filed.

State v. L. & C. Co., 34 Mont. 355; 86 Pac. 420. Where a criminal action is removed from one county to another for trial, it is the duty of the county to which it is transferred to furnish a prosecuting officer; if its county attorney

cannot act and the court appoints special counsel to represent the state, the cost thereof is not a proper charge against the county from which the change of venue was had.

3201. (§ 4683.) *Proceedings in collection of such costs.*—The district court of the county to which such action is removed must certify the amount of costs allowed and certified by the court to the board of county commissioners of their county, and such board of county commissioners shall audit the same and

draw their warrants therefor upon the treasurer of the county from which such action was removed, and such board of county commissioners shall forward to said treasurer and board of county commissioners of the county from which said action was transferred as aforesaid, a certified copy of the total amount allowed by the court, giving each item as certified to them by the clerk of the district court and the court; and the board of county commissioners receiving such certified copy of said costs allowed, shall enter the same in their books as a charge against the treasurer of their county, and the county treasurer of the county from which such action was removed must immediately upon presentation pay said warrant out of the general fund of said county; or if at the time of presentation there is not sufficient moneys in the said general fund to pay the same, he must indorse upon said warrant, "Not paid for want of funds," and said warrant must be registered, and shall draw interest at the same rate and be paid in the same manner as though it had been drawn by the board of county commissioners of the county where the indictment was found, or information filed.

State v. L. & C. Co., 34 Mont. 355; 86 Pac. 420. The certification of the costs resulting from the removal of an action for trial from one county to another, required by this section, does not

have the effect of a judgment against the county from which the action was transferred, where no action was pending to which it was a party.

3202. (§ 4700.) *General powers.*—A city or town is a body politic and corporate, with the general powers of a corporation, and the powers specified or necessarily implied in this title, or in special laws heretofore enacted.

Snook v. Anaconda, 26 Mont. 66 Pac. 757. It is the duty of a city organized under the laws of this state to establish and improve streets, and damages can be recovered by one who is injured by its negligence in permitting its streets to become and remain in a dangerous condition.

Helena v. Kent, 32 Mont. 285; 80 Pac. 259. Sections 4700 and 4703 of this code constitute a general grant of power, as well as a limitation of power, for a city, organized under the laws of this state, to pass all ordinances necessary for its government and management.

3203. (§ 4701.) *Distribution of powers of cities.*—Every city has legislative, executive, and judicial power. Its legislative power is vested in a city council, its executive power in a mayor and his subordinate officers, and its judicial power in a police court.

3204. (§ 4702.) *Distribution of powers of towns.*—Every town has legislative, executive and judicial power. Its legislative power is vested in a town council, its executive power in a mayor and his subordinate officers, and its judicial power in justices of the peace of the township in which the town is situated.

3205. (§ 4703.) *City and town, how named and general corporate powers.*—Every city or town organized under this title is entitled “the city of——(naming it), or the town of——(naming it),” and by such name has perpetual succession; may sue and be sued in all courts and places, and in all proceedings whatever, and may have and use a common seal, may purchase, receive, have, take, hold, lease, use, and enjoy property of every name or description, and dispose of the same for the common benefit, and has such other powers as are incident to municipal corporations not inconsistent with the laws of the United States or the state.

State v. Philipsburg, 23 Mont. 22; 57 Pac. 407. Mandamus will lie to compel a city to audit and pay a bill which it owes to a water company for the rent of hydrants, although this section provides

that cities may sue or be sued.

Section 3206. Cities and towns classified.

“ 3207. *Basis of classification.*

3206. (§ 4710.) *Cities and towns classified.*—Every city having a population of ten thousand or more is a city of the first class; every city having a population of less than ten and more than five thousand is a city of the second class; every city having a population of less than five thousand and more than one thousand is a city of the third class, and every municipal cor-

poration having a population of three hundred and less than one thousand is a town. [*Act approved March 13, 1895.*]

3207. (§ 4711.) *Basis of classification.*—The census taken under the direction of the congress of the United States in the year eighteen hundred and ninety, and every ten years thereafter, shall be the basis upon which the respective populations of said municipal corporations shall be determined, unless a direct enumeration of the inhabitants thereof be made by the state or municipal corporation, in which case such direct enumeration constitutes such basis.

| " | 3215. | <i>Election on the question of annexation.</i> |

3208. (§ 4720.) *Steps to be taken to incorporate.*—Whenever the inhabitants of any part of a county desire to be organized into a city or town, they may apply by petition in writing, signed by not less than one hundred qualified electors, residents of the state and residing within the limits of the proposed incor-

poration, to the board of county commissioners of the county in which the territory is situated, which petition must describe the limits of the proposed city or town, and of the several wards thereof, which must not exceed one square mile for each five hundred inhabitants residents therein. The petitioners must annex to the petition a map of the proposed territory to be incorporated, and state the name of the city or town. The petition and map must be filed in the office of the county clerk. Upon filing the petition the board of county commissioners, at its next regular or special meeting, must appoint some suitable person to take a census of the residents of the territory to be incorporated. After taking the census, the person appointed to take the same, must return the list to the board of county commissioners, and the same must be filed by them in the county clerk's office. No municipal corporation must be formed unless the number of inhabitants is three hundred or upwards.

3209. (§ 4721.) *Election, how conducted.*—After filing the petition and census, if there be the requisite number of inhabitants for the formation of a municipal corporation, as required in the preceding section, the county commissioners must call an election of all the qualified electors residing in the territory described in the petition. Said election must be held at a convenient place within the territory described in the petition, to be designated by the board, notice of which election must be given by publication in some newspaper published within the limits of the territory to be incorporated, or if none be published therein, by posting notice in three public places within said limits. The notice must be published thirty days prior to the election, and must specify the time and place when and where the same is held, and contain a description of the boundaries of the city or town. The board must appoint judges and clerks of election, who must qualify as required by law, and after the election they must report the result to the board, together with the ballots cast at said election. The ballots used at the election must be "For incorporation" or "Against incorporation," and all elections must be conducted as provided in title II., part III., of this code.

3210. (§ 4722.) *First election for officers.*—When the incorporation of a city or town is completed, the board of county commissioners must give notice for thirty days in a newspaper published within the limits of the city or town, or if none be published therein, by posting notices in six public places within the limits of the corporation, of the time and place or places of holding the first election for offices of the corporation. At such election all the electors qualified by the general election laws of the state, and who have resided within the limits of the city or town for six months, and within the limits of the ward for

thirty days preceding the election, are qualified electors and may choose officers for the city or town, to hold office as prescribed in the next succeeding section.

Dowty v. Pittwood, 23 Mont. 118; 57 Pac. 728. The phrases "preceding the election" and "next preceding the election" are used as equivalent in meaning.

3211. (§ 4723.) *Officers elected and conduct of election.*—At such election there must be elected, in a city of the first class, a mayor, a police judge, a city attorney, a city treasurer, a city marshal, and two aldermen from each ward into which the city may be divided; in a city of the second class, a mayor, a police judge, a city treasurer, a city marshal, and two aldermen from each ward; in a town, a mayor, and two aldermen from each ward, who hold office until the first Monday of May after the first annual election, and until their successors are elected and qualified. The persons so elected must qualify in the manner prescribed by law for county officers. The board of county commissioners must appoint judges and clerks of election, and canvass and declare the result thereof. The election must be conducted in the manner required by law for the election of county officers.

3212. (§ 4724.) *Additions to cities or towns.*—Whenever territory adjoining any incorporated city or town is surveyed, and laid off into streets or blocks as an addition thereto, upon filing the map or plat thereof in the office of the county clerk, said territory may become a part of such city or town, upon the approval of the mayor and a majority of the council indorsed thereon.

Farlin v. Hill, 27 Mont. 33; 69 Pac. 239. The owner of a tract of land within the exterior boundaries, but not a part of a city, and not entitled to the privileges of an owner of city lots, is under no obligation to pay special assessments for a sewer constructed by the city in the streets in front of such land.

3213. (§ 4725.) *Additions, how made.*—The council has control of all such additions, and power by ordinance to compel the owners of these additions to lay out streets, avenues and alleys, so as to have the same correspond in width and direction, and be continuations of the streets, avenues and alleys in the city or town, or in the additions thereto, contiguous to or near the proposed addition. The owner of any addition has no rights or privileges unless the terms and conditions of the ordinance are complied with, and the plat thereof has been submitted to, and approved by, the mayor and council, and such approval indorsed thereon.

3214. *Extension of corporate limits over contiguous platted tracts.*—That any tracts or parcels of land, which have been or may hereafter be, platted into lots or blocks, streets and alleys, and the map or plat thereof filed in the office of the County Clerk and Recorder of the County in which the same is situated, and shall be contiguous to any incorporated city or town, may be embraced within the corporate limits thereof, and the boundaries

of such city or town extended so as to include the same in the following manner: When in the judgment of any city or town council, expressed by resolution duly and regularly passed and adopted, it will be to the best interest of such city or town, and the inhabitants thereof, and of the inhabitants of any contiguous platted tracts or parcels of land, as aforesaid, that the boundaries of such city or town shall be extended, so as to include the same within the corporate limits thereof, the city or town clerk of such city or town shall forthwith cause to be published in the newspaper, published nearest such platted tracts or parcels of land, at least once a week for two successive weeks, a notice which shall be to the effect that such resolution has been duly and regularly passed, and that for a period of twenty days after the first publication of such notice, such city or town clerk will receive expressions of approval or disapproval in writing, of the proposed extensions of the boundaries of such city or town, from resident freeholders of the territory proposed to be embraced therein. The clerk shall, at the next regular meeting of the city or town council, after the expiration of said twenty days, lay before the same, all communications in writing by him so received for its consideration, and if, after considering the same, such council shall duly and regularly pass and adopt a resolution to that effect, the boundaries of such city or town shall be extended so as to embrace and include such platted tracts or parcels of land, the time when the same shall go into effect to be fixed by such resolution; *provided*, that such resolution shall not be adopted by such council if disapproved by a majority of the resident freeholders of the territory proposed to be embraced. [*Act approved February 21st, 1905, § 1.*] (*9th Sess. Chap. 30.*)

3215. (§ 4727.) *Election on the question of annexation.*—When a city or town desires to be annexed to another and contiguous city or town, the council of each thereof must appoint three commissioners to arrange and report to the municipal authorities respectively the terms and conditions on which the annexation can be made, and if the city or town council of the municipal corporation to be annexed approve of the terms thereof, it must by ordinance so declare, and thereupon submit the question of annexation to the electors of the respective cities or towns. If a majority of the electors vote in favor of annexation, the council must so declare, and a certified copy of the proceedings for annexation and of the ordinances must be filed with the clerk of the county in which the cities or towns so annexed are situated, and when so filed the annexation is complete, and the city or town to which the annexation is made has power, in addition to other powers conferred by this title, to pass all necessary ordinances to carry into effect the terms of the annexation. Such annexations do not affect or impair any rights, obligations or liabilities, then existing for or against either of such cities or towns.

[*Act approved March 1, 1907, § 1.*] (*10th Sess. Chap. 57.*)

3262. (§ 4802) *May perscribe rules.*—The council may determine the rules of its proceedings, punish its members for improper conduct, and expel any member for the same by a two-thirds vote of the members elected, and must cause to be kept a journal of the proceedings, which must be open to inspection.

3263. (§ 4803.) *Ayes and noes must be called, and a majority elects.*—The ayes and noes must be called and recorded on the final passage of any ordinance, by-law, or resolution, or making any contract, and the voting on the election or appointment of any officer must be viva voce, and a majority of the whole number of the members elected is requisite to appoint or elect an officer, and such vote must be recorded.

[*Act approved March 2, 1895.*]

3266. *Initiative in cities. Petition.*—Ordinances may be proposed by the legal voters of any city or town in this state in the manner provided in this act. Eight per cent of the legal voters of any city or town may propose to the city or town council an ordinance on the subject within the legislative jurisdiction and powers of such city or town council or an ordinance amending or repealing any prior ordinance or ordinances. Such petition shall be filed with the city or town clerk. It shall be the duty of the city or town clerk to present the same to the council at their first meeting next following the filing of the petition. The council may, within sixty days after the presentation of the petition to the council, pass an ordinance similar to that proposed in the petition, either in exact terms or with such changes, amendments or modifications as the council may decide upon. If the ordinance proposed by the petition be passed without change it shall not be submitted to the people, unless a petition for referendum demanding such submission shall be filed under the provisions of this act. If the council shall have made any change in the proposed ordinance, a suit may be brought in the district court in and for the county in which the city or town is situated, to determine whether or not the change is material. Such suit may be brought in the name of any one or more of the petitioners. The city shall be made the party defendant. Any elector of the city or town may appear in such suit in person or by counsel on the hearing thereof, but the court shall have the power to limit the number of counsel who shall be heard on either side and the time to be allowed for arguments. It shall only be necessary to state in the complaint that a petition for an ordinance was filed in pursuance of this act; that the city council passed an ordinance on the subject different from that proposed in the petition, and that the plaintiff desires a construction of the ordinance so passed to determine whether or not it differs materially from that proposed. The petition and the ordinance proposed thereby, and the ordinance actually passed, may be set out in the complaint, or copies thereof annexed to the complaint. The names to the petition need not be set out. Such cases shall be advanced and brought to hearing as speedily as possible and have precedence over other cases, except criminal and taxation cases. The court shall have jurisdiction in such cases to determine whether or not the change made by the city council is material, and also whether the petition was regular in form or substance, and shall also have power to decide, if the fact be put in issue by the defendant, whether or not the petition was signed by a sufficient number of voters and was regular in form. If the court shall decide that the change was material and that the petition was regular in form and signed by a sufficient number of legal voters, then the ordinance proposed by the peti-

tion shall be submitted to the people as provided in this act. If the court shall decide that the ordinance passed by the council was not materially different from that proposed in the petition, or the petition was not regular in form, or not signed by a sufficient number of legal voters, the ordinance shall not be submitted to the people. If the court shall decide that the changes made by the council were material, but that the petition was irregular for some reason, or not properly or sufficiently signed, a new petition regular in form may be presented by the required number of legal voters asking the council to submit such ordinance to the people, and thereupon the same shall be so submitted as provided in this act. If the council shall not within sixty days pass an ordinance on the subject of the ordinance proposed in the petition, then the ordinance proposed by the petition, shall be submitted to the people. Before submitting such ordinance to the people, the mayor or city or town council may direct that a suit be brought in the district court in and for the county, in the name of the city or town, to determine whether the petition and ordinance are regular in form, and whether the ordinance so proposed would be valid and constitutional. The complaint shall name as defendants not less than ten nor more than twenty of the petitioners. In addition to the names of such defendants, in the caption to the body of the complaint, there shall be added the words "and all petitioners whose names appear on the petition for an ordinance filed on the.....days of.....in the year,," stating the date of the filing. The summons shall be similarly directed and shall be served on the defendants named therein, and in addition thereto shall be published at least once, at the expense of the city, in at least one newspaper published in the city or town. In all suits brought under this section the decision of the district court shall be final, except in cases where it shall decide that the proposed ordinance would be unconstitutional or invalid as being beyond the powers of the city or town council, and in such excepted cases the petitioners, or any of them, may appeal to the supreme court as in other cases but shall not be required to give any bond for costs. The decision of the district court holding such ordinance valid or constitutional shall not, however, prevent the question to be raised subsequently, if the ordinance shall be passed and go into effect, by any one affected by the ordinance. No costs shall be allowed to either side in suits or appeals under this section. [*Act approved March 8, 1907, § 1.*] (*10th Sess. Chap. 167.*)

3267. *Submission of question at regular election.*—Any ordinance proposed by petition as aforesaid, which shall be entitled to be submitted to the people, shall be voted on at the next regular election to be held in the city or town, unless the petition therefor shall ask that the same be submitted at a special election and

such petition be signed by not less than fifteen per cent of the electors qualified to vote at the last preceding municipal election. [Act approved March 8, 1907, § 2.] (10th Sess. Chap. 157.)

3268. *No ordinance to be effective until thirty days after passage.*—No ordinance or resolution passed by the council of any city or town shall become effective until thirty days after its passage, except general appropriation ordinances providing for the ordinary and current expenses of the city or town, excepting also emergency measures, and in the case of emergency measures the emergency must be expressed in the preamble or in the body of the measure, and the measure must receive a two-thirds vote of all the members elected. In emergency ordinances the resolutions shall include only such measures as are immediately necessary for the preservation of peace, health and safety, and shall not include a franchise or license to a corporation or individual, nor any provisions for the sale of real estate, nor any lease or letting of any property for a period exceeding one year, nor the purchase or sale of personal property exceeding five thousand dollars in value. [Act approved March 8, 1907, § 3.] (10th Sess. Chap. 167.)

3269. *Referendum petition.*—During the thirty days following the passage of any ordinance or resolution five per cent of the qualified electors of the city or town may, by petition addressed to the council, and filed with the clerk of the city or town, demand that such ordinance or resolution, or any part or parts thereof, shall be submitted to the electors of the city or town. [Act approved March 8, 1907, § 4.] (10th Sess. Chap. 167.)

3270. *Referendum to be had at regular election.*—Any measure on which a referendum is demanded under the provisions of this act shall be submitted to the electors of the city or town at the next municipal election, *provided* the petition or petitions shall have been filed with the city clerk at least thirty days before such election. If such petition or petitions be signed by not less than fifteen per cent of the qualified electors of the city or town, the measure shall be submitted at a special election to be held for the purpose. [Act approved March 8, 1907, § 5.] (10th Sess. Chap. 167.)

3271. *Special election may be ordered.*—The city or town council may in any case order a special election on a measure proposed by the initiative, or when a referendum is demanded, or upon any ordinance passed by the city or town council, and may likewise submit to the electors, at a general election, any ordinance passed by the city or town council. The city clerk shall perform the duties which, under the state laws devolve upon the county clerk and secretary of state, insofar as the provisions relating thereto may be made to apply to the case of the city or town clerk; but it shall not be necessary to

[*Act approved March 8, 1907, § 11.*] (*10th Sess. Chap. 167.*)

3277. (§ 4806.) *Officers must not be interested in contracts.*—The mayor, or any member of the council, or any city or town officer, or any relative or employe thereof, must not be directly or indirectly interested in the profits of any contract entered into by the council while he is or was in office.

3281. (§ 4810.) *No allowance for extra work.*—No contractor must be allowed anything for extra work, caused by an alteration or modification unless a resolution is made and an agreement signed as provided in the preceding section, nor must he, in any case, be allowed more for such alteration than the price fixed by such agreement.

3284. *City warrants. Rate of interest.*—When any warrant, drawn upon the treasurer of a city or town pursuant to any ordinance or resolution or direction of the council of such city or town, is presented to the city or town treasurer for payment, and the same is not paid for want of funds, such treasurer must endorse thereon "Not paid for want of funds," annexing the date of presentation, and sign his name thereto; and from that time until such warrant is called for payment the warrant shall bear interest at a rate fixed by ordinance and not to exceed six per cent per annum. From the time of the first publication or posting of such notice the warrants so called shall cease to draw interest. [*Act approved March 3, 1897, § 2.*] (5th Sess. 75-6.)

3286. *Registry of warrants.*—Upon the presentation of any warrant or warrants endorsed, as specified in § 3284 (1), it shall be the duty of the city treasurer to record the same in a book to be provided for that purpose, the date of such presentation, the number and date of the warrant, to whom payable, the fund on which drawn, and the amount thereof, and all warrants to be re-

Where a city had exceeded its debt limit, it could not incur an indebtedness not payable from a specially authorized tax, but payable from funds previously appropriated, under an agreement that the claimants should accept warrants in payment of their claims, and if the warrant should not be paid, the city should not be liable therefor. The payment of such claims on the theory that the appropriation by ordinance was an assignment of the funds so appropriated for the payment of the claims was unauthorized.

Dawes v. Great Falls, 31 Mont. 13;.

77 Pac. 310. These sections do not apply to a claim for damages arising from personal injuries.

The notice must state the time and place of holding the election, and the character of any such franchise applied for, and the valuable consideration if any there be to be derived by the city. At such election the ballots must contain the words, "For granting franchise," "Against granting franchise," and in voting, the elector must make a cross thus, "X," opposite the answer he intends to vote for. Such book shall be styled “The Duplicate Assessment Book for the City of———,” and must contain a copy of the “Corrected Assessment Book” of the county as far as the same refers to city property. [Act approved March 3rd, 1897, § 1.] (5th Sess. 223.)

State v. Weston, 29 Mont. 126; 74 Pac. 415. It is the duty of the county clerk to deliver to the city treasurer the duplicate assessment book required by this act at the same time the original or duplicate is delivered to the county treasurer.

3354. *Book to be furnished by city.*—Such duplicate must be made in a book furnished by the city clerk of each city in the county, and ruled in columns specifying the different funds so that the city treasurer may extend the same and collect the taxes. [Act approved March 3rd, 1897, § 1.] (5th Sess. 223-4.)

3355. *Delivery of book to city clerk.*—The county clerk must deliver such duplicate assessment book to each city treasurer, and take his receipt therefor, having attached thereto the affidavit similar to the one set out in § 2609 (3845) of this Code. [Act approved March 3rd, 1897, § 1.] (5th Sess. 224.)

3356. *Collection of taxes. Delinquent taxes.*—The County Treasurer of each county must collect the tax levied by all cities and towns in his respective county, except in case of such cities of the first and second and third classes as may provide by ordinance for the City Treasurer to collect the taxes from such corrected assessment book. The County Treasurer must collect such city or town taxes, including unpaid road poll taxes, at the same time as the state and county taxes with the same penalties and interest in case of delinquency. All publications for sales for delinquent taxes shall include such city or town taxes, there be-

ing but one sale for each piece of property, such sale to cover the aggregate of such city or town, county and state taxes, with the penalties, interest and cost of advertising provided by law. All moneys received from sales, redemptions, and from sales by the county, after deed given by the County Treasurer as provided by Law, shall be credited to the state, county and city, or town, pro rata, in the same proportions as provided in § § 2681 (3925) and 2682 (3926) of the Political Code. [*Act February 20, 1907, § 1.*] (10th Sess. Chap. 24.)

3357. *Duties of city treasurer.*—In case an ordinance of any city of the first or second class shall provide for the collection of its taxes by its treasurer, such treasurer shall have the same power to collect municipal taxes as the county treasurer to collect state and county taxes, and the same right to give notice, add penalties, seize and sell property for delinquent taxes, give deeds to purchasers, and to do everything that a county treasurer might do in the premises, except that he must make settlement with the City Council. [*Act approved March 3rd, 1897, § 1.*] (5th Sess. 224.)

3358. *Annual tax levy.*—The Council must, on or before the first Monday of October of each year, by resolution, determine the amount of city or town taxes for all purposes, to be levied and assessed on the taxable property in the city or town for the current fiscal year, and the city clerk must at once certify to the town treasurer a copy of such resolution, and the county treasurer must collect the taxes as in this Article provided; *provided*, that in cities where the council has provided by ordinance for the collection of their taxes by the city treasurer, the city clerk must certify a copy of such resolution to the city treasurer. [*Act approved March 3rd, 1897, § 1.*] (5th Sess. 224.)

3359. *Fiscal year.*—The fiscal year of cities and towns begins on the first Monday of May in each year. [*Act approved March 3rd, 1897, § 1.*] (5th Sess. 224.)

3360. (§ 4874.) *Annual appropriation, when and how made.*—The council must, in the last quarter in each fiscal year prior to the annual election, pass an ordinance to be known and termed the “Annual appropriation for the city of ———, or town ———, for the year 18—,” in which ordinance there must be appropriated enough money to defray the expenses or liabilities of the city or town for the ensuing fiscal year, and there must be specified therein the amount appropriated for each separate object or fund, and the salary or compensation to be paid each officer of the city or town. [*Act approved March 13, 1895.*]

State v. Helena, 24 Mont. 537; 63 Pac. 105. An appropriation by a city under this section to pay for water furnished under a contract, which is void, does not make the city liable therefor.

3361. (§ 4875.) *Road poll tax.*—All able-bodied male inhabitants of a city or town, between the ages of twenty-one and forty-five years, must pay an annual road poll tax not exceeding three dollars.

Snook v. Anaconda, 26 Mont. 136; 66 Pac. 757.

3362. *List of persons liable for poll tax.*—The city clerk must make a list of all persons liable for such tax, and present the same to the council for inspection and correction at a regular or special meeting to be held not later than the third Monday of May. On or before the first regular meeting in June the council must direct a copy of such list, as corrected, certified by the clerk, to be delivered to the city treasurer, and the city treasurer must forthwith collect such taxes from the persons named in the list, and from such other persons liable for the same as he may add thereto, *provided*, that any person who is assessed for a property tax in the city may pay such poll tax at the time he pays his general tax, and in such case the poll tax shall be added upon the assessment list to other taxes of persons liable therefor paying taxes upon real and personal property, by the county clerk upon a list of the names of persons liable for the same being certified to by the city clerk. [*Act approved March 3rd, 1897.*] (5th Sess. 224-5.)

3363. *Duties of city clerk and treasurer.*—The city or town clerk, in making such list, and the city or town treasurer in collecting such tax, have the same powers in reference thereto as the county assessor and county treasurer have in assessing and collecting the poll tax provided for in Chapter X, Title XII, Part III., of this Code, Sections 2590 (3960) to 2612 (3982), inclusive. [*Act approved March 3rd, 1897.*] (5th Sess. 225.)

3364. (§ 4878.) *Poll tax, how expended.*—The money so collected must be expended for street purposes in the city or town. No street or alley in a city or town is a county road or a part thereof, nor constitutes a part of a road district of a county.

Snook v. Anaconda, 26 Mont. 136; 66 Pac. 757.

3365. (§ 4879.) *Work on the streets, etc.*—The council has power to order any work provided in this title to be done upon the streets, alleys or public places of a city or town.

Snook v. Anaconda, 26 Mont. 136; 66 Pac. 757.

3366. (§ 4900.) *License tax may be levied.*—The council may by ordinance, license all industries, pursuits, professions and occupations, as provided in subdivision 3, of § 3259 (4800), article IV., of this chapter, and the city treasurer must collect the same in the manner and at the time prescribed by ordinance. The city clerk must issue such licenses.

Powers of council.*—The city council or town council of any incorporated city or town may cause any street, avenue, or alley, or any part thereof, to be graded, paved, curbed, or macadamized, and may cause sidewalks, sewers, gutters or other improvements to be made thereon, upon the same being ordered by a majority of all the members of the Council. The Council shall have charge of the building, maintenance and repairs, of all sidewalks of whatever kind or character, and such work may be done by contract, or by the street commissioner, or other authorized officer of the city or town; *provided, however,* that any one, or all kinds of sidewalks shall be built and maintained at the cost of the owners of the property in front of which said sidewalk is built, or to be built. [Act approved March 8th, 1897, § 1.] (5th Sess. 213.)

Snook v. Anaconda, 26 Mont. 134; 66 Pac. 757.

McMillan v. Butte, 30 Mont. 224; 76 Pac. 204. Section 30 of this act is a legislative declaration that all property in the proposed district is benefitted by the improvement to the same extent and is valid.

An alleged protest to street paving filed by abutting owners, stating the reasons why they did not desire the paving done in 1898, and their willingness to have the street paved in 1900,

was not an unqualified protest required by section 31 hereof.

Hensley v. Butte, 33 Mont. 211; 83 Pac. 481. Taxes levied by a city for special improvement purposes are void, where the city council creates an improvement district, notwithstanding owners representing more than one-half of the area of the property to be assessed to defray the cost of such improvement, appear before the council and object to the final adoption of the resolution creating such district.

3368. *Connections with water and gas pipes.*—The City or Town Council shall have power to require connections from gas-pipes, water-pipes, steam heating-pipes and sewers to the curb line

of the adjacent property to be made before the permanent improvement of the streets whereon they are located, and to regulate the making of such connection on the streets already improved, or on unimproved streets, and in case the owners of the property on such streets shall fail to make such connections within the time fixed by the Council, they may cause such connections to be made, and shall assess against the property in front of which said connections are made the entire cost and expense thereof. All assessments levied under the provisions of this Section shall be enforced and collected in the same manner as other special assessments provided for in Article V of this Chapter, and amendments thereof, and all such assessments shall be a lien against the property. [*Act approved March 8th, 1897, § 2.*] (5th Sess. 213.)

3369. *Resolution of intention.*—The City or Town Council is authorized to provide by ordinance a system for doing any or all work, in or upon the streets, highways, or public places of the city or town, and for making thereon street improvements and repairs, and for doing any or all work authorized by this Act, and for the payment of the cost and expenses thereof. In all cases where any part of the expense of any such improvement, except constructing side-walks, gutters, or making necessary repairing, is to be defrayed by special assessment, the council must first adopt a resolution declaring its intention to make such improvement, and fix a time at which objections to the making of such improvements will be considered. [*Act approved March 8th, 1897, § 3.*] (5th Sess. 213.)

3370. *Notice of resolution. Objections.*—The resolution must designate the boundaries of the district to be affected or benefited by said improvement. Upon adopting such resolution, the Council must give notice of such intention, which notice must be published for five days in a daily newspaper, or in some one issue of a weekly paper published in the city or town, or posted for five days in three public places in the city or town, or served upon the owners or agents of the property affected. Such notice must describe the improvements so proposed to be made, and state the estimated cost thereof, and designate the time for such hearing, and shall refer to the resolution entered upon the journal of the council for the description of the boundaries. If, at or before, the time so fixed, written objections to such improvements, signed by the owners or agents of two-thirds of the property to be affected or benefited by said improvements, be filed with the city clerk, the city or town council shall not make such improvements but if objections be not so filed by the owners or agents of two thirds of the property to be affected or benefited, then the council acquires jurisdiction to order the making of the improvements. [*Act approved March 14th, 1901, § 1.*] (7th Sess. 79.)

3371. *Sewer systems.*—A sewer system may be established in a town or city, which may be divided into public, district and private, sewers. [Act approved March 8th, 1897, § 5.] (5th Sess. 214.)

3372. *Public sewers.*—Public sewers may be established and constructed along the principal courses of drainage, at such times to such extent, of such dimensions and material, and under such regulations as may be provided by ordinance, and there may be constructed such branches for sewers already constructed or to be constructed as may be considered expedient. An appropriation must be made to meet the cost of such public sewers from the general or sewer fund of the city or town. [Act approved March 8th, 1897, § 6.] (5th Sess. 214.)

3373. *District sewers.*—District sewers may be established within the limits of districts to be prescribed by ordinance, and so as to connect with the public sewer or some course of drainage. The council may cause sewers to be constructed in any district whenever the owners of one-third of the feet frontage of the real estate within that part of the district affected thereby, petition therefor, or whenever the council by the vote of a majority of its members decide it necessary for sanitary purposes; *provided, however*, that before the council shall formally require the construction of the improvements mentioned in this section, notice shall be given and an opportunity for hearing afforded as provided in § 3370 (4), but after notice, the council, notwithstanding any objection that may be offered, may require the improvement to be made unless the resolution relating thereto be rescinded by the vote of a majority of the members of the council. [Act approved March 14th, 1901, § 2.] (7th Sess. 79-80.)

3374. *Size and material. Repairs.*—The character, dimensions and material, of such sewers must be prescribed. They may be diminished, enlarged or extended by the Council. Repairs and other incidental expenses of the district sewers must be paid out of the general or sewer fund. [Act approved March 8th, 1897, § 8.] (5th Sess. 215.)

3375. *Private sewers.*—Private sewers connecting with the public and district sewers, shall be constructed under such restrictions and regulations as the Council may prescribe by ordinance, but the city or town must be at no expense in constructing, repairing or cleaning of the same, but the same must be done by the owner. [Act approved March 8th, 1897, § 9.] (5th Sess. 215.)

3376. *Bridges.*—The city or town council may construct and maintain bridges across any streams that flow through or penetrate the boundaries of a city or town when the public necessity requires it, and the expense thereof may be paid by special assessment as provided in this Chapter, and amendments thereof, from

the sale of bonds or from the general or street fund, or a part thereof, may be paid by any of the above enumerated methods of defraying cost. [*Act approved March 8th, 1897, § 10.*] (5th Sess. 215.)

3377. *Board of public works.*—Whenever it may so elect, the city council of cities of the first class, may by a vote of two thirds of its members, create a Board of Public Works: Said Board shall consist of three freeholders, not city officials, not more than two of whom shall be of the same political party; they shall be appointed by the mayor and confirmed by the council. [*Act approved March 8th, 1897, § 11.*] (5th Sess. 215.)

3378. *Same. Rules. Salary.*—The City Council, shall by ordinance, formulate rules and regulations to govern said Board and fix the salary or compensation of the same, but no amount greater than One Hundred Dollars shall be paid to any member for one month's services. The Board of Public Works so created, may be abolished at any time upon a vote of two-thirds of all the members of the Council. [*Act approved March 8th, 1897, § 12.*] (5th Sess. 215.)

3379. *Assessments to defray cost of opening or widening streets.*—Whenever it is desired to make a special assessment to defray the cost of obtaining private property for the opening or widening of any street or alley, or for other purposes, or for any of the improvements mentioned in the preceding Section, the city or town council, shall, by resolution, levy and assess a tax upon such property as they shall determine is specially benefited thereby, making therein a list thereof, in which shall be described the lot or parcel of land assessed, with the name of the owner thereof, if known, and the amount levied thereon set opposite; such resolution signed by the mayor and clerk shall be kept on file in the office of the city clerk, and a notice signed by the city clerk stating that the resolution levying the special assessment to defray the cost of such improvement is on file in his office, subject to inspection for a period of five days, shall be published at least once in a newspaper published in the city or town. Such notice shall state the time and place at which objections to the final adoption of such resolution shall be heard by the Council, and the time for such hearing shall be not less than five days after the publication of such notice. At the time so fixed the Council shall meet and hear all such objections, and for that purpose may adjourn from day to day, and may, by resolution, modify such assessment in whole or any part thereof. A copy of such resolution, certified by the city clerk, must be delivered to the city treasurer within two days after its passage, and within five days after the receipt thereof, the city treasurer must, by written notice, mailed or otherwise delivered, notify each owner of the property assessed, of the amount of said assessment, specifying in the notice the pur-

pose for which the levy was made, and the tax against each lot or parcel of land, and the date when the same becomes delinquent. [*Act approved March 8th, 1897, § 13.*] (5th Sess. 215-6.)

3380. *Assessment for cost of obtaining property to open street.* To defray the cost and expense of obtaining private property for the opening or widening of any street, avenue or alley, the city or town council shall assess not less than twenty-five per cent thereof, and any part not to exceed seventy-five per cent thereof, as a special tax against the property, distributing such special tax upon such property in proportion to the benefits and pay the remainder of said cost and expense from the general or street fund of the city or town; *provided, however*, that if the cost does not exceed Five Hundred Dollars the city or town council may pay the entire cost from the general or street fund. [*Act approved March 7, 1903, § 1.*] (8th Sess. Chap. 123.)

3381. *Assessment for grading, macadamizing or paving alley.*—To defray the cost and expense of grading, macadamizing, paving or otherwise improving any alley, except the building of a sewer, the city or town council shall assess the entire cost thereof, to the property abutting said alley in proportion to the number of linear feet bordering thereon. [*Act approved March 7, 1903, § 2.*] (8th Sess. Chap. 123.)

3382. *Assessment for district sewers.*—To defray the cost and expense of constructing district sewers, the city or town council shall assess the entire cost of said work against the property which is specially benefitted thereby, in proportion to the linear feet bordering said sewer; *provided, however*, that when a lot or tract of land situated upon a street or alley corner has been assessed, or is about to be assessed for the cost of sewer construction upon one side thereof, it shall not be assessed at any future time for the entire frontage upon the other street or alley, but shall have deducted therefrom as many linear feet as may have been assessed upon the other side, up to, but not to exceed fifty feet. [*Act approved March 8th, 1897, § 16.*] (5th Sess. 216.)

3383. *Same.*—It is further provided, that when a public or main sewer serves as a district sewer, the city or town council may assess the property bordering said public sewer, either at the time of its construction, or at any future time, for an amount equal to the estimated cost of the district sewer, capable of accommodating said property. *Act approved March 8th, 1897, § 17.*] (5th Sess. 217.)

3384. *District trunk sewer.*—Whenever a sewer serves as an outlet for the district or lateral sewers which drain a limited area, but which cannot justly be considered a public sewer benefiting the entire city or town, its cost, or any part thereof may be defrayed by special assessment levied against all the property which it serves as a drain, each lot or parcel of land benefitted

thereby to be assessed in the proportion which its area bears to the area of all the territory affected or benefited thereby, exclusive of streets, alleys and public places. Said levy may be made at the time of the construction of said sewer or at any future time. [*Act approved March 8th, 1897, § 18.*] (5th Sess. 217.)

3385. *Assessment for grading street.*—To defray the cost of grading any street, the city or town council shall assess not less than twenty-five per cent thereof, and any part not to exceed seventy-five per cent thereof, as a special tax against the property, which it may determine is specially benefited thereby, and pay the remainder of said cost and expense from the general or street fund of the city or town. [*Act approved March 8th, 1897, § 19.*] (5th Sess. 217.)

3386. *Assessments for street paving.*—To defray the cost of paving, macadamizing or similarly improving any street, together with the cost of catch basins, storm drains to some main line of drainage, and appurtenances thereto, the city or town council shall assess the entire cost thereof, excepting the cost of paving and cross-walks, at the street and alley intersections and any amount which may be payable by any person or corporation occupying any part of any street under a franchise, as a special tax against the property bordering or abutting said streets, in proportion to the linear feet abutting or bordering the same. [*Act approved March 8th, 1897, § 23.*] (5th Sess. 218.)

[*Act approved March 7, 1903, § 3.*] (8th Sess. Chap. 123.)

3394. *Same. Ratio of assessment.*—The rate of taxation in each sprinkling district shall be determined by dividing the total cost of sprinkling the same, by the total number of linear feet of property in front of, or bordering which sprinkling has been done, and each lot or parcel of land shall be assessed for as many linear feet as border on any street that has been sprinkled. [*Act approved March 8th, 1897, § 28.*] (5th Sess. 218.)

3395. *Same. McMillan v. Butte, 30 Mont. 220; 76 Pac. 203.

3397. *Creation of special improvement districts. Maintenance tax.*—Whenever it is desired to create a Special Improvement District for the purpose of grading, paving, curbing, macadamizing, planting trees, constructing grass plots and sowing grass seed thereon, constructing sidewalks, sewers, and gutters, in any street, avenue or alley, or making any one or more of the improvements herein mentioned, or other public improvements of a similar nature as provided in this Chapter, and amendments thereof, the payments of assessments for which are to be made in installments, and are to extend over a period of three years, and the cost of which Special Improvement is to be paid for by Special Improvement Warrants, the council shall by resolution designate the number of such district, describe the boundaries thereof, and state therein the character of the improvement or improvements which are to be made, an approximate estimate of the cost thereof, and the time when the council will hear objections to its final adoption; such resolution shall be published in a daily newspaper, published in the city or town, for at least five days, or in a weekly paper in one issue, not less than five days before the date set for hearing objections to the final adoption of the same. Any per-

son or persons who are owners or agents of any lot or parcel of land within such improvement district shall have the right to appear at said meeting either in person or by counsel and show cause, if any there be, why the improvements mentioned therein shall not be made; if at such meeting, objections are made to the making of such improvements, by owners or agents representing more than one-half in area of all the property which would be assessed to defray the cost of said improvement, the improvements shall not be made at that time, and at no time during a period of six months thereafter, but after the expiration of six months, a resolution providing for the same or similar improvements, covering the same territory may be considered after giving the same notice and taking the same proceedings as provided for in the consideration of the original resolution. If the owners or agents of property to the extent herein mentioned fail to make objections, a majority of all the members of the council voting in the affirmative will finally adopt the said resolution. Where trees have been planted, grass plots constructed, and grass sown thereon, or any one or more of said improvements have been made in a Special Improvement District, created by virtue of this Act, it is hereby made the duty of the council of said city or town to cause said trees and grass to be watered, the grass cut, and trees trimmed, and to otherwise maintain and preserve said improvements, as the council shall deem suitable and proper, and the whole cost of so maintaining said improvements in any Improvement District shall be paid by the entire district, each lot or parcel of land within said district to be assessed for that part of the whole cost of maintaining, which its area bears to the area of the entire district, exclusive of streets, alleys and public places. The maintaining said improvements within the several districts tract, or by forces employed by the city or town, or by both, in such manner as the council may elect, and it shall be the duty of said council to estimate as near as practicable the cost of maintaining the improvements in such district so created, for the season, and before the first Monday in November of each year they shall pass and finally adopt a resolution levying and assessing all the property within the several districts with an amount equal to the whole cost of maintaining said improvements within the several districts and in the manner as hereinabove provided. Said resolution levying assessments to defray the maintenance of said improvements shall be in every manner prepared and certified to the same as the original resolution levying the assessments for the making of said improvements, and the money collected therefor shall be paid into a fund known as "Special Improvement District No. — Maintenance Fund," the number of which shall correspond with the number of the Special Improvement District in which the Tax is levied; *provided, however*, that the council shall have the power

of not more than once in a year, to change, by resolution, the boundaries of any maintenance district, as hereby established when, in their judgment, the change will decrease the cost of maintenance in the district or districts to be affected. Any special assessment made and levied to defray the cost of maintaining said improvements, together with all costs and penalties, shall constitute a lien upon and against the property upon which said assessment is made and levied, from and after the date of the final passage of said resolution, which lien may be enforced as provided in § 3407 (41) of this Act." [Act approved March 7, 1903. § 4.] (8th Sess. Chap. 123.)

3398. *Special improvement warrants.*—All cost and expense incurred in making improvements in any special improvement district shall be paid by Special Improvement Warrants, drawn against said district fund; and each special Improvement District shall be a special fund; said warrants shall draw simple interest at the rate of six per cent. per annum; such interest from the date of registration of the warrant until the first payment of the assessment for such work becomes delinquent shall be considered a part of the cost of such improvement. [Act approved March 8th, 1897, § 32.] (5th Sess. 220.)

3399. *Levy of tax.*—To defray the cost of making improvements in any special improvement district, the council, shall by resolution, levy and assess a tax upon all property in such district as provided in § 3396 (30) hereof. Such resolution shall contain a description of each lot or parcel of land, with the name of the owner, if known, and the amount of each partial payment, and the date when the same becomes delinquent. [Act approved March 8th, 1897, § 33.] (5th Sess. 220.)

3400. *Same. Resolution and notice.*—Such resolution signed by the mayor and clerk shall be kept on file in the office of the city clerk, and a notice signed by the city clerk stating that the resolution levying the special assessment to defray the cost of such improvement, is on file in his office, subject to inspection for a period of five days, shall be published at least once in a newspaper published in the city or town. Such notice shall state the time and place at which objections to the final adoption of such resolution will be heard by the Council, and the time for such hearing shall not be less than five days after the publication of such notice. At the time so fixed the Council shall meet and hear all such objections, and for that purpose may adjourn from day to day, and may by resolution, modify such assessment in whole or in part thereof. A copy of such resolution, certified by the city clerk, must be delivered to the city treasurer within two days after its passage. [Act approved March 8th, 1897, § 34.] (5th Sess. 220-1.)

3401. *Collection of tax.*—If such resolution is passed, objections heard, and finally disposed of between the first Monday in October and the first day of the following April, the first payment which shall be for one-fourth of the total assessment shall be placed on subsequent tax-rolls and be collected in the same manner as other taxes. If such resolution is passed, objections heard and finally disposed of between the first day of April and the first Monday in October, the first payment which shall be for one-fourth the total assessment shall be placed on the tax-roll and collected in the same manner as other taxes, and all subsequent payments, each of which shall be for one-fourth the total assessment, if unpaid as hereinafter provided, shall be placed on subsequent tax-rolls and similarly collected. [*Act approved March 8th, 1897, § 35..*] (5th Sess. 221.)

3402. *Delinquent assessment.*—When one payment becomes delinquent, the whole tax shall become so, and the property shall be sold the same as other property sold for taxes. [*Act approved March 8th, 1897, § 36.*] (5th Sess. 221.)

3403. *Interest on installments.*—Upon all payments after the first, the city treasurer shall collect simple interest at the rate of six per cent. per annum from the date when the first payment becomes delinquent and shall receive payment in full and give receipts therefor for the entire tax on any property with interest to the date of payment, at any time the same may be tendered by the owner or agent. [*Act approved March 8th, 1897, § 37.*] (5th Sess. 221.)

3404. *Settlement of treasurer.*—The treasurer must make settlement with the Council for the taxes so collected as in other cases. [*Act approved March 8th, 1897, § 38.*] (5th Sess. 221.)

3405. *Method not exclusive.*—Nothing contained in § § 3396 (30) and 3397 (31) hereof shall prevent the Council from making public improvements as provided in other Sections in this Chapter, and amendments thereof. [*Act approved March 8th, 1897, § 39.*] (5th Sess. 221.)

3406. *Cost of assessment rolls.*—The estimated cost of the preparation of assessment rolls, except the cost of labor performed by an officer or regular employee of the city, shall be considered a part of the cost of all work heretofore enumerated. [*Act approved March 8th, 1897, § 40.*] (5th Sess. 221.)

3407. *Lien of special assessment.*—Any special assessment made and levied to defray the cost and expense of any of the work enumerated in this Article, together with any per centages imposed for delinquency, and for cost of collection, constitute a lien upon and against the property upon which such assessment is made and levied, from and after the date of the payment of such assessment, which lien shall be enforced by a summary sale of such property, and the execution and delivery of all necessary

certificates and deeds thereof, under such regulations as may be prescribed by ordinance, or by an action in any court of competent jurisdiction to foreclose such lien, but any property sold to satisfy such liens shall be subject to redemption within the time and in the manner provided, or that may hereafter be provided by law for the redemption of property sold for taxes. [*Act approved March 8th, 1897, § 41.*] (5th Sess. 222.)

3408. *Mistakes in description of property.*—Any mistake in the description of the property or the name of the owner shall not vitiate the liens, unless it is impossible to identify the property from the description. [*Act approved March 8th, 1897, § 42.*] (5th Sess. 222.)

3409. *Errors or omissions in assessment or levy.*—Whenever, by reason of an alleged non-conformity to any law or ordinance, or by reason of any omission or irregularity, any special tax or assessment is either invalid or its validity is questioned, the Council may make all necessary orders and ordinances and may take all necessary steps to correct the same and to re-assess and re-levy the same, including the ordering of work, with the same force and effect as if made at the time provided by law, ordinance or resolution relating thereto; and may re-assess and re-levy the same with the same force and effect as an original levy. Whenever any apportionment or assessment is made and any property is assessed too little or too much, the same may be corrected and re-assessed for such additional amount as may be proper, or the assessment may be reduced even to the extent of refunding the tax collected. Any special tax upon re-assessment, or re-levy, shall, so far as practicable, be levied and collected as the same would have been if the first levy had been enforced; and any provisions of any law or ordinance specifying a time when, or order in which acts shall be done in a proceeding, which may result in a special tax, shall be taken to be subject to the qualifications of this Act. Any and every ordinance, or part thereof, of any Council heretofore passed in substantial conformity with this Section, is hereby legalized. [*Act approved March 8th, 1897, § 43.*] (5th Sess. 222.)

3410. *Limit of special assessment for opening streets.*—Whenever the estimated special tax or assessments for any of the improvements mentioned in the preceding sections, or for the taking of private property for the opening or widening of any street or alley, in the aggregate amount to more than twenty-five per cent of the last assessed value of the property, sought to be assessed, then the council must provide out of the general fund for the payment of the amount in excess of said twenty-five per cent; *provided, however*, that this Section has no application where the improvements are made under the provisions of Section 3396 (30) and 3397 (31) of this Act. [*Act approved March 7, 1903, § 5.*] (8th Sess. Chap. 124.)

3411. *Tax, when payable.*—The tax, as provided in the preceding Sections of this Article, must, unless otherwise distinctly specified, be paid within thirty days after its levy, to the city treasurer, who must give a receipt therefor, and in case of non-payment the treasurer must proceed to collect the same in the same manner as delinquent taxes are collected on other property. If such tax is not paid within said sixty days a penalty of ten per cent. shall be added thereto and collected as a part of the tax. [Act approved March 8th, 1897, § 45.] (5th Sess. 223.)

State v. Weston, 29 Mont. 126; 74 Pac. 415.

3412. *Settlement of treasurer.*—The treasurer must make settlement with the Council for the taxes collected as in other cases. [Act approved March 8th, 1897, § 46.] (5th Sess. 223.)

3413. *Construction of waterworks.*—Whenever the council of any city or town desires to construct or acquire a system of water works or to lay extensions to water mains, it may create a Special Improvement District in the manner hereafter provided, and may enact by ordinance that such portion of the cost of constructing or acquiring such water system or the making of such extensions of water mains within such Special Improvement District thus created as shall be determined by the council, shall be paid by the entire District, each lot or parcel of land within said District to be assessed for that part of the whole cost, which its area bears to the area of the entire District, exclusive of streets, alleys and public places; *provided, however*, that the whole cost so assessed shall at no time exceed the sum of One Dollar and Fifty Cents (\$1.50) per linear foot of the entire length of the water mains, laid in such District. [Act approved February 21, 1905, § 1.] (9th Sess. Chap. 27.)

3414. *Creation of district.*—Whenever it is desired to create a Special Improvement District for the purpose provided in this Act, the council by resolution shall designate the number of such District, the boundaries thereof, and state the approximate estimate of the cost of constructing or acquiring the proposed improvement, also the time when the council will hear objections and the portion of the cost, which it is proposed to have paid by special assessment. Such resolution shall be published in a daily newspaper in the city or town, for at least five days or in a weekly paper in one issue not less than five days before the date set for hearing objections to the final adoption of the same. Any person or persons who are the owners or agents of any lot or parcel of land within such Improvement District shall have the right to appear at said meeting either in person or by counsel and show cause, if any there be, why the improvements mentioned therein shall not be made; if at such meeting, objections are made to the making of such improvement by owners or agents representing more than one-half in area of all the property which

would be assessed to defray the cost of said improvement, the improvement shall not be made at that time, and at no time during a period of six months thereafter, but after the expiration of six months a resolution providing for a similar improvement and covering the same territory may be considered, after giving the same notice and taking the same proceedings as provided for in the consideration of the original resolution. If the owners or agents of property to the extent herein mentioned fail to make objections, a majority of all the members of the council voting in the affirmative will finally adopt the resolution. [*Act approved February 21, 1905, § 2.*] (9th Sess. Chap. 27.)

3415. *Warrants.*—All that portion of the cost and expense incurred in acquiring or constructing such water supply system or making such extension, which the council intends shall be defrayed by special assessments, shall be paid by special improvement warrants, drawn against a Special Improvement District Fund, and each Special Improvement District shall be a special fund. Said warrants shall draw simple interest at the rate of six (6%) per cent per annum from the date of registration, and the said city or town council may provide that said special assessments may be paid in equal annual installments, extending over a period of not less than three nor more than ten years. [*Act approved February 21, 1905, § 3.*] (9th Sess. Chap. 27.)

3416. *Special assessments.*—The council shall levy, assess and collect the special assessments herein provided for in the manner provided for the levy, assessment and collection of other special assessments now provided for under the laws of the State of Montana, and all laws now in force, having a reference to the levy, assessment and collection of special assessments, which may be applicable to the levy, assessment and collection of special assessment herein provided for. [*Act approved February 21, 1905, § 4.*] (9th Sess. Chap. 27.)

3417. *Effect of Act on existing laws.*—Nothing in this Act shall be considered as repealing any law now in existence upon the same subject, but the authority granted herein shall be construed as additional to powers already granted by law to cities and towns. [*Act approved February 21, 1905, § 5.*] (9th Sess. Chap. 27.)

3418. *Special improvement districts. Cities may issue warrants or bonds to pay costs of improvements.*—Whenever the city or town council of any city or town shall cause any street, avenue, alley or other public place in said city or town to be graded, curbed, guttered, macadamized or paved, or to be repaired, re-macadamized, or re-paved, or shall cause to be constructed thereon or thereunder sidewalks or sewers, or shall cause to be planted thereon or alongside any grass-plots, parking or trees, or shall cause to be done any one or more of the said improvements, or

other public improveemnts of a similar character, the expense of which, or any part thereof, is to be defrayed by special assessment against the property embraced in any special improvement district, the city or town council, instead of levying the entire tax or special assessment for such cost and expense at one time, may, in its discretion, provide for the payment of the cost and expense of the said improvement in installments, and, for such installments, may issue special improvement district warrants, and levy and collect assessments to pay the same under the authority and in conformity with the provisions of House Bill No. 204 of the Fifth Legislative Assembly of the State of Montana, approved March 8, 1897, as amended, and may extend the payment of the installments over a period of not to exceed eight years from and after the completion of the improvement, or the city or town council shall have power to pay for the said improvements by the sale, at not less than their face value, of bonds issued against such improvement district, or by the delivery of such bonds in payment for the work done, as hereinafter provided. [*Act approved March 4, 1907, § 1.*] (*10th Sess. Chap. 75.*)

3419. *Bonds, how issued; character and form.*—Whenever the city or town council shall deem it advisable to pay for any of the improvements mentioned in Section I hereof in bonds issued pursuant to the provisions hereof, it shall pass an ordinance providing for the issuance of such bonds, which ordinance shall fix the terms and denomination of the said bond. The said bonds shall be payable at such times as the said city or town council may provide, not exceeding ten years from and after a date to be fixed by the said ordinance as the date of issuance thereof, and all bonds issued thereunder shall bear the said date, whether delivered before or after it, and shall bear interest from said date at such rate as may be fixed by the said ordinance, not exceeding eight per centum per annum, payable annually, as evidenced by interest coupons thereunto attached. Said bonds shall be of the denomination fixed by the said ordinance, which shall be either of one hundred dollars or multiples thereof, except that the last bond issue may be for the fractional balance due on the contract, and shall be numbered consecutively from one upwards. The bonds shall bear the signature of the mayor, attested by the city or town clerk under the seal of the city or town, and each coupon shall bear an engraved fac simile signature of said officers. Said bonds shall refer in terms to the improvement to pay for which the same are issued and the ordinance providing for their issue, and shall provide that the principal sum therein named, and the interest thereon, shall be payable out of the fund provided by the creation of the said improvement district, and not otherwise. All bonds issued under the provisions of this Act shall recite said fact, and each and every

provision hereof shall be a part of the contract created by the issuance of said bonds to the same intent and purposes as if set forth at length in the body thereof. [*Act approved March 4, 1907, § 2.*] (*10th Sess. Chap. 75.*)

3420. *Bonds may be issued in installments as work progresses.*—The said city or town council may provide, by contract with the person or persons, or corporation doing the work or making the improvement for the payment of which said bonds are issued, to deliver the said bonds in installments as the said work progresses, or upon the entire completion thereof, and may make such provisions as it seems best for the securing the faithful performance of the said contract; *provided*, however, that no bonds must be delivered to the said contractor or contractors, or other persons, in excess of the amount of the work actually done at the time of delivery, nor shall the total amount issued be in excess of the total cost and expense of the said improvement, and no bond shall be delivered or received in payment of a less sum than its face value. All expenses of making the said improvement, including survey and supervisions and interest on the installments of bonds delivered from the date of delivery to the date fixed by ordinance as the date of issuance, when so provided by the contract, at the same rate as that fixed in the bonds, shall be considered a part of the expense of said improvement, and bonds in payment therefor may be issued. [*Act approved March 4, 1907, § 3.*] (*10th Sess. Chap. 75.*)

3421. *Registration of bonds.*—The said bonds, when delivered to the contractor, shall be registered by the city or town clerk in a book to be provided for that purpose, which said register shall show the date and amount of the bond, date of delivery, person to whom delivered, the rate of interest, date of maturity. [*Act approved March 4, 1907, § 4.*] (*10th Sess. Chap. 75.*)

3422. *Special assessments to raise funds.*—When the work is completed for which bonds are issued and delivered under the provisions of this Act, the city or town council shall provide by resolution for the levy of special assessments against the property embraced in said improvement district to pay the entire cost and expenses of making the improvements to pay for which bonds are issued, which said resolution shall declare that the amount charged thereby against each lot or parcel of land may be paid in equal installments, the number of which installments shall be equal to the number of years which the bonds issued may run after the date of issuance, and shall include the interest charges to pay the annual interest payments upon the entire issue of bonds, which said special assessments shall be levied and collected in the same manner as is now provided by law and ordinance for such improvements where warrants are issued in payment thereof, except as herein otherwise provided. Whenever

any special assessments levied to pay for the cost and expenses of making improvements for which bonds have been issued hereunder shall be found to be invalid in whole or in part for want of form or insufficiency, informality or irregularity, or non-conformance with the laws and ordinance governing such assessments, the city or town council shall be, and it is hereby authorized to re-levy such special assessments and to enforce their collection in accordance with the provisions of law existing at the time the levy is made. Whenever, for any cause, mistake or inadvertance, the amount assessed shall not be sufficient to pay the cost of the improvement made or enjoyed for the payment of which bonds have been issued, it shall be lawful, and the city or town council is hereby directed and authorized to make re-assessments on all property included in said improvement district, sufficient to pay the entire cost and expense of making the improvements to pay for which bonds have been issued, such re-assessment to be made and collected in accordance with the provisions of the law and ordinance existing at the time of its levy. No suit to set aside the special assessment provided for herein or to enjoin the making of the same, shall be brought, nor any defense to the validity thereof be allowed after the expiration of thirty days from the time the resolution finding the amount due on each lot or piece of ground liable for assessment is finally adopted. [*Act approved March 4, 1907, § 5.*] (10th Sess. Chap. 75.)

3423. *Notice of assessment; redemption.*—The owner of any lot or parcel of land charged with any such assessments may redeem the same from all liability for the cost and expenses of such improvement by paying the entire assessment charged against said lot or parcel of land, without interest, within thirty days after notice to him of such assessment, which notice shall be given as follows: The city treasurer shall, as soon as the assessment roll has been placed in his hands for collection, publish a notice in the official newspaper of the city or town for five days, that said roll is in his hands for collection, and that any assessment therein may be paid at any time within thirty days from date of the first publication of such notice without penalty, interest or cost. The owner of any such lot or parcel of land may redeem the same from all liability for such assessment at any time after said thirty days by paying the entire installments of such assessment remaining unpaid and charged against said lot or parcel of land at the time of such payment, with interest thereon to the date of maturity of the installment next falling due. Where any assessment or installment thereof is paid as herein provided, the same shall be paid to the city treasurer, or to the officer whose duty it is to collect such assessment, and all assessments so paid shall be applied solely to the payment of the cost and

expense of such improvement, or the redemption of the bonds issued therefor. Where any lot or parcel of land has been redeemed from liability for the cost of any improvement, as herein provided, such lot or parcel of land shall not thereafter be liable for further special assessment for the cost of such improvement, except as hereinbefore provided in § 3422 (5). [*Act approved March 4, 1907, § 6.*] (10th Sess. Chap. 75.)

3424. *Payment of bonds.*—The city treasurer shall pay the interest on the bonds issued under the provisions of this Act out of the respective improvement district fund from which they are payable. Whenever there shall be sufficient money in the said improvement district fund, against which bonds have been issued under the provisions of this Act, over and above sufficient for the payment of interest on all bonds, to pay the principal of one or more bonds, the city treasurer shall call in and pay such bonds in their numerical order. The call therefor shall be made by publication in one issue of the official newspaper of the city or town on the day following the delinquency of the installment of the assessment, or as soon thereafter as practicable, and shall state that certain bonds (giving the serial number or numbers of bonds called) will be paid on presentation to the city treasurer upon or after a date fixed therein, and interest on said bonds shall cease from and after the date fixed in said notice. [*Act approved March 4, 1907, § 7.*] (10th Sess. Chap. 75.)

3425. *Collection of delinquent assessments. Actions by bond holder.*—If the owner of any parcel, lot or lots of land, liable for the payment of any bond issued under the provisions of this Act, shall fail to pay any assessment or assessments levied in accordance herewith, when due, the owner of any such unpaid bond or bonds may proceed in his own name to collect such assessments, and foreclose the lien thereof in any court of competent jurisdiction, and shall recover, in addition to the amount of such bonds and interest thereon, five per centum, together with the cost of such suit. Any number of holders of such bonds for any single improvement may join as plaintiffs, and any number of owners of property on which said delinquent assessments are a lien may be joined as defendants in such suit. [*Act approved March 4, 1907, § 8.*] (10th Sess. Chap. 75.)

3426. *Improvements consisting of distinct kinds of work.*—Whenever any proposed improvement shall consist of separate and distinct kinds of work, requiring performance at separate and distinct times, the city or town council may provide, by resolution, for the letting of the contract for the doing of such work at separate and distinct times, and, in that event, a separate series of bonds for the payment of the cost and expenses incurred under each of the said contracts may be issued as hereinabove provided, which said several series shall, as regards the provisions

for the issuance of bonds, levy of assessments, payment of bonds and interest, be treated as separate and distinct issues, but the liens of such said several series upon the property affected thereby shall be of equal rank, the same as if all of the said bonds and the said several series thereof had been issued under the provisions of one ordinance; and the property affected by the levy of the assessment for the several series shall not be finally discharged from the lien of such assessments until the assessments to pay all of the said series have been fully paid and discharged. [*Act approved March 4, 1907, § 9.*] (10th Sess. Chap. 75.)

3427. *Extent of lien.*—Neither the holder nor owner of any bond issued under the authority of this Act shall have any claim therefor against the city by which the same is issued, except from the special assessments made for the improvement for which said bond was issued. [*Act approved March 4, 1907, § 10.*] (10th Sess. Chap. 75.)

3428. *Bonds may be issued in place of warrants heretofore issued.*—Whenever any city or town has heretofore entered into a contract providing for the issuance of bonds for the purpose of paying the cost and expense of district improvements and has issued warrants in lieu of such bonds, such city or town may, by resolution, with the consent of the holders of such bonds or warrants, exchange them for bonds issued under and in accordance with the provisions of this Act; *provided, however*, that the said bonds so issued under the provisions of this Act shall not exceed in their terms the terms for which such original bonds or warrants were issued. [*Act approved March 4, 1907, § 11.*] (10th Sess. Chap. 75.)

3429. *Validity of outstanding bonds or warrants not affected by this act.*—That Chapter 73 of the Acts of the Legislative Assembly of 1905, entitled: “An Act relating to internal improvements in cities and towns authorizing the issuance and collection of special improvement warrants or bonds upon the property benefitted by local improvements,” be, and the same is hereby repealed; *provided, however*, that nothing herein contained shall be construed to affect the validity of any bonds or warrants heretofore issued or contracted to be issued under the provisions of the said Act, nor shall this Act be construed as repealing or modifying any existing law relative to the creation of special improvement district or the levying and collection of assessments to defray the costs and expenses of such improvements where warrants are issued in payment thereof; but this Act shall be construed as conferring additional and concurrent power and authority. [*Act approved March 4, 1907, § 12.*] (10th Sess. Chap. 75.)

3471. (§ 5006.) *Mortgagees must sign and release.*—Persons holding mortgages on such land must also sign the certificate, and release the same in the county clerk's office before such city or townsite, or addition, is approved by the council.

3472. (§ 5007.) *Plat to be approved, and certificates.*—All such plats must be examined by the council of the city or town, and a copy thereof must be filed with the city or town clerk. A certificate of the approval by the council, signed by the mayor and clerk, and also a certificate of the city or town surveyor, or of the person acting as such, that the plat conforms to the adjoining additions or parts of the city or town already platted, as near as the circumstances will admit, must be written on the plat before the same is filed in the office of the county clerk.

3473. (§ 5008.) *Plats must be made on mounted drawing paper, filed and recorded.*—All such plats must be made on mounted drawing paper, and filed and recorded in the office of the county clerk, and he must keep the original plat for inspection.

3474. (§ 5009.) *No lots to be sold until plat recorded; penalty.*—Such plat must be recorded before any lots or blocks are sold or transferred in any manner and the owner thereof, or any part of the same, must forfeit or pay for each lot sold or transferred before the recording of such plat, a penalty not less than ten nor more than one hundred dollars, which must be recovered by the county attorney for the use of the county.

3475. (§ 5010.) *Donations or grant on a plat has the effect of a deed.*—Every donation or grant to the public, or to any person, society or corporation, marked or noted as such on the plat of the city or town, or addition, must be considered, to all intents and purposes, as a deed to the said donee.

3476. (§ 5011.) *New survey and plat may be ordered.*—Whenever the recorded plat of any city or town, or addition thereto, does not definitely show the location or size of lots or blocks, or the location or width of any street or alley in such city or town or addition, the council is authorized to cause a new and correct survey and plat of such city or town or addition to be made and recorded in the office of the county clerk, which corrected plat must

follow the plan of the original survey and plat, so far as the same can be ascertained and followed, and a certificate of the surveyor making the same must be indorsed thereon, referring to the original plat corrected thereby, and the defect existing therein, and corrected by such new survey and plat. The ordinance authorizing the making of such new plat must be recorded in the office of the county clerk. The surveyor's certificate must show where said ordinance is recorded.

3477. (§ 5012.) *Form of plat may be prescribed by ordinance.*—The council of any city or town has power by ordinance to prescribe the manner and form of making any survey of any plat of lands within the city or town.

3478. (§ 5013.) *Land within the limits of a city or town may be platted by the owner.*—Any tract of land within the limits of a city or town may be platted by the authority of the council of such city or town, and the cost thereof must be taxed to the owner of such land, but the owner may plat the same and file and record it. No such plat is valid until approved and accepted by the council.

3479. (§ 5030.) *Council may discontinue streets.*—The council may discontinue a street or alley in a city or town, or any part thereof, upon the petition in writing of all the owners of lots on the street or alley, if it can be done without detriment to the public interest.

3480. (§ 5031.) *Notice must be given.*—Before acting upon such petition a notice must be published or posted in three pub-

lic places, stating when such petition will be acted on, and what street or alley, or part thereof, is asked to be vacated. Such notice must be published in a newspaper or posted at least one week before the petition is acted on.

3481. (§ 5032.) *Existing cities reorganized under this title.*—All cities and towns existing or heretofore incorporated under the laws of the territory or state of Montana, either under general or special laws or charters, on the adoption of this Code become and are incorporated under the provisions of this title, and have the powers conferred, or that may hereafter be conferred by law, upon cities or towns of the class to which each may belong.

3482. (§ 5033.) *Such cities become cities of the first or second class or towns.*—Such cities or towns are and become cities of the first or second class or towns according to their population as determined by the federal census of 1890.

3483. (§ 5034.) *Old officers continue in office, and election.*—All officers of such city or town holding office at the time of the adoption of this Code remain in office until the next annual election and the first Monday of May next ensuing thereafter, and until their successors are elected and qualified. The duties and compensation of such officers and the liabilities of sureties on official bonds remain the same. All elections must be held under the provisions of this title.

3484. (§ 5035.) *The effect of reorganization of cities and towns under this title.*—Any such city or town is the identical corporation theretofore existing, and the reorganization under this title in no way affects or impairs the title to any property owned or held by such city or town, or in trust therefor, or any debts, demands, liabilities, bonds or other evidences of indebtedness, or other obligations in favor of or against such city or town, or any action or proceeding then pending, nor does it operate to repeal or affect in any manner any ordinance, resolution or by-law theretofore passed or adopted and remaining unrepealed, or to discharge any person from any liability, civil or criminal, for any violation thereof; but such ordinances, resolutions and by-laws, so far as the same are not in conflict with this title, are and remain in full force until repealed or amended, and all proceedings commenced theretofore, after the adoption of this Code must be conducted in accordance with the provisions of this title.

3485. (§ 5036.) *Cities and towns responsible for damages by mobs and riots.*—Every city or town is responsible for injuries to real or personal property within its corporate limits done or caused by mobs or riots.

May v. Anaconda, 26 Mont. 142; 66 Pac. 760. This section creates a liability which did not exist at common law, and imposes a new burden on municipal corporations. A city is negligent in permitting a boulder constituting a

dangerous obstruction to remain in a street for many months. This section does not indicate a legislative intent to exempt cities from liability for all other torts than those mentioned therein.

3486. (§ 5037.) *Judgments against cities or towns, how paid.*—On the certificate of a justice of the peace or the clerk of the court in which any judgment is rendered, showing the amount of the judgment and the date of its entry, the council must by ordinance direct that the amount of such judgment be paid out of the general fund, and that a warrant issue therefor on the general fund if there is sufficient money therein, exclusive of the appropriations for the current fiscal year, to pay the same, and the council must at the proper times levy and cause to be collected a tax on all the property of the city or town for the payment of such judgment within a period of three years from its presentation, if there is not sufficient money as aforesaid in the general fund to pay the same.

3487. (§ 5038.) *Judgment may be funded.*—If any judgment rendered against any town or city exceeds the sum of ten thousand dollars, the council may fund the same as other indebtedness against the city or town is funded.

3488. *The council may establish a free public library.*—The council has power to establish and maintain a free public library, and for that purpose may provide by ordinance for a tax as follows: In a city or town having assessed valuation of one million dollars or more, a tax not exceeding two mills on the dollar on the property may be levied. In a city or town having an assessed valuation of less than one million dollars and more than seven-hundred and fifty-thousand dollars, a tax not exceeding two and one-half mills on the dollar on the property may be levied. In a city or town having an assessed valuation of less than seven hundred and fifty thousand dollars, a tax not exceeding three mills on the dollar on the property may be levied. The tax so levied and collected constitutes a fund known as the "Library Fund," and must be expended only for the purchase of books and other things necessary for a library, and the support and maintenance thereof. *Provided*, that no increase over the present authorized levy shall be made until the question of such increase has first been submitted to a vote of the tax-payers affected thereby. [Act approved March 2, 1905, § 1.] (9th Sess. Chap. 62.)

3489. (§ 5040.) *Question submitted to electors, and election.*—Before any such ordinance is passed the council must submit to the qualified electors of the city or town at any election, the question. At such election the ballots must have printed or written thereon the words "Public Library—Yes;" "Public Library—No," and in voting the elector must make a cross thus, "X," opposite the answer for which he intends to vote.

3490. (§ 5041.) *Library established.*—If the majority of the votes cast at such election is in favor of the establishment of a public library, then such library must be established as above provided. Such question may be submitted at the annual or at

any special election held in such city or town, and must be submitted at any such election on the petition of one hundred or more inhabitants of such city or town.

3491. (§ 5042.) *Inhabitants of city or town competent jurors.*—On the trial of an action in which a city or town is interested, the inhabitants thereof are competent jurors, if otherwise competent and qualified according to law.

3492. (§ 5043.) *Certain ordinances validated.*—That any and all ordinances of any city or town within Montana, which have been heretofore duly recorded and signed by the mayor or presiding officer of the council and by the city clerk, as provided by § 334 of an act entitled “An act to amend § 334 of the Compiled Statutes of Montana, fifth division, relating to printing and posting city ordinances,” duly approved March 9, 1889, which may have been published in some newspaper published within the limits of the city or town, or written copies of which said ordinances may have been posted in not less than five conspicuous places within the limits of such city or town, are hereby declared to have the same legality and validity as if such publishing or posting had been duly directed by the council of such city or town, and as if the city clerk had attached at the expiration of each term of posting and at the end of any such ordinance or ordinances as recorded in the book of ordinances, his certificate as to the fact of posting such ordinance or ordinances, as provided for by said act herein referred to. [Act approved March 2, 1895.]

3493. (§ 5060.) *Council to enter land in United States land office.*—It is the duty of the city or town council of any city or town in this state, to enter at the proper land office of the United States such quantity of land as the inhabitants of any incorporated city or town may be entitled to claim, in the aggregate, according to their population, in the manner required by the laws of the United States and the regulations prescribed by the secretary of the interior of the United States, and by order entered upon their minutes of proceedings, at a regular meeting, to authorize the mayor and clerk of such council, attested by the corporate seal, to make and sign all necessary declaratory statements, certificates, and affidavits, or other instruments requisite to carry into effect the intentions of this article and the intentions of the act of congress of the United States entitled “An act for the relief of the inhabitants of cities and towns upon the public lands,” approved March second, eighteen hundred and sixty-seven, and to make proof, when required, of the facts necessary to establish the claim of such inhabitants to the lands so granted by said act of congress.

3494. (§ 5061.) *Filing approved plat.*—The corporate council of every city and town, situated upon the public lands of this state, must, within three months after date of receipt at the United States district land office of the approved plat of the township, embracing the lands upon which the town or city is situated, file in said land office an application in writing, describing the tract of land thus occupied, and thereafter make proof and payment for the tract in the manner required by law.

3495. (§ 5062.) *Survey.*—The said council must, after the filing of the application, if not previously done, cause a survey to be made by some competent person, of the lands which the inhabitants of said city or town may be entitled to claim under the said act of congress, located according to the legal subdivisions of the sections and by the section lines of the United States, and the same must be distinctly marked by suitable monuments; such

survey must further particularly designate all streets, roads, lanes, and alleys, public squares, churches, school lots, cemeteries, commons, and levees, as the same exist and have been heretofore dedicated in any manner to public use, and by measurement the precise boundaries and area of each and every lot or parcel of land and premises claimed by any person, corporation, or association within said city or townsite must be designated on the map, showing the name or names of the possessor, or occupants and claimants if other than the occupant of each particular lot and parcel of land; and in case of any disputed claim as to lots, lands, premises, or boundaries, the said surveyor, if the same be demanded by any person, shall designate the lines in different color from the body of the plat of such part of any premises so disputed or claimed adversely.

3496. (§ 5063.) *Plat, what to contain.*—A plat thereof must be made in duplicate, on a scale of not less than eighty feet to one inch, which must be duly certified under oath by the surveyor, one of which must be filed with the county clerk of the county wherein the city or town is situated, and one must be deposited with the city or town clerk. These plats shall be considered public records, and must each be accompanied with a copy of the field-notes, and the county clerk must make a record thereof in a book to be kept by him for that purpose. The said surveyor must number the blocks as divided by the roads and streets opened at the time of making such survey, and must number the several lots consecutively in each block, and all other parcels of land within said town or city surveyed as herein provided, which said numbers must be a sufficient description of any parcel of land in said plats, field notes, and records.

3497. (§ 5064.) *Notice of survey.*—Before proceeding to make such survey, at least ten days' notice thereof must be given, by posting within the limits of such city or townsite, not less than five written or printed notices of the time when such survey shall commence, and by publication thereof in any newspaper or newspapers published in the city or town, if one there be. The survey of said city or town lands must be made to the best advantage and at the least expense to the holders and claimants thereof; and the council is hereby authorized to receive bids for such surveying, and to let the same by contract to the lowest competent bidder.

3498. (§ 5065.) *What dedicated to public use.*—All streets, roads, lanes, and alleys, public squares, school lots, cemeteries, commons, parks and levees, surveyed, marked and platted on the map of any city or townsite, as prescribed and directed by the provisions of this article, are hereby declared to be dedicated to public use by the filing of such city or town plat in the office of

the county clerk, and become the property of such town or city, and be subject to the control of the council or other municipal authority of such town or city.

3499. (§ 5066.) *What plat must show.*—Such plat must show such matters as are contained in § 3460 (5001), chapter VI., of this title, and must be made, kept and filed in the same manner as provided in § 3473 (5008), chapter VI., of this title.

3500. (§ 5067.) *Assessment to pay expenses.*—Each lot or parcel of said lands having thereon valuable improvements or buildings ordinarily used as dwellings or for business purposes, not exceeding one-tenth of one acre in area, shall be rated and assessed by the said corporate authorities at the sum of one dollar; each lot or parcel of such lands exceeding one-tenth, and not exceeding one-eighth of one acre in area, shall be rated and assessed at the sum of one dollar and fifty cents; each lot or parcel of such lands exceeding in area one-eighth of one acre and not exceeding one-quarter of an acre in area, shall be rated and assessed at the sum of two dollars; and each lot or parcel of such lands exceeding one-quarter of an acre and not exceeding one-half of one acre, in area, shall be rated and assessed at the sum of two dollars and fifty cents; and each lot or parcel of land so improved, exceeding one-half acre in area, shall be assessed at the rate of two dollars and fifty cents for each half an acre or fractional part over half an acre; and every lot or parcel of land enclosed, which may not otherwise be improved, or unenclosed, claimed by any person, corporation, or association, shall be rated and assessed at the rate of two dollars per acre or fractional part over an acre; and where upon one parcel of land there shall be two or more separate buildings occupied or used ordinarily as dwellings or for business purposes, each such building, for the purposes of this section, shall be considered as standing on a separate lot of land; but the whole of such premises may be conveyed in one deed; which moneys so assessed must be received by the clerk and be paid by him into the city or town treasury.

3501. (§ 5068.) *Claims for lands.*—Every person, company, corporation, or association, claimant of any city or town lot or parcel of land within the limits of such city or townsite, must present to the council, by filing the same with the clerk thereof, within six months after the plat has been filed in the office of the county clerk, his, her or their affidavit, verified in person or by duly authorized agent or attorney, in which must be concisely stated the facts constituting the possession or right of possession of the claimant, and that the claimant is entitled to the possession thereof as against all other persons, to the best of his knowledge and belief, to which must be attached a copy of so much of the plat of said city or townsite as will fully exhibit the particular lot or parcel of land so claimed, with the abutments; and

every such claimant, at the time of filing such affidavit, must pay to such clerk such sum of money as said clerk shall thereon certify to be due for the assessment mentioned in the preceding section, together with the further sum of five dollars, to be appropriated to the payment of expenses incurred in carrying out the provisions of this article, and the said clerk must thereupon give to such claimant a certificate, attested by the corporate seal, containing a description of the lot or parcel of land claimed, and setting forth the amounts paid thereon by such claimant. The council of every such city or town must procure a bound book, wherein the clerk must make proper entries of the substantial matters contained in every such certificate issued by him, numbering the same in consecutive order, setting forth the name of the claimant or claimants in full, date of issue, and description of lot or lots claimed.

3502. (§ 5069.) *Deficit in expenses, how collected.*—If it is found that the amounts hereinbefore specified as assessments and fees for cost and expenses, prove to be insufficient to cover and defray all the necessary expenses, the council must estimate the deficiency and assess such deficiency pro rata upon all the lots and parcels of land in such city or town, and declare the same upon the basis set down in § 3500 (5067); which additional amount, if any, may be paid by the claimant at the time when the certificate hereinbefore mentioned, or at the time when the deed of conveyance hereinafter provided for, is issued.

3503. (§ 5070.) *Deed to be given after six months; adverse claims.*—At the expiration of six months after the issuance of such certificate, if there has been no adverse claim filed in the meantime, the council must execute and deliver to such claimant, or to his, her, or their heirs, administrator, or assigns, a good and sufficient deed of the premises described in the application of the claimant originally filed, which said deed must be signed and acknowledged by the mayor or other presiding officer of the council, and attested by the corporate seal of such city or town. No conveyance of any such lands made as in this article provided, concludes the rights of third persons; but such third persons may have their action in the premises, to determine their alleged interest in such lands against such grantee, his heirs or assigns, to which they may deem themselves entitled either in law or equity; but no action for the recovery or possession of such premises, or any portion thereof, must be maintained in any court against the grantee named therein, or against his, her, or their assigns, unless such action shall be commenced within two years after such deed shall have been filed for record in the office of the county clerk of the county where such lands are situate; nothing herein shall be construed to extend the time of limitation prescribed by law for the commencement of actions upon a pos-

sessory claim or title to real estate, when such action is barred by law at the time of the passage of this code.

3504. (§ 5071.) *Mining claims.*—Whenever mining claims have been located prior to the passage of this code, and where the same are prior in location to the claim of any occupant for other purposes, such mining rights, according to the metes and bounds so located and claimed, are not in any manner affected by the provisions of this article; nor must any sale be made, nor any title be conveyed by reason of any sale of such lands so claimed for mining purposes, until after the occupancy of such mining claims shall have been abandoned by the holders thereof.

3505. (§ 5072.) *Settlement of adverse claims.*—In all cases of adverse claims or disputes arising out of conflicting claims to lands or boundary lines, the adverse claimants may submit the decision thereof to the council of such city or town by an agreement in writing specifying particularly the subject matter in dispute, and may agree that their decision shall be final. The council must hear the proofs, and shall order a deed to be executed in accordance with the facts; but in all other cases of adverse claim the party out of possession shall commence his action in a court of competent jurisdiction within six months after the filing of the city or town plat in the office of the county clerk. In case such action be commenced, the plaintiff must serve a notice of lis pendens upon the mayor, who must thereupon stay all proceedings in the matter of granting any certificate or deed until the final decision of such suit; and upon presentation of a certified copy of the final judgment of such court in such action, the council must cause to be executed and delivered a deed of such premises, in accordance with the judgment. In case no such action be commenced within the time herein prescribed, the council must deliver a deed to the party in possession, as provided in this article.

3506. (§ 5073.) *Notice of filing plat.*—The said council must give public notice by advertising for four weeks in any newspaper published in said city or town, and if there be no newspaper published in said city or town, then by publication in some newspaper having the most general circulation in such city or town, and not less than five written or printed notices must be posted within the limits of such city or townsite; such notice must state that the plat thereof has been filed in the clerk's office. If any person, company, association, or any other claimant of lands in such city or town fails, neglects, or refuses to make application to the council for a deed of conveyance to the lands so claimed, and to pay the sums of money specified in this article, within six months after the filing of said plat, the clerk must enter on his book the names of all such persons, with a description of the

property or premises, and certify the same as delinquent for the amount of assessment certified to by such clerk as due, under this article; and at the expiration of thirty days after making such entries, if such application be not made and such assessment be not paid, the said council must advertise all such lots and parcels of land for sale, in the same manner as real estate is required to be advertised under execution.

3507. (§ 5074.) *Sale of delinquent lands.*—At the time of sale mentioned in the advertisement the marshal of the city or town must sell all such parcels of lands so remaining delinquent at public auction to the highest bidder for cash, at some public place within the limits of the city or townsite; and he must give the purchaser at such sale a certificate of his purchase, setting forth therein the description of the premises sold, the amount paid, and that the same is subject to redemption, as prescribed in the next section; but no sale must be made for less than the whole amount of assessments and the costs of making the sale, which costs shall be divided pro rata among the several parcels offered for sale.

3508. (§ 5075.) *Redemption.*—At any time within six months after such sale the original claimant is entitled to redeem such premises by paying to the purchaser, or the clerk of the council for the purchaser, double the whole amount of the purchase money; but in case no redemption be made, the purchaser, his heirs or assigns, is entitled to demand and receive from the council a deed of such premises, which deed is absolute as against the parties delinquent, and entitles the grantee, his heirs or assigns to a writ of assistance from the district court having jurisdiction of the premises.

3509. (§ 5076.) *Unclaimed lands.*—If there be any unoccupied or vacant unclaimed lands within the limits of such city or townsite, the council must cause the same to be laid out and surveyed into suitable blocks and lots, and must reserve such portions as may be deemed necessary for public squares, churches, school house lots, parks and levees, and cause all necessary roads, streets, lanes and alleys to be laid out through the same and dedicated to public use; and the council may sell the same in suitable parcels to possessors of adjoining lands or to other persons of said town at a price not less than five dollars per acre or fraction of an acre; and in case two or more claimants apply for the same tract, or parcel of the same tract, they must sell the same by auction to the highest bidder. If any such lands remain unsold at the end of six months after the filing of the town plat, the council has power to sell such vacant lands at public or private sale in such manner and on such terms as they may deem advisable for the best interests of the town, and shall give deeds therefor to the several purchasers.

3510. (§ 5077.) *School lots.*—All school lots and parcels of land reserved for school purposes must be conveyed to the school trustees of the school district in which such city or town is situate, without cost or charge of any kind whatever.

3511. (§ 5078.) *Surplus of money received to be paid into the treasury.*—All expenses necessarily incurred or contracted by the carrying into effect of the provisions of this article are a charge upon the city or town treasury of each particular city or town ordering the work to be done, to be paid out of the treasury, upon the order of the council; and all moneys paid for lands or to defray the expenses of carrying into effect the provisions of this article shall be paid into the city or town treasury by the officers receiving the same, and shall constitute a special fund, from which shall be paid all expenses, and the surplus, if any there be, shall be paid into the general fund.

3512. (§ 5079.) *Informality not to invalidate.*—No mere informality, failure, or omission on the part of any of the persons or officers named in this article invalidates the acts of such person or officer; but every certificate or deed granted to any person pursuant to the provisions of this article is conclusive evidence that all preliminary proceedings in relation thereto have been correctly taken and performed.

3513. (§ 5080.) *City or townsite on school lands.*—When the lands of such city or town are on a school section or subdivision thereof and are owned by the state, the council may procure title and purchase the same from the state and dispose of the same in the manner provided in this article for the disposing of lands purchased from the United States.

 “ 3549. *Vacation of parks, boulevards and public places in unincorporated town.*

3514. (§ 5100.) *District judge to enter at land office.*—It is the duty of the judge of the district court of any county in this state to enter at the proper land office of the United States such quantity of land as the inhabitants of any unincorporated town, situated in the county of such district judge, may be entitled to claim in the aggregate, according to their population, in the manner required by the laws of the United States, and the regulations prescribed by the secretary of the interior of the United States, and to make and sign all necessary declaratory statements, certificates and affidavits, or other instruments requisite to carry into effect the intentions of this article, and the intention of the act of congress of the United States entitled “An act for the relief of the inhabitants of cities and towns upon the public lands, approved March second, eighteen hundred and sixty-seven,” and to make proof, when required, of the facts necessary to establish the claim of such inhabitants to the lands so granted by said act of congress.

3515. (§ 5101.) *Estimate of expenses.*—The district judge of any county in this state, whenever he is so requested by a petition signed by not less than five residents, householders in any unincorporated town, whose names appear upon the assessment roll for the year preceding such application—which petition shall set forth the existence, name and locality of such town;

whether such town is situated on surveyed or unsurveyed lands, and if on surveyed lands the quarter sections or lesser subdivision covered thereby must be stated; the estimated number of its inhabitants; the number of separate lots or parcels of land within such townsite, and the amount of land to which they are entitled under said act of congress—must estimate the cost of entering such land, and of the survey and recording of the same, and must indorse such estimate upon said petition, and upon receiving from any of the parties interested the amount of money mentioned in such estimate, the said district judge may cause an enumeration of the inhabitants of such town to be made by some competent person, who must be appointed for that purpose by such judge; and such enumeration must be returned by the person making the same, exhibiting therein names of all the heads of families and occupants of lots, lands, or premises within such townsite, alphabetically arranged, verified by his oath, to the judge.

3516. (§ 5102.) *Survey of lands.*—The judge must thereupon cause a survey to be made by some competent person of the lands which the inhabitants of said town may be entitled to claim under the said act of congress, located according to the legal subdivision of the sections and by the section lines of the United States, and the same must be distinctly marked by suitable monuments. Such surveys must further particularly designate all streets, roads, lanes, and alleys, public squares, churches, school lots, levees or parks, cemeteries, and commons, as the same exist, and have been heretofore dedicated in any manner to public use; and by measurement, the precise boundaries and area of each and every lot or parcel of land and premises claimed by any person, corporation, or association, within said townsite, must be designated on the plat, showing the name or names of the possessor or occupant, and claimant, if other than the occupant, of each particular lot and parcel of land. In case of any disputed claim as to lots, lands, premises, or boundaries, the said surveyor, if the same be demanded by any person, shall designate the lines (in different color from the body of the plat) of such part of any premises so disputed or claimed adversely. A plat thereof must be made in triplicate, on a scale of not less than eighty feet to one inch, which shall be duly certified under oath by the surveyor, one of which shall be filed with the county clerk of the county wherein the town is situated, one must be deposited with the judge, and one must be deposited with the justice of the peace resident in or nearest to such town.

3517. (§ 5103.) *Plats, what to contain.*—These plats are public records, and must be accompanied with a copy of the field-notes, and the county clerk shall make a record thereof in a book to be kept by him for that purpose. The surveyor must number the blocks, as divided by the roads and streets opened at the time

of making such survey, and must number the several lots consecutively in each block, and all other parcels of land within said townsite surveyed as herein provided, which said numbers are a sufficient description of any parcel of land in said plat when mentioned by reference to such town plats.

3518. (§ 5104.) *Notice of survey to be given.*—Before proceeding to make such survey, at least ten days' notice must be given by the judge, by posting within the limits of such townsite not less than five written or printed notices of the time when such survey shall commence, and by publication thereof in a newspaper published in such town, if one there be. The survey of said town lands must be made to the best advantage, and at the least expense to the holders and claimants thereof; and the said judge is hereby authorized to receive bids for such surveying, and to let the same by contract to the lowest competent bidder.

3519. (§ 5105.) *What dedicated to public use.*—All streets, roads, lanes and alleys, public squares, cemeteries, parks, levees, school lots, and commons, surveyed, marked and platted, on the map of any townsite, as prescribed and directed by the provisions of this article, are hereby declared to be dedicated to public use, by the filing of such town plat in the office of the county clerk, and are inalienable, unless by special order of the board of commissioners of the county, so long as such town shall remain unincorporated; and if such town at any time thereafter becomes incorporated, the same becomes the property of such town or city, and must be under the care and subject to the control of the council or other municipal authority of such town or city.

3520. (§ 5106.) *What plat must show.*—Such plat must show the same matters as are contained in section 3460 (5001), chapter VI., of this title, and must be made, filed and kept in the same manner as prescribed in § 3473 (5008), chapter VI., of this title.

3521. (§ 5107.) *Assessment for expenses.*—Each lot or parcel of said land having thereon valuable improvements, or buildings ordinarily used as dwellings or for business purposes, not exceeding one-tenth of one acre in area, must be rated and assessed by the judge at the sum of one dollar; each lot or parcel of such lands exceeding one-tenth and not exceeding one-eighth of one acre in area must be rated and assessed at the sum of one dollar and fifty cents; each lot or parcel of such lands exceeding in area one-eighth of one acre and not exceeding one-quarter of an acre in area must be rated and assessed at the sum of two dollars; and each lot and parcel of such lands exceeding one-quarter of an acre and not exceeding one-half of one acre in area must be rated and assessed at the sum of two dollars and fifty cents; and each lot or parcel of land so improved exceeding one-half an acre in area must be assessed at the rate of two dol-

lars and fifty cents for each half an acre, or fractional part over half an acre; and every lot or parcel of land inclosed, which may not be otherwise improved, or uninclosed, claimed by any persons, corporation or association, must be rated and assessed at the rate of two dollars per acre or fractional part over an acre; and where, upon one parcel of land, there are two or more separate buildings, occupied or used ordinarily as dwellings, or for business purposes, each such building, for the purposes of this section, is considered as standing on a separate lot of land, but the whole of such premises may be conveyed in one deed; which moneys so assessed must constitute a fund from which must be reimbursed or paid the moneys necessary to pay the government of the United States for said town lands, and interest thereon, if such moneys have been loaned or advanced for the purpose and expenses of their location, entry, and purchase, and the costs and expenses attendant upon the making of such survey and recording thereof.

3522. (§ 5108.) *Surplus, what to be done with.*—Any sum of money remaining, after defraying all the necessary expenses of location, entry, surveying, platting, and recording of lands, and the expenses of the judge hereinafter mentioned, must be deposited in the county treasury, to the credit of the fund of each particular town, and kept separate by the county treasurer, to be paid out by him only on the written order of such judge, until after the expiration of the time for a final settlement of the affairs of such town lands, as hereinafter provided, at which time any and all balances of moneys so remaining to the credit of each town shall be transferred by such county treasurer to the school fund of the particular school district in which said town is situated.

3523. (§ 5109.) *Claimants to make affidavits.*—Every person, corporation, or association, claimant of any town lot or parcel of land within the limits of such townsite, must present to the judge, within six months after the plat has been filed in the office of the county clerk, his, her, or their affidavit, verified in person, or by duly authorized agent or attorney, in which must be concisely stated the facts constituting the possession or right of possession of the claimant, and that the claimant is entitled to the possession thereof, as against all other persons, to the best of his knowledge and belief, to which must be attached a copy of so much of the plat of the townsite as will fully exhibit the particular lot or parcel of land so claimed, with the abutments; and every such claimant, at the time of filing such affidavit, must pay to such judge such sum of money as such judge shall thereon certify to be due for the assessment mentioned in § 3521 (5107), of this article, together with the further sum of five dollars, to be appropriated to the payment of the expenses incurred in carrying

out the provisions of this article; and the judge must thereupon give to such claimant a certificate containing a description of the lot or parcel of land claimed, and setting forth the amounts paid thereon by such claimant. The judge must procure a bound book for each town in his county, wherein he must make proper entries of the substantial matters contained in every such certificate issued by him, numbering the same in consecutive order, setting forth the name of the claimant or claimants in full, date of issue, and description of lot or lots claimed.

3524. (§ 5110.) *Additional assessments to pay expenses.*—If it is found that the amounts hereinbefore specified as assessments and fees for costs and expenses prove to be insufficient to cover and defray all the necessary expenses, the judge must estimate the deficiency, and assess such deficiency pro rata upon all the lots and parcels of lands in such town, and declare the same upon the basis set down in § 3521 (5107) of this article, which additional amount, if any, may be paid by the claimant at the time when the certificate hereinbefore mentioned, or at the time when the deed of conveyance hereinafter provided for, is issued.

3525. (§ 5111.) *Deeds to be delivered in six months. Adverse claims.*—At the expiration of six months after the issuance of the certificate mentioned in the preceding section, if there has been no adverse claim filed in the meantime, the judge must make, execute, acknowledge, and deliver to each claimant, or to his, her, or their heirs, administrators, or assigns, a good and sufficient deed of the premises described in the application of the claimant originally filed. No conveyance of any such lands, made as in this article provided, concludes the rights of third persons; but such third persons may have their actions in the premises to determine the alleged interest in such lands against such grantee, his heirs, or assigns, to which they may deem themselves entitled either in law or equity. No action for the recovery of the possession of such premises, or any portion thereof, must be maintained in any court against the grantee named therein, or against his, her or their assigns, unless such action is commenced within two years after such deeds have been filed for record in the office of the county clerk of the county where such lands are situated. Nothing herein must be construed to extend the time of limitation prescribed by law for the commencement of actions upon a possessory claim or title to real estate when such action is barred by law at the time of the passage of this code.

3526. (§ 5112.) *Mining claims.*—Whenever mining claims have been located and held bona fide for mining purposes, such mining rights, according to the metes and bounds located and claimed, must not in any manner be affected by the provisions of this article; nor must any sale be made, nor any title be conveyed

by reason of any sale or pretended sale of such lands so claimed for mining purposes until after the occupancy of such mining claims has been abandoned by the holders thereof.

3527. (§ 5113.) *Adverse claims. Actions for possession.*—In all cases of adverse claims or disputes arising out of conflicting claims to lands or boundary lines, the adverse claimants may submit the decision thereof to the judge by an agreement in writing, specifying particularly the subject matter in dispute, and may agree that his decision shall be final; in which case the said judge may hear the proofs, and must execute a deed in accordance therewith; but in all other cases of adverse claim, the party out of possession must commence his action in a court of competent jurisdiction within six months after the filing of the town plat in the office of the county clerk. In case such action be commenced, the plaintiff must serve a notice of lis pendens upon the judge, who must thereupon stay all proceedings in the matter of granting any certificate or deed until the final decision of such suit; and upon presentation of a certified copy of the final judgment of such court in such action, the judge must execute and deliver a deed of such premises in accordance with the judgment. In case no such action be commenced within the time herein prescribed, the judge must deliver his deed to the party in possession, as provided in § 3525 (5111) of this article.

3528. (§ 5114.) *Notice of filing plat.*—The judge must give public notice, by advertisement, for four weeks in some newspaper published in the county, if one there be, and if there be no newspaper published in said county, then by not less than five written or printed notices posted within the limits of such townsite, that the plat thereof has been filed in the county clerk's office; and if any person, company or association, or other claimants of lands in such town fails, neglects or refuses to make application to the judge for a deed, and to pay the sum specified, within six months after the filing of said plat, the judge must enter on his book the names of all such persons, with a description of the property or premises, and certify the same as delinquent for the amount of assessments certified to by such judge as due under § 3521 (5107), of this article; and at the expiration of thirty days after making such entries, if such application be not made and such assessment be not paid, the judge must advertise all such lots and parcels of land for sale in the same manner as real estate is required to be advertised under execution.

3529. (§ 5115.) *Sale of delinquent lands.*—At the time of sale mentioned in said advertisement, the judge must sell all such parcels of land so remaining delinquent, by public auction, to the highest bidder for cash, at some public place within the limits of said townsite; and he must give to the purchaser at such sale a certificate of his purchase, setting forth therein a description of

the premises sold, the amount paid, and that the same is subject to redemption, as prescribed in the next section; but no sale must be made for less than the whole amount of assessments, and the costs of making the sale, which costs must be divided pro rata among the several parcels offered for sale.

3530. (§ 5116.) *Redemption.*—At any time within six months after such sale the original claimant is entitled to redeem such premises, by paying to the purchaser, or to the judge for the purchaser, double the whole amount of the purchase money; but in case no redemption be made, the purchaser, his heirs or assigns, is entitled to demand and receive from the judge a deed of such premises, which deed is absolute as against the parties delinquent, and entitles the grantee, his heirs, or assigns, to a writ of assistance from the district court having jurisdiction of the premises.

3531. *Sale of unoccupied or unclaimed lands.*—If there be any unoccupied or vacant unclaimed lands within the limits of such city or townsite, the judge may cause the same to be laid out and surveyed into suitable blocks and lots, and must reserve such portions as may be deemed necessary for public squares, churches, school house lots, parks and levees, and cause all necessary roads, streets, lanes and alleys to be laid out through the same and dedicated to public use; and the judge may sell the same in suitable parcels to possessors of adjoining lands residing thereon, or to other persons residents of said town, at a price not less than ten dollars per lot; and in case two or more claimants apply for the same lot or lots, he must sell the same by auction to the highest bidder for cash. If any of such lots remain unsold at the end of six months after the filing of the town plat, the said judge must sell said unclaimed lots, on application, at public auction to the highest bidder for cash, and give deeds therefor to the several purchasers. [Act approved March 7, 1907, § 1.] (10th Sess. Chap. 130.)

3532. (§ 5118.) *School lots.*—All school lots and parcels of land reserved for school purposes, as aforesaid, by order of the judge, must be conveyed to the school trustees of the school district in which such town is situate, without cost or charge of any kind whatever.

3533. (§ 5119.) *Vacancy in office of judge.*—In case a vacancy occurs from any cause in the office of district judge during the pendency of any of the proceedings to be taken under this article, upon the election or appointment of a successor, it is the duty of the county clerk to make out a certificate, under seal, showing the facts and name of such successor, and file the same in his office, and record such certificate in a book of deeds, and attach the original to the townsite book in his office.

3534. (§ 5120.) *Clerical work must be performed by clerk of district court.*—All the clerical work under this article must be performed by the clerk of the district court, and the fees received therefor paid into the county treasury.

3535. (§ 5121.) *Accounts of judge.*—Every district judge, when fulfilling the duties imposed upon him by the act of congress aforesaid, and by this article must keep a correct account of all moneys received and paid out by him. He must deposit all surplus money with the county treasurer of his county, and at the end of one year from the time when the town plat of any town is filed in the county clerk's office, he must settle up all the affairs pertaining to said town, and pay over to the county treasurer all moneys belonging to said town, for the use and benefit of the school district in which said town may be situate. If any claims to lands in such town are the subject of litigation, the same must be finally settled by such judge, whenever the final judgment has been rendered.

3536. (§ 5122.) *Deposit of books with county clerk, when.*—Whenever the affairs of any such town shall be finally settled and disposed of by such judge, he shall deposit all books and papers relating thereto in the office of the county clerk of his county, to be thereafter kept in the custody of the county clerk as public records.

3537. (§ 5123.) *Informality not to invalidate.*—No mere informality, failure, or omission, on the part of any of the persons or officers named in this article, invalidates the acts of such person or officer, but every certificate or deed granted to any person, pursuant to the provisions of this article, is conclusive evidence that all preliminary proceedings in relation thereto have been correctly taken and performed.

3538. (§ 5124.) *City or townsite on school lands.*—When the lands of such city or town are on a school section or subdivision thereof, and are owned by the state, the council may procure title, and purchase the same from the state, and dispose of the same in the manner provided in this article, for disposing of lands purchased from the United States.

3539. (§ 5125.) *Notice of entry.*—Immediately after such survey and plat has been made, or if a survey and plat has been made previous to the entry according to the provisions of § 2013,* of this chapter, then immediately after the entry of the lands at the proper land office as provided in § 2011* of this chapter, the corporate authorities or the district judge, as the case may be, shall cause a notice to be published in all the newspapers published in such town, or if no newspaper be published in such town, then by advertisement posted up in twelve of the most public

[*Act approved March 2, 1893.*]

When any claimant shall make application to enter more than two lots, he shall prove, in addition to other matters of proof required by this chapter, to the satisfaction of said incorporate authorities or district judge, as the case may be, by the affidavit of one or more reliable witnesses, the nature, character and actual cash value of the improvements upon such additional lot so sought to be entered by him; *Provided*, said district judge may, and he is hereby authorized to, appoint a referee to take such proof, by affidavit, as provided in this act. “ 3602. *Libel, what.*

“ 3603. *Slander, what.*

“ 3606. *Right to use force.*

3600. (§ 30.) *General personal rights.*—Besides the personal rights mentioned or recognized in the Political Code, every person has, subject to the qualifications and restrictions provided by law, the right of protection from bodily restraint or harm from personal insult, from defamation, and from injury to his personal relations.

Dittrich v. Gobey, 119 Cal. 601; 51 Pac. 962.

3601. (§ 31.) *Defamation, what.*—Defamation is effected by:

1. Libel.
2. Slander.

3602. (§ 32.) *Libel, what.*—Libel is a false and unprivileged publication by writing, printing, picture, effigy, or other fixed representation to the eye which exposes any person to hatred, contempt, ridicule, or obloquy, or which causes him to be shunned or avoided, or which has a tendency to injure him in his occupation.

Paxton v. Woodward, 31 Mont. 211; 78 Pac. 217. The existence of malice is not a necessary ingredient to entitle plaintiff to recover such sum as will fairly compensate him for the injury sustained. It would not be an obstacle to

such recovery that defendant, acting in good faith, had probable cause for belief, and at the time did believe the charge to be true, and was free from malice.

Schomberg v. Walker, 132 Cal. 227; 64 Pac. 290.

3603. (§ 33.) *Slander, what.*—Slander is a false and unprivileged publication other than libel, which:

2. Imputes in him the present existence of an infectious, contagious, or loathsome disease.
3. Tends directly to injure him in respect to his office, profession, trade or business, either by imputing to him general disqualification in those respects which the office or other occupation peculiarly requires, or by imputing something with reference to his office, profession, trade or business that has a natural tendency to lessen its profit.
4. Imputes to him impotence or want of chastity; or,
5. Which, by natural consequence, causes actual damage.

Haub v. Frieremuth, 1 C. App. 557; 82 Pac. 571.

3604. (§ 34.) *What communications are privileged.*—A privileged publication is one made:

1. In the proper discharge of an official duty.
2. In any legislative or judicial proceeding, or in any other official proceeding authorized by law.
3. In a communication, without malice, to a person interested therein by one who is also interested, or by one who stands in such a relation to the person interested as to afford a reasonable ground for supposing the motive for the communication innocent, or who is requested by the person interested to give the information.

4. By a fair and true report, without malice, of a judicial, legislative, or other public official proceeding, or of anything said in the course thereof.

Jarman v. Rea, 137 Cal. 349; 70 Pac. 216.

“ 3613. *Released from marriage contract, when.*
“ 3614. *Marriages contracted without the state.*
“ 3615. *Certain parts of code not applicable.*

3607. (§ 50.) *What constitutes marriage.*—Marriage is a personal relation arising out of a civil contract, to which the consent of parties capable of making it is necessary. Consent alone will not constitute marriage; it must be followed by a solemnization, or by mutual and public assumption of the marital relation.

Estate of Richards, 133 Cal. 627; 65 Pac. 1034.

3608. (§ 51.) *Minors capable of contracting marriage.*—Any unmarried male of the age of eighteen years or upwards, and any unmarried female of the age of sixteen years or upwards, and not otherwise disqualified is capable of consenting to and consummating marriage.

In re. Ruffino, 116 Cal. 313; 48 Pac. 127.

3610. (§ 53.) *Certain marriages voidable.*—If either party to a marriage be incapable from physical causes of entering into the marriage state, or if the consent of either be obtained by fraud or force, the marriage is voidable.

3611. (§ 54.) *Incompetency of parties to.*—Marriages between parents and children, ancestors and descendants of every degree, and between brothers and sisters of the half as well as the whole blood, and between uncles and nieces, or aunts and nephews, are incestuous, and void from the beginning, whether the relationship is legitimate or illegitimate.

3612. (§ 55.) *Polygamy forbidden.*—A subsequent marriage contracted by any person during the life of a former husband or wife of such person, with any other person than such former husband or wife, is illegal and void from the beginning, unless:

1. The former marriage has been annulled or dissolved.
2. Unless such former husband or wife was absent, and not

known to such person to be living for the space of five successive years immediately preceding such subsequent marriage, or was generally reputed and was believed by such person to be dead at the time such subsequent marriage was contracted; in either of which cases the subsequent marriage is valid until its nullity is adjudged by a competent tribunal.

Estate of Harrington, 149 Cal. 247; 73 Pac. 1000.

3613. (§ 56.) *Released from marriage contract, when.*—Neither party to a contract to marry is bound by a promise made in ignorance of the other's want of personal chastity, and either is released therefrom by unchaste conduct on the part of the other, unless both parties participate therein.

3614. (§ 57.) *Marriages contracted without the state.*—All marriages contracted without the state, which would be valid by the laws of the country in which the same were contracted, are valid in this state.

Estate of Wood, 137 Cal. 136; 69 Pac. 900.

3615. (§ 58.) *Certain parts of code not applicable.*—The provisions of other portions of this code in relation to contracts and the capacity of persons to enter into them, have no application to the contract of marriage.

3617. (§ 71.) *By whom solemnized.*—Marriage may be solemnized by either a justice of the supreme court, judge of the district court, justice of the peace, priest or minister of the gospel of any denomination, or the mayor of any city. [*Act approved March 14, 1895.*]

3621. 3622. (§ 76.) *Clerk may require evidence.*—In case of application for a marriage license, which may be made by either party, or his or her agent or attorney, the clerk of the district court may, in his discretion, require that the necessary information be given under oath, and he is hereby authorized to administer oaths to such applicants for such purpose. When parties apply by mail

for such license their statement of the facts necessary to properly make out such license must be accompanied by an affidavit as to the correctness thereof, taken before a justice of the peace or notary public, or some other person authorized to administer oaths; and in case of a minor, the consent of the parent or guardian must be given in the same manner. [*Act approved March 14, 1895.*]

2623. (§ 77.) *Duty of person solemnizing.*—No person authorized to solemnize marriages shall perform such ceremony until the parties have given him the license issued by the clerk of the district court for their marriage; and when he has completed any such ceremony he shall enter upon such license a certificate of such marriage, showing when and where it occurred, and such certificate shall be attested by two witnesses to such ceremony; he shall, within thirty days after such marriage has been solemnized, return said license and certificate to the clerk of the district court, who shall record the certificate in the same book where the said marriage license is recorded. ant as his wife until January 23, 1898, occupying the same room in which there was but one bed. Plaintiff thereby condoned her offense and was not entitled to a divorce.

3665. (§ 167.) *Condonation, when operates to bar divorce.*—In cases mentioned in the last section, condonation can be made only after the cause of divorce has become complete, as to the acts complained of.

3666. (§ 168.) *Concealment of facts in certain cases makes condonation void.*—A fraudulent concealment by the offending party of facts constituting a different cause of divorce from the one condoned, and existing at the time of condonation, avoids such condonation.

3667. (§ 169.) *Condonation, how revoked.*—Condonation is revoked, and the original cause of divorce revived:

1. When the offending party commits acts constituting a like or other cause of divorce; or,

2. When the offending party is guilty of great conjugal unkindness, not amounting to a cause of divorce, but sufficiently habitual and gross to show that the conditions of condonation had not been accepted in good faith, or not fulfilled.

3670. (§ 172.) *Divorce denied, when.*—A divorce must be denied:

3671. (§ 173.) *Lapse of time establishes certain presumptions.*—Unreasonable lapse of time is such a delay in commencing the action as establishes the presumption that there has been connivance, collusion, or condonation of the offense, or full acquiescence in the same, with intent to continue the marriage relation, notwithstanding the commission of such offense.

Melvin v. State, 121 Cal. 25; 53 Pac. 416.

3707. (§ 227.) *Separate property of wife, how far liable.*—The separate property of the wife shall be exempt from all debts and liabilities of the husband, unless for necessary articles procured for the use and benefit of herself and her children under the age of eighteen years, but such exemption shall extend only to such property of such wife as shall be mentioned in an inventory thereof, as provided in §§ 3701 (221) and 3702 (222). And in no case shall any of the separate property of the wife be liable for the debts of the husband, unless such property is in the sole and exclusive possession of the husband, and then only to such persons as deal with the husband in good faith on the credit of such property, without knowledge or notice that the property belongs to the wife. But the separate property of the wife is liable for her own debts, contracted before or after marriage.

Chan v. Slater, 33 Mont. 165; 82 Pac. 660.

Webster v. Sherman, 33 Mont. 457; 84 Pac. 881. If a sale is sufficient to

pass the title from the husband to the wife, as between themselves, the property becomes the separate property of the wife.

3708. (§ 228.) *Dower.*—A widow shall be endowed of the third part of all lands whereof her husband was seized of an estate of inheritance at any time during the marriage, unless the same shall have been relinquished in legal form. When a wife joins with her husband in the execution of any conveyance of land, she thereby relinquishes her inchoate right, and shall not thereafter have dower therein, except in case of sale under mortgage signed and executed by herself and husband she shall have a right of dower in the surplus. Equitable estates shall be subject to the widow's dower, and all real estate of every description, contracted for by the husband during his lifetime, the title to which may be completed after his decease.

Dahlman v. Dahlman, 28 Mont. 374; 72 Pac. 748. The rights of a wife to dower or election under sections 228 and 236 of this code are separate from her rights as an heir of her husband under section 1852 of this code, and her par-

ticipation in the distribution of the estate as such heir does not constitute a waiver of such right of election to take one-half of the residue after payment of debts.

3709. (§ 229.) *Mortgaged lands subject to dower.*—When a person seized of an estate of inheritance in land shall have executed a mortgage of such estate before or after marriage, his widow shall nevertheless be entitled to dower out of the lands mortgaged, as against every person except the mortgagee and those claiming under him.

3710. (§ 230.) *Dower subject to purchase money.*—When a husband shall purchase lands during coverture, and shall mortgage such lands to secure the payment of the purchase money thereof, his widow shall not be entitled to dower out of such

lands as against the mortgagee, or those claiming under him, although she shall not have united in such mortgage; but she shall be entitled to dower as against all other persons.

3711. (§ 231.) *Dower in surplus under mortgage.*—When, in the cases specified in the two preceding sections, the mortgagee, or those claiming under him, shall, after the death of such husband, cause the land mortgaged to be sold, either under a power contained in the mortgage or by virtue of a judgment or decree of a court, and any surplus shall remain after the payment of the moneys due on such mortgage and the costs and charges of sale, such widow shall be entitled to the interest or income of one-third part of such surplus for life as her dower.

3712. (§ 232.) *Dower not to attach unless absolute title.*—A widow shall not be endowed of lands conveyed to her husband by way of mortgage, unless he shall have acquired an absolute estate during the marriage.

3713. (§ 233.) *Absent wife need not sign deed.*—Any married man residing and owning real property in the state, whose wife has never been in the state or territory of Montana, can by deed, mortgage, or other conveyance, grant the full title to such property by his own signature, and the wife or widow shall have no dower interest in the property to which the title of the husband is so divested.

3714. (§ 234.) *Widow may elect.*—Every devise or bequest shall bar a widow's dower in lands or her share in personal estate unless otherwise expressed in the will; but she may elect whether she will take such devise or bequest, or whether she will renounce the benefit of such devise or bequest, and take her dower in the lands and her share in the personal estate.

Dahlman v. Dahlman, 28 Mont. 377; 72 Pac. 749.

3715. (§ 235.) *Renunciation and form of.*—When a woman is entitled to an election under this chapter, she shall be deemed to have taken such devise, unless, within one year after the authentication or probate of the will, she shall deliver or transmit to the district court of the proper county a written renunciation, which may be in the following form, to-wit: "I, A B, widow of C D, late of the county of———, state of Montana, do hereby renounce and quit all claims to the benefit of any bequest or devise made to me by the late will and testament of my said deceased husband, which has been exhibited and proved according to law (or otherwise, as the case may be), and I do elect to take in lieu thereof my dower, or legal share of the estate of my said husband," which said letter of renunciation shall be filed in the office of the clerk of the district court, and shall operate as a complete bar against any claim which such widow may afterwards set up to any provision which may have been thus made for her in the will of any testator, in lieu of dower; and by

thus renouncing all claims as aforesaid, such widow shall thereupon be entitled to dower in the lands or share in the personal estate of her husband.

3716. (§ 236.) *Rights of widows when no issue.*—If a husband die, leaving a widow, but no children, nor descendents of children, such widow may, if she elect, have, in lieu of her dower in the estate of which her husband died seized, whether the same shall have been assigned or not, absolutely and in her own right, as if she were sole, one-half of all the real estate which shall remain after the payment of all just debts and claims against the deceased husband; *Provided*, That, in case dower in such estate shall have been already assigned, she shall make such new election within two months after being notified of the payment of such claims and debts.

Dahlman v. Dahlman, 28 Mont. 374; 72 Pac. 748.

In re. Dahlman's Estate, 28 Mont. 379; 72 Pac. 750. The district court in the exercise of its probate jurisdic-

tion can make no order affecting the dower right of a widow; and she may bring an action to have her dower allotted to her, although the order of distribution does not mention her right.

3717. (§ 237.) *Rights of widows when lands exchanged.*—If a husband seized of an estate of inheritance in lands, exchanges it for other lands, his widow shall not have dower of both, but shall make her election as hereinbefore provided, to be endowed of the lands given, or of those taken in exchange. And if such election be not evinced by the commencement of the proceedings for the recovery and assignment of her dower of the lands given in exchange within one year after the death of her husband, she shall be deemed to have elected to take her dower of the lands taken in exchange.

3718. (§ 238.) *Widow's rights in land aliened.*—When a widow is entitled to dower out of any lands aliened by her husband in his lifetime, and such lands have been enhanced in value after the alienation, such lands shall be estimated in setting out the widow's dower according to their value at the time when they were so aliened.

3719. (§ 239.) *Ante-nuptial settlement, when a bar to dower.*—A woman may be barred of her dower in all of the land of her husband by a jointure settled on her with her assent before the marriage; *Provided*, such jointure consists of a freehold estate in lands for the life of the wife, at least, to take effect in possession or profits immediate on the death of the husband.

Dahlman v. Dahlman, 28 Mont. 377; 72 Pac. 750.

3720. (§ 240.) *Assent to marriage settlement.*—Such assent shall be expressed if the woman is of full age by her becoming a party to the conveyance by which it is settled; and if she is under age, by her joining with her father or guardian in such conveyance.

Dahlman v. Dahlman, 28 Mont. 377; 72 Pac. 750.

3721. (§ 241.) *When dower may be assigned anew.*—If a woman is lawfully evicted of lands assigned to her as a dower or settled upon the jointure, or is deprived of the provisions made for her by will or otherwise, in lieu of dower, she may be endowed anew in like manner as if such assignment, jointure or other provision had not been made.

3722. (§ 242.) *Not suffer waste.*—No woman endowed of any lands shall commit or suffer waste on the same; but she shall maintain the houses and tenements with the fences and appurtenances in good repair, and shall be liable to the person having the next immediate estate of inheritance therein for all damages occasioned by any waste committed or suffered by her.

3723. (§ 243.) *Right to dower not affected by acts of husband.*—No act, deed or conveyance, executed or performed by the husband, without the assent of his wife, evidenced by her acknowledgment thereof, in the manner required by law to pass the estates of married women, and no judgment or decree confessed by or recovered against him, and no laches, default, covin or crime of the husband, shall prejudice the rights of the wife to her dower or jointure, or preclude her from the recovery thereof, if otherwise entitled thereto.

3724. (§ 244.) *Support of wife.*—If the husband neglect to make adequate provision for the support of his wife, except in the cases mentioned in the next section, any other person may in good faith supply her with articles necessary for her support, and recover the reasonable value thereof from her husband.

Hoey v. Hechtman, 2 C. App. 122; 83 Pac. 85.

3725. (§ 245.) *Husband not liable when abandoned by wife.*—A husband abandoned by his wife is not liable for her support until she offers to return, unless she was justified, by his misconduct, in abandoning him; nor is he liable for her support when she is living separate from him by agreement, unless such support is stipulated in the agreement.

Kessler v. Kessler, 2 C. App. 512; 83 Pac. 257.

3726. (§ 246.) *When wife must support husband.*—The wife must support the husband when he has not deserted her out of her separate property, when he has no separate property, and he is unable from infirmity to support himself.

Livingston v. Court, 117 Cal. 634; 49 Pac. 836.

3727. (§ 247.) *Rights of husband, how governed.*—The property rights of the husband and wife are governed by this chapter, unless there is a marriage settlement containing stipulations contrary thereto.

3728. (§ 248.) *Marriage settlement, how executed.*—All contracts for marriage settlements must be in writing, and executed and acknowledged or proved in like manner as a grant of land is required to be executed and acknowledged or proved.

3729. (§ 249.) *To be acknowledged and recorded.*—When such contract is acknowledged or proved, it must be recorded in the office of the county clerk of every county in which any real estate may be situated which is granted or affected by such contract.

3730. (§ 250.) *Effect of recording.*—The recording or non-recording of such contract has a like effect as the recording or non-recording of a grant of real property.

3731. (§ 251.) *Minors may make marriage settlement.*—A minor capable of contracting marriage may make a valid marriage settlement, as herein provided.

3732. (§ 252.) *May act as executrix.*—A married woman may be an executrix, administratrix, guardian or trustee, and may bind herself and the estate she represents without any act or assent on the part of her husband.

3733. (§ 253.) *May sue and be sued.*—A married woman may sue and be sued in the same manner as if she were sole.

3734. (§ 254.) *Liable for her own contracts.*—The contracts made by a married woman, in respect to her separate property, labor or services, shall not be binding upon her husband, nor render him nor his property liable therefor; but she and her separate property shall be liable on such contracts in the same manner as if she were sole.

3735. (§ 255.) *May make will.*—A married woman may make a will in the same manner and with the same effect as if she were sole, except that such will shall not, without the written consent of her husband, operate to deprive him of more than two-thirds of her real estate, or of more than two-thirds of her personal estate.

3736. (§ 256.) *May make contracts.*—A married woman may make contracts, oral or written, sealed or unsealed, and may waive or relinquish any right or interests in any real estate, either in person or by attorney, in the same manner, to the same extent and with the like effect as if she were a single woman.

3737. (§ 257.) *Tenancy by courtesy not allowed.*—No estate is allowed the husband as tenant by courtesy upon the death of his wife.

Allen v. Roush, 15 Mont. 449; 39 Pac. 459. Section 1432, fifth division, Compiled Statutes of Montana, frees the listed property of a married woman from certain debts of her husband, but does

not give to a married woman complete status as a *feme sole*, in reference to such property, or deprive a husband of courtesy in such property.

In all statements and reports of the corporation to be published, this stock shall not be stated or reported as being issued for cash paid into the corporation, but shall be reported in this respect according to the facts. [*Act approved March 7, 1895.*]

3825. *Corporations, how formed.*—At any time hereafter, any three or more persons who may desire to form a company for the purpose of carrying on any kind of manufacturing, mining, mechanical, or chemical business; of digging ditches, of building flumes, or running tunnels; of purchasing, holding, developing, improving, using, leasing, selling, conveying, or otherwise disposing of water powers and the sites thereof and lands necessary or useful therefor, or for the industries and habitations arising or growing up, or to arise or grow up, in connection with or about the same; of purchasing, holding, laying out, platting, developing, leasing, selling, dealing in, conveying or otherwise using or disposing of townsites or towns or the lots, blocks or subdivisions thereof, or lots, blocks or subdivisions in any town, village, or city; or of carrying on any other branch of business designed to aid in the industrial or productive interests of the country and the development therefor of one or more of the aforesaid branches of business, or for any of the purposes for which private corporations may be formed, as set forth in Section 3808 (393) of this Code, must prepare, sign, acknowledge, and file articles of incorporation in the office of the county clerk of the county in which the principal business of the company is to be transacted, and a copy thereof certified by the county clerk, with the Secretary of state, whereupon the Secretary of State must issue to the corporation over the great seal of the State, a certificate that a copy of the articles, containing the required statement of facts has been filed in his office. Thereupon the persons signing the articles and their associates and successors, shall be a body politic and corporate by the name stated in the certificate, and for a term of forty years, unless in the articles of incorporation otherwise stated, or in this code otherwise specially provided, but in no case where not otherwise specially provided in this code, must such term exceed forty years; *provided, however*, that no articles of incorporation shall be accepted and filed by the Secretary of

State which designate a name for the proposed corporation which is the same as that of any existing domestic corporation, or which in the judgment of the Secretary of State is so similar to the name of any existing domestic corporation as to mislead or confuse persons dealing with such corporations; *and provided further*, that nothing herein shall affect the present term of existence of any corporation heretofore incorporated under this section for a period of forty years. [*Act approved March 7, 1907.*] (*10th Sess. Chap. 163.*)

3826. (§ 412.) *May extend term of existence and increase stock, etc.*—Any corporation or company heretofore formed, either by special act or under the general law, and now existing, or any company which may be formed under this chapter, may increase or diminish its capital stock, by complying with the provisions of this chapter, to any amount which may be deemed sufficient and proper for the purpose of the corporation, and may also extend its business to any other branch named in § 3825 of this chapter and may also extend the term of its existence, subject to the provisions and liabilities of this chapter; *Provided, however*, that no corporation shall have power under this chapter to extend the term of existence for a period longer than will make the terms of existence of said corporation longer in all than forty years from the date of its original incorporation; and before any corporation shall be entitled to diminish the amount of its capital stock, if the amount of its debts and liabilities shall exceed the amount of capital to which it is proposed to be reduced, such amount of debts and liabilities shall be satisfied and reduced so as not to exceed such diminished amount of capital; and any existing company heretofore formed under any special act may come under and avail itself of the provisions of this chapter, by complying with the following provisions, and thereupon such company, its officers and stockholders, shall be subject to all restrictions, duties and liabilities of this chapter. [*Act approved March 2, 1893.*]

3827. (§ 413.) *How change affected.*—Whenever any company shall decide to call a meeting of stockholders for the purpose of availing itself of the privileges of this chapter, or for increasing or diminishing the amount of its capital stock, or for extending or changing its business, or for extending the term of its existence, it shall be the duty of the trustees to publish a notice, signed by at least a majority of them, in a newspaper in the county, if any shall be published therein, at least six successive weeks, and to deposit a written or printed copy thereof in the postoffice, addressed to each stockholder at his usual place of residence, at least six weeks previous to the day for holding such meeting, specifying the object of the meeting, the time and place when and where such meeting shall be held, and

the amount to which it shall be proposed to increase or diminish the capital, and the business to which the company would be extended or changed, and the length of time for which it is proposed to extend the term of the existence of the corporation; and a vote of at least two-thirds of all the shares of stock shall be necessary for an increase or diminution of the amount of its capital stock, or the extension or change of its business, or the extension of the terms of its existence as aforesaid, or to enable the company to avail itself of the provisions of this chapter. [Act approved March 2, 1893.]

3828. (§ 414.) *Same.*—If, at the time and place specified in the notice provided for in the preceding sections of this chapter, stockholders shall appear in person or by proxy, in number representing not less than two-thirds of all the shares of stock of the corporation, they shall organize by choosing one of the trustees chairman of the meeting, and also a suitable person for secretary, and proceed to a vote of those present in person or by proxy, and if, on canvassing the votes, it shall appear that a sufficient number of votes have been cast in favor of increasing or diminishing the amount of the capital stock, or for extending or changing the business, or of extending the term of existence of the corporation as aforesaid, or for availing itself of the privileges and provisions of this chapter, a certificate of the proceedings showing a compliance with the provisions of this chapter, the amount of capital actually paid in, the business to which it is extended or changed, the time for which the term of the existence of the corporation is extended, the whole amount of debts and liabilities of the company, and the amount to which the capital stock shall be increased or diminished, shall be made out, signed and verified by the affidavit of the chairman, and be countersigned by the secretary, and such certificate shall be acknowledged by the chairman and filed and recorded as required by § 3825 of this chapter, and when so filed and recorded the capital stock of such corporation shall be increased or diminished to the amount specified in such certificate, and the business extended or changed, and the term of the existence of the corporation extended as in said certificate specified, and the company shall be entitled to the privileges and provisions and be subject to the liabilities of this chapter, as the case may be. [Act approved March 2, 1893.]

3829. (§ 430.) *Adoption of by-laws, when, how, and by whom.*—Every corporation formed under this title must, within one month after filing articles of incorporation, adopt a code of by-laws for its government, not inconsistent with the constitution and laws of this state. The assent of stockholders representing a majority of all the subscribed capital stock, or a majority of the members, if there be no capital stock, is necessary to adopt by-laws, if they are adopted at a meeting called for that purpose; and in the event of such meeting being called, two weeks' notice of the same by advertisement in some newspaper published in the county in which the principal place of business of the corporation is located, or if none is published therein, then in a paper published in an adjoining county, must be given by order of the acting president. The written assent of the holders of two-thirds of the stock, or of two-thirds of the members, if there be no capital stock, shall be effectual to adopt a code of by-laws without a meeting for that purpose.

Wells v. Black, 117 Cal. 162; 48 Pac. 1090.

3830. (§ 431.) *Directors, election of.*—The directors must be elected annually by the stockholders or members, and if no provision is made by the by-laws for the time of election, the

election must be held on the first Tuesday in June. Notice of such election must be given, and the right to vote determined as prescribed in § 3829 (430).

Glass v. Basin Co., 31 Mont. 31; 77 Pac. 304. A contract by which it was agreed that certain persons should be trustees until the business of a mining corporation should be in successful oper-

ation is contrary to this section and void.

Middleton v. Arastraville Co., 146 Cal. 222; 79 Pac. 889.

3831. (§ 432.) *By-laws, may provide for what.*—A corporation may, by its by-laws, where no other provision is specially made, provide for:

1. The time, place, and manner of calling and conducting its meetings.
2. The number of stockholders or members constituting a quorum.
3. The mode of voting by proxy.
4. The time of the annual election of directors, and the mode and manner of giving notice thereof.
5. The compensation and duties of officers.
6. The manner of election and the tenure of office of all officers other than the directors; and,
7. Suitable penalties for violations of by-laws, not exceeding, in any case, one hundred dollars for any one offense.

People's Bank v. Sadler, 1 C. App. 195; 81 Pac. 1029.

3832. (§ 433.) *By-laws recorded and how amended.*—All by-laws adopted must be certified by a majority of the directors and secretary of the corporation, and copied in a legible hand, in some book kept in the office of the corporation, to be known as the "Book of By-Laws," and no by-law shall take effect until so copied, and the book shall then be open to the inspection of the public during the office hours of each day except holidays. The by-laws may be repealed or amended, or new by-laws may be adopted, at the annual meeting, or at any other meeting of the stockholders or members, called for that purpose by the directors, by a vote representing two-thirds of the subscribed stock, or by two-thirds of the members. The written assent of the holders of two thirds of the stock, or two-thirds of the members, if there be no capital stock, shall be effectual to repeal or amend any by-law, or to adopt additional by-laws. The power to repeal and amend the by-laws, and adopt new by-laws, may, by a similar vote at any such meeting, or similar written assent, be delegated to the board of directors. The power, when delegated, may be revoked, by a similar vote, at any regular meeting of the stockholders or members. Whenever any amendment or new by-law is adopted, it shall be copied in the book of by-laws, with the original by-laws, and immediately after them, and shall not take effect until so copied. If any by-law be repealed, the fact of repeal, with the

date of the meeting at which the repeal was enacted, or written consent was filed, shall be stated in said book, and until so stated the repeal shall not take effect.

3833. (§ 434.) *How many and who to be directors.*—The corporate powers, business and property of all corporations formed under this title must be exercised, conducted and controlled by a board of not less than three nor more than thirteen directors, to be elected from among the holders of stock, or where there is no capital stock, then from the members of such corporations. Directors of corporations for profit must be holders of stock therein in an amount to be fixed by the by-laws of the corporation, except those named in the articles of incorporation for the first three months, who shall be directors until their successors are elected and qualified. Directors of all other corporations must be members thereof. Unless a quorum is present and acting, no business performed or act done is valid as against the corporation. Whenever a vacancy occurs in the office of director, unless the by-laws of the corporation otherwise provide, such vacancy must be filled by an appointee of the board.

Middleton v. Arastraville Co., 146 Cal. 222; 79 Pac. 889.

3834. (§ 435.) *Directors must be elected and by-laws adopted at first meeting.*—At the meeting at which the by-laws are adopted or at such subsequent meeting as may be then designated, directors must be elected, to hold their offices for one year, and until their successors are elected and qualified.

3835. (§ 436.) *Election, how conducted.*—All elections must be by ballot; and every stockholder shall have the right to vote in person or by proxy the number of shares standing in his name, as provided in § 3840 (441) of this code, for as many persons as there are directors to be elected, or to cumulate said shares and give one candidate as many votes as the number of directors multiplied by the number of his shares of stock shall equal, or to distribute them on the same principle among as many candidates as he shall think fit. In corporations having no capital stock each member of the corporation may cast as many votes for one director as there are directors to be elected, or may distribute the same among any or all of the candidates. In either case the directors receiving the highest number of votes shall be declared elected.

Krause v. Durbrow, 127 Cal. 683; 60 Pac. 438.

3836. (§ 437.) *Organization of board of directors, etc.*—Immediately after their election, the directors must organize by the election of a president, who must be one of their number, a secretary and treasurer. They must perform the duties enjoined on them by law and the by-laws of the corporation. A majority of the directors is a sufficient number to form a board for the

transaction of business, and every decision of a majority of the directors forming such board, made when duly assembled, is valid as a corporate act.

Curtin v. Salmon R. Co., 130 Cal. 348; 62 Pac. 552.

3837. (§ 438.) *Dividends to be made from surplus profits.*—The directors of corporations must not make dividends, except from the surplus profits arising from the business thereof; nor must they divide, withdraw or pay to the stockholders, or any of them, any part of the capital stock; nor must they create debts beyond their subscribed capital stock, or reduce or increase the capital stock, except as hereinafter specially provided. For a violation of the provisions of this section, the directors under whose administration the same may have happened (except those who may have caused their dissent therefrom to be entered at large in the minutes of the directors at the time, or were not present when the same did happen) are, in their individual and private capacity, jointly and severally liable to the corporation and to the creditors thereof, in the event of its dissolution, to the full amount of the capital stock so divided, withdrawn, paid out or reduced, or debt contracted; and no statute of limitations is a bar to any suit against such directors for any sums for which they are made liable by this section. There may, however, be a division and distribution of the capital stock of any corporation which remains after the payment of all its debts, upon its dissolution or the expiration of its term of existence.

Porter v. Plymouth M. Co., 29 Mont. 355; 74 Pac. 939. The repurchase of capital stock by a corporation does not decrease it unless the directors extinguish it after its purchase. It is presumed that

directors do not decrease the capital stock on repurchasing it.

Schaake v. Eagle Co., 135 Cal. 482; 63 Pac. 1025.

3838. (§ 439.) *Removal of directors.*—No director shall be removed from office unless by a vote of two thirds of the members, or of stockholders holding two-thirds of the capital stock, at a general meeting held after previous notice of the time and place and of the intention to propose such removal. Meetings of stockholders for this purpose may be called by the president or by a majority of the directors, or by members or stockholders holding at least one-half of the votes. Such calls must be in writing, and addressed to the secretary, who must thereupon give notice of the time, place, and object of the meeting, and by whose order it is called. If the secretary refuse to give the notice, or if there is none, the call may be addressed directly to the members or stockholders and be served as a notice, in which case it must specify the time and place of meeting. The notice must be given in the manner provided in § 3829 (430) of this title, unless other express provision has been made therefor in the by-laws. In case of removal the vacancy may be filled by election at the same meeting.

3839. (§ 440.) *Justice of the peace may order meeting when.*—Whenever, from any cause, there is no person authorized to call or to preside at the meeting of a corporation, any justice of the peace of the county where such corporation is established may, on written application of three or more of the stockholders or of the members thereof, issue a warrant to one of the stockholders or members directing him to call a meeting of the corporation by giving the notice required, and the justice may in the same warrant direct such person to preside at such meeting until a clerk is chosen and qualified, if there is no other officer present legally authorized to preside thereat.

3840. (§ 441.) *Majority of stock must be represented.*—At all elections or votes had for any purpose there must be a majority of the subscribed capital stock or of the members represented, either in person or by proxy in writing. Every person acting therein, in person or by proxy or representative, must be a member thereof or a bona fide stockholder, having stock in his own name on the stock books of the corporation at least ten days prior to the election. Any vote or election had other than in accordance with the provisions of this article is voidable at the instance of any stockholders or members, and may be set aside by petition to the district court of the county where the same was held. Any regular or called meeting of the stockholders or members may adjourn from day to day, or from time to time, if for any reason there is not present a majority of the subscribed stock or members, or no election had, such adjournment and the reasons therefor being recorded in the journal of the proceedings of the board of directors.

Krause v. Durbrow, 127 Cal. 683; 60 Pac. 438.

3841. (§ 442.) *Stock of minors, etc.*—The shares of stock of an estate of a minor, or person of unsound mind, may be represented by his guardian, and of a deceased person by his executor or administrator.

Market R. Co. v. Hellman, 109 Cal. 590; 42 Pac. 225.

3842. (§ 443.) *Election may be postponed.*—If from any cause an election does not take place on the day appointed in the by-laws, it may be held on any day thereafter as is provided for in such by-laws, or to which such election may be adjourned or ordered by the directors. If an election has not been held at the appointed time, and no adjourned or other meeting for the purpose has been ordered by the directors, a meeting may be called by the stockholders as provided in § 3838 (439) of this article.

3843. (§ 444.) *Complaint as to elections.*—Upon the application of any person or body corporate aggrieved by any election held by any corporate body, the district court of the district in which such election was held, or a judge thereof, must proceed forthwith to hear the allegations and proofs of the parties, or

otherwise inquire into the matters of complaint, and thereupon confirm the election, order a new one, or direct such other relief in the premises as accords with right and justice. Upon filing the petition, and before any further proceedings are had under this section, five days' notice of the hearing must be given, under the direction of the court or the judge thereof, to the adverse party or those to be affected thereby.

Whitehead v. Sweet, 126 Cal. 72; 58 Pac. 376.

3844. (§ 445.) *False certificate, report or notice, officers liable.*—Any officer of a corporation who wilfully gives a certificate, or wilfully makes an official report, public notice, or entry in any of the records or books of the corporation, concerning the corporation or its business, which is false in any material representation, shall be liable for all the damages resulting therefrom to any person injured thereby; and if two or more officers unite or participate in the commission of any of the acts herein designated, they shall be jointly and severally liable.

Giddings v. Holter, 19 Mont. 264; 48 Pac. 8. The trustees of a corporation who filed a report, which did not specify as a debt of the company its liability on a covenant of title, are not liable for a false report, if the breach of the covenant was not known to them at the

time the report was filed. Such report is not false in stating that the capital stock was paid in full when the property for which it was issued has decreased in value. Such trustees, who file a false report, are not liable for the debts of the corporation theretofore contracted.

3845. (§ 446.) *Meeting by consent valid.*—When all the stockholders or members of a corporation are present at any meeting, however called or notified, and sign a written consent thereto on the record of such meeting, the acts and proceedings of such meeting are as valid as if had at a meeting legally called and noticed.

3846. (§ 447.) *Proceedings at meeting to be binding.*—The stockholders or members of such corporation, when so assembled, may elect officers to fill all vacancies then existing, and may act upon such other business as might lawfully be transacted at regular meetings of the corporation.

3847. *Meetings of stockholders and board of directors; where held.*—The meetings of the stockholders of a corporation must be held at its office or principal place of business in the State of Montana, except as hereinafter provided. The meetings of the Board of Directors or Trustees of all corporations heretofore or hereafter organized under any of the laws of the State of Montana may be held either within or without the State of Montana at such place or places as may be designated by the by-laws of such corporations. In case the meetings of the Board of Directors or Trustees of a corporation shall be held outside of the State of Montana, either the original or full and complete copies or duplicate of all proceedings had at such meeting or meetings certified by the President and Secretary under seal shall be sent to and kept at the principal office or place of business of the

corporation in Montana, and shall be part of the records in Montana. The meetings of the stockholders, of all corporations organized in conformity with the requirements of the laws of the United States and of the State of Montana for the purpose of furnishing water only to its stockholders, called for the purpose of electing Directors, may be held in the several Director Districts of such corporation, at such place in each Director District as may be designated by the Board of Directors, and no share holder shall be permitted to vote at any such share holders meeting except the meeting held in the Director District as may be fixed by the by-laws of said corporation. [*Act approved March 7, 1907.*] (10th Sess. Chap. 151.)

3848. (§ 449.) *Special meeting, how called.*—When no provision is made in the by-laws for regular meetings of the directors and the mode of calling special meetings, all meetings must be called by special notice in writing, to be given to each director by the secretary, on the order of the president, or if there is none, on the order of two directors.

Bell v. Standard Co., 146 Cal. 705; 81 Pac. 17.

3849. (§ 450.) *How corporation may change place of business.*—Every corporation that has been or may be created under the general laws of this state may change its principal place of business from one place to another in the same county, or from one city or county to another city or county within this state, and may increase or diminish the number of its trustees or directors; *Provided*, That the number of trustees or directors shall at no time be less than three or more than thirteen. Before either such changes are made, the consent, in writing, of the holders of two-thirds of the capital stock must be obtained and filed in the office of the corporation. When such consent is obtained and filed, notice of the intended removal or change, or of the intended increase or diminishment of the number of trustees or directors, as the case may be, must be published at least once a week for three successive weeks in some newspaper published in the county wherein said principal place of business is situated, if there is one published therein; if not, in a newspaper of an adjoining county, giving the name of the county or city where it is situated, and that to which it is intended to remove it, or the number to which it is intended to increase or diminish the trustees or directors. [*Act approved March 18, 1895.*]

Chapman v. Doray, 89 Cal. 54; 26 Pac. 605

3850. *Annual statement.*—Every domestic corporation, having a capital stock, shall annually, within twenty days from and after the thirty-first day of December, file, in the office of the clerk of the county in which the principal place of business of such corporation is situated, a report which shall state the amount of the capital stock, the proportion thereof actually paid

in and the amount thereof actually paid in cash and the amount issued, if any, in payment of property purchased and the amount of existing debts and also the names and addresses of the directors or trustees and of the president, vice-president, general manager and secretary of the corporation. Such report shall be signed by the president and a majority of the directors, inclusive of the president, secretary or treasurer of such corporation. In the absence, or inability to act, of the president, the vice president may sign and verify such report. If any such corporation shall fail to file such report, the directors of the corporation shall be, jointly and severally, liable for all debts or judgments of the corporation then existing, or which may thereafter be, or in any wise incurred, until such report shall be made and filed; *provided, however*, that if within ten days after such failure a director, or directors, shall make and file, as aforesaid, an affidavit or affidavits, stating that the failure was due to no fault or neglect of his or theirs, and stating, also, that, within the said twenty days, he or they requested the president or sufficient number of the other directors, whose residence was known to affiants, to join them in making report, such director, or directors, shall not be liable under this Section. If the required report be made and filed after the time herein specified, the directors shall not, on account of the prior failure to make report, be liable for the debts thereafter contracted. Where such corporation, on account of insolvency or for any other reason, has ceased to be a going concern and has ceased to voluntarily incur financial obligations, the directors may include a statement to that effect in their report, giving the reasons for the cessation of the corporate activities of such corporation, and, after two annual reports have been filed, the directors shall not be liable for a failure to file annual reports during such time as the disability of such corporation shall continue. [Act approved March 2, 1907.] (10th Sess. Chap. 63.)

3851. (§ 452.) *Payment for subscribed stock.*—It shall be lawful for the directors to call in and demand from the stockholders, respectively, all such sums of money by them subscribed, at such times and in such payments or installments as the directors shall deem proper, not to exceed twenty per cent. in any one month, under the penalty of forfeiting the shares of stock subscribed for, and for all previous payments made thereon, if payment shall not be made by the stockholders within sixty days after a personal demand or notice requiring such payment shall have been published for six successive weeks in the newspaper nearest the place where the business of the company shall be carried on as aforesaid.

3852. *Resignation of directors or officers of corporations.*—Any director, trustee or other officer of a corporation, may resign

his office by delivering to the secretary or president of the corporation, or depositing in the post-office, in an envelope securely sealed, with the necessary amount of postage prepaid thereon, and addressed to the corporation, at its principal place of business, his written resignation, and filing in the office of the clerk and recorder of the county where the principal office or place of business of the said corporation is situated, a duplicate of the said resignation, together with an affidavit of the delivery or mailing of said resignation, as above specified, or an acknowledgment of service thereof and by publishing in two consecutive issues of the official paper of the county where said company may be doing business, a notice of said resignation, and the director, trustee, or other officer shall upon such filing and publication no longer be responsible for any act or default of the corporation, or of the other officers thereof, occurring after the date of said filing, *provided, however*, that any director, trustee, or other officer, shall also comply with the by-laws of the corporation relating to resignations of directors or officers. This act shall apply to resident directors of foreign corporations having a place or places of business in this state, as well as to directors and other officers of domestic corporations. [Act approved March 5, 1907.] [10th Sess. Chap. 90.)

Vermont Co. v. Declez Co., 135 Cal. 583; 67 Pac. 1057.

3855. *Transfer of shares. When title passes.*—That the delivery of a stock certificate of a corporation to a bona fide purchaser or pledgee for value, together with a written transfer of the same, or a written power of attorney to sell, assign and transfer the same, signed by the owner of the certificate, shall be a sufficient delivery to transfer the title as against the creditors of the transferor and subsequent purchasers; but no such transfer shall affect the right of the corporation to pay any dividend due upon the stock, or treat the holder of record as the holder in fact, until such transfer is recorded upon the books of the corporation, or a new certificate is issued to the person to whom it has been transferred. [Act approved March 7, 1907.] (10th Sess. Chap. 143.)

3856. (§ 473.) *Same by married woman, and dividends.*—Shares of stock in corporations held or owned by a married woman may be transferred by her, her agent, or attorney, without the signature of her husband, in the same manner as if such married woman were a feme sole. All dividends payable upon any shares of stock of a corporation held by a married woman may be paid to such married woman, her agent or attorney, in the same manner as if she were unmarried, and it is not necessary for her husband to join in a receipt therefor; and any proxy or power given by a married woman touching any shares of stock of any corporation owned by her is valid and binding without the signature of her husband, the same as if she were unmarried.

3857. (§ 474.) *Non-resident stockholders, and bonds.*—When the shares of stock in a corporation are owned by persons residing out of the state, the president, secretary, or directors of the corporation, before entering any transfer of the shares on its books, or issuing a certificate therefor to the transferee, may require from the attorney or agent of the non-resident owner, or from the person claiming under the transfer, an affidavit or other evidence that the non-resident owner was alive at the date of the transfer, and if such affidavit or other satisfactory evidence be not furnished, may require from the attorney, agent, or claimant a bond of indemnity, with two sureties, satisfactory to the

officers of the corporation, or, if not so satisfactory, then one approved by the judge of the district court of the county in which the principal office of the corporation is situated, conditioned to protect the corporation against any liability to the legal representatives of the owner of the shares, in case of his or her death before the transfer; and if such affidavit or other evidence or bond be not furnished when required, as herein provided, neither the corporation nor any officer thereof, shall be liable for refusing to enter the transfer on the books of the corporation.

3858. (§ 475.) *Five per cent. of stock may demand statement.*—Whenever any person or persons owning five per cent, of the capital stock of any corporation, shall present a written request to the treasurer thereof that they desire a statement of the affairs of such corporation, it shall be the duty of such treasurer to make a statement of the affairs of the corporation, under oath, embracing a particular account of all its assets and liabilities in minute detail, and to deliver such statement to the persons who presented the said written request to said treasurer within twenty days after such presentation, and shall also, at the same time, place and keep on file in his office for six months thereafter a copy of such statement, which shall, at all times during business hours, be exhibited to any stockholder or said corporation demanding an examination thereof; such treasurer, however, shall not be required to deliver such statement in the manner aforesaid oftener than once in six months. If such treasurer shall neglect or refuse to comply with any provisions of this chapter, he shall forfeit and pay to the person presenting said request the sum of fifty dollars, and the further sum of ten dollars for every twenty-four hours thereafter until such statement shall be furnished, to be sued for and recovered in any court having cognizance thereof.

3859. (§ 476.) *Loan to stockholders.*—No loan of money shall be made by any corporation to any stockholder therein, and if such loan be made to a stockholder, the officer who shall make it, or who shall assent thereto, shall be jointly and severally liable to the extent of such loan and interest, for all the debts of the corporation contracted before the repayment of the sum loaned.

3860. *Stock certificate may be issued to bearer.*—Any corporation now existing or hereafter created or organized under or by virtue of the laws of the State of Montana and having a capital stock non-assessable and fully paid within the meaning of the laws of this State, and whose object or purpose, in whole or in part, is to carry on the business of mining within this State, shall have the power to and may, by a vote of its stockholders, holding at least three-fourths of its capital stock, authorize or

provide for the transfer and issue of certificates of stock which shall entitle the holder or bearer to the ownership of the same upon delivery and without transfer by endorsement or on the books of such corporation, subject, however, to the by-laws of the corporation and the provisions of this Act, but no such transfer or issue shall be made except upon surrender and cancellation of the certificate or certificates so to be transferred; and all bearer certificates so issued shall be delivered to and receipted for on the books of the Company, by the stockholder or his authorized agent at whose request such transfers shall be made; and thereafter, so far as the corporation is concerned, the bearer of any such bearer certificate shall for all purposes except that of holding office, be deemed a stockholder of the Company, owning and holding the number of shares of its capital stock represented by such bearer certificate, and the stock or shares thereby represented shall be listed to bearer on the list of stockholders and other books of the Company. [*Act approved March 8th, 1897, § 1. (5th Sess. 69.)*]

3861. *Foreign registry. Proxy.*—Any corporation which shall have issued bearer certificates may establish agencies in other States and in foreign countries whereat holders or bearers of bearer certificates may, under such regulations as the corporation shall prescribe, register and deposit their bearer certificates of stock for voting purposes. Such corporation shall have the right to appoint and prescribe the duties of, fix the compensation and remove at pleasure its agent or agents at such agencies, and also to establish rules and regulations for registering and depositing bearer certificates of stock, and may at any time close up or terminate any such agency. Whenever at any meeting of the stockholders of such corporation for election or other purposes any such agent shall certify to the corporation in such manner as it may prescribe, that there is registered and deposited with him, to be held by him until after the meeting for which such registration and deposit shall have been made, a bearer certificate or certificates describing each by its face number, number of shares represented and date of issue, and stating when and by whom deposited, the person who shall have made such deposit, may, in writing attested by such agent, appoint some suitable person to represent him at such meeting as his proxy and there vote the shares of stock represented by his said bearer certificate or certificates so deposited; and thereupon the person to whom such proxy shall have been given may vote the shares of stock represented by such bearer certificate or certificates in all matters and things upon which votes are cast or had at such meeting. [*Act approved March 8th, 1897, § 2. (5th Sess. 69-70.)*]

3862. *Notice of meetings waived.*—It shall not be necessary for the corporation or its officers or trustees or directors to give

any personal notice or notice by mail to holders or bearers of such bearer certificates of any meeting of stockholders for the purpose of electing trustees or directors, or for any other purpose or of any action taken or proposed to be taken by such corporation or its stockholders or its trustees or its directors at any meeting, but such notice may, in every case, be given to such holders or bearers of bearer certificates by publication in a newspaper as now provided by law and shall be valid and binding. Every holder of a bearer certificate shall be held to have waived any notice of any stockholders meeting for any purpose, or of any action or proposed action of the corporation or its stockholders or trustees or directors except by publication in some newspaper when it is required by law. [*Act approved March 8th, 1897, § 3.*] (5th Sess. 70.)

3863. *Bearer may vote.*—Except as herein provided stock or shares of stock represented by a bearer certificate can only be voted or represented by actual production of such bearer certificate at the time of voting or representation and by the bearer thereof. In all cases the actual production of a bearer certificate shall, so far as the corporation is concerned be conclusive evidence of the bearer's right to vote or represent the shares it represents. [*Act approved March 8th, 1897, § 4.*] (5th Sess. 70.)

3864. *Dividends payable to bearer.*—Dividends to holders of bearer certificates shall only be paid to the bearers thereof upon production of such certificates, except where such certificates of stock have attached to them dividend coupons payable to bearer, in which case dividends may be paid to the bearer of the proper dividend coupon upon its presentation and surrender without the production of the certificate to which such dividend coupons belonged. [*Act approved March 8th, 1897, § 5.*] (5th Sess. 70-1.)

3865. *Bearer certificates convertible into registered certificates.*—Bearer certificates may at any time be converted into registered certificates such as are now provided for by law, upon the request of the bearer of such bearer certificates and the surrender of such bearer certificates to the corporation and the cancellation thereof; and registered certificates may also be converted and exchanged for bearer certificates at the request of the owners of such registered certificates and the surrender and cancellation thereof. [*Act approved March 8th, 1897, § 6.*] (5th Sess. 71.)

3866. *Corporation may adopt necessary by-laws.*—The corporation may do all acts and adopt all by-laws and resolutions necessary or proper to carry into effect the powers herein granted and to provide for details in the exercise thereof, subject, however, to the provisions of this Act. 3868. (§ 491.) *Limitation.*—No one assessment must exceed five per cent. of the amount of the capital stock named in the articles of incorporation, except that if the whole capital stock of a corporation has not been paid up and the corporation is unable to meet its liabilities or to satisfy the claims of its creditors, the assessment may be for the full amount unpaid upon the capital stock; or, if a less amount is sufficient, then it may be for such a percentage as will raise that amount.

Pacific Co. v. Coon, 107 Cal. 450; 40 Pac. 542.

3869. (§ 492.) *Levy of assessment; unpaid assessment.*—No assessment must be levied while any portion of a previous one remains unpaid, unless—

1. The power of the corporation has been exercised in accordance with the provisions of this article for the purpose of collecting such previous assessment.

2. The collection of the previous assessment has been enjoined; or,

3. The assessment falls within the provisions of § 3868 (491).

3870. (§ 493.) *Contents of order for assessment.*—Every order levying an assessment must specify the amount thereof, when, to whom, and where payable, fix a day subsequent to the full term of publication of the assessment notice, on which the unpaid assessment shall be delinquent, not less than thirty nor more than sixty days from the time of making the order levying the assessment, and a day for the sale of delinquent stock, not less than fifteen nor more than sixty days from the day the stock is declared delinquent.

San Bernardino Co. v. Merrill, 108 Cal. 493; 41 Pac. 487.

3871. (§ 494.) *Notice of assessment, form.*—Upon the making of the order, the secretary shall cause to be published a notice thereof, in the following form:

(Name of corporation in full. Location of the principal place of business.) Notice is hereby given, that at a meeting of the directors, held on the (date), an assessment of (amount) per share was levied upon the capital stock of the corporation, payable (when, to whom, and where). Any stock upon which the assessment shall remain unpaid on the (day fixed) will be delinquent and advertised for sale at public auction, and, unless payment is made before, will be sold on the (day appointed), to pay the delinquent assessment, together with costs of advertising and expenses of sale.

(Signature of secretary, with location of office.)

San Joaquin Co. v. Beecher, 101 Cal. 81; 35 Pac. 349.

3872. (§ 495.) *Publication and service.*—The notice must be personally served upon each stockholder, or, in lieu of personal service, must be sent within ten days after the assessment through the mail, addressed to each stockholder at his place of residence, if known, and if not known, at the place where the principal office of the corporation is situated, and be published once a week, for four successive weeks, in some newspaper of general circulation and devoted to the publication of general news at the place designated in the articles of incorporation as the principal place of business, and also in some newspaper published in the county in which the works of the corporation are situated, if a paper be published therein. If the works of the corporation are not within a state or territory of the United States, publication in a paper of the place where they are situated is not necessary. If there be no newspaper published at the place designated as the principal place of business of the corporation, then the publication must be made in some other newspaper of the county, if there be one, and if there be none, then in a newspaper published in an adjoining county.

3873. (§ 496.) *Delinquent notice, form.*—If any portion of the assessment mentioned in the notice remains, unpaid on the days specified therein for declaring the stock delinquent, the secretary, unless otherwise ordered by the board of directors, shall cause to be published in the same papers in which the notice hereinbefore provided for shall have been published, a notice substantially in the following form:

(Name in full. Location of principal place of business.)
Notice.—There is delinquent upon the following described stock, on account of assessment levied on the (date), (and assessments levied previous thereto, if any), the several amounts set opposite the names of respective shareholders as follows: (Names, number of certificate, number of shares, amounts), and in accordance with law (and an order of the board of directors, made on the (date), if such order shall have been made), so many shares of each parcel of stock as may be necessary, will be sold at the (particular place), on the (date), at (the hour) of such day, to pay delinquent assessments thereon, together with costs of advertising and expenses of sale.

(Name of secretary, with location of office.)

Stockton Works v. Houser, 109 Cal. 8; 41 Pac. 809.

3874. (§ 497.) *Contents of notice.*—The notice must specify every certificate of stock, the number of shares it represents, and the amount due thereon, except where certificates may not have been issued to parties entitled thereto, in which case the number of shares and amount due thereon, together with the fact that the certificates for such shares have not been issued, must be stated.

3875. (§ 498.) *How published.*—The notice, when published in a daily paper, must be published for ten days, excluding Sundays and holidays, previous to the day of sale. When published in a weekly paper, it must be published in each for two weeks previous to the day of sale. The first publication of all delinquent sales must be at least fifteen days prior to the day of sale.

San Bernardino Co. v. Merrill, 108 Cal. 493; 41 Pac. 487.

3876. (§ 499.) *Jurisdiction acquired, how.*—By the publication of the notice the corporation acquires jurisdiction to sell and convey a perfect title to all of the stock described in the notice of sale upon which any portion of the assessment or costs of advertising remains unpaid at the hour appointed for the sale, but must sell no more of such stock than is necessary to pay the assessment due and costs of sale.

3877. (§ 500.) *Sale to be at public auction.*—On the day, at the place, and at the time appointed in the notice of sale, the secretary must, unless otherwise ordered by the board of directors, sell or cause to be sold at public auction, to the highest bidder for

cash, so many shares of each parcel of the described stock as may be necessary to pay the assessment and charges thereon, according to the terms of sale; if payment is made before the time fixed for sale, the party paying is only required to pay the actual cost of advertising in addition to the assessment.

3878. (§ 501.) *Highest bidder to be purchaser.*—The person offering at such sale to pay the assessment and costs for the smallest number of shares or fraction of a share is the highest bidder, and the stock purchased must be transferred to him on the stock books of the corporation on payment of the assessment and costs.

3879. (§ 502.) *Corporation may purchase in default of bidder.*—If, at the sale of stock, no bidder offers the amount of the assessments and costs and charges due, the same may be bid in and purchased by the corporation through the president, secretary, or any director thereof, at the amount of the assessments, costs and charges due; and the amount of the assessments, costs and charges must be credited as paid in full on the books of the corporation, and entry of the transfer of the stock to the corporation must be made on the books thereof. While the stock remains the property of the corporation it is not assessable, nor must any dividends be declared thereon; but all assessments and dividends must be apportioned upon the stock held by the stockholders of the corporation.

3880. (§ 503.) *Disposition of stock purchased by corporation.*—All purchases of its own stock made by any corporation vest the legal title to the same in the corporation and the stock so purchased is held subject to the control of the stockholders, who may make such disposition of the same as they deem fit, in accordance with the by-laws of the corporation or vote of a majority of all the remaining shares. Whenever any portion of the capital stock of a corporation is held by the corporation by purchase, a majority of the remaining shares is a majority of the stock for all purposes of election or voting on any question at a stockholders' meeting.

Market R. Co. v. Hellman, 109 Cal. 588; 42 Pac. 225.

3881. (§ 504.) *Extension of time of delinquent sale.*—The dates fixed in any notice of assessment or notice of delinquent sale, published according to the provisions hereof, may be extended from time to time for not more than thirty days, by order of the directors, entered on the records of the corporation; but no order extending the time for the performance of any act specified in any notice is effectual unless notice of such extension or postponement is appended to and published with the notice to which the order relates.

3882. (§ 505.) *Assessment shall not be invalidated.*—No assessment is invalidated by a failure to make publication of the

notices hereinbefore provided for, nor by the non-performance of any act required in order to enforce the payment of the same; but in case of any substantial error or omission in the course of proceedings for collection, all previous proceedings, except the levying of the assessment, are void, and publication must begin anew.

San Bernardino Co. v. Merrill, 108 Cal. 495; 41 Pac. 487.

3883. (§ 506.) *Action for recovery of stock, limitation.*—No action must be sustained to recover stock sold for delinquent assessments, upon the ground of irregularity or defect of the notice of sale, or defect or irregularity in the sale, unless the party seeking to maintain such action first pays or tenders to the corporation, or the party holding the stock sold, the sum for which the same was sold, together with all subsequent assessments which may have been paid thereon and interest on such sums from the time they were paid; and no such action must be sustained unless the same is commenced by the filing of a complaint and the issuing of a summons thereon within six months after such sale was made.

Herbert Bank v. Orland Bank. 133 Cal. 66; 65 Pac. 143.

3884. (§ 507.) *Affidavits to be filed.*—The publication of notice required by this article must be proved by the affidavit of the printer, foreman, or principal clerk of the newspaper in which the same was published; and the affidavit of the secretary or auctioneer is prima facie evidence of the facts therein stated. Certificates signed by the secretary, and under the seal of the corporation, are prima facie evidence of the contents thereof.

3885. (§ 508.) *Waiver of sale.*—On the day specified for declaring the stock delinquent, or at any time subsequent thereto and before the sale of the delinquent stock, the board of directors may elect to waive further proceedings under this chapter for the collection of delinquent assessments, or any part or portion thereof, and may elect to proceed by action to recover the amount of the assessment and the costs and expenses already incurred, or any part or portion thereof.

Turner v. Fidelity L. Co. 2 Cal. App. 136; 83 Pac. 62.

3886. (§ 509.) *To what corporations applicable.*—The provisions of this article only apply to such corporations whose articles of incorporation set forth the fact that the stock of such corporation is assessable.

3887. (§ 510.) *Other corporations may make stock assessable.*—Any corporation whose capital stock is not assessable may, with the consent of three-fourths of its stockholders, in writing, spread upon the records of such corporation, make its stock assessable under the provisions of this article. The board of directors of any corporation, where such corporation desires to avail itself of the provisions of this article, shall file and have recorded in the

office of the secretary of state, and of the county clerk of the county where the original articles of incorporation were filed, a certificate, duly acknowledged as provided in cases of articles of incorporation, stating that the stock of such corporation has been made assessable, and thereafter the stock of such corporation shall be liable to assessments, as provided in this article.

3888. (§ 511.) *Stock may be made assessable.*—Any corporation heretofore formed under the laws of this state, may, by and with the consent of the stockholders holding two-thirds of the stock of the company, in writing, spread upon the records of such corporation, render its stock assessable, under the provisions of this chapter. The board of trustees of any corporation heretofore formed under the laws of this state, where such corporation desires to avail itself of the provisions of this chapter, shall file and have recorded in the office of the secretary of state and of the county clerk and recorder, where the original articles of incorporation were filed, a certificate, duly acknowledged as provided in cases of articles of incorporation, stating that the stock has been rendered assessable, and thereafter the stock of such corporation shall be liable to assessments, as provided in this chapter. Isom v. Rex Co., 147 Cal. 666; 82 Pa. c. 319.

3897. *Corporation may sell all of its property; procedure.—*

That the Board of Directors or Trustees of any stock corporation organized under the laws of either the Territory or State of Montana, whether before or after the passage of this Act and whether the same is solvent or insolvent, or whether it is a going or prosperous concern or otherwise, shall have power, and upon request of stockholders of the corporation representing at least one-half of the outstanding capital stock, and of record on the books of the company, it shall be their duty to call, by resolution, a meeting of the stockholders of such corporation, appearing as such upon the books of the corporation, for the purpose of considering the question of selling, or disposing of the whole or any part of the property and assets of every kind and description of such corporation. Such meeting shall be held at the principal office or place of business of such corporation, and at least thirty days previous notice of the time and place of such meeting shall be given to each person who appears as a stockholder upon the books of the corporation. The secretary of the corporation shall make out and deposit in the United States Post Office, postage paid, a notice of such meeting, directed to each stockholder of record of the corporation by his name and to his place of residence appearing on said records, and shall make and file this affidavit of such deposit. Such notice shall be considered as given upon the deposit of the same in the Post Office, as above required, and it shall state the time and place of meeting and that the meeting is to consider and decide upon the question of disposing of, or selling the whole or any part of the property of said corporation. If such meeting is called for the purpose of selling, or disposing of the whole of the property of the corporation, the notice shall so state, but if it is for the purpose of selling or otherwise disposing of only a part of the property of the corporation, the notice shall so state and describe generally what part it is. A similar notice shall also be published, at least once a week for at least four successive weeks preceding the day of the stockholders' meeting, in some newspaper of general circulation

published at or near the office or principal place of business of such corporation, or if there is no newspaper published in said place, then the nearest place thereto where a newspaper is published, and said publication shall be proven by affidavit of the publisher or clerk of such newspaper, filed with the Secretary of such corporation. Upon the day appointed for said meeting, if stockholders representing at least two-thirds of the whole number of shares of the capital stock of the corporation then outstanding and of record on the books of the company, appear in person or by agents or proxies filed with the secretary, the stockholders shall organize by electing one of their number chairman and some suitable person secretary. Thereupon, any proposition for the sale or disposition of the whole or any part of the property or assets of the corporation, of every kind or description, may be considered and acted upon by said meeting, and if stockholders representing at least two-thirds of the whole number of shares of the capital stock of said corporation then outstanding, and of record on the books of the company, appearing at said meeting in person or by agents or proxies as above provided, vote in favor of any such proposition, whether proposed by the directors or trustees or not, as the stockholders may see fit, which proposition shall be in the form of a resolution specifying the particulars thereof and entered on the minutes of said stockholders' meeting, the said proposition or resolution shall be taken and adopted as the act of the corporation and shall be carried out as such and shall be approved and adopted by the Board of Directors or Trustees. The secretary of such meeting shall enter upon the minutes of said stockholders' meeting the number of shares voted for or against the proposition or resolution, and by whom voted, and stockholders voting against said proposition or resolution shall be taken as dissenting therefrom. Upon the adoption of any proposition or resolution such as above referred to, by the stockholders' meeting, the secretary of the meeting shall make out a true and complete copy of the minutes of the Stockholders' meeting, which shall be signed by the chairman of such meeting and attested by said secretary and verified by them and acknowledged as required in the case of the conveyance of real estate, and shall file the same for record in the office of the county clerk and recorder of the county wherein the principal office or place of business of such corporation is situated, and also in the office of the county clerk and recorder of any other counties wherein any of the real property included in the proposition or resolution adopted by said stockholders' meeting is situated, and said record shall impart notice and have the same effect as other instruments required by law to be recorded, and such copies so filed and recorded, or the record thereof, or the certified copy of such record, shall be prima facie evidence of the matters and facts therein

stated, and thereupon, and upon the adoption and approval by the Board of Directors or Trustees of the corporation of such proposition or resolution, the corporation and its officers shall have full power and authority to do all acts and to execute all conveyances or their instruments in writing which are necessary or proper to carry out the said proposition or resolution, and the sale, or conveyance of the whole or any part of the property of said corporation authorized by said proposition or resolution, shall thereupon take effect and have the same force as if all the stockholders of the corporation had consented thereto. *Provided*, that nothing contained in this Act shall be deemed to limit or restrict the powers of the Board of Directors or Trustees of such corporations in relation to the disposition of property or the conduct of business. *Provided further*, that this Act shall not be so construed as to effect any cases now pending in the courts of this state or of the United States. [Act approved March 7, 1905.] (9th Sess. Chap. 103.)

3898. *Dissolution*.—If a disposition shall be made by sale, as above provided of the whole of the property of such corporation, the corporation shall thereby be dissolved, and its affairs shall be wound up, as provided for in other cases of the dissolution of corporations. [Act approved March 7, 1905, § 2.] (9th Sess. Chap. 103.)

3899. *Rights of dissenting stockholders*.—Any stockholder who shall not, at said stockholders' meeting, have voted for or authorized the proposition or resolution for the disposition of property which may have been adopted at such stockholders' meeting may, within twenty days after the date of the stockholders' meeting, give written notice to the said corporation that he does not assent thereto and also a like notice to the grantee or vendee, or any agent or representative of such grantee or vendee; *provided*, that such grantee or vendee, or agent or representative of such grantee or vendee be within the state, and demand payment of the value of his stock, and within ten days after service of said notice he must, or the said corporation, or its grantee or vendee, may, make application in the district court of the county where the principal place of business of the corporation is situated to have the value of his stock fixed and appraised, of which application at least ten days previous notice must be given by the person so applying to the other parties. The notices hereinbefore provided for may be served in the manner provided by law for the service of summons in cases in the district court. Upon said application, the said district court shall appoint three competent and disinterested persons as appraisers, and designate the time and place of their first meeting to appraise the value of the stock of such dissenting stockholders, and give them such directions as the said court may think proper. The court may fill any vacancies in the board of

appraisers, occurring by refusal or neglect to serve, or otherwise. Said appraisers shall meet at the time and place designated by the court, and they or any two of them shall take an oath to honestly and faithfully discharge their duties, and shall hear and take evidence in relation to the value of the stock of such dissenting stockholder at the time of his dissent and find the value thereof, and return and file their report and appraisal with the clerk of said court. The charges and expenses of said appraisal shall be paid by the corporation or its grantee or vendee. [*Act approved March 7, 1895, § 3.*] (*9th Sess. Chap. 103.*)

3900. *Appeal from appraisal.*—Either party to the appraisal and award of such appraisers may, within thirty days from the filing of the same and service of notice thereof, appeal from such award to the district court of the county in which the same is made and filed, and thereupon the value of such stock shall be re-assessed by a jury in the same manner as appeals are taken and trials had on appeals from the assessment of commissioners in condemnation proceedings provided by law. When such appraisal or award shall become final, the court shall enter judgment in favor of such dissenting stockholders and against the corporation and its grantee or vendee for the amount of said award, with expenses and costs of proceedings and execution may be issued on said judgment as in other cases. The judgment may also provide for the sale of the property affected by the lien hereinafter provided for. The claim of such dissenting stockholder for compensation and costs, as aforesaid, and the appraisal and award and judgment thereon shall be and remain a lien upon all the real property of the corporation so conveyed or disposed of in pursuance of the stockholders' resolution, and shall be prior and superior to the rights of the grantee or vendee to all such property; but the claims of all dissenting stockholders for compensation and their several appraisements, awards and judgment, shall be equal liens upon said property, without precedence or priority between themselves. When the amount of such appraisements and costs shall have been paid to or collected by such dissenting stockholder or deposited with the clerk of the said court for him, he shall cease to have any interest in said stock or in the corporate property of such corporation which may have been sold or disposed of in pursuance of the resolution of the stockholders' meeting as herein provided, and the stock of such dissenting stockholders shall thereupon become the property of the party satisfying the said judgment or appraisal unless otherwise provided for by contract between such corporation and its grantee. [*Act approved March 7, 1905, § 4.*] (*9th Sess. Chap. 103.*)

3901. *Not to affect mining statute.*—Nothing in this Act shall be deemed to limit or effect anything contained in the act of the

sixth session of the Legislative Assembly, entitled House Bill No. 132: "An Act to enlarge the powers of mining corporations to dispose of, sell, lease, mortgage, exchange, or otherwise convey, all or any part of the property of such corporations, and to authorize and empower such corporations to dispose of, sell, lease, mortgage, or otherwise convey, the whole or any part of the property of such corporations, and to protect stockholders dissenting from such actions of such corporations." (Sec. 4409 et seq. *infra*.) [Act approved March 7, 1905, § 5.] (9th Sess. Chap. 103.)

(§ 540.) *Records of what, and how kept.*—All corporations for profit are required to keep a record of all their business transactions; a journal of all meetings of their directors, members, or stockholders, with the time and place of holding the same, whether regular or special, and if special, its object, how authorized, and the notice thereof given. The record must embrace every act done or ordered to be done; who were present, and who absent; and, if requested by any director, member, or stockholder, the time must be noted when he entered the meeting or obtained leave of absence therefrom. Such stock and transfer book must be kept open to the inspection of any stockholder, member or creditor.

Knowles v. Sandercock, 107 Cal. 636; 40 Pac. 1047.

ARTICLE III.

RIGHT TO REPEAL LAWS.

3904. (§ 550.) *Chapter and article may be repealed.*—The Legislative Assembly may at any time amend or repeal this part, or any title, chapter, article, or section thereof, and dissolve all corporations created thereunder; but such amendment or repeal does not, nor does the dissolution of any such corporation take away or impair any remedy given against any such corporation, its stockholders, or officers, for any liability which has been previously incurred.

Allen v. Ajax M. Co., 30 Mont. 504; 77 Pac. 49.

CHAPTER IV.

EXTENSION, AND DISSOLUTION OF CORPORATIONS.

Tore v. Court, 108 Cal. 436; 41 Pac. 477.

3906. (§ 561.) *On dissolution, directors to be trustees for creditors.*—Unless other persons are appointed by the court, the directors of such corporation at the time of its dissolution are trustees of the creditors and stockholders or members of the corporation dissolved, and have full power to settle the affairs of the corporation, and as such trustees are authorized to execute all grants of real estate owned by such corporation.

Ferrell v. Evans, 25 Mont. 454; 65 Pac. 718. A receiver should not be appointed to take charge of a building and loan company, when the directors are acting as trustees to wind up its affairs, after its charter has expired, un-

3907. (§ 562.) *Any corporation may extend its corporate existence, how.*—Every corporation formed for a period less than twenty years may at any time prior to the expiration of the term of its corporate existence extend such term to a period not exceeding twenty years from its formation. And every corporation may

extend the period of its existence for an additional term not exceeding twenty years, after the expiration of the period for which it was formed, as follows: Such extension may be made at any meeting of the stockholders or members called by the directors expressly for considering the subject, if voted by stockholders representing two-thirds of the capital stock, or by two-thirds of the members, or may be made upon the written assent of that number of stockholders or members. A certificate of the proceedings of the meeting upon such vote, or upon such assent, shall be signed by the chairman and secretary of the meeting and a majority of the directors, and be filed in the office of the county clerk where the original articles of incorporation were filed, and a certified copy thereof in the office of the secretary of state, and thereupon the term of the corporation shall be extended for the specified period.

3908. (§ 563.) *Title I. to apply to all corporations with certain exceptions.*—The provisions of this title are applicable to every corporation, unless such corporation is excepted from its operation, or unless a special provision is made in relation thereto inconsistent with some provision in this title, in which case the special provision prevails.

3909. (§ 570.) *Incorporation of bank of discount and deposit.*—Any number of persons, not less than three nor more than thirteen, may associate together to establish a bank of discount and deposit, and become incorporated upon the terms and conditions, and subject to the liabilities prescribed in this title, but the aggregate of the amount of the capital stock of any such corporation shall not be less than twenty thousand dollars. No bank organized under the provisions of this title shall transact any business until its capital stock has been paid into the treasury of such bank in cash, and until a certificate to that effect under oath of the president and cashier is filed in the office of the state auditor, and in the office of the county clerk in the county where such bank is located, nor must any such bank transact any business except as is incidental and necessarily preliminary to its organization until it has been authorized by the state auditor to commence the business of banking, which authorization shall be a certificate under his hand and official seal that such bank has complied with the provisions of this title and is authorized to commence the business of banking. The bank shall cause the certificate and authorization of the state auditor to be published in some newspaper published in the town or county where the corporation is located, for at least four insertions immediately after the issuing thereof.

3910. (§ 571.) *Bank not to purchase its own stock; exception.*—The name of such bank to be used in all its dealings, must not be that of any other incorporated bank in the state. No private bank must use any corporate name, and no bank must be the holder or purchaser of any portion of its own stock or of the capital stock of any other incorporated company unless such purchase shall be necessary to prevent loss upon a debt previously contracted in good faith, on security, which at the time was deemed adequate to insure the payment of such debt, independent of any lien upon such stock; and stock so purchased must in no case be held by the bank so purchasing for a longer period of time than six months, if the same can be sold for what the stock cost, or at par.

3911. (§ 572.) *Powers.*—Such bank when so organized has power to carry on the business of banking by discounting on banking principles upon such securities as the directors or trustees deem expedient; by receiving deposits; by buying or selling the bonds or stock of this state or any other state or territory of

the United States; also the bonds of any county, city, town or school district in this state legally authorized to issue such bonds; gold and silver bullion; foreign coins and bills of exchange; by loaning money on real and personal security, and by exercising such incidental powers as may be necessary to carry on such corporation or business.

3912. (§ 573.) *Directors.*—The stockholders must elect from their number not to exceed thirteen directors, who may choose from their number a president and vice-president, and appoint a cashier, teller, and such other officers and agents as their business may require, and remove such officers at their pleasure and appoint others. The first directors hold their office until the first Monday in January next after their election or appointment, and until their successors are elected and qualified, and all subsequent elections must be held on the first Monday in January of each year. The directors are authorized to adopt such by-laws not in conflict with this part as may be necessary. The directors must be citizens of the United States, and at least three-fourths of them must be residents of the state. Every director must own in his own right at least ten shares of the capital stock of the bank, and any director who ceases to be the owner of at least ten shares or who becomes in any other manner disqualified, thereupon ceases to be a director, and his place must be filled until the next election by the directors. Each director, when appointed or elected, must take an oath that he will, so far as the duties devolve upon him, diligently and honestly administer the affairs of such bank, and will not knowingly violate, or willingly permit to be violated, any of the provisions of this title.

3913. (§ 575.) *Purchase of real estate.*—It is lawful for any such corporation to purchase, hold, or convey real estate as follows:

1. Such as is necessary for the proper transaction of business.
2. Such as is mortgaged to it in good faith by way of security for loans previously made by or moneys due to the corporation.
3. Such as is conveyed to it in satisfaction of debts previously contracted in the course of its business.
4. Such as it purchases at sales under judgments, decrees, or mortgages held by the corporation.

3914. (§ 576.) *Conveyance of real estate.*—Every conveyance of real estate by such corporation must be authorized by the board of directors, and must be made by an instrument under the hand of the president, or vice president and cashier of said bank, with the seal of the corporation affixed thereto, and duly acknowledged by them.

3915. (§ 578.) *Liability of stockholders.*—The officers and stockholders of every banking corporation formed under the provisions of this title are individually liable for all debts contracted

during the term of their being officers or stockholders of such corporation equally and rateably to the extent of their respective shares of stock in any such corporation, except that when any stockholder shall sell and transfer his stock such liability shall cease at the expiration of six months from and after the date of such sale and transfer.

3916. (§ 579.) *Dividends from net earnings.*—No banking corporation shall declare any dividend except from the net earnings after deducting all losses.

3917. (§ 580.) *Book containing names of stockholders.*—Every corporation doing a banking business in this state must keep in its office, in a place accessible to the stockholders, depositors, and creditors thereof, and for their use, a book, containing a list of all stockholders in such corporation, and the number of shares of stock held by each; and every such corporation must keep posted in its office, in a conspicuous place, accessible to the public generally, a notice, signed by the president or secretary, showing:

1. The names of the directors of such corporation.

2. The number and value of shares of stock held by each director. The entries on such book, and such notice, shall be made and posted within twenty-four hours after any transfer of stock, and shall be conclusive evidence against each director and stockholder of the number of shares of stock held by each. The provisions of this section shall apply to all banking corporations, formed or existing before twelve o'clock, noon, of the day on which this code takes effect, as well as to those formed after such time.

3918. (§ 581.) *Increase of capital stock.*—It is lawful for any corporation organized under the provisions of this title, by their by-laws to provide for an increase of their capital stock, but no such increase shall be valid until the whole amount of such increase is paid in cash, and such payment certified under oath by the president or cashier to the state auditor, who shall give his certificate specifying the amount of such increase, with his approval thereof, and that it has been duly paid in as a part of the capital of such bank.

3919. (§ 582.) *Forfeiture of franchise.*—Every bank organized under the provisions of this title which refuses or neglects to comply with the requirements lawfully made upon it for the period of sixty days after demand, shall be deemed to have forfeited its franchise; and any failure on the part of such bank to comply with, or any violation of the provisions of this title, shall work a forfeiture of its franchise; and in either case the attorney general, or the county attorney of the county in which the bank is located, upon demand of the state auditor, shall commence an action for the purpose of annulling the existence of said corporation.

3920. (§ 583.) *Limit of liability.*—The total liability to any bank incorporated under the provisions of this title of any person or any company, corporation or firm, for money borrowed, including in the liabilities of a company or firm, the liabilities of the several members thereof, shall at no time exceed fifteen per cent. of the aggregate amount of the capital stock of such corporation actually paid in and of the permanent surplus fund of such bank; but the discount of bills of exchange drawn in good faith against actually existing values, and the discount of commercial or business paper actually owned by the person negotiating the same, shall not be considered as money borrowed.

3921. *Reserve.*—Each Bank organized under the provisions of this Title must at all times have on hand in available funds, an amount equal at least to twenty per centum of all its immediate liabilities; one half of this amount of available funds must consist of balances due the bank from solvent banks, one half of such sum shall be held in reserve as cash in hand. Immediate liabilities shall include all deposits due individuals, firms or corporations or to banks, and all items in the nature of claims payable on demand. In cash on hand shall be counted specie, legal tender notes, and all bills of solvent Banks. Whenever available funds of any Bank shall be below twenty per centum of its immediate liabilities such corporation shall not decrease its funds by making any new loans, discounts otherwise than by discounting or purchasing bills of exchange payable at sight, nor make any dividends of its profits until the required ratio between its immediate liabilities and its available funds has been restored. Whenever the available funds on hand of any bank shall not equal the amount above provided the State Examiner must notify such Bank to make good such reserve, and if such Bank shall fail to do so within thirty days after such notice, it shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than one hundred dollars nor more than five hundred dollars. [Act approved March 6, 1903.] (8th Sess. Chap. 107.)

3922. (§ 585.) *Taxation.*—Banks incorporated under the provisions of this title shall be taxed as national banks are, the stock to pay its share of the revenue, whether held in the state or not.

[*Act approved March 8, 1893.*]

If the whole amount of deposit notes shall be insufficient to pay the loss, the sufferers insured by the said corporation shall receive toward making good their respective losses a proportionate share of the whole amount of said notes, according to the sums to them respectively insured; but no member shall ever be required to pay for any loss more than the whole amount of his deposit note or notes.

(§ 675.) *Deficiency in mutual companies.*—If upon the examination it appears to the said auditor that the assets of any corporation upon the plan of mutual insurance under this chapter are insufficient to justify the continuance of such corporation in business it is his duty to proceed in relation to such corporation in the same manner as is herein required in regard to joint stock corporations, and the directors of such corporations are hereby made personally liable for any losses which may be sustained upon risks taken after the expiration of the time limited by the auditor for filling up the deficiency in the capital and before such deficiency is made up. Any transfer of the stock of any corporation organized under this chapter, made during the pending of any investigation herein required does not release the party making the transfer from his liability for losses which may have accrued previous to such transfer.

4068. (§ 676.) *Certificate of authority may be revoked.*—The state auditor is authorized to examine into the condition and affairs of any insurance company, as provided for in this chapter, doing business in this state, not organized under the laws of this state, or cause such examination to be made by some person or persons appointed by him, having no interest in any insurance corporation, and whenever it appears to the satisfaction of said auditor that the affairs of any such company are in an unsound condition, he must revoke the certificate granted in its behalf, and must cause the notice of the revocation thereof to be pub-

lished in some newspaper of general circulation at the state capital, and the agent or agents of such companies are, after such notice, required to discontinue the issuing of any policy or the renewal of any previously issued.

4069. (§ 677.) *Deposits of security for policies.*—Whenever the existing or future laws of any other state or territory of the United States require of insurance corporations, incorporated by or organized under the laws of this state, having agencies in such other state or territory, or of the agents thereof, any deposit of securities in such state or territory for the protection of policy holders or otherwise, or any payment for taxes, fines, penalties, certificates of authority, license fees, or otherwise, greater than the amount required for such purposes from similar companies of other states or territories by the existing laws of this state, then, and in every such case, all companies of such states or territories establishing, or having heretofore established, any agency or agencies in this state, are required to make the same deposit for a like purpose with the auditor of this state, and to pay said auditor for taxes, fines, penalties, certificates of authority, license fees, or otherwise, an amount equal to the amount of such charges and payments imposed upon or required by the laws of such state or territory of the companies of this state or the agents thereof.

4070. (§ 678.) *Publication of report and certificate.*—It is the duty of every insurance corporation or company of the kind authorized to do and doing business in this state, organized under the laws of this state, or of any other state, territory or country, to publish once, annually, in two newspapers of general circulation, one of which is published at the capital of the state, and in case of corporations organized in the state, one of which is published in the county where the principal office is located, a certificate from the state auditor that such company or corporation has in all respects complied with the laws of this state relating to insurance.

State v. Rotwitt, 17 Mont. 51; 41 Pac. 1007.

4071. (§ 679.) *Expenses of examination.*—The necessary expenditure for any examination made, or ordered to be made, by the state auditor under this chapter, must be certified by him and paid on his requisition by the corporation or company, which is the subject of such examination, but the state auditor has the power upon receiving information that the capital of any corporation or company is impaired, to call upon it for a full statement of its condition, and in event of refusal or neglect to answer the requisition of the auditor, as aforesaid, he must proceed to make the examination required by this chapter, and to take the necessary action to terminate the business of said corporation or company in this state.

4072. (§ 680.) *Auditor to furnish printed forms.*—It is the duty of the state auditor to cause to be prepared and to furnish to each of the corporations organized under the laws of this state, and to attorneys or agents of companies incorporated by other states or territories and foreign governments, who may apply for the same, printed forms of statements required by this chapter, and he may, from time to time, make such changes in the form of these statements as are best adapted to elicit from the corporations or companies a true exhibit of their condition in respect to the several matters hereinbefore enumerated.

M. I. Co. v. Winne, 20 Mont. 36; 49 Pac. 451.

N. W. I. Co. v. L. & C. Co., 28 Mont. 489; 72 Pac. 982. This section applies to a domestic and foreign mutual life insurance company and was not repealed by the act approved March 4, 1897 (page 76). This section does not interfere with interstate commerce. The last sen-

tence, "Insurance companies and corporations are subject to no other taxation under the laws of this state, except taxes on real estate and the fees imposed by law," is unconstitutional, but the remainder of the section is valid.

State v. Cudahy P. Co., 33 Mont. 190; 82 Pac. 836.

4073. (§ 681.) *Taxation.*—Each and every insurance corporation or company transacting business in this state must be taxed upon the excess of premiums received over losses and ordinary expenses incurred within the state during the year previous to the year of listing in the county where the agent conducts the business, properly proportioned by the corporation or company at the same rate that all other personal property is taxed, and the agent shall render the list, and be personally liable for the tax; and if he refuse to render the list or to make affidavit that the same is correct, to the best of his knowledge and belief, the amount may be assessed according to the best knowledge and discretion of the assessor. Insurance companies and corporations are subject to no other taxation under the laws of this state, except taxes on real estate and the fees imposed by law.

4074. (§ 682.) *Stock plan and mutual plan.*—It is unlawful for any corporation organized upon the mutual plan to do business and take risks upon the stock plan, or for a corporation organized as a stock corporation to do business upon the plan of mutual insurance.

4075. (§ 683.) *Mutual benefit companies not prohibited.*—Nothing in this chapter must be so construed as to prevent any number of persons, not exceeding two hundred, from making mutual pledges, and giving valid obligations to each other, for their own insurance from loss by fire or death; but such association of persons must in no case insure any property not owned and occupied by one of their number; and no life except that of one of their own number; nor are the provisions of this chapter applicable to such associations or companies. But such associations or companies must not pay any salaries or compensation to officers, agents, or other employes, or receive premiums, or make dividends.

Such fund when so set apart and so invested, with the increase thereof, belongs to such corporation and not to the directors or officers thereof; and must be used only for mortuary benefits, without assessment, or applied in payment of future assessments, or otherwise used for the promotion of the object or objects for which such fund is specially provided and set

apart, and such use shall not be deemed or continued to mean a profit received by members within the meaning of the statutes of this state.

4152. (§ 706.) *Statement to auditor.*—Corporations organized under the provisions of this chapter or that have heretofore been organized within this state or territory of Montana for the purpose of furnishing life, accident or permanent disability, indemnity or mortuary benefit on the assessment plan, in accordance with the provisions of § 4146 (700) of this chapter, are not insurance corporations and are not subject to the laws of this state relating thereto, but must comply with and conform to all the requirements and provisions of this chapter; and must, by their president and secretary, or like officers, make to the state auditor annually, on or before the first day of December, a statement, under oath, for the preceding year upon blanks furnished by the state auditor, which statement must show their financial condition, assets, liabilities, total amount of indemnity in force, number of members, number whose membership has terminated during the year, and cause thereof, total receipts and sources thereof, total expenditures and objects thereof, and the average amount paid on each certificate, and must pay into the treasury of the state, upon filing said certificate, a fee of twenty-five dollars, and the said auditor must publish said statement in his annual report. (§ 707.) *Auditor may employ experts.*—The state auditor has authority to appoint an expert to verify the statements aforesaid by examination of the books and papers of the corporation, and make such other examination as he may deem necessary. The expense of such examination must be paid by the corporation having its books examined, and must not exceed the necessary traveling and hotel expenses of said expert, and reasonable compensation of said expert while engaged in such examination.

4154. (§ 708.) *Auditor to examine into financial condition.*—The state auditor must, at the request of any corporation doing business under the provisions of this chapter in this state on the assessment plan, make an examination of such corporation, and furnish a certificate of the results of such examination, showing all its assets and how invested, and such other particulars as are

4156. (710.) *License to foreign corporations.*—Any corporation, association, or society, organized under the laws of any other state, territory or government, for the purpose of furnishing life, accident, or permanent disability indemnity upon the assessment plan, where benefits are paid to such as have an insurable interest only, complying with the provisions of this chapter, so far as applicable, and showing that it has deposited with the proper authorities or department of the territory, or state, or government under which it is incorporated, not less than fifty thousand dollars as a guarantee fund for the security of its members, may be licensed by the state auditor upon payment into the state treasury of a fee of one hundred dollars, to do business in this state, *provided* such corporation first deposits with the said auditor a certified copy of its charter or articles of incorporation, a copy of the statement of business for the preceding year, sworn

4157. (§ 711.) *Duty of auditor.*—Every such corporation, association or society must pay into the treasury of the state, upon filing each annual statement, a fee of twenty-five dollars. and in the event of its failure to make such statement on or before the first day of December of each year, the state auditor must revoke its license, and thereafter, or until such annual statement is made, it must not do business in this state. When the state auditor has reason to doubt the solvency of any foreign corporation, association or society acting under the provisions of this chapter, and when he is not fully satisfied with the certificate of the insurance commissioner, or other like officer, of the state, territory or government, of its organization, he may make an examination, as provided in this chapter for the examination of corporations organized in this state; and if he find that it has made fraudulent or untrue statements, or that it is conducting its business in an irregular or illegal manner; or if it appears that any such corporation in this state is conducting its business fraudulently, or is not in good faith carrying out its contracts with its members in this state, he must report the same to the attorney general, who must thereupon commence proceedings against such corporation or association, requiring it to show why its license to do business in this state should not be revoked.

[Act approved March 8, 1893.]

4159. (§ 721.) *Corporations subject to this act.*—Any corporation, association or society, which issues any certificate, policy, or other contract whereby upon the death or other physical disability of the assured thereunder resulting from accidental injuries, any benefit is to accrue to the assured or to his legal representatives or to the beneficiaries designated by him, which benefit, the accumulation of reserve or emergency funds and the expenses of the management and prosecution of the business, are provided for by payments to be made, either at periods named in the contract or upon assessment as required by persons holding similar contracts, and where in the assured's liability to contribute to the payments of benefits accrued or to accrue is not limited to a fixed sum, shall be deemed to be engaged in the business of accident insurance upon the assessment plan, and the business involving the issuance of such contracts shall be carried on in this state only by duly organized and authorized corporations, which shall be subject only to the provisions and requirements of this act. Nothing contained in this act shall be construed to apply to secret or fraternal societies, lodges, or councils now doing business in this state, which conduct their business and secure members on the lodge system exclusively, having ritualistic work and ceremonies in their societies, lodges, or councils, and which are under the supervision of a grand or supreme body, nor to any association organized solely for benevolent purposes and not for profit, and which do not employ paid agents in soliciting business. [*Act approved March 8, 1893.*]

4160. (§ 722.) *Reincorporation of existing companies.*—Any existing domestic corporation, transacting the business of accident insurance upon the assessment plan, may re-incorporate under the provisions of this act, under its existing corporate name, by filing with the secretary of state the declaration required by this act, signed and duly acknowledged by a majority of its board of directors, with a statement in like manner signed and acknowledged by them that such corporation has accumulated the fund required by this act of corporations formed hereunder, and that the same is deposited in bank or trust company, to the credit of the indemnity fund, to be held in trust for the benefit of the assured or their beneficiaries, and the certificate of the attorney general of the state, whereupon the secretary of state shall record and deliver to such corporation a certified copy of such declaration and of such certificate, together with his license to transact business, and upon filing the same in the office of the clerk of the county wherein its principal office is located, the same shall thereupon be deemed to be incorporated under the provisions of this act. It shall not be obligatory upon any such existing corporation to reincorporate hereunder, and any such domestic corporation may continue to exercise all the rights, powers

and privileges not inconsistent with this act pursuant to its articles of association or incorporation, the same as if reincorporated under this act. [*Act approved March 8, 1893.*]

4161. (§ 723.) *Payment of maximum amount of policy.*—Every policy or certificate hereafter issued by any corporation doing business under this act and promising a payment to be made upon a contingency of death or disablement by accident, shall specify the sum of money which it promises to pay upon the happening of each contingency insured against, and the number of days, after satisfactory proof of the happening of such contingency on which payment shall be made. Upon the occurrence of such contingency, unless the contract shall have been voided by fraud or by breach of its conditions, the corporation shall be obligated to the insured or his beneficiaries for such payment at the time and to the maximum amount specified in the policy or certificate for such contingency. If the state auditor shall be satisfied upon investigation that any such corporation has refused or failed to make such payment for thirty days after it became due, and after proper demand, he shall notify the corporation to issue no new policies or certificates until such indebtedness is fully paid, and no officer or agent of the corporation shall make, sign or issue any policy or certificate of insurance when such notice is in force. Such fund may be held in cash, or invested in the same class of securities required by law for the investment of funds by insurance corporations; and nothing herein contained shall prevent the creation and accumulation of other funds in excess of the amount herein required to provide for the purposes of such corporation.

This act shall not be construed to limit the accumulation of a reserve or emergency fund by any corporation, association or society subject to the provisions hereof, where such fund and its accretions are for the benefit or protection of the assured, their legal representatives or beneficiaries. Any such corporation, association or society may in its discretion, through its officers or directors, deposit with the auditor such securities and for such amounts as may be approved by him. Such deposit shall be received and held by the auditor for the sole benefit of the assured in such corporations, and subject to the provisions of such deed of trust as shall be approved by the auditor and accepted by him from the officers or directors of the corporation; but the deposits with the insurance department, and all other investments of reserve funds, shall be made in the same class of securities as are required by law for the investment of funds by other insurance corporations. Such vote of approval of a contract of re-insurance or transfer shall act as a dissolution of the corporation, and all liability upon its certificates shall cease at the expiration of five days following such vote, but its officers may thereafter perform any act necessary to close its affairs. No such corporation, association or society organized under the laws of this state shall transfer its risks or assets or any part thereof to, or re-insure its risks or any part thereof in, any insurance corporation or association of any other state or country which is not, at the time of such transfer or re-insurance, authorized to do business in this state under the laws thereof. [*Act approved March 8, 1893.*]

4164. (§ 726.) *Visitation by the auditor.*—Proceedings to restrain corporations from doing business. All corporations, associations, and societies to which this act is applicable, with their books, papers, and vouchers, shall be subject to visitation and inspection by the state auditor or by such person as he may designate. The auditor may address any inquiries to any such corporation, association or society in relation to its doings or condition or any other matter connected with its transactions relative to the business contemplated by this act. All officers of such corporation, association or society shall promptly reply in writing to all such inquiries, under the oath of its president,

secretary, or other officers if required. When the auditor, on investigation, shall be satisfied that any corporation organized under the laws of this state, or doing business in this state of the character defined in this act is insolvent because of matured death claims or other obligations due and unpaid, exceeding its assets and death and disability premiums, assessments or periodical payments called or in process of collection, or has exceeded its powers, failed to comply with any provisions of this act, or is conducting business fraudulently, he shall report the facts to the attorney general, who, if he shall be of the opinion that the facts require such action, must thereupon apply to the district court, at a special term thereof, within the judicial district in which the principal office of such corporation within this state is located, for an order requiring the officers of such corporation, to show cause, at a reasonable time and place within such district, why such corporation should not be restrained from continuing to transact business, with power to the court to adjourn the hearing thereon from time to time not exceeding sixty days in all. [*Act approved March 8, 1893.*]

4165. (§ 727.) *Hearing thereon.*—Such corporation, association, or society shall be entitled to be heard, and to a trial by jury of the facts stated in the report, if the same shall be traversed, and to examine papers and witnesses under oath in the usual mode of trials of actions. If the trial is by jury the court shall submit to the jury specific request to find covering the matters in issue separately, and the jury shall return a special verdict on each question submitted; and if by such verdict it shall be found that the corporation is insolvent because of matured death claims, or other obligations due and unpaid, exceeding its assets as hereinbefore provided, the court may render judgment that it and each officer thereof be perpetually enjoined from exercising any corporate rights, privileges or franchises of such corporation and that it be dissolved, and that a receiver be appointed, and an account taken and an equitable distribution of its property, including all deposits with public officers, among its creditors and policy holders be made. If no charge of insolvency be made in such report, or if made be not established by the verdict of the jury, but it shall be found by such verdict that the corporation has exceeded its corporate powers or failed to comply with any provision of this act, or has conducted its business unlawfully, the court may make and enter a judgment enjoining and restraining it from the commission of such acts, or such of them as the court may determine, and in case of failure to desist therefrom within the time to be specified in such judgment, that the corporation be dissolved. [*Act approved March 8, 1893.*]

Upon the filing of such statements and continued compliance with the above requirements it shall be the duty of the auditor to issue annually to such corporation a proper authority to transact business in this state. Such corporation shall annually thereafter report to the auditor on or before the first day of March a complete statement of its business for the year ending December the thirty-first next preceding as provided in § 4173 (735) of this act. The license or authority of such corporation to do business in this state shall be revoked by the auditor whenever he is satisfied on investigation that such corporation is not paying the maximum amount named in its policies or certificates in full. Upon such revocation the auditor shall cause notice thereof to be published in the newspaper in which the general laws are published, and no new business shall be thereafter done by it or its agents in this state. When any other state or country shall impose any license fees, taxes or penalties, upon any corporation of this state, transacting the business herein provided for which are not imposed, or which are in excess of those imposed by this act, like license fees, taxes or penalties shall be imposed upon corporations of the same kind and their agents of such state or country doing business in this

A copy of the writing duly certified and authenticated shall be filed in the office of the secretary of state, and copies filed by him shall be deemed sufficient evidence thereof. Services upon such attorney shall be deemed sufficient service upon the principal. When legal process against any such corporation is served upon the attorney he shall immediately notify the corporation of such service by registered letter, prepaid directed to its secretary; or in the case of a corporation of a foreign country to the resident manager if any in this country; and shall within two days after such service forward in the same manner a copy of the process served on him to such secretary or manager, or to any person previously designated by the corporation in writing. The plaintiff in each process so served shall pay to the attorney at the time of such service a fee of two dollars, which shall be recovered by him as a part of the taxable cost if he prevails in the suit. On the return of such order the issues of fact shall be put in writing and shall be tried at special term in the usual mode of trials of fact in actions unless said corporation shall request a trial by jury—if a jury trial is requested by said corporation the court shall order said case to be placed on the

general term calendar for trial. If the verdict or decision shall be in favor of said corporation the court shall direct the auditor to issue a license to said corporation forthwith. [*Act approved March 8, 1893.*]

The moneys arising from the issuance of such license shall be paid into the State Treasury and disposed of as are other moneys arising from license taxes. No license shall be issued to any such surety company whenever its liabilities shall exceed its assets, and whenever the Auditor shall become satisfied that the liabilities of any surety company, to which license has been issued exceed its assets, he shall send a notice in writing, to the Secretary of such company stating the fact and requiring the deficiency to be paid up within ninety days from the date of such notice, and if it is not so paid up within the time limited, he shall issue a certificate setting forth the amount of such deficiency, and the license of such company is thereby cancelled. The said certificate shall be published in a daily paper printed at the City of Helena once a week for three weeks, and from the date of the first publication of such certificate such company shall be prohibited from doing business within this State. 4254. *Exemption from taxation.*—The cemetery lands and property of any association formed pursuant to this act, are exempt from all public taxes and assessments, and not liable to be sold on execution, or applied in payment of debts of any individual proprietors; but the proprietors of lot in such cemetery, their heirs or legal representatives, may hold the same exempt therefrom, so long as the same remain appropriated to the use of a cemetery, and during that time no street or road shall be laid through such cemetery, or any part of the lands held by such association, for the purpose aforesaid, without the consent of the trustees of such association. And such cemetery association shall have power to use any funds under its control for

But this proviso shall not allow or authorize the conveyance by persons invested with the title thereto, to such association of any piece of ground in which the body of any deceased person theretofore there lawfully interred shall actually remain interred at the time of such attempted conveyance. [*Act approved February 16, 1905, § 19.*] (9th Sess. Chap. 18.)

4256. *Permanent improvement fund.*—That any association formed under the provisions of this act, which shall have established and be maintaining a cemetery, may, by a two-third vote of the trustees of such association, which vote may be taken at any regular meeting of such trustees, provide in accordance with the terms of this act, for the establishment of a permanent fund, the income whereof shall be devoted to the care, maintenance and improvement of such cemetery, which fund shall be known as the "Permanent Care and Improvement Fund" of such Cemetery Association. Such board shall consist of not less than three nor more than five persons, the exact number to rest in the discretion of the said trustees of said association. Such trustees of said fund must be citizens and freeholders of the State of Montana during all the time they exercise the power of such trust. Upon the election, appointment and qualification, as hereinbefore provided, of the said trustees of such fund, all the title to the funds included in said trust, and all the rights, powers, authorities, franchises and trusts whatsoever thereunto appertaining shall at once vest in them; or, in case of the failure of any of those so chosen and appointed, to qualify within thirty days after their appointment, then the same shall vest in the one or more who shall so qualify. In case of the failure of any of those so chosen and appointed so to qualify within such time, the one or more who shall so have qualified shall forthwith fill all vacancies in the said board of trustees of such fund, by choosing and appointing by deed persons to be such trustees upon qualification. And such trustees of the fund shall have power in the same manner to revoke any choice and appointment, and to appoint any other person to be such trustee in any case where one chosen and appointed shall fail to qualify as herein provided, within thirty days after appointment. All appointments to fill vacancies and all revocations must be made unanimously. [*Act approved February 16, 1905, § 21.*] (9th Sess. Chap. 18.)

4259. *Bond of trustees.*—Before exercising, holding or having any of the powers, duties, rights, titles, authorities or franchises appertaining to such trust or to such trusteeship, each person chosen to be a trustee of such fund shall give to the cemetery association for which the trust is maintained, a bond in a sum not less than five thousand (5,000) dollars, and at least equal to one-third the amount of the fund at the time of giving such bond, with good and sufficient sureties thereto, who shall justify in the aggregate in at least double the amount of such bond, the same to be conditioned for the due and faithful performance of his trust until July 1st of the next even numbered year after the year in which such bond shall be given, and until such trustee shall give a new bond as hereinafter provided. Upon the first day of July in each even numbered year, each trustee shall give a new bond conditioned in the same way, the amount thereof to be determined by the same rule, and with sureties as above provided. Such bonds shall all be approved by a judge of the district court for the judicial district in which the cemetery for such trust exists, or some part thereof, shall be situate, and shall be filed with the Treasurer of such cemetery association. Any failure so to renew bonds within thirty days after the time hereinbefore provided, shall be a sufficient ground for removal of any trustee within the discretion of competent jurisdiction, upon application of any person interested. [Act approved February 16, 1905, § 23.] (9th Sess. Chap. 18.)

4260. *Vacancies in board.*—In case of the death, resignation, disability or removal of any member or members of such board of trustees of said fund, the survivor or survivors of them shall forthwith choose and appoint a trustee or trustees to fill such vacancy or vacancies, in the same manner as above provided in case of an original vacancy. [Act approved February 16, 1905, § 24.] (9th Sess. Chap. 18.)

All newly appointed trustees shall at once upon qualification, succeed to an equal share in all the rights, titles, powers, authorities, franchises and trusts belonging to such board; and

the same shall always be vested in the members of such board as actually constituted. [*Act approved February 16, 1905, § 25.*] (*9th Sess. Chap. 18.*)

4262. *Powers of district court.*—In case of death, removal, resignation or disability of all the members of such board, the said rights, titles, interests, authorities, powers, franchises and trusts, until the organization of a new board of trustees, shall vest in the district court in which such cemetery, or the greater part thereof, shall be situate. In such case such board of trustees may be reconstituted by the said district court, on application of any person interested, on such notice to other persons interested as such court may order. The trustees so appointed to and accepting such trust shall become vested with all the aforesaid titles, estates, interests, authorities, powers, franchises, and trusts belonging thereunto, upon qualification as hereinbefore provided. In case of any vacancy or vacancies continuing in the board of trustees of such fund for the period of one year, such vacancy or vacancies may be filled by the said district court in like manner. All trustees appointed by such court under the provisions of this section, shall have all the rights, powers, authorities and franchises as trustees appointed under the other sections of this act. Any owner of an interest in any lot in the cemetery cared for by such trust, and any trustee of the association of such cemetery, and any trustee of the fund, shall be deemed to be sufficiently interested to make any application provided for in this section or in section 4259 (23) of this act. If at any time there shall remain in the hands of such association unexpended money over and above all liabilities of the association, the board of trustees of such association may by a two-third vote, appropriate the whole or any portion of such unexpended moneys to such permanent care and improvement fund. *Provided*, that such fund shall never in any case be allowed to exceed the sum of

five thousand (5,000) dollars per acre of the cemetery thereby to be cared for. And when such sum shall reach such an amount all appropriations and payments thereto whatsoever shall cease. [*Act approved February 16, 1905, § 28.*] (9th Sess. Chap. 18.)

[*Act approved February 16, 1905, § 29.*] (9th Sess. Chap. 18.)

4266. *Disposition of income.*—Such income shall be used in the discretion of the trustees of such association, solely for the care, maintenance and improvement of such cemetery, its grounds and avenues leading thereto, except as herein provided. In event of any portion of the income so paid over remaining unexpended and unappropriated for one year after its being so paid over to the treasurer of such association, it shall be returned to the trustees of such fund, and become a part of the principal of such fund. [*Act approved February 16, 1905, § 30.*] (9th Sess. Chap. 18.)

4267. *Investment of fund.*—The principal of such fund may be invested in the way in which trust funds are permitted to be invested in the State of Montana, and not otherwise. [*Act approved February 16, 1905, § 31.*] (9th Sess. Chap. 18.)

4268. *Compensation of trustees.*—The members of the Board of Trustees of such permanent care and improvement fund shall each receive per diem compensation of five (\$5.00) dollars for each day actually employed in the duties of such trust, but no trustee shall receive more than one hundred (\$100.00) as such compensation in any one year. The fees of such members of the board of trustees shall be paid out of the general fund of the cemetery association until such trust fund shall reach one hundred thousand (\$100,000.00) dollars, and thereafter the same shall be paid out of the income of such fund. [*Act approved February 16, 1905, § 32.*] (9th Sess. Chap. 18.)

4269. *Secretary of board.*—The Secretary of the cemetery association shall act as secretary of the board of trustees of such fund, and shall keep a full record of their proceedings. [*Act approved February 16, 1905, § 33.*] (9th Sess. Chap. 18.)

The directors, before entering upon their duties, shall each take an oath or affirmation faithfully to discharge his duties; and they may from time to time make such dividends of the actual net profits of said corporation as they may think proper, and shall hold their offices until their successors are elected and qualified.

4275. (§ 894.) *Powers of a railroad corporation.*—Every railroad corporation has power:

1. To cause such examination and surveys to be made as may be necessary to the selection of the most advantageous route for the railroad; and for such purposes their officers, agents, and employes may enter upon the lands or waters of any person, subject to liability for all damages which they do thereto.

2. To receive, hold, take, and convey, by deed or otherwise, as a natural person, such voluntary grants and donations of real estate and other property which may be made to it to aid and encourage the construction, maintenance, and accommodation of such railroad.

3. To purchase, or by voluntary grants or donations to receive, enter, take possession of, hold, and use all such real estate and other property as may be absolutely necessary for the construction and maintenance of such railroad, and for all stations, depots, and other purposes necessary to successfully work and conduct the business of the road.

4. To lay out its road, not exceeding in width one hundred feet on each side of its center line, unless a greater width be required for the purpose of excavation or embankment, and to construct and maintain the same, with a single or double track, and with such appendages and adjuncts as may be necessary for the convenient use of the same.

5. To construct their road across, along, or upon any stream of water, watercourse, roadstead, bay, navigable stream, street, avenue, or highway, or across any railway, canal, ditch or flume, which the route of its road intersects, crosses or runs along, in such manner as to afford security for life and property; but the corporation shall restore the stream or water course, road, street, avenue, highway, railroad, canal, ditch or flume thus intersected to its former state of usefulness, as near as may be, or so that the railroad shall not unnecessarily impair its usefulness or injure its franchise.

6. To cross, intersect, join, or unite its railroad with any other railroad, either before or after construction, at any point upon its route, and upon the grounds of such other railroad corporation, with the necessary turnouts, sidings and switches, and other conveniences in furtherance of the objects of its connections; and every corporation whose railroad is, or shall be hereafter, intersected by any new railroad, shall unite with the owners of such new railroad in forming such intersections and connections, and grant facilities therefor; and if the two corporations cannot agree upon the amount of compensation to be made therefor, or the points or the manner of such crossings, intersections, and connections, the same shall be ascertained and determined as is provided in title VII., part III., Code of Civil Procedure.

7. To purchase lands, timber, stone, gravel, or other materials, to be used in the construction and maintenance of its road, and all necessary appendages and adjuncts, or acquire them in the manner provided in title VII., part III., Code of Civil Procedure, for the condemnation of lands; and to change the line of its road, in whole or in part, whenever a majority of the directors so determine, as is provided hereinafter; but no such change must vary the general route of such road, as contemplated in its articles of incorporation.

dred feet in width, except where a greater width is required for excavations and embankments. Changing the channel of a river is a part of the construction thereof.

Southern R. Co. v. Railway Co., 111 Cal. 227; 43 Pac. 602.

4276. (§ 895.) *Right of way in canyon.*—Any such corporation whose right of way, or whose track upon such right of way, extends through any canyon, pass or defile, shall not exclude any other such corporation from a passage through the same upon equitable terms and in case of disagreement upon application of either of the parties, with notice to the other, the same shall be adjusted by a court of competent jurisdiction; and if the passage of any such railroad through the canyon, pass or defile causes the disuse or change of location of any public wagon road that may traverse the same, damages shall be awarded therefor, as provided by the Code of Civil Procedure, and if it shall become necessary for any other railroad company passing through the state to cross or pass any other railroad track or defile already constructed or surveyed, the same may be so done without any compensation therefor, except the actual damage done by so doing; and when two or more companies desire to pass through the same canyon, pass or defile, neither shall exclude the other from passing through the same, and neither shall have any compensation therefor, except the actual damage done by so doing; and should it be necessary that the said companies should use the same track or bed in passing through such canyon, pass or defile, the same may be done without any compensation therefor from one to the other, except the actual damage by so doing.

4277. (§ 896.) *Survey, annual work, and completion of road.*—Every railroad corporation shall be required to complete fifteen miles upon each of its lines, branches, or extensions, each year subsequent to the passage of this title, in the case of companies already organized, and each year subsequent to the filing of articles of incorporation in the case of corporations hereafter organized. But organization under this chapter shall not be deemed to confer any right to any portion of its line as designated in its articles of incorporation on which a preliminary survey and location shall not have been made, and if such corporation shall fail to comply with the requirements of this section, it shall forfeit its charter and all the rights and privileges conferred by said articles as to any incompleted portion of its line of road. Each railroad corporation shall complete the whole line of its road within five years from the passage of this chapter, in the

case of corporations already organized, and within seven years from the date of filing articles of incorporation in the case of corporations hereafter organized. Upon the written application of any county attorney of a county through which the line of said road would pass, made to the district court, setting forth the alleged cause of such forfeiture, it shall be the duty of such court, after notice to the corporation, to examine the cause; and if, in his judgment, sufficient cause exists for such forfeiture, to declare and enforce the forfeiture.

(§ 897.) *Railroads on reservations.*—Any railroad corporation now or hereafter organized under the laws of this state, for the purpose of building railroads which extend upon Indian or military reservations within this state, shall not forfeit its charter, or any rights or privileges, by reason of its failure to build and complete any portion of its road upon such reservations, until a grant of a right of way therefor has been obtained from the United States, or any parties authorized in that behalf, and thereafter the provisions of this chapter shall be applicable to said corporations.

4279. (§ 898.) *May change location or grade.*—Whenever any corporation organized under this chapter shall find it necessary for the purpose of avoiding annoyance to public travel, or dangerous or difficult curves or grades, or unsafe or unsubstantial grounds or foundations, or for other reasonable causes, to change the location or grade of any portion of its road, such railroad corporation is hereby authorized to make such changes, not departing from the general route prescribed in the articles of incorporation.

4280. (§ 899.) *May borrow money and secure payment.*—Any corporation organized under this chapter shall have power to borrow money on the credit of the corporation to an amount not exceeding its authorized capital stock, at a rate of interest to be agreed upon by the respective parties, and may execute bonds therefor in sums of not less than one hundred dollars, and secure the payment thereof by mortgage or pledge of the property and income of such corporation. And if the said mortgage shall so provide, it shall be and remain a valid lien upon all of the property of said corporation of whatever kind then existing, or that may thereafter be by it acquired, irrespective of the law now in force relating to chattel mortgages, and the same shall be taken, held and enforced in the same manner as mortgages upon real estate now are held and enforced.

4282. (§ 901.) *May divert streams, etc.*—It shall be lawful for such corporation, whenever it may be necessary in the construction of its road to cross any road or stream of water, to divert the same from its present location or bed; but such corporation shall, without unnecessary delay, place such road or stream in such condition as not to impair its former usefulness.

State v. Court. 34 Mont. 541; 88 Pac. 46.

4283. (§ 902.) *Principal office.*—Every such corporation shall, as soon as convenient after its organization, establish a principal office at some point on the line of its road, and may change the same at pleasure, giving public notice in one or more newspapers in the state having the largest circulation, and notice to the secretary of state of such establishment or change.

4284. (§ 903.) *May maintain telegraph line.*—Any such corporation is hereby authorized to construct, maintain and operate a telegraph line along its road. The provisions of this chapter concerning the grant for station buildings, work-shops, depots, machine shops, switches, side tracks, turn-tables and water stations shall not apply to mineral lands of the United States, or to lands reserved by the United States, nor to any lands as against the United States.

4285. (§ 904.) *State not responsible for debts of railroad.*—Nothing in this chapter shall be construed to make the state, or any municipality therein, liable for any debts or obligations of any character which may be contracted by such corporations.

4286. (§ 905.) *Liability to employe.*—In every case the liability of the corporation to a servant or employe acting under the orders of his superior, shall be the same in cases of injury sustained by default or wrongful act of his superior, or to an employe not appointed or controlled by him, as if such servant or employe were a passenger.

4287. (§ 906.) *May increase capital stock.*—If the amount of the capital stock shall be found insufficient to enable any such corporation to construct its road, it shall be competent for the directors upon a vote of the stockholders, to increase the stock to such sum as shall cover the expenses of the construction of its road.

4288. (§ 907.) *May accept provisions of act of congress.*—Any such corporations may accept the provisions of any act of congress providing for the creation of bodies corporate for the purposes aforesaid, but such acceptance shall not impair or affect the legal or equitable rights of any creditor as they exist at the time of such acceptance.

4289. *Regulations.*—If any railroad corporation within this State shall ask, charge, or demand any exorbitant rate of compensation for the transportation of any freight, baggage, express matter or passenger, or make any unjust discrimination in its rates, or shall neglect to provide comfortable and convenient cars or coaches for the transportation of its passengers and their baggage, or safe cars for the transportation of express matter and freight, or shall use any highly inflammable oils for lighting any car on its passenger trains, or shall wilfully neglect to keep a table of its passenger tariff and rates of freight conspicuously posted in each depot within this State, or fail to light its track in any City in this State, or shall transport within this State on any of its passenger cars, any oil of vitriol, gun powder, lucifer matches, nitro glycerine, glynon oil, nytroleum or blasting oil, or nitrate oil, or powder mixed with any such oil, or fibre saturated therewith, or duolin or giant powder, or blasting powder, or any other goods of a dangerous nature, or in any incorporated city or town in this state run any train at a rate of speed forbidden by the laws of this State or the ordinances of such city or town, or run any train over any unsafe bridge, trestle work, or aqueduct in this State; or fail to have upon any locomotive in use by it in this State a bell and steam whistle in fit condition for use thereon; or shall permit any locomotive to approach any highway, road or railroad crossing, without causing the whistle to be sounded, at a point between fifty and eighty rods from the crossing, and the bell to be rung from said point until the crossing is reached; or shall wilfully fail to make any report herein required, or which may be hereafter required by any law of this State, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined for the first offense in the sum of one thousand dollars, and for the second violation of the same provision, two thousand dollars, and for every other and further violation of any provision of which it has been twice before found guilty, a sum not less than five nor more than ten thousand dollars. State v. Railway Companies, 21 Mont. 233; 53 Pac. 627. This section was continued in force after the adoption of this code and repeals sections 911 and

CHAPTER III.

LIVE STOCK KILLED OR INJURED BY RAILROADS.

Section 4308. *Fences and cattle guards.*

“ 4309. *Liable for injury from negligence.*

“ 4310. *Right of way to be kept clear from dead grass.*

“ 4311. *Designation of stations where records are kept.*

“ 4312. *Penalty.*

“ 4313. *Affidavit of ownership and value.*

“ 4314. *Company may deposit value of animal.*

“ 4315. *Recovery by secretary of state board of stock commissioners.*

“ 4316. *Penalty for driving animals upon track.*

“ 4317. *Carcass and hide of animal.*

“ 4318. *Regulations concerning fences.*

“ 4319. *Cattle guards.*

“ 4320. *Opening under trestles.*

“ 4321. *Limitations.*

“ 4322. *Penalty.*

4308. *Fences and cattle guards.*—Railroad corporations must make and maintain a good and legal fence on both sides of their track and property, and maintain, at all crossings, cattle guards over which cattle or other domestic animals cannot pass. In case they do not make and maintain such fence and guards, if their engines or cars shall kill or maim any cattle or other

domestic animals upon their line of road, they must pay to the owner of such cattle or other domestic animals, in all cases, a fair market price for the same, unless it occurred through the neglect or fault of the owner of the animal so killed or maimed. *Provided*, that nothing herein shall be construed so as to prevent any person, or persons, from recovering damages from any railroad corporation for its negligent killing or injury to any cattle, or other domestic animals, at spurs, sidings, Y's, crossings and turn tables. [*Act approved March 1, 1907.*] (*10th Sess. Chap. 59.*)

4309. (§ 951.) *Liable for injury from negligence.*—Every railroad corporation or company operating any railroad, or branch thereof, within the limits of this state, which shall negligently injure or kill any horse, mare, gelding, filly, jack, jenny, or mule, or any cow, heifer, bull, ox, steer, or calf, or any other domestic animal, by running any engine or engines, car or cars, over or against any such animal, shall be liable to the owner of such animal for the damages sustained by such owner by reason thereof. The killing or injury shall be prima facie evidence of negligence on the part of such corporation or company.

Menard v. M. C. R. Co., 22 Mont. 346; 56 Pac. 594. A domestic railroad company, organized before this code took effect, and which had not made the election provided in sections 400 and 401 *supra*, was not subject to sections 950 and 951 of this code.

Poindexter Co. v. Oregon R. Co., 33 Mont. 343; 83 Pac. 888. In an action against a railroad company to recover

for a bull killed by it, proof that the animal had been fatally injured by the locomotive, but was killed by a section boss of the railroad to end its sufferings, supports the allegation of the killing. An instruction that the law presumed such killing to have been the result of the negligence of the railroad correctly states the law.

4310. (§ 952.) *Right of way to be kept clear from dead grass.*—It shall be the duty of all railroad corporations or railroad companies operating any railroad within this state to keep their railroad track, and either side thereof, for a distance of one hundred feet on each side of the track or roadbed, so far as it passes through any portion of this state, free from dead grass, weeds or any dangerous or combustible material; and any railroad company or corporation failing to keep its railroad track and each side thereof free as above specified, shall be liable for any damages which may occur from fire emanating from operating such railroad, and a neglect to comply with the provisions of this section in keeping free any railroad track, and either side for a distance equal to the space of ground covered by the grant of the right of way for the railroad corporation or company, shall be prima facie evidence of negligence on the part of any such railroad corporation or company. But no railroad corporation or company shall be required to keep free as above specified any land not a part of its right of way.

4311. *Designation of stations where records are kept.*—It shall be the duty of any corporation, association, company, per-

son or persons owning, controlling or operating any railroad, or branch thereof, in this state, to designate some station on the line of the same, in each county through which it passes, at which it shall keep a suitable book, and within thirty days after the killing or injuring of any animal or animals, to cause to be entered therein the date when, and the place where the same were killed or injured, as near as may be, together with a description thereof, including the age, color and sex of the same, and marks and brands upon the same as near as the same can be done, which said book shall be kept for the inspection of any person or persons claiming to be interested in the inspection thereof, and shall cause a notice of the station so designated to be filed with the county clerk of the county in which said station is situated; *Provided*, that when such railroad or branch thereof shall run to or through any town or station at which is located the county seat of any county, then such book shall be kept at such town or station at which said county seat is located, and the affidavit provided for by Section 4313 (955) of this Code as amended by an Act entitled "An Act to amend Section 955 of Chapter III, Title VIII, Part IV, Division I, of the Civil Code of Montana relating to livestock killed or injured and to add to said Chapter a Section to be known as Section 955," approved March 6th, 1903, may be served on the agent of such station. [Act approved February 21, 1905.] (9th Sess. Chap. 29.)

4312. (§ 954.) *Penalty*.—Any corporation, association, person or persons so owning, controlling or operating such railroad or branch thereof, failing to designate said station, file said notice, keep said book and make the entries as provided in the preceding section, shall be liable to the owner or owners of the animal or animals so killed or injured, whether negligently done or not, and the court or jury before whom any action is tried for the recovery of damages on account thereof, may, in its or their discretion, render verdict and judgment for the amount of the value of any such animal or animals so killed, or the amount of damages sustained by reason of any injury thereto.

4313. *Affidavit of ownership and value*.—In case any corporation, association, or company, person or persons shall comply with the provisions of Section 4311 (953), of this Chapter, it shall be the duty of the owner or owners of any animal or animals, killed or injured as aforesaid, or his agent, or their agent, within thirty days after information shall have reached him or them of the killing or injury of such animal or animals, to make affidavit of such ownership and the market value of the animal or animals, so killed, or the amount of damages occasioned by such injury, and deliver the same to the person in charge of the said book or station, so designated, and thereupon the said corpora-

tion, association, company, person or persons, shall have fifty days within which to pay the amount claimed, and no action shall be instituted for the recovery of the value of or damages to such animals or animal until the expiration of said time. And whenever any of the live stock referred to in this Chapter shall be injured or killed, as therein recited, and the owner or owners thereof, shall thereafter institute an action for the recovery of the loss or damage so sustained by him, or them, the Court in which such action shall be brought shall, if the plaintiff in such action recover a judgment against the defendant therein, tax, as part of the costs therein, a reasonable sum to be fixed by the Court as a fee to the plaintiff's attorney for conducting said action, which said fee; so fixed and allowed, shall be paid by or collected from the defendant in such action in like manner as other costs *provided*, that no such fee shall be allowed by the Court or collected from the defendant when it shall appear from the pleadings or proof, in any such action, that the defendant prior to the institution of such action, offered or agreed to pay to the plaintiff therein, in settlement of the loss or damages claimed a sum equal to or in excess of the amount, recovered as damages in said action. [Act approved March 6, 1903.] (8th Sess. Chap. 101.)

4314. (§ 956.) *Company may deposit value of animal.*—If any corporation, association, company, person or persons, so owning, controlling, or operating any such railroad or branch thereof, shall kill or injure any animal or animals as aforesaid, and shall tender to the owner or owners thereof, or to his or their agent in that behalf, the amount which they shall deem to be the value thereof, or the damage thereto, as the case may be; or if said railroad, corporation, association, company, person or persons, shall deposit with the board of stock commissioners such amount for the owner or owners thereof; and such owner or owners, or his or their said agent shall refuse to accept the same in settlement thereof, then such owner or owners shall pay all costs incurred in any action instituted, after such tender or deposit, to recover such value or damage, unless he or they shall recover therein more than the amount so tendered as aforesaid.

4315. *Recovery by the Secretary of the State Board of Stock Commissioners.*—That where live stock are killed by railroad corporations in violation of Section 4308 (950) of the Civil Code, as amended by Chapter 29, Laws of 1905, in the event the owner of any such live stock shall not claim or assert claim against any such railroad or railroad corporation for the value of the live stock so killed within six months from the date they are killed, the Secretary of the State Board of Stock Commissioners is hereby authorized to demand and receive from such railroad or railroad

company payment in damages for such live stock, and the said Board of Stock Commissioners are hereby authorized and empowered to prosecute in the name of the State, actions against such railroad or railroad companies in any court of competent jurisdiction to recover damages in the event of the failure, neglect or refusal of such railroad or railroad companies to make payment of the amount of the claim upon demand as herein provided. The money so recovered shall be paid over to the Secretary of the State Board of Stock Commissioners and shall be by him placed and held in a separate fund and disposed of as herein provided. Such money shall be held by the Secretary of the State Board of Stock Commissioners for a period of two years after the date of its receipt, and in the event that the lawful owner of the animal killed does not present and prove his claim to the net proceeds received from the animal killed within said time the same shall be paid over to the State Treasurer of the State of Montana, and be by him placed to the credit of the Stock Indemnity Fund. However, should the owner of the animal killed present and prove his claim within the time herein provided, the Secretary of the State Board of Stock Commissioners, or said Board, are hereby authorized and empowered to pay such claimant the amount of money to which he is entitled for the animal or animals so killed by any railroad or railroad company, the damages for which have been collected by the said Board of Stock Commissioners or the Secretary thereof, as provided in this Act. In all actions prosecuted for the recovery of the value of live stock killed under the provisions of this Act the plaintiff shall recover all costs. In the event the owner of any animal or animals killed has not presented his claim against the railroad or railroad company which caused the same to be killed, any settlement made or obtained by the State Board of Stock Commissioners or the Secretary thereof shall constitute a bar as against any action by the owner of such animal or animals. [*Act approved March 9, 1907.*] (*10th Sess. Chap. 183.*)

4316. (§ 957.) *Penalty for driving animal or animals upon track.*—If the owner or owners, or his or their duly authorized agent or agents, of any animal or animals heretofore mentioned, shall drive the same upon the track of any such corporation, association, company, person, or persons, with the intention to injure it or them, and such animal or animals shall be killed or injured, such owner or owners shall be liable for all injury or damage occasioned by reason of such act, and shall be punished as provided in the Penal Code

shall be liable to the owners of any animal killed as provided in this chapter, they shall be authorized to skin the same, and shall be entitled to the carcass and hide thereof, unless the owner or owners thereof shall claim the same, in which event the amount of the value thereof shall be deducted from the amount of damages which would otherwise be due. But in case such corporation, association, company, person or persons, so entitled thereto, shall take said carcass and hide, they shall skin such animal or animals and deposit the hide thereof at the station designated for keeping the book and making the entries hereinbefore provided for, during the space of sixty days, for the inspection of persons claiming to be interested therein.

[*Act approved March 2, 1893.*]

4320. Rose v. N. P. R. Co., 35 Mont. 78; 88 Pac. 767. In the absence of a special contract limiting the liability of the carrier, this section would authorize the recovery of the actual value of the baggage lost.

4328. (§ 975.) *Passengers refusing to pay fare.*—If any passenger refuses to pay his fare, or to exhibit or surrender his ticket, when reasonably requested so to do, the conductor and employes of the corporation may put him and his baggage out of the cars, using no unnecessary force, at any usual stopping place, or near any dwelling house, on stopping the train.

Every such ticket entitles the holder thereof to ride on their passenger cars to the station or depot of destination, or any intermediate station, and from any intermediate station to the depot of destination designated in the ticket, at any time within six months thereafter. Any corporation failing so to provide and furnish tickets, or refusing the passage which the same calls for when sold, must pay to the person so refused the sum of two hundred dollars.
